Trustees and Participants of
TEAM BRANDT, LLC
401(k) and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the TEAM BRANDT, LLC 401(k) and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. TEAM BRANDT, LLC 401(k) and Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE A | DESCRIPTION OF THE PLAN

The following description of the TEAM BRANDT, LLC 401(k) and Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution 401(k) and profit sharing plan covering all non-excluded employees of TEAM BRANDT, LLC (the Company) who complete at least one year of service, complete at least 1,000 hours of service per year and are age 21 or older. The Plan was adopted and began operations on January 1, 1972. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees of TEAM BRANDT, LLC 401(k) and Profit Sharing Plan control and manage the operation and administration of the Plan. Bank of America, N.A. serves as the trustee of Plan assets. The Plan was formerly known as Brandt Consolidated, Inc. 401(k) and Profit Sharing Plan. The Plan was amended effective January 1, 2020, adopting the Plan name change.

2. Contributions

Three types of contributions can be made to the Plan.

Deferral Contributions - Each year, participants may contribute up to the maximum dollar amount as determined by the Federal government of pre-tax annual compensation, as defined in the Plan. The maximum deferral in 2021 and 2020 was \$ 19,500. Participants who will be at least age 50 by the end of the year may make an additional "catch-up" contribution of up to \$ 6,500 in 2021 and 2020. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a default fund until changed by the participant. The auto enrollment feature includes an automatic increase by 1% of Plan compensation annually, up to 10%, subject to Internal Revenue Service and Plan limits.

NOTE A | DESCRIPTION OF THE PLAN

2. Contributions

Safe Harbor Employer Contributions - The Company makes a safe harbor contribution equal to 3% of each participant's compensation for the Plan year. By law, the Plan cannot recognize compensation in excess of \$ 290,000 and \$ 285,000 in 2021 and 2020, respectively, in calculating the safe harbor contribution.

Discretionary Employer Contributions - The Company can, at its discretion, elect to contribute to the Plan on behalf of each participant for the Plan year. Employees who have completed 1,000 hours of service during a Plan year are eligible for discretionary employer contributions. Discretionary employer contributions of \$ 640,887 and \$ 269,345 were approved in 2021 and 2020, respectively, and are included in employer contributions receivable in the statement of net assets available for benefits. Contributions are subject to certain Internal Revenue Code limitations.

3. Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's safe harbor contribution, the Company's discretionary contribution, and allocations of Plan earnings and losses. Allocations are based on participant earnings, contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting

Participants are vested immediately in their deferral contributions and safe harbor employer contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions and earnings thereon are based on years of continuous service as follows:

<u>Years of Credited Service</u>	<u>Percent Vested</u>
1	10%
2	20
3	40
4	60
5	80
6 or more	100

NOTE A | DESCRIPTION OF THE PLAN

5. Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant generally receives a lump-sum payment of his or her vested accrued benefit when requested. The Plan also allows for hardship distributions.

6. Forfeitures

The non-vested portion of discretionary employer contributions for all terminated employees is used to pay additional administrative expenses of the Plan and any remaining forfeitures are allocated to participants eligible to share in the discretionary employer contributions. Forfeitures totaled \$ 8,479 and \$ 1,496 as of December 31, 2021 and 2020, respectively. Forfeiture allocations to participant accounts totaled \$ 2,381 and \$ 4,885 for the years ended December 31, 2021 and 2020, respectively.

7. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$ 2,500 up to a maximum of the lesser of 50% of their vested account balance or \$ 50,000 minus their highest outstanding loan balance over the last 12 months. The loans are secured by the balance in the participant's account and bear interest at the prime rate as listed on the last business day of each month in *The Wall Street Journal* plus 1%. Principal and interest are paid ratably through payroll deduction over a period of one to five years for a general purpose loan or a maximum period of 30 years for a residential loan.

NOTE B | SUMMARY OF ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTE B | SUMMARY OF ACCOUNTING POLICIES

3. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Payment of Benefits

Benefits are recorded when paid.

5. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed as incurred. Delinquent participant loans are reclassified to distributions based on the terms of the Plan document. No allowance for credit losses has been recorded at December 31, 2021 and 2020.

6. Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Any additional administrative expenses of the Plan are paid by the Plan participants, as provided in the Plan document. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

7. Subsequent Events

Management has evaluated subsequent events for recognition and disclosure in the financial statements through October 5, 2022, which is the date the financial statements were available to be issued. Through October 5, 2022, no subsequent events required recognition or disclosure in the financial statements.

NOTE D | FAIR VALUE MEASUREMENTS

The Plan follows the fair value measurement guidance for financial assets and financial liabilities. The guidance defines fair value, establishes a framework for measuring value and expands disclosure about fair value measurements. In addition, the guidance permits an entity to measure eligible financial instruments and other items at fair value. The Plan has not made any fair value elections.

Fair value is defined to be the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A three-level hierarchy has been established for fair value measurements based upon the inputs to the valuation of an asset or liability as follows:

Level 1 – Valuation is based on quoted prices for identical assets and liabilities in active markets.

Level 2 – Valuation is derived from inputs, other than quoted prices included in Level 1, which are observable for the asset or liability either directly or indirectly. Investments classified as Level 2 are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. The significant inputs used in this approach include interest rates, prepayment timing, yield spreads, maturities, credit losses and credit ratings of the securities.

Level 3 – Valuation is derived from unobservable inputs that are not corroborated by market data.

Investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. The funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed accounts consist of mutual funds, common stocks, corporate bonds, certificate of deposit, and cash and cash equivalents. Fair values of self-directed accounts have been determined by the trustee from observable market quotations for both actively and inactive traded markets, when available.

The Plan invests in a collective trust, which is valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV.

NOTE D | FAIR VALUE MEASUREMENTS

The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31:

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE E | INVESTMENTS IN ENTITIES THAT CALCULATE NET ASSET VALUE PER SHARE

As part of the Plan's investment portfolio, there are investments made in entities in which purchases and withdrawals are not made in an open market. Instead, the purchases and withdrawals occur with the entity, and in certain circumstances, those transactions are entirely controlled and/or restricted by the entity. The fair values of these investments are determined by the management of the entities and are reported to the Plan as the Plan's proportionate share of the net asset value of the entity.

The following table provides information as of December 31, 2021 and 2020 relative to this type of investment. Additional information on the investment which is a direct filing entity can be found by viewing its U.S. Department of Labor Form 5500.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

Collective trust	\$ 5,918,893	\$ -	Daily	1 day

NOTE F | TAX STATUS

The Plan is qualified under Section 401(a) and tax exempt under Section 501(a) of the Internal Revenue Code. The Plan is a volume submitter plan and obtained its last approval letter, dated March 31, 2014, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been restated and amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable provisions of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. Effective January 1, 2022 the Plan signed an updated adoption agreement, for non-standardized pre-approved profit sharing Plan from Merrill, Lynch, Pierce, Fenner & Smith, Inc. This Plan received an opinion letter dated June 30, 2020.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G | PLAN TERMINATION

Although it has not expressed any intention to do so, TEAM BRANDT, LLC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE H | RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by Merrill Lynch. Merrill Lynch is the recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE I | RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 77,477,546	\$ 69,632,376
Amounts representing deemed distributions of participant loans	<u>(22,782)</u>	<u>(22,782)</u>
Net assets available for benefits per Form 5500	<u>\$ 77,454,764</u>	<u>\$ 69,609,594</u>

NOTE J | RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. As of the date of this report, the current economic environment has increased the degree of uncertainty.
