1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

To the Plan Sponsor and Management
City Ventures Communities, LLC 401(k) Profit Sharing Plan

We have audited the financial statements of the City Ventures Communities, LLC 401(k) Profit Sharing Plan (the “Plan”) as of and for the year ended December 31, 2021 and have issued our report thereon dated October 10, 2022. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated May 19, 2022 our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan’s internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding significant control deficiencies and other matters noted during our audit in a separate letter to you dated October 10, 2022.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2021. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Plan's financial statements relate to fair value estimates.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on

the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Management has corrected all identified misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. The following material misstatements that we identified as a result of our audit p[rocedures were brought to the attention of, and corrected by, management:

- Reversal of prior year employer contribution receivable totaling \$816,891
- Accrual of current year employer contribution receivable totaling \$793,585

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated October 10, 2022.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Matters

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and Participants
City Ventures Communities, LLC
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the City Ventures Communities, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a year from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at Year-End as of December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with

GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**CITY VENTURES COMMUNITIES, LLC
401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN

The City Ventures Communities, LLC 401(k) Profit Sharing Plan (the “Plan”) was adopted by City Ventures Communities, LLC (the “Company”) in January 2011. The Plan was subsequently amended and restated in its entirety effective June 2018. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. **General and Eligibility.** The Plan is a defined contribution plan covering all eligible employees of the Company. Effective January 2019, service with City Ventures Construction, Inc. will be recognized for purposes of eligibility and vesting. An employee will not become eligible if he or she is a member of a collective bargaining agreement or a non-resident alien who receives no earned income from services rendered within the United States. Employees are eligible to participate in the Plan once they have reached age 21. Participants are eligible for profit sharing and non-elective employer contributions following completion of 1 year of service, defined as 1,000 hours of service over 12 consecutive months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and is administered by the Plan Administrator.
2. **Contributions.** Under the Plan, employees may elect to defer a portion of their compensation, as defined in the Plan. Contributions are subject to certain statutory limitations as imposed by the IRS. Participants may also contribute amounts representing distributions from other qualified contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. For the years ended December 31, 2021 and 2020, the Company matched employee contributions, up to 6% of compensation. Company contributions are allocated to the accounts of all participants employed on the last day of the Plan year and are made in the ratio in which the participant's compensation bears to the compensation of all participants for the Plan year. There were Company matching contributions of \$793,585 and \$816,891 for the years ended December 31, 2021 and 2020, respectively. Forfeitures of \$80,729 and \$60,000 were used to reduce matching contributions for the years ended December 31, 2021 and 2020, respectively.
3. **Participant Accounts.** Each participant's account is credited with the participant's elective contribution and allocation of the Company's matching contribution and Plan earnings (losses) and charged with an allocation of administrative expenses paid by the Plan. Allocations of the Company's matching contribution are based on the participant's compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. **Vesting.** Company contributions vest 20% after one year of service and increase 20% for each additional year of service, with 100% after five years of service. Benefits attributable to each

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

4. **Vesting (continued).** participant will become fully vested in the event of death, total and permanent disability, normal retirement, or the attainment of 100% vesting.
5. **Investment Options.** Participants may choose among various investment funds in which their contributions are to be invested. All of the Plan's investment options are participant directed.
6. **Notes Receivable from Participants.** Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The maximum number of notes outstanding at any one time is one. Note transactions are treated as a transfer from the investment fund to the notes receivable from participant's fund. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.5%, which is commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through monthly payroll deductions.
7. **Payments of Benefits.** Participants are eligible to receive a distribution of their account balance, to the extent vested, upon termination of employment, retirement, death, or disability. Benefits are payable as a lump sum amount equal to the participant's entire interest in the Plan, as installments or as partial withdrawals. Net assets as of December 31, 2021 and 2020, include vested account balances of terminated employees totaling \$555,622 and \$2,188,268, respectively.
8. **Forfeited Accounts.** Participants forfeit the unvested portion of their accounts upon receipt of distribution of the vested account balance. Forfeitures can be used to pay administrative expenses of the Plan and any remaining forfeitures can be used to reduce matching contributions and nonelective employer contributions. Forfeiture of nonvested accounts occurs at the end of the Plan Year in which a participant receives a distribution of his or her accounts, or a deemed distribution if he or she was not vested; or if earlier, at the end of the Plan Year in which the participant has incurred five consecutive one-year breaks-in-service. As of December 31, 2021 and 2020, forfeited non-vested accounts available to offset administrative expenses and Company contributions totaled \$83,281 and \$63,861, respectively.
9. **Plan Administration.** Wells Fargo Bank, N.A. served as the custodian and recordkeeper from June 15, 2018 to May 21, 2021. Effective May 22, 2021, Principal Financial Group was employed to serve as the Plan's custodian. To the extent not paid by the employer, reasonable administrative expenses may be charged to the participants' accounts on a pro rata basis or per capita basis as determined by the Plan's Administrative Committee. Administrative expenses paid by the Plan totaled \$58,959 and \$49,891 for the years ended December 31, 2021 and 2020, respectively. Administrative expenses paid by the Company totaled \$15,450 and \$10,700 for the years ended December 31, 2021 and 2020, respectively.

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

10. **Plan Termination.** The Company anticipates and believes that the Plan will continue without interruption but reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon full or partial termination of the Plan, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms.

11. **CARES Act.** On March 27, 2020, President Trump signed into law the CARES Act. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan Document. Plan management evaluated the relief provisions available to Plan participants under the CARES Act and implemented the following provisions:

- Permitted participants to receive Coronavirus-Related Distributions, the aggregate of which shall not exceed \$100,000
- Waived the six-month suspension on elective deferrals following a Coronavirus-Related Distribution
- Increased the available loan amount as described in Note 1.6 to the lesser of \$100,000 or 100% of the participant's vested account balance
- Extended the period for loan repayments due between March 27, 2020 and December 31, 2020, up to one year

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, revenues, expenses and disclosures. Accordingly, actual results could differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments consists of both realized and unrealized gains and losses. Realized gains and losses are measured as the difference between the historical cost of investments sold or redeemed during the year and the proceeds received from their sale or redemption.

Payment of Benefits

Benefits are recorded when paid.

NOTE 4 - FEDERAL INCOME TAX STATUS

The Plan adopted the Volume Submitter Profit Sharing Plans with CODA, which obtained their latest determination letters on March 2014 and March 2008. In these letters, the Internal Revenue Service states that the Plan qualifies, in form, under Section 401(a) of the Internal Revenue Code (the “Code”), and the underlying trusts are therefore exempt from federal income taxes under Section 501(a) of the Code. The Plan has been amended since receiving the determination letters.

NOTE 4 - FEDERAL INCOME TAX STATUS (CONTINUED)

However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for periods prior to 2018.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal Financial Group and certain Plan investments were managed by Wells Fargo Bank, N.A. Principal Trust Company (an affiliated entity) and Wells Fargo Bank, N.A. were the custodians as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions.

NOTE 6 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurement and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability

has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Mutual funds: Valued at unit value of units held by the Plan in mutual funds issued by the custodians. The unit value is determined at the close of business each day and is based on quoted mutual fund values of the shares held by the Plan.

Common collective trusts: Valued at the net asset value of units held by the Plan at year end. The NAV is determined by the custodians of the fund and is based upon the fair value of the underlying assets held by the fund.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value Measurement</u>

NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)

* This category includes common/collective trust funds that are designed to delivery safety and stability by preserving principal and accumulating earnings. Valued at the NAV of units held by the Plan at year end. The NAV is determined by the custodians of the fund and is based on the fair value of the underlying assets held by the fund. In accordance with ASC 820, Fair Value Measurement, certain investments are measured at fair value using the NAV (or its equivalent) practical expedient that have not been classified in the fair value hierarchy. The fair value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – STABLE VALUE FUND AND STABLE RETURN FUND

The Plan has fully benefit-responsive investment contracts with its custodians. The custodians maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The custodians are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The contracts are included in the financial statements at contract value as reported to the Plan by the custodians. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Fair value reflects the relationship between credited rates earned by the funds and current market rates. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Certain events may limit the ability of the Plan to transact at contract value with the issuer and that also limits the ability of the Plan to transact at contract value with the participants in the following not probable of occurring events: premature termination of the contracts by the Plan, business closing, layoffs, plan termination, bankruptcy, mergers and early retirement incentives.

NOTE 8 – STABLE VALUE FUND AND STABLE RETURN FUND (CONTINUED)

The rate of return credited to the book value of the fund is expressed as an annual percentage rate and is calculated based on a book value dollar weighted basis. A crediting rate is determined per investment contract which may remain fixed for the term of the contract or may be reset at predetermined intervals based upon portfolio characteristics including yields, market value, book value, and duration. The gross interest rate was 1.54% and 1.93% as of December 31, 2021 and December 31, 2020, respectively, for the Stable Return Fund.
