UGSOA Retirement Plan
Greenville, SC

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of UGSOA Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note A to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of UGSOA Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UGSOA Retirement Plan 's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UGSOA Retirement Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UGSOA Retirement Plan 's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and later contributions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We audited the 2020 financial statements of UGSOA Retirement Plan . As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated August 16, 2021 indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

UGSOA RETIREMENT PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN

The following description of UGSOA Retirement Plan (Plan) provides only general information. Participants should refer to the Trust Documents and Plan Documents for a complete description of the Plan's provisions.

- **General**

The Plan is a multiemployer defined contribution pension plan established October 1, 2013 under an agreement between United Government Security Officers International Union and Signatory Employers. The Plan provides retirement benefits to eligible participants and beneficiaries. The Plan is administered by Alliance Benefit Group – Pentegra as fiduciary and monitored by a Board of Trustees with equal representation between union and management.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan has contracted with Alliance Benefit Group – Pentegra to act as a fiduciary and to manage daily operations and perform recordkeeping services and Matrix Trust co. custodian of Plan assets.

- **Certified Investment**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplement schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, for the year ended December 31, 2021, were obtained by the Board of Trustees and agreed to or derived from information certified as complete and accurate by Matrix Trust Company, LLC (the trustee of the Plan).

- **Tax status**

The Plan has not obtained its determination letter. Filing of the request is being discussed with Pentegra. Pentegra as fiduciary believes that the Plan as designed, is in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended from time to time since the original document was signed. Pentegra as fiduciary believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Pentegra as fiduciary, has evaluated the Plan's tax positions and concluded that the Plan has taken no uncertain tax positions that would require financial statement recognition or disclosure for the years ended December 31, 2021 and 2020.

UGSOA RETIREMENT PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN (Continued)

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. With few exceptions, the Plan is no longer subject to tax examinations by tax authorities for years preceding December 31, 2017.

- **Funding**

The Plan is funded by employers' contributions in accordance with formulas set forth in the applicable collective bargaining agreement(s). Participant deferrals are allowed under the plan and are been remitted by their employer directly to Matrix Trust co.

- **Participant accounts**

All accounts are participant directed. Participants' accounts are credited with contributions as received. Allocations of earnings and expenses are allocated daily. Such allocations are based on individual participant earnings, account balances, or specific transactions, as applicable. Participants are vested fully and immediately in all contributions and earnings thereon.

The Plan accepts rollover contributions if the participant establishes to the satisfaction of the Trustees that the rollover contribution represents a qualified distribution from a qualified plan maintained by the former employer(s) of the participant.

- **Pension benefits**

Upon termination of service due to death, disability, or retirement, a participant may receive an amount equal to the value in the participants' account in a lump sum payment. Participants who have attained age 55 are permitted to withdraw all or part of their accounts as in-service distributions. Subject to certain conditions, a participant may make hardship withdrawals while employed. For termination of service due to other reasons, a participant may receive the value of the account in accordance with the rules and regulations of the Plan.

- **Priorities upon termination**

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants. In the event the Plan terminates, participants are 100% vested in their accounts.

Notes to Financial Statements December 31, 2021 and 2020

NOTE B - SUMMARY OF ACCOUNTING POLICIES

- **Basis of accounting**

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and presented in a format to coincide with the Form 5500.

- **Use of estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts and disclosures. Actual results could differ from those estimates.

- **Investment valuation and income recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by its investment custodian(s) and investment advisor(s).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes gains and losses on investments bought and sold as well as held during the year.

- **Employers' and employees' contributions receivable**

Employers' and employees' contributions are recorded as income in the month the hours are worked. Employers' and employees' contributions receivable represent contributions applicable to work months prior to December 31, 2021 and 2020, but collected subsequent to those dates. No disputed or undisputed, but uncollected receivables have been recorded. Plan management believes these receivables to be fully collectible. Consequently, no allowance for uncollectible receivables is recorded.

- **Payment of benefits**

Benefit payments to participants are recorded upon distribution.

- **Subsequent events**

Management has evaluated subsequent events through October 7, 2022, the date the financial statements were available to be issued. No subsequent events have occurred requiring accrual or disclosure.

- **Unallocated assets**

Amounts held in the non-interest bearing cash of \$5,166 and \$542,195 had not yet been allocated to participant accounts as of December 31, 2021 and 2020.

UGSOA RETIREMENT PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE C - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market funds and mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded.

Common collective trusts: Valued based upon the units of participation representing an undivided interest in the underlying assets of the trust. The purchase or redemption price of the units is determined periodically by the Trustees based upon current market values.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of

UGSOA RETIREMENT PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE C - FAIR VALUE MEASUREMENTS (Continued)

different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan's investments have no unfunded commitment and can be redeemed at will by the Plan.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at fair value as of December 31, 2021				
Description	Level 1	Level 2	Level 3	Total

Total investments in fair value hierarchy	\$ 5,623,138	\$ -	\$ -	\$ 5,623,138

NOTE D - RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits.

Due to the heightened uncertainty related to the potential impacts of the novel coronavirus (COVID-19) on its operations, the Plan's revenues and its operations were subject to risks, uncertainties and changes in circumstances that could have significantly affected its future financial results and business operations. However, the trustees determined this was not the case and were compliant with the laws to provide relief to participants.

UGSOA RETIREMENT PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE D - RISKS AND UNCERTAINTIES (Continued)

The Plan's management has responded to this pandemic by implementing the Coronavirus Aid, Relief, and Economic Security (CARES) Act which will allow participants affected by the pandemic to have greater access to or flexibility with their retirement funds.

NOTE E - PARTY-IN-INTEREST TRANSACTIONS

Payments for professional services such as administration, consulting, investment management, legal, and auditing are considered reasonable and customary for such services.

NOTE F - OPERATING EXPENSES

The following is a detailed summary of the Plan's operating expenses for the years ended December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Third party administrator fees	\$ 54,731	\$ 52,681
Recordkeeper fees	263,339	240,519
Custodial fees	13,618	12,150
Investment management - advisor fees	109,784	96,684
Audit fees	<u>12,837</u>	<u>15,758</u>
Total operating expenses	<u>\$ 454,309</u>	<u>\$ 417,792</u>

NOTE G - AMENDMENTS

The Board of Trustees adopted several amendments to the Plan Document during the plan year.

Effective January 1, 2021, all references to age 70½ for making determinations related to required minimum distributions under the plan were modified to age 72.

Any participant who certifies that he or she is a Qualified Individual may request a Qualified Disaster Distribution for his or her vested account for distribution on or after the first day of the incident period of a Qualified Disaster and before June 25, 2021. In addition, if that Qualified individual has an outstanding participant loan under the Plan, he or she may have any unpaid loan payments that are otherwise due or scheduled on or after the first day of the incident period of a Qualified Disaster and ending 180 days from the last day of such incident period suspended for one (1) year, but such suspension shall expire no later than June 25, 2021.

Effective for the period January 1, 2020 through June 30, 2022, the Plan modified its notary and representative witness requirements in lieu of the physical presence requirement.

***Notes to Financial Statements
December 31, 2021 and 2020***

NOTE G – AMENDMENTS (Continued)

Effective January 1, 2022, the plan was amended to eliminate the 60-day service requirement for participants to make elective deferrals.

Participants should refer to the Plan Documents and / or Summary Plan Description for a complete description of the Plan's provisions.

NOTE H - CHANGES IN CLASSIFICATION AND RECLASSIFICATION

The presentation of certain financial statement amounts of the previous year has been changed to reflect the presentation adopted for the current year.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following table is a reconciliation between the net assets available for benefits per the financial statements as of December 31, 2021 and 2020 to those of the Form 5500 Schedule H. The financial statements include the accrued expenses of \$40,399 and \$31,138 respectively which the Form 5500 does not include resulting in a reconciling item. The 5500 contains benefits payable which are not accrued per GAAP.
