INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of Thales Incentive 401(k) Savings Plan
Arlington, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Thales Incentive 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors’ Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THALES INCENTIVE 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following description of the Thales Incentive 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all eligible employees of Thales USA and related companies (collectively the "Company" or "Plan Sponsor"). Fidelity Management Trust Company ("FMTC") is the Plan's trustee and custodian. Fidelity Investments Institution Operations Company, Inc. is the Plan's recordkeeper. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The following related companies participate in the Plan:

Thales Avionics, Inc.
Thales Components Corporation
Thales Transport & Security, Inc.
Thales Defense & Security, Inc.
Thales USA, Inc.
Thales DIS USA, Inc.
Guavas Inc.
SafeNet Assured Technologies, LLC
Thales DIS CPL USA, Inc.

Eligibility – Full-time employees who are at least 18 years old and have worked for 30 days may enter the Plan upon meeting the eligibility requirements. Part-time employees who are least 18 years old may enter the Plan upon completing six months of service with at least 500 hours, or 12 months of service with at least 1,000 hours. The Plan is not open to leased employees, nonresident aliens, union employees who are not covered under the plan by a collective bargaining agreement, transferred employees from another country, and temporary employees for a specific time period or assignment.

Contributions – Participants may make voluntary contributions of up to 99% of annual pretax compensation as defined in the Plan, subject to certain Internal Revenue Code ("IRC") provisions. Participants can elect to make pre-tax contributions or Roth (after-tax) contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company has declared a safe-harbor matching contribution of 100% of the first 4% of each participant's contributions. Matching contributions are made with every payroll.

The Company also makes an additional fixed employer contribution each payroll that is equal to 3% of eligible compensation. A participant need not be deferring a portion of his or her earnings into the Plan in order to receive the fixed employer contribution.

Participant Accounts – Each participant's account is credited with the participant's contributions and the Company's contributions, plus Plan earnings (losses), less distributions taken by a participant, and expenses charged to specific participants related to loan fees, etc. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting – All contributions and related earnings are immediately vested. Previous Plan agreements contained different vesting provisions, and forfeitures related to those and to various corrections to participant account balances consist of balances of approximately $13,500 and $24,500, at December 31, 2021 and 2020, respectively. Forfeitures of approximately $8,500 were used to pay Plan expenses.

Investment Options – Upon enrollment in the Plan, a participant directs his or her contributions and the Company's contributions to the Plan's investment options, comprised of mutual funds, common collective trusts ("CCT") and a money market fund.

Participants may also have an individually directed brokerage account. Each participant may invest all or any part of the vested portion of his account through the self-directed brokerage option. Under the self-directed brokerage option, the Plan participant selects the Investment Funds and the underlying investments for such funds. The Sponsor may limit investments under the self-directed brokerage option to those investments available through a particular broker or program and may limit the types of securities available. Expenses associated with a participant's use of the self-directed brokerage option shall be changed to the participant's account.

Payment of Benefits – At termination, the vested participant whose balance is greater than $5,000 may elect to receive a lump-sum distribution equal to the value of the participant's vested account balance. If a participant's balance is less than $1,000, the Plan Administrator will direct the Trustee to make a lump sum distribution to the participant. If a participant's balance is greater than $1,000 but less than $5,000, the Plan Administrator may roll the account balance into an IRA for the benefit of the participant if the participant does not elect to take a distribution.

Effective July 27, 2021, a Plan amendment was signed to allow participants to take distributions through a systematic withdrawal plan (installment payments).

In-Service Distributions – Participants who are still employees of the Company and who have reached the age of 59 ½ may take an in-service distribution. Hardship withdrawals are available to the plan participants for reasons as defined in the Plan Document. Withdrawals may be taken from the participant's deferral contributions account only.

Notes Receivable from Participants – Participants may borrow a minimum of $1,000 and a maximum of the lesser of $50,000 or 50% of their account balance. Loan terms range from 1-5 years or up to 15 years for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. The interest rate on notes receivable for participants is based on the Reuters rate plus 2% on the first day of the month in which the loan is taken. Principal and interest is paid ratably through payroll deductions. A participant may have two loans outstanding at one time.

CARES Act – On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law. As permitted (but not required) under the CARES Act, the Company opted to allow eligible participants to defer loan repayments due on outstanding loans until January 1, 2021. In July 2020 it also opted to allow eligible participants to obtain a CARES Act distribution of up to $50,000. These changes were reflected in a formal plan amendment adopted on December 13, 2021.

Administrative Expenses – The Plan's expenses may be paid by the Plan or the Company, at the option of the Company. Participants who initiate a loan are charged a fee to do so.

Plan Termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements and supplemental schedule of the Plan are prepared under the accrual basis of accounting in accordance with accounting practices generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits, and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is accrued when earned.

Management fees and operating expenses charged to the Plan for investments in mutual funds, money market fund, and the CCTs are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for doubtful accounts is considered necessary.

Contributions – Employer and employee contributions are reported in the year services are rendered to the Company by the Plan participants.

Revenue Recapture Income – The Plan has entered into a revenue sharing agreement with Fidelity. The balance in the Revenue Recapture Account was approximately $293,000 and $113,400 at December 31, 2021 and 2020. During the year ended December 31, 2021, the Plan received approximately $265,000 in recaptured revenue. During 2021, approximately $163,000 was used to pay Plan expenses.

Payment of Benefits – Benefits are recorded in the year paid.

Date of Management's Review – Subsequent events have been evaluated through October 11, 2022, which is the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under are described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by

observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Mutual Funds, Money Market Fund, and Common Stocks – Valued at the closing price reported on the active market on which the individual securities are traded. Common stocks are held in the Individually Directed Brokerage Accounts.

Common collective trusts ("CCT") – Stated at net asset value as determined by the Fidelity based on the cost of the underlying investments, plus accrued interest less amounts withdrawn to pay benefits.

Individually Directed Brokerage Accounts – Consist of money market funds, mutual funds, and common stocks as described above. Also consists of corporate bonds and preferred stocks, which are valued at the closing price reported on the active market on which the individual securities are traded. If no active market is available, they are valued by an independent pricing service based on quoted prices for similar assets or liabilities in an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments are reported at fair value at December 31, 2021 and 2020, as follows:

December 31, 2021	Fair Value Measurements Using:			
	Level 1	Level 2	Level 3	Fair Value
Mutual funds	$ 873,771,847			$ 873,771,847
Money market	32,853,965			32,853,965
Individually directed brokerage account	44,704,644	$138,751	$ -	44,843,395
Investments in the fair value hierarchy	$ 951,330,456	$138,751	$ -	951,469,207
Investments measured at net asset value:				
Common collective trusts **(a)**				332,827,175
Total investments at fair value				$ 1,284,296,382

December 31, 2020				
	Level 1	Level 2	Level 3	Fair Value
Mutual funds	$766,193,436			$ 766,193,436
Money market	40,380,016			40,380,016
Individually directed brokerage account	37,192,325	$122,192	$ -	37,314,517
Investments in the fair value hierarchy	$843,765,777	$122,192	$ -	843,887,969
Investments measured at net asset value:				
Common collective trusts **(a)**				292,412,285
Total investments at fair value				$ 1,136,300,254

(a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits. They are valued daily, can be redeemed daily with no restrictions, and without prior notice. There are no unfunded commitments.

4. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which hold securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments represent shares of a money market fund, mutual funds and CCTs managed by FMTC. FMTC is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Certain plan expenses are paid to FMTC, and these transactions qualify as party-in-interest. Notes receivable from participants also are party-in-interest transactions.

6. INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, FMTC, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments as of December 31, 2021 and 2020, and for the year ended December 31, 2021:

- Investments, at fair value
- Notes receivable from participants and related interest income
- Net appreciation in fair value of investments
- Interest and dividend income
- Income on individual brokerage accounts
- Schedule of Assets (Held at End of Year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

7. TAX STATUS

The Plan has received a favorable determination letter from the Internal Revenue Service, dated June 9, 2015, stating that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The Plan has been amended since the date of the determination letter, however, the plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Generally accepted accounting principles requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the statement of net assets available per the financial statements to the net assets available for benefits per the Form 5500 for years ended December 31, 2021 and 2020:

	2021	2020
Net assets available for benefits per financial statements	$ 1,296,134,158	$ 1,149,899,952
Adjustment from NAV to Form 5500 fair value for CCT	275,063	1,238,845
Other	-	(16)
