INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Commercial Food Service Repair 401(k) Plan
Greenville, South Carolina

I have performed an audit of the accompanying financial statements of Commercial Food Service Repair, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Commercial Food Service Repair, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Commercial Food Service Repair, Inc. 401(k) Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Commercial Food Service Repair, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Commercial Food Service Repair, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Commercial Food Service Repair, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Commercial Food Service Repair 401(k) Plan
Greenville, South Carolina

Report on the Financial Statements

I was engaged to audit the accompanying financial statements of the Commercial Food Service Repair, Inc. 401(k) Plan ("Plan") which comprise the statements of net assets available for benefits as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by Fifth Third Bank ("Fifth Third"), the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee for the year ended December 31, 2020, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by me in accordance with auditing standards generally accepted in the United States of America, and, in my opinion,

are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

COMMERCIAL FOODSERVICE REPAIR, INC.
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A. DESCRIPTION OF PLAN

The following description of Commercial Foodservice Repair, Inc. 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General* - The Plan is a defined contribution plan covering all full-time employees of the Commercial Food Services Repair, Inc. ("Company" or "Plan Sponsor") who have completed one year of credited service and have attained age twenty-one. This Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company acquired AIS Commercial Parts & Services ("AIS") on December 30, 2020. Pursuant to the terms of the plan merger agreement, on July 1, 2021 the employees of AIS became employees of the Company and the AIS 401(k) was merged into the Plan. Accordingly, all AIS employee contributions beginning July 1, 2021 were deposited into the Plan. In addition, the Plan accepted the transfer of the total account balance of each AIS participant's account balance from the AIS plan. This transfer consisted of investments of \$3,688,675.

2. *Contributions* - Each year participants may contribute up to the maximum allowable amount per Internal Revenue Service ("IRS") regulations, as defined in the Plan. Participants may also contribute amounts representing distributions ("rollovers") from other qualified defined benefit or defined contribution plans. The Company's board of directors may make discretionary contributions to the Plan. The Company can, at its discretion, match up to three percent of base compensation that a participant contributed to the Plan. For the years ended December 31, 2021 and 2020, the Company matched 100 percent of participant contributions up to 3% of their deferral, with an annual cap of \$1,200. Employee contribution decisions may be changed at any time by participants and are subject to certain limitations under the Internal Revenue Code ("IRC").
3. *Participant Accounts* - Each participant's account is credited with his or her contribution and allocations of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. *Vesting* - Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested in the Company's contribution portion after six years of credited service (0% end of year one, 20% end of year two, 40% end of year three, 60% end of year four, 80% end of year five). Upon death, disability or retirement, all Company matching and discretionary contributions allocated to a participant's account vests 100%.
5. *Investment Options* - Upon enrollment in the Plan, a participant may direct his or her contributions in any of the selected mutual funds offered under the Plan by the Plan Trustee, Fifth-Third Bank ("Fifth-Third"). Participants may change their investment options at any time via the internet or telephone contact with the Plan Trustee.

NOTE A. DESCRIPTION OF PLAN (continued)

6. *Notes Receivable From Participants* - Participants may borrow from their Plan accounts up to a maximum amount equal to fifty percent of their vested account balance or \$50,000, whichever is lower. The loans are secured by the participant's vested account balance and bear interest at prime plus 0.25% at the time of the loan. Principal and interest payments on the loans are paid ratably through bi-weekly payroll deductions.
7. *Payment of Benefits* - On termination of service, a participant or the participant's beneficiary, as the case may be, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or rollover the value of the participant's interest in his or her account to another qualified plan.
8. *Forfeited Accounts* - Forfeiture of non-vested amounts are used to reduce future Sponsor contributions at the Plan Sponsor's discretion. No forfeitures were used during the year ended December 31, 2021. At December 31, 2021 and 2020, \$36,442 and \$5,290 were available at year end for reduction of future Sponsor contributions.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. *Basis of Accounting* - The financial statements of the Plan are prepared using the accrual method of accounting, except for benefits paid to participants, which are recorded when paid.
2. *Estimates* - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
3. *Investment Valuation and Income Recognition* - The Plan's investments are stated at fair value. Fair transaction between market participants at the measurement date. See Note E for discussion of fair value measurements.
4. *Payment of Benefits* - Benefits paid to participants of the Plan are recorded when paid.

NOTE C. RECORDKEEPING AND PARTICIPANT ACCOUNTS

The Plan Sponsor has engaged Empower Institutional ("Empower") as Recordkeeper of the Plan. As such, the Recordkeeper maintains all financial information regarding the Plan and participant accounts. All Plan earnings, contributions and deductions are posted to the Plan's records, including individual participant records, by the Recordkeeper. Information regarding a participant's account is furnished to the participant quarterly in printed form but also is available at any time via internet or telephone access. The Recordkeeper posts participant and Company contributions to a participant's account based on information received from the Company. The allocation of the contributions to the appropriate investment options, or transfers of investment amounts is participant directed and can be initiated by the participant directly with the Trustee via internet or telephone access.

NOTE D. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been certified as complete and accurate by the Plan Trustee.

	At Year End December 31,	
	<u>2021</u>	<u>2020</u>
Total investments	\$ 23,386,036	\$ 17,390,270
	For the Year Ended December 31, 2021	
Net investment appreciation	\$ 1,486,990	
Interest and dividend income, investments	517,657	

NOTE E. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (“ASC”) 820 established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 from those used as of December 31, 2020.

Mutual funds - Valued at the closing price reported in the active market in which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021.

<u>Investment Category</u>	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
Mutual funds	\$ 23,386,036	\$ 23,386,036	\$ -	\$ -
Total	\$ 23,386,036	\$ 23,386,036	\$ -	\$ -

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020.

<u>Investment Category</u>	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
Mutual funds	\$ 17,390,270	\$ 17,390,270	\$ -	\$ -
Total	\$ 17,390,270	\$ 17,390,270	\$ -	\$ -

NOTE F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions to the Plan at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in all Company contributions credited to their accounts.

NOTE G. TAX STATUS

The Company adopted the Great West Trust Company, LLC (an affiliate of Empower) Defined Contribution Pre-Approved Plan Document ("Document") in 2020. The Document obtained its latest determination letter from the Internal Revenue Service on June 30, 2020, stating that the Plan as then designed was qualified under the Internal Revenue Code (IRC) and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that is no longer subject to income tax examinations for years prior to 2019.

NOTE H. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

A party-in-interest includes, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Accordingly, the Company is a party-in-interest and the contributions remitted by the Company are considered party-in-interest transactions. The Plan's assets were held by Fifth-Third, the trustee of the Plan, and therefore Fifth-Third qualifies as a party-in-interest. Total fees paid by the plan for such services amounted to approximately \$145,000 in 2021. Certain administrative functions are performed by employees of the Company, who receive no compensation from the Plan. Certain other administrative expenses are paid by the Company on behalf of the Plan.

NOTE I. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per financial statements	\$ 24,191,228	\$17,747,445
Deduct: Participant contributions receivable	-	(23,694)
Add: Accrued liabilities	<u>-</u>	<u>18,356</u>
Net assets available for benefits per the Form 5500	<u>\$24,191,228</u>	<u>\$17,742,107</u>

NOTE J. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE K. SUBSEQUENT EVENTS

The Plan has evaluated events and transactions occurring subsequent to the balance sheet date of December 31, 2021, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through October 10, 2022 the date these financial statements were available to be issued.

Effective January 1, 2022, the Plan was amended and restated by adopting a Great West Defined Contribution Pre-Approved Plan. The principal changes resulting from this adoption relate to (1) employer matching contributions (100% of the first 3% of eligible participant's compensation, plus 50% of each participant's elective deferrals in excess of 1% but not in excess of 5% of the participant's compensation - which will allow the Plan to automatically satisfy certain compliance testing on an annual basis), and (2) immediate vesting in employer matching contributions from the effective date of January 1, 2022.
