INDEPENDENT AUDITORS' REPORT

TO THE PLAN ADMINISTRATOR AND PARTICIPANTS **OF VANDER-BEND RETIREMENT PLAN**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of VANDER-BEND RETIREMENT PLAN (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Member of Kreston International — a global network of independent accounting firms

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated August 25, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT

TO THE PLAN ADMINISTRATOR AND PARTICIPANTS **OF VANDER-BEND RETIREMENT PLAN**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of VANDER-BEND RETIREMENT PLAN (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated August 25, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

VANDER-BEND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the VANDER-BEND RETIREMENT PLAN (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution Plan covering all eligible employees of Vander-Bend Manufacturing, Inc. (the “Company”). Employees are eligible when they have attained eighteen years of age, have completed 1 year of service, and are not members of a collective bargaining agreement or non-resident aliens. Effective January 1, 2021, the service requirement was reduced to 3 months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (“IRC”).

In March 2020, the Plan implemented provisions of the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) that was signed into law on March 27, 2020. These provisions were applicable for qualified Plan participants and included an increase in maximum loan amounts to the lesser of the participant’s account balance or \$100,000 for a loan issued through September 23, 2020; the ability of qualified participants who had Plan loan repayments due in 2020 to defer such repayments beyond December 31, 2020; and a new coronavirus-related distribution up to \$100,000 in 2020. In addition, the CARES Act allowed any participant subject to a 2020 required minimum distribution (“RMD”) to waive such distribution. In addition, effective January 1, 2020, the Plan implemented the delay of the commencement date for required minimum distributions pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 (the “SECURE Act”). Written amendments to the plan document to reflect these operational changes will be adopted prior to December 31, 2025 in accordance with applicable law and Internal Revenue Service (“IRS”) guidance.

Effective July 1, 2020, employees who were hired as part of the asset acquisition of TMK Manufacturing are eligible to participate in the Plan and retained their credited service.

Effective January 1, 2021, J.L. Haley Enterprises Inc. was added as a participating employer. The J.L. Haley 401(k) Retirement Plan was merged into the Plan. As a result, total assets of \$3,586,398 were transferred into the Plan. Each participant who transferred into the Plan from the J.L. Haley 401(k) Retirement Plan shall be subject to a three-year cliff vesting schedule for employer accounts contributed prior to December 31, 2020.

The Plan provides for a Plan administrator who is responsible for keeping accurate and complete records with regard to the Plan’s operations, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and to government regulations, and providing participants with any reports and documents required by law.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Contributions – Participants may voluntarily contribute between 1% and 75% of their annual compensation, limited to \$19,500 of pretax compensation for the year ended December 31, 2021. Additionally, participants age 50 and older may make catch up contributions limited to \$6,500 for the year ended December 31, 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Prior to January 1, 2021, a participant may increase or decrease the amount of contributions at the beginning of each Plan quarter (January 1, April 1, July 1 and October 1). Effective January 1, 2021, participants are allowed to make post-tax (“Roth”) contributions to the Plan and are permitted to increase or decrease the amount of contributions at the first day of each month.

Employer Contributions – The Company may make discretionary matching contributions based on a percentage of employee deferrals up to a maximum percentage of gross compensation, which is determined annually by the Company. The Company may also make an annual discretionary profit sharing contribution, subject to limitations imposed by applicable provisions of the IRC. To be eligible to receive the profit sharing contribution, the participant must either: a) be employed on the last day of the Plan year or, b) for those participants not employed on the last day of the Plan year, completed more than 500 hours of service during the Plan year. There were no discretionary contributions for the year ended December 31, 2021.

Participant Accounts – Each participant’s account is credited with the participant’s contributions and the Company’s matching contributions and allocations of the Company’s profit-sharing contributions and Plan investment earnings or losses and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that may be provided from the participant’s vested account.

Vesting – Participants are immediately vested in their voluntary contributions and rollover contributions, plus actual earnings thereon. Vesting in the Company’s contributions is based on years of continuous service. Vesting is based on a graded scale as follows:

<u>Years of Credited Service</u>	<u>Vesting Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%
7	100%

VANDER-BEND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Investment Account Options – The Plan currently offers various mutual funds, a stable value fund, and a brokerage account as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at any time.

Notes Receivable from Participants – Participants may borrow from their vested account balances provided they meet the Plan's eligibility requirements. The minimum loan amount is \$1,000 and the maximum amount is the lesser of one-half of the participant's vested account balance or \$50,000. A participant may only have three loans outstanding at any time. The loans are secured by the balance in the participant's accounts and the duration of the loan is not to exceed five years, except for loans used to finance the purchase of a primary residence. Interest rates are based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. The interest rate shall remain fixed throughout the life of the loan. Principal and interest are paid ratably through payroll deductions. Any outstanding loan will become due and payable upon termination of employment. Pursuant to the CARES Act enacted in March 2020, eligible participants could request a delay of loan repayments due between March 27, 2020 and December 31, 2020. If a delay was granted, the participant's note was re-amortized effective January 1, 2021 and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020.

Payment of Benefits – Upon termination of service due to death, disability, retirement, or other reason, a participant may receive a lump-sum distribution, a direct rollover distribution into a qualified plan, or a single sum distribution payment of a portion of the participant's account. Additionally, a participant may request a hardship distribution subject to the requirements of the Plan. If a terminated participant's account balance is less than \$5,000 and the Plan does not receive distribution instructions, the account will be rolled over into an individual retirement plan on behalf of the participant as determined by the Plan administrator. A participant may also elect to receive a pre-retirement distribution if the participant is 100% vested in the amount being distributed, and has reached 59½ years of age. The age at which required minimum distributions must begin was increased from 70½ to 72 pursuant to the SECURE Act.

Forfeited Accounts – The non-vested portion of a terminated participant's account balance is forfeited. Forfeited accounts can be applied to reduce employer contributions or to fund certain administrative expenses. As of December 31, 2021, forfeited non-vested accounts amounted to \$2,857. As of December 31, 2020, there were no forfeited non-vested accounts. During the year ended December 31, 2021, \$6,693 in forfeitures were used to pay administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America.

VANDER-BEND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction in contributions. The Plan distributed the 2021 excess contributions to the applicable participants in February 2022.

Payments of Benefits – Benefits are recorded when paid.

Expenses – The Plan permits the payment of Plan expenses to be made from the Plan's assets, which will be funded from forfeitures, or will be proportionately allocated to the accounts of all participants in the Plan. Such expenses include fees paid to the trustee, third-party consultants and recordkeeper. Further, certain expenses specifically incurred by and attributable to a participant will be paid out of the related participant's account. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

Concentrations – As of December 31, 2021 and 2020, three investments accounted for approximately 70% and 79% of total investments, respectively.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

VANDER-BEND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund: Valued at the NAV of shares of a collective trust held by the Plan at year-end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require three business days' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Self-Directed Brokerage Accounts: Accounts primarily consist of cash and common stock. Cash is valued at cost which represents fair value. Shares of common stock are valued at the closing price reported on the active market on which the individual securities are traded.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

VANDER-BEND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

- (a) In accordance with Financial Accounting Standards Board Accounting Standards Codification Subtopic 820-10, certain investments that were measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020:

<u>Collective Trust Fund</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
December 31, 2021	\$1,373,596	N/A	Daily	3 Business Days
December 31, 2020	\$665,011	N/A	Daily	3 Business Days

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Matrix Trust Company, has certified the completeness and accuracy of all investments and notes receivable presented on the accompanying statements of net assets available for benefits and Note 3 as of December 31, 2021 and 2020, the supplemental Schedule H, Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment and interest income presented in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – TAX STATUS

The Plan is a defined contribution plan designed to qualify as a tax-exempt plan under the IRC. A favorable opinion letter from the Internal Revenue Service was received on March 31, 2014 regarding the qualified status of the prototype plan on which the terms of the Plan were based. The Plan has not filed for a determination letter, however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified.

NOTE 5 – TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Participants may borrow from their vested account balance. Such loan transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan, and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

The Plan holds investments in mutual funds. The plan recordkeeper receives revenue from mutual fund service providers which is used to offset amounts paid by the plan sponsor for administrative services. Because these expenses are paid through this revenue sharing arrangement, they are included in net appreciation in fair value of investments.

Lockton Investment Advisors, LLC (“Lockton”) provides certain advisory services to the Plan pursuant to an Advisory Services Agreement between the Company and Lockton. Revenue from investment fund service providers that would be paid to an advisor are sent back to Matrix Trust Company. This revenue is then used to offset certain amounts owed to Lockton for its advisory services. If the revenue received by the Plan from such investment fund service providers exceeds the amount owed under the Advisory Services Agreement, Matrix Trust Company remits the excess to the Plan’s trust on a monthly basis. Such amounts may be applied to pay plan administrative expenses. During 2021, approximately \$39,000 was paid to Lockton from revenue sharing, and approximately \$8,900 was received from revenue sharing and used to pay other plan administrative expenses.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9 – RECONCILIATION TO FORM 5500

The following is a reconciliation of amounts presented in the financial statements to Form 5500 as of and for the year ended December 31:

NOTE 10 – SUBSEQUENT EVENTS

Effective January 1, 2022, the Plan was amended to add Swiss Precision Machining, Inc. as a participating employer, and the Swiss Precision Machining 401(k) Plan was merged into the Plan.

Effective May 11, 2022, the Plan was restated to adopt the terms of Digital Retirement Solutions, Inc.'s pre-approved plan which replaced Digital Retirement Solutions, Inc.'s volume submitter plan. The restated Plan received a favorable opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the pre-approved plan, as then designed, was in accordance with the applicable requirements of the IRC. There are no significant changes to the Plan's provisions as a result of this change.

Subsequent events have been evaluated through October 11, 2022, which is the date the financial statements were available to be issued.
