INDEPENDENT AUDITOR'S REPORT

Plan Administrator
RHG Consolidated, LLC 401(k) Plan
Gladstone, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of RHG Consolidated, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of RHG Consolidated, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RHG Consolidated, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RHG Consolidated, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year as of December 31, 2021 and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of RHG Consolidated, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS**

NOTE 1 PLAN DESCRIPTION

The following description of the RHG Consolidated, LLC 401(k) Plan is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of RHG Consolidated, LLC (the Company or Plan Sponsor) who have completed six consecutive months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Entry Date

Eligible employees may begin participating in the Plan on the first day of the first month or on the first day of the seventh month of the Plan year after which eligibility requirements have been met.

Contributions

Participants may elect to contribute a portion of their compensation up to the maximum percentage allowable, not to exceed the limitations of IRS Code Section 401(k). Participants who have obtained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. The participants that are auto-enrolled will have their deferral rate automatically increased annually by 1% up to a maximum of 6%. Participants also have the option to contribute post-tax compensation through Roth contributions. The Company makes a discretionary matching contribution equal to 100% of compensation that a participant contributes to the Plan, not to exceed 1% of eligible compensation, plus 50% of the amount the participant contributes that exceeds 1% of eligible compensation but do not exceed 6% of eligible compensation. Additional profit sharing contributions may be contributed at the option of the Company and allocated according to the Plan's provisions. No additional contributions were made for the years ended December 31, 2021 and 2020.

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of employee and employer contributions into various investment options. The Plan currently offers several pooled separate accounts. Participants may change their investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company's matching contributions and Plan earnings, and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary profit sharing contribution portions of their accounts, plus actual earnings thereon, are based on continuous years of service. A participant is 20% vested after one year of service. Additional vesting increases 20% per year until the participant is 100% vested after five years of service.

**RHG Consolidated, LLC 401(k) Plan
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 PLAN DESCRIPTION (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Participants may only have one loan outstanding at any given time. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator, which range from 4.25% to 6.5% at December 31, 2021. Principal and interest are paid ratably through payroll deductions.

In accordance with the Plan document, the balance of any outstanding loan is due upon termination of employment and failing to make loan payments. Default on the loan will occur if repayment is not made in full by the end of the quarter following the calendar quarter in which either events applies.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual or more frequent installments of substantially equal amounts. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum in the form of a non-rollover or a direct rollover distribution. If the vested interest is \$5,000 or less, it will be distributed in full without option for installments.

Forfeitures

Forfeitures of participants' nonvested accounts may be used to pay Plan expenses, used to reduce any nonelective contribution, or used to reduce future employer matching contributions. Forfeitures used during the year ended December 31, 2021 and 2020 totaled \$2,058 and \$2,818, respectively. The forfeitures account balance was \$-0- at each of the years ended December 31, 2021 and 2020.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting. Under that basis, certain revenues and the related assets are recognized when received rather than when earned. That basis differs from generally accepted accounting principles primarily because the Plan has not recognized contributions receivable or benefit claims payable and their related effect on earnings in the financial statements.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**RHG Consolidated, LLC 401(k) Plan
NOTES TO FINANCIAL STATEMENTS**

NOTE 2 SUMMARY OF ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefit payments to participants are recorded when paid. There were no amounts allocated to accounts of persons who had elected to withdraw from the Plan but had not yet been paid at December 31, 2021 or 2020.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company or its subsidiaries. No such officer or employee receives compensation from the Plan. Certain other administrative expenses, including the third party administrator fees and audit fees, are paid directly by the Plan sponsor. The amount of such expenses and cost of such services has not been determined. Third party administrator fees and certain other plan related expenses are paid by the Plan and are charged to participants' accounts. During the years ended December 31, 2021 and 2020, fees totaling \$88,701 and \$95,653, respectively, were charged to the Plan.

Uncertain Tax Positions

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has evaluated their material tax positions and determined there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification (ASC) 820 are described as follows:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2—Inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly, such as:

- quoted prices for similar assets in active markets;
- quoted prices for identical or similar assets in inactive markets;
- inputs other than quoted prices that are observable for the asset;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts—Pooled separate accounts invest primarily in mutual funds, collective investment trusts and EFTs. The fair value of the underlying assets is a publicly quoted pricing input used in determining the net asset value (NAV) of the pooled separate accounts, which is not publicly quoted but is available to current investors when plan participants access their account values via the custodian's website. Pooled separate accounts are deemed to have readily determinable fair values which are calculated on a daily basis and are actively traded within the Plan.

The following tables set forth by level within the fair value hierarchy the Plan's investments at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

<u>Investments at Fair Value as of December 31, 2021</u>			
<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ <u>10,056,535</u>	\$ <u>—</u>	\$ <u>10,056,535</u>

Transfers between Levels

For years ended December 31, 2021 and 2020, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

As a result of a reduction from the Company's closure of Sumner Community Hospital LLC during March, 2020, the Plan experienced a partial plan termination during the year ended December 31, 2020, as defined by ERISA. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Plan Sponsor. All affected employees who were participants in the Plan were fully vested in their account balances at the date of their partial plan termination.

NOTE 6 INCOME TAX STATUS

The Company has adopted a prototype plan document and is relying on the prototype sponsor's opinion letter from the Internal Revenue Service dated March 31, 2014. The letter states that the prototype and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan itself has not received a determination letter from the IRS, and the prototype plan has been amended since receiving the opinion letter, the prototype sponsor and plan administrator believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the accompanying financial statements.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock Life Insurance Company, the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan Trustees and employees of the Plan administrator participate in the Plan.

All of these party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE 8 RISKS AND UNCERTAINTIES

Participants invest their account balances in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 PROHIBITED TRANSACTIONS

During the year ended December 31, 2020, participant deferrals of \$120,508, were not deposited within the timeframe required by the United States Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions. This late deposit resulted in \$958 of lost earnings during the year ended December 31, 2020. The Plan sponsor has since remitted these late deposits and earnings into the Plan.

NOTE 10 SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 26, 2022, the date which the financial statements were available to be issued. There were no subsequent events required to be accrued or disclosed.
