Part I	Service Provider Information (see instructions)
---------------	--

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No

b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
THE VANGUARD GROUP, INC.
23-1945930

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

2. Information on Other Service Providers Receiving Direct or Indirect Compensation. Except for those persons for whom you answered "Yes" to line 1a above, complete as many entries as needed to list each person receiving, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of value) in connection with services rendered to the plan or their position with the plan during the plan year. (See instructions).

(a) Enter name and EIN or address (see instructions)

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: RSM US, LLP

(2) EIN: 42-0714325

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		2500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			
5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year?..... ☐ Yes ☒ No If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.			
5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

Independent Auditor's Report

Board of Directors
Cleveland Brothers Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Cleveland Brothers Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i)—Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Cleveland Brothers Retirement Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the Cleveland Brothers Retirement Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan was established in 1949 to provide retirement benefits for the employees of Cleveland Brothers Equipment Co., Inc. (the Company) and the employees of CB Mining, Inc. and CWW Conveyor Systems, LLC. The Plan is a defined contribution plan covering all eligible employees of the Company. Eligible employee means an employee of the Company, except for leased employees, temporary employees, nonresident aliens, independent contractors and employees covered by a collective bargaining agreement. The Plan provides, among other things, for retirement and death benefits equal to a participant's account balance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions: Each year, participants may contribute up to 80% of pre-tax annual compensation, as defined in the Plan. Additionally, participants may designate some or all of their contributions as Roth after-tax contributions in accordance with the Internal Revenue Code (IRC) Section 402(g) annual limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions and Roth after-tax catch-up contributions in accordance with and subject to the limitations of the IRC. Participants may also contribute amounts, in the form of rollover contributions, representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of contributions into various investment options offered by the Plan. Employer matching contributions to the Plan are made each payroll period in an amount equal to a specified percentage of the total amount of participant basic contributions and supplemental contributions made with respect to each payroll period. The matching percentage is discretionary and is determined annually by the board of directors. During 2021 and 2020, the Company matching contribution was 25% of the first 5% of employee contributions. The Company matching contribution was suspended in April 2020 and was reinstated in April 2021.

The Plan also has a profit sharing component, whereby the Company may make discretionary contributions on an annual basis, on behalf of eligible participants. Such contributions are determined by the Company's board of directors based on the earnings of the Company. For the years ended December 31, 2021 and 2020, the Company made profit sharing contributions to the Plan in the amounts of \$6,520,376 and \$4,379,924, respectively, which represented 10% of eligible employee compensation for 2021 and 7% of eligible employee compensation for 2020. Participants direct the investment of contributions into various investment options offered by the Plan.

Participants in the Plan who do not take action to decline enrollment in the Plan are automatically enrolled with a pre-tax contribution rate equal to 3% of their annual compensation. Contributions are invested in a Vanguard Target Retirement Fund based on the participant's anticipated retirement date. Participants are also automatically enrolled in annual pre-tax contribution rate increases of 1% up to a maximum of 20%.

Employees of CB Mining, Inc. and CWW Conveyor Systems, LLC: On September 3, 2013, the Company amended the Plan to include separate provisions for CB Mining, Inc. (which is under common ownership with the Company and is the exclusive dealer of Caterpillar Global Mining LLC's products) employees who became participants in the Plan. Under the terms of the amendment, the Company offers the Cleveland Brothers Retirement Plan to all CB Mining, Inc. employees.

On March 23, 2015, the Company amended the Plan to include separate provisions for CWW Conveyor Systems, LLC employees who became participants in the Plan. Under the terms of the amendment, the Company offers the Cleveland Brothers Retirement Plan to all CWW Conveyor Systems, LLC employees.

Cleveland Brothers Retirement Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

On April 15, 2016, the business operations of CWW Conveyor Systems, LLC ceased and in February 2017, the assets of the business were sold. Therefore, there were no further contributions to the Plan related to CWW Conveyor Systems, LLC since the 2015 Plan year.

CB Mining, Inc. matching contributions to the Plan are made each payroll period in an amount equal to a specified percentage of the total amount of Participant Basic Contributions and Supplemental Contributions made with respect to each payroll period. The matching percentage is discretionary and is determined annually by the board of directors of CB Mining, Inc. For 2021 and 2020, the CB Mining, Inc. matching contributions were 100% of the first 6% of employee contributions. The Company matching contribution for CB Mining, Inc. was suspended in April 2020 and was reinstated in April 2021.

The plan amendments also provide for nonelective contributions by CB Mining, Inc. to eligible employees (subject to certain limitations). Employees are eligible to participate in the nonelective contribution upon completion of one year of service. The share of each participant's contribution shall be based on a point system calculated on the last day of each plan year, which is the sum of the participant's age plus years of service. Based on the participant's point total, a contribution shall be made by the employer in an amount equal to a percentage of the participant's compensation, which ranges from three to five percent.

CB Mining, Inc.'s nonelective contribution was \$184,201 and \$167,004 for the years ended December 31, 2021 and 2020, respectively.

Participant accounts: Each participant's account is credited with the participant's contribution, the Company's matching and profit sharing contributions, and actual earnings (losses). Allocations are based on participant earnings (losses) or account balances by fund, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions and rollovers from other plans plus actual earnings (losses) thereon. Vesting in the Company contribution portion of their account, plus actual earnings (losses) thereon, is based on years of continuous service. A participant is 100% vested in the Company contribution portion of their account after three years of credited service.

Notes receivable from participants: Participants may borrow funds from their individual accounts within defined limits. Loan repayment periods shall not exceed five years, unless the loan is used to purchase a principal residence, in which case the repayment period shall not exceed 15 years. Interest is charged at a fixed percentage rate ranging from 4.25% to 6.50% at December 31, 2021, based on market rates at the inception of each loan.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Defaulted loans are treated as distributions based upon the terms of the plan document.

On March 27, 2020, Congress enacted the Coronavirus Aid, Relief and Economic Security (CARES) Act, which allows Plan participants who have been diagnosed with COVID (including a spouse or dependent), or participants who have suffered financial hardship due to the pandemic, the ability to suspend loan repayments for any existing loan due between March 27, 2020 through December 31, 2020. This relief requires that a participant certify they have been impacted by COVID-19 in order to qualify. Following the suspension period, the loan will be re-amortized to include interest accrued during the suspension and the total repayment term of the loan may be extended up to one year.

Cleveland Brothers Retirement Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Payment of benefits: Upon termination of service, including death, disability, or retirement, a participant may receive the value of their account in a lump-sum payment. Mandatory or involuntary lump-sum distributions less than \$5,000 shall be made as provided for by the Plan. A participant may also withdraw their vested interest in the Plan upon attainment of age 59½ and under certain hardship conditions in accordance with plan provision.

Along with the changes listed above in the notes receivable from participants section, the CARES Act also allowed qualified participants the ability to receive COVID-related distributions from their 401(k) accounts. Qualified participants had the option to take a coronavirus (CV) distribution during the 2020 Plan year from their vested account balance. The aggregate amount of the CV distributions was not to exceed the lesser of \$100,000 or the participant's vested account balances. The CV distributions were not subject to the early distribution penalty or mandatory income tax withholding. Participants still employed by the Company may elect to repay all or a portion of the CV distribution to the Plan within three years.

Transfers: Upon change in employee status between union and nonunion, the Plan Sponsor initiates a transfer of the participant's account balance between the Cleveland Brothers Retirement Plan and the Cleveland Brothers Retirement Plan for Union Employees. As such, the transferred assets have been presented as transfers on the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

Forfeited accounts: As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$251,340 and \$151,586, respectively. These accounts may be used, at the discretion of the Company, to either reduce future Company contributions, pay plan expenses, or be reallocated among the eligible active participants at the end of the plan year in which the forfeitures occur. The Company used forfeitures of \$41,561 and \$0 for the years ended December 31, 2021 and 2020, respectively, to reduce the Company match.

Plan termination: Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions, if any, at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their total account.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Cleveland Brothers Retirement Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes realized and unrealized gains and losses on investments bought, sold, and held during the year. Capital gain distributions are included in dividend income.

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: The Company pays certain plan expenses on behalf of the Plan.

Subsequent events: The Plan has evaluated subsequent events for potential recognition and/or disclosure through October 11, 2022, the date the financial statements were available to be issued.

Note 3. Information Certified and Provided by Vanguard Fiduciary Trust Company

The following is a summary of the asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	2021	2020
Registered investment companies	\$ 252,113,029	\$ 223,562,246
Common/collective trust fund	\$ 6,339,525	\$ 8,832,308
Notes receivable from participants	\$ 1,077,407	\$ 1,342,327

The trustee also certified to the completeness and accuracy of the following for the years ended December 31:

	2021	2020
Net appreciation in fair value of investments	\$ 10,642,919	\$ 20,003,938
Interest and dividends from investments	\$ 22,601,234	\$ 7,893,510
Interest on notes receivable from participants	\$ 55,432	\$ 66,974

Cleveland Brothers Retirement Plan

Notes to Financial Statements

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Accounting Standards Codification (ASC) 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability, and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies: Valued at the daily closing price as reported by the fund, which represents the net asset value (NAV) of the fund. Each fund's NAV is calculated as of the close of business of the New York Stock Exchange (NYSE) and National Association of Securities Dealers Automated Quotations (NASDAQ). These funds are required to publish their daily NAV and to transact at that price and are deemed to be actively traded.

Common/collective trust fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Cleveland Brothers Retirement Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 252,113,029	\$ -	\$ -	\$ 252,113,029
Total assets in the fair value hierarchy	\$ 252,113,029	\$ -	\$ -	252,113,029
Investments measured at NAV ^(a)				6,339,525
Investments at fair value				\$ 258,452,554

	2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 223,562,246	\$ -	\$ -	\$ 223,562,246
Total assets in the fair value hierarchy	\$ 223,562,246	\$ -	\$ -	223,562,246
Investments measured at NAV ^(a)				8,832,308
Investments at fair value				\$ 232,394,554

^(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period. For the years ended December 31, 2021 and 2020, there were no transfers in or out of Level 1, 2, or 3.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using the NAV per share (or its equivalent) as of December 31:

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2021	2020			
Common/collective trust fund	\$ 6,339,525	\$ 8,832,308	None	Daily	None

Cleveland Brothers Retirement Plan

Notes to Financial Statements

Note 5. Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by letter dated April 3, 2018, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended subsequent to the period covered by the determination letter, the Plan Administrator and the Plan's counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Party-in-Interest Transactions

The Plan invests in shares of registered investment companies managed by an affiliate of Vanguard Fiduciary Trust Company. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. All other transactions, which may be considered party-in-interest transactions, relate to normal plan management and administrative services and the related payment of fees. Administrative expenses paid to parties-in-interest were \$142,823 and \$108,758 for the years ended December 31, 2021 and 2020, respectively.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits. For the years ended December 31, 2021 and 2020, 12% of the Plan's investments are in a single registered investment company. This is a concentration of credit risk.

Note 8. COVID-19

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 (COVID-19) as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic situation continues to develop and has led to volatility in financial markets and has affected, and may continue to affect, the plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

Independent Auditor's Report

Board of Directors
Cleveland Brothers Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Cleveland Brothers Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i)—Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Cleveland Brothers Retirement Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the Cleveland Brothers Retirement Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan was established in 1949 to provide retirement benefits for the employees of Cleveland Brothers Equipment Co., Inc. (the Company) and the employees of CB Mining, Inc. and CWW Conveyor Systems, LLC. The Plan is a defined contribution plan covering all eligible employees of the Company. Eligible employee means an employee of the Company, except for leased employees, temporary employees, nonresident aliens, independent contractors and employees covered by a collective bargaining agreement. The Plan provides, among other things, for retirement and death benefits equal to a participant's account balance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions: Each year, participants may contribute up to 80% of pre-tax annual compensation, as defined in the Plan. Additionally, participants may designate some or all of their contributions as Roth after-tax contributions in accordance with the Internal Revenue Code (IRC) Section 402(g) annual limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions and Roth after-tax catch-up contributions in accordance with and subject to the limitations of the IRC. Participants may also contribute amounts, in the form of rollover contributions, representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of contributions into various investment options offered by the Plan. Employer matching contributions to the Plan are made each payroll period in an amount equal to a specified percentage of the total amount of participant basic contributions and supplemental contributions made with respect to each payroll period. The matching percentage is discretionary and is determined annually by the board of directors. During 2021 and 2020, the Company matching contribution was 25% of the first 5% of employee contributions. The Company matching contribution was suspended in April 2020 and was reinstated in April 2021.

The Plan also has a profit sharing component, whereby the Company may make discretionary contributions on an annual basis, on behalf of eligible participants. Such contributions are determined by the Company's board of directors based on the earnings of the Company. For the years ended December 31, 2021 and 2020, the Company made profit sharing contributions to the Plan in the amounts of \$6,520,376 and \$4,379,924, respectively, which represented 10% of eligible employee compensation for 2021 and 7% of eligible employee compensation for 2020. Participants direct the investment of contributions into various investment options offered by the Plan.

Participants in the Plan who do not take action to decline enrollment in the Plan are automatically enrolled with a pre-tax contribution rate equal to 3% of their annual compensation. Contributions are invested in a Vanguard Target Retirement Fund based on the participant's anticipated retirement date. Participants are also automatically enrolled in annual pre-tax contribution rate increases of 1% up to a maximum of 20%.

Employees of CB Mining, Inc. and CWW Conveyor Systems, LLC: On September 3, 2013, the Company amended the Plan to include separate provisions for CB Mining, Inc. (which is under common ownership with the Company and is the exclusive dealer of Caterpillar Global Mining LLC's products) employees who became participants in the Plan. Under the terms of the amendment, the Company offers the Cleveland Brothers Retirement Plan to all CB Mining, Inc. employees.

On March 23, 2015, the Company amended the Plan to include separate provisions for CWW Conveyor Systems, LLC employees who became participants in the Plan. Under the terms of the amendment, the Company offers the Cleveland Brothers Retirement Plan to all CWW Conveyor Systems, LLC employees.

Cleveland Brothers Retirement Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

On April 15, 2016, the business operations of CWW Conveyor Systems, LLC ceased and in February 2017, the assets of the business were sold. Therefore, there were no further contributions to the Plan related to CWW Conveyor Systems, LLC since the 2015 Plan year.

CB Mining, Inc. matching contributions to the Plan are made each payroll period in an amount equal to a specified percentage of the total amount of Participant Basic Contributions and Supplemental Contributions made with respect to each payroll period. The matching percentage is discretionary and is determined annually by the board of directors of CB Mining, Inc. For 2021 and 2020, the CB Mining, Inc. matching contributions were 100% of the first 6% of employee contributions. The Company matching contribution for CB Mining, Inc. was suspended in April 2020 and was reinstated in April 2021.

The plan amendments also provide for nonelective contributions by CB Mining, Inc. to eligible employees (subject to certain limitations). Employees are eligible to participate in the nonelective contribution upon completion of one year of service. The share of each participant's contribution shall be based on a point system calculated on the last day of each plan year, which is the sum of the participant's age plus years of service. Based on the participant's point total, a contribution shall be made by the employer in an amount equal to a percentage of the participant's compensation, which ranges from three to five percent.

CB Mining, Inc.'s nonelective contribution was \$184,201 and \$167,004 for the years ended December 31, 2021 and 2020, respectively.

Participant accounts: Each participant's account is credited with the participant's contribution, the Company's matching and profit sharing contributions, and actual earnings (losses). Allocations are based on participant earnings (losses) or account balances by fund, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions and rollovers from other plans plus actual earnings (losses) thereon. Vesting in the Company contribution portion of their account, plus actual earnings (losses) thereon, is based on years of continuous service. A participant is 100% vested in the Company contribution portion of their account after three years of credited service.

Notes receivable from participants: Participants may borrow funds from their individual accounts within defined limits. Loan repayment periods shall not exceed five years, unless the loan is used to purchase a principal residence, in which case the repayment period shall not exceed 15 years. Interest is charged at a fixed percentage rate ranging from 4.25% to 6.50% at December 31, 2021, based on market rates at the inception of each loan.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Defaulted loans are treated as distributions based upon the terms of the plan document.

On March 27, 2020, Congress enacted the Coronavirus Aid, Relief and Economic Security (CARES) Act, which allows Plan participants who have been diagnosed with COVID (including a spouse or dependent), or participants who have suffered financial hardship due to the pandemic, the ability to suspend loan repayments for any existing loan due between March 27, 2020 through December 31, 2020. This relief requires that a participant certify they have been impacted by COVID-19 in order to qualify. Following the suspension period, the loan will be re-amortized to include interest accrued during the suspension and the total repayment term of the loan may be extended up to one year.

Cleveland Brothers Retirement Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Payment of benefits: Upon termination of service, including death, disability, or retirement, a participant may receive the value of their account in a lump-sum payment. Mandatory or involuntary lump-sum distributions less than \$5,000 shall be made as provided for by the Plan. A participant may also withdraw their vested interest in the Plan upon attainment of age 59½ and under certain hardship conditions in accordance with plan provision.

Along with the changes listed above in the notes receivable from participants section, the CARES Act also allowed qualified participants the ability to receive COVID-related distributions from their 401(k) accounts. Qualified participants had the option to take a coronavirus (CV) distribution during the 2020 Plan year from their vested account balance. The aggregate amount of the CV distributions was not to exceed the lesser of \$100,000 or the participant's vested account balances. The CV distributions were not subject to the early distribution penalty or mandatory income tax withholding. Participants still employed by the Company may elect to repay all or a portion of the CV distribution to the Plan within three years.

Transfers: Upon change in employee status between union and nonunion, the Plan Sponsor initiates a transfer of the participant's account balance between the Cleveland Brothers Retirement Plan and the Cleveland Brothers Retirement Plan for Union Employees. As such, the transferred assets have been presented as transfers on the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

Forfeited accounts: As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$251,340 and \$151,586, respectively. These accounts may be used, at the discretion of the Company, to either reduce future Company contributions, pay plan expenses, or be reallocated among the eligible active participants at the end of the plan year in which the forfeitures occur. The Company used forfeitures of \$41,561 and \$0 for the years ended December 31, 2021 and 2020, respectively, to reduce the Company match.

Plan termination: Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions, if any, at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their total account.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Cleveland Brothers Retirement Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes realized and unrealized gains and losses on investments bought, sold, and held during the year. Capital gain distributions are included in dividend income.

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: The Company pays certain plan expenses on behalf of the Plan.

Subsequent events: The Plan has evaluated subsequent events for potential recognition and/or disclosure through October 11, 2022, the date the financial statements were available to be issued.

Note 3. Information Certified and Provided by Vanguard Fiduciary Trust Company

The following is a summary of the asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	2021	2020
Registered investment companies	\$ 252,113,029	\$ 223,562,246
Common/collective trust fund	\$ 6,339,525	\$ 8,832,308
Notes receivable from participants	\$ 1,077,407	\$ 1,342,327

The trustee also certified to the completeness and accuracy of the following for the years ended December 31:

	2021	2020
Net appreciation in fair value of investments	\$ 10,642,919	\$ 20,003,938
Interest and dividends from investments	\$ 22,601,234	\$ 7,893,510
Interest on notes receivable from participants	\$ 55,432	\$ 66,974

Cleveland Brothers Retirement Plan

Notes to Financial Statements

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Accounting Standards Codification (ASC) 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability, and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies: Valued at the daily closing price as reported by the fund, which represents the net asset value (NAV) of the fund. Each fund's NAV is calculated as of the close of business of the New York Stock Exchange (NYSE) and National Association of Securities Dealers Automated Quotations (NASDAQ). These funds are required to publish their daily NAV and to transact at that price and are deemed to be actively traded.

Common/collective trust fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Cleveland Brothers Retirement Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 252,113,029	\$ -	\$ -	\$ 252,113,029
Total assets in the fair value hierarchy	\$ 252,113,029	\$ -	\$ -	252,113,029
Investments measured at NAV ^(a)				6,339,525
Investments at fair value				\$ 258,452,554

	2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 223,562,246	\$ -	\$ -	\$ 223,562,246
Total assets in the fair value hierarchy	\$ 223,562,246	\$ -	\$ -	223,562,246
Investments measured at NAV ^(a)				8,832,308
Investments at fair value				\$ 232,394,554

^(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period. For the years ended December 31, 2021 and 2020, there were no transfers in or out of Level 1, 2, or 3.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using the NAV per share (or its equivalent) as of December 31:

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2021	2020			
Common/collective trust fund	\$ 6,339,525	\$ 8,832,308	None	Daily	None

Cleveland Brothers Retirement Plan

Notes to Financial Statements

Note 5. Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by letter dated April 3, 2018, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended subsequent to the period covered by the determination letter, the Plan Administrator and the Plan's counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Party-in-Interest Transactions

The Plan invests in shares of registered investment companies managed by an affiliate of Vanguard Fiduciary Trust Company. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. All other transactions, which may be considered party-in-interest transactions, relate to normal plan management and administrative services and the related payment of fees. Administrative expenses paid to parties-in-interest were \$142,823 and \$108,758 for the years ended December 31, 2021 and 2020, respectively.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits. For the years ended December 31, 2021 and 2020, 12% of the Plan's investments are in a single registered investment company. This is a concentration of credit risk.

Note 8. COVID-19

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 (COVID-19) as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic situation continues to develop and has led to volatility in financial markets and has affected, and may continue to affect, the plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.
