Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Eagle Railcar Services Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by or certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 4, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the qualified institution, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EAGLE RAILCAR SERVICES RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1: PLAN DESCRIPTION

The following description of the Eagle Railcar Services Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan was established January 1, 2019, under the provisions of the Internal Revenue Service Code Section 401(a), as a defined contribution plan to benefit participating employees of Eagle Railcar Services (the “Employer” or “Company”). The Plan provides eligible employees an opportunity to accumulate funds for retirement benefits. Subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), the Plan has received a favorable advisory letter from the Internal Revenue Service.

Plan Administration

The Plan is administered by the Plan Administrator who is appointed by the management of the Company. The Plan’s Trustee, Charles Schwab Trust Bank, is responsible for the custody and management of the Plan’s assets.

Eligibility to Participate

Employees become eligible to participate in wage deferrals upon attainment of age eighteen (18) and performing a minimum of six (6) months of service. Employees may enter the Plan the first day of the plan year or the first day of the seventh month of the plan year coinciding with or next following the date eligibility requirements are satisfied.

Employee Contributions

Participants in the Plan may elect to have compensation deferred through payroll deductions. The maximum contribution amount for 2021 is \$19,500. An added contribution of up to \$6,500 in salary deferral catch-up is allowed for those 50 or older, for a total possible contribution of \$26,000.

Participants may roll over amounts representing distributions from other qualified defined contribution plans.

Employer Contributions

The Employer may make matching contributions equal to a discretionary percentage, determined by the employer, of the participant’s elective deferrals. If the Employer elects to make a matching contribution, it must be contributed to the Plan by the last day of the immediately following the Plan year quarter. For the year ended December 31, 2021, the Employer elected to make a matching contribution on behalf of each participant equal to one hundred percent (50%) of the participant’s salary deferral for the first six percent (6%) of the participant’s compensation.

The Employer shall have the right to make an additional discretionary contribution, which shall be allocated to each eligible participant. The discretionary contribution and the allocation thereof shall be unrelated to any employee contributions made hereunder. Forfeitures may be used to pay administrative expenses of the Plan or to reduce any employer contribution.

The Plan, as required by the Internal Revenue Code, includes special rules in years that the Plan is determined to be a “Top Heavy Plan”. The Plan becomes a “Top Heavy Plan” when it allocates more than sixty percent (60%) of the contributions or benefits to “Key Employees”. “Key Employees” are generally owners, officers, shareholders, or highly compensated individuals. If the Plan becomes top-heavy in any year, the Company may be required to make an additional contribution with a special vesting schedule to non-key employees.

Participants may direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options at any time throughout the year.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and the Company's discretionary contribution, as well as the participant's share of the Plan's income and any related administrative expense. Allocations of income and expenses are based upon the proportion that each participant's account balance bears to the total of all participant account balances. The benefit to which each participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeiture Accounts

At December 31, 2021, and 2020, forfeited non-vested accounts totaled \$27,199 and \$28,253, respectively. These accounts can be used to reduce future employer contributions or to pay Plan expenses. In 2021, \$22,322 was added to forfeitures from terminated non-vested accounts, \$23,376 was used to offset employer contributions, and \$0 from forfeited non-vested accounts was used to pay Plan expenses.

Notes Receivable from Participants

Notes receivable from participants are not allowed by the Plan. The Plan was amended on June 30, 2019 to allow notes of former employees of Rescar Companies to transfer existing notes from the Rescar Plan and continue to make payments under the notes. However, no notes may be renegotiated and additional notes cannot be made. The notes are secured by the balance in the participant's account and bear interest at rates that range from 3.50 percent to 5.50 percent at December 31, 2021, which are commensurate with local prevailing rates at inception of the note. Principal and interest is paid ratably through bi-weekly payroll deductions. Terms range from one to five years or greater for the purchase of a primary residence.

Payment of Benefits

Participants may withdraw all or part of their vested account balance upon attaining age 59 1/2 or upon the termination of service. If service is terminated due to death, disability, retirement, or for any other reason a participant may request a distribution and will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants must begin receiving required minimum distributions upon attaining age 72 or in the year of retirement. Withdrawals prior to termination are allowed from a portion of a participant's account after the attainment of the age 59 1/2, or in the event of financial hardship, subject to certain limitations as defined by the Plan.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants vest 25 percent after 2 years of service, then 25 percent per year and are 100 percent vested after five years of credited service.

Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to fully terminate the Plan subject to the provisions of ERISA. In the event of full Plan termination participants will become one hundred percent (100%) vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Subsequent Events

The Plan Administrator has evaluated subsequent events through October 10, 2022, the date the financial statements were available to be issued.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefit and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See **NOTE 4** for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant's loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded. Delinquent loans are treated as distributions based on the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan will distribute the 2021 excess contributions to the applicable participants in 2022.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Administrative functions are performed by officers or employees of the Company but receive no compensation from the Plan. Fees related to the administration of notes receivable from participants are charged directly to the

NOTES TO FINANCIAL STATEMENTS

participant's account and are included in administrative expenses. Investment-related expenses are included in the net depreciation of the fair value of investments.

Recent Accounting Pronouncements

Other recent accounting pronouncements issued by the FASB (including its Emerging Issues Task Force) and the American Institute of Certified Public Accountants did not or are not believed by management to have a material impact on the Plan's present or future financial statements.

NOTE 3: INFORMATION CERTIFIED BY CHARLES SCHWAB TRUST BANK, UNAUDITED

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Bank, the Trustee of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020, and the Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity and interest on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

NOTE 4: FAIR VALUE MEASUREMENTS

ASC 820, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

EAGLE RAILCAR SERVICES RETIREMENT SAVINGS PLAN**NOTES TO FINANCIAL STATEMENTS**

December 31, 2021

Following is a description of valuation methodologies used for assets measured at fair value. There have been no significant changes in the methodologies used at December 31, 2021 or 2020.

Money market funds: Valued at the amortized cost, which is a reasonable estimate of fair value due to the short holding period.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with market participants, the use of difference methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date. The following tables are set forth by level within the fair value hierarchy of the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Money market funds	\$ -	\$ 52,733	\$ -	\$ 52,733
Mutual funds	<u>10,406,962</u>	<u>-</u>	<u>-</u>	<u>10,406,962</u>
Total investments at fair value	<u>\$ 10,406,962</u>	<u>\$ 52,733</u>	<u>\$ -</u>	<u>\$ 10,459,695</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Money market funds	\$ -	\$ 78,620	\$ -	\$ 78,620
Mutual funds	<u>9,158,991</u>	<u>-</u>	<u>-</u>	<u>9,158,991</u>
Total investments at fair value	<u>\$ 9,158,991</u>	<u>\$ 78,620</u>	<u>\$ -</u>	<u>\$ 9,237,611</u>

NOTE 5: PARTIES-IN-INTEREST

Certain of the Plan's investments are managed by the Trustee, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

NOTE 6: INCOME TAX MATTERS

Effective January 1, 2019, the Plan adopted a volume submitter profit-sharing plan sponsored by Goldleaf Partners. The volume submitter plan has received an advisory letter from the Internal Revenue Service (the "IRS") as to the volume submitter profit sharing plan's qualified status. The volume submitter plan advisory letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that is more likely than not would not be sustained upon examination. The Plan is

EAGLE RAILCAR SERVICES RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8: RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31,:

	<u>2021</u>		<u>2020</u>
Net assets available for benefits according to the financial statements	\$ 10,565,225	\$	9,510,573
Excess contributions payable	<u>42,393</u>		<u>24,865</u>
Net assets available for benefits according to the Form 5500	\$ <u>10,607,618</u>	\$	<u>9,535,438</u>

The following is a reconciliation of the increase in net assets available for benefits according to the financial statements to the Form 5500 for the year ended December 31, 2021:

Increase in net assets available for benefits according to the financial statements	\$ 1,054,652
Adjustment for 2021 excess contributions	42,393
Adjustment for 2020 excess contributions	<u>(24,865)</u>
Increase in net assets available for benefits according to the Form 5500	\$ <u>1,072,180</u>
