INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Selig Enterprises, Inc. Savings and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Selig Enterprises, Inc. Savings and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Selig Enterprises, Inc. Savings and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Selig Enterprises, Inc. Savings and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Selig Enterprises, Inc. Savings and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Selig Enterprises, Inc. Savings and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Selig Enterprises, Inc. Savings and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of year) as of December 31, 2021 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Selig Enterprises, Inc. Savings and Profit Sharing Plan

Report on the Financial Statement

We were engaged to audit the accompanying statement of net assets available for benefits of Selig Enterprises, Inc. Savings and Profit Sharing Plan (the Plan) as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Selig Enterprises, Inc. Savings and Profit Sharing Plan Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN

The following description of the Selig Enterprises, Inc. Savings and Profit Sharing Plan (the Plan) provides only general information. Refer to the Plan documents for a more complete description of Plan provisions.

General

The Plan, as amended and restated January 1, 2016, is a defined contribution plan covering all employees of Selig Enterprises, Inc. (the Company) who complete one year of service and all non-highly compensated supervisors and management employees of Selig Parking, Inc. (an adopting employer) who complete one year of service. On August 2, 2021 and effective September 2, 2021, the Plan was amended to change eligibility from one year of service to one month of service. The Company and the adopting employer are collectively referred to as “the Company” and “the Plan Sponsor”. The Plan is subject to the provisions of the Department of Labor’s (DOL’s) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Administrative Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings, monitors investment.

Plan assets are held and managed by Principal Trust Company (Wells Fargo Bank, N.A. as of December 31, 2020), which invests contributions and Plan earnings, makes investment transactions as directed by the Administrative Committee and provides certain recordkeeping services.

Coronavirus Aid, Relief, and Economic Security Act of 2020

On March 27, 2020, the *Coronavirus Aid, Relief, and Economic Security Act of 2020* (the CARES Act) was passed by Congress. The CARES Act, among other things, includes several temporary relief provisions available to tax qualified retirement plans and their participants. Plan management evaluated the impact of the CARES Act on the Plan and approved changes to the Plan in 2020 to temporarily (i) add Coronavirus related distributions (CRDs) of up to \$100,000 for eligible participants, (ii) permit employees to repay CRDs within three years of the date of distribution as a rollover contribution, and (iii) suspend required minimum distributions for 2020. The Plan was amended to reflect these changes on August 2, 2021.

Eligibility

All employees of Selig Enterprises, Inc. who complete one year of service and all non-highly compensated supervisors and management employees of Selig Parking, Inc. who complete one year of service are eligible to participate. All other employees are ineligible to participate. Effective August 2, 2021 for the first period of October 1, 2021, eligible participants can now participate after one month of service.

Contributions

Each year, participants may contribute up to 75% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (i.e. rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

Selig Enterprises, Inc. Savings and Profit Sharing Plan

Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN (Continued)

Contributions (continued)

The Company, at its sole discretion, may make a matching contribution to the Plan as a 50% of each qualifying participant's contributions of the first 10% of base compensation that a participant contributes to the Plan. A qualifying participant is one who has completed one month of service, as defined by the Plan document, and remains employed on the last day of the Plan year. It also may, at its sole discretion, make a profit sharing contribution to the Plan, allocated to each participant's account based on the participant's contributions to total participant contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

During the year ended December 31, 2021, the Company did not make a profit sharing contribution to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company's matching contributions, as well as allocations of the Company's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the related actual earnings. The Company's matching and safe harbor contributions plus actual earnings on all of these types of contributions vest based on continuous years of service, as follows:

Years of Service	Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Contributions to the Plan become 100% vested upon normal retirement age (currently 65), termination of the Plan or permanent disability or death of a participant.

Benefit Payments

On termination of employment due to death, disability, retirement, or other termination, a participant may elect to receive a lump sum distribution equal to the vested portion of his or her account balance or regular, periodic installments over a specified period by the participant not to exceed the participant's and his or her designated beneficiary's joint life expectancy, or a combination of lump sum and installments.

Selig Enterprises, Inc. Savings and Profit Sharing Plan Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN (Continued)

Benefit Payments (continued)

Notwithstanding the above, if the participant's vested interest in his employer's contribution account is not in excess of \$1,000, the Plan Administrator shall direct the payment of such interest in a lump-sum.

Participants may elect to make an in-service withdrawal upon attainment of age 59½.

Forfeited Accounts

Forfeitures result from terminated employees' non-vested benefits remaining in the Plan and may be used to reduce Plan Sponsor contributions or allocated to participant accounts on a pro-rata basis. The forfeiture balance at December 31, 2021 and 2020 was \$8,068 and \$7,541, respectively.

Hardship Withdrawals

As permitted by the Internal Revenue Code (IRC), a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The participant must meet the condition that they cannot relieve the amount of the need by stopping the elective contributions to the Plan. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan permits its participants to direct the investment of their account balance under the Plan. Through its agreement with Principal, the participants are offered choices of various types of mutual funds and a stable value fund. Investments in mutual funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The investment in the stable value fund is valued at the net asset value (NAV) practical expedient reported by the issuer of the stable value fund at year end. This practical expedient would not be used if it determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The underlying assets owned by the stable value fund consists primarily of guaranteed investment contracts and other insurance company products.

Selig Enterprises, Inc. Savings and Profit Sharing Plan

Notes to Financial Statements

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (continued)

See Note 4 for further discussion of fair value measurements, contract value, and NAV. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The increases or decreases in the fair values of mutual funds held at the end of the year are reflected in the statement of changes in net assets available for benefits as net appreciation/depreciation in fair value of investments. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Distributions to participants are recorded when paid.

Expenses

The Plan's expenses are paid by either the Plan or the Company, as provided by the plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. During the year ended December 31, 2021, expenses of \$8,267 were paid by the Plan.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, October 5, 2022, and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Selig Enterprises, Inc. Savings and Profit Sharing Plan

Notes to Financial Statements

Note 3: INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements has been derived from information certified to be complete and accurate by the Trustee under such regulation:

- a) Total investments, at fair value, included in the statements of net assets available for benefits at December 31, 2021 and 2020.
- b) Investment income information included in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- c) All amounts included in Note 4, *Fair Value Measurements (Unaudited)*.
- d) All information included in the supplemental schedule of assets (held at end of year) as of December 31, 2021.

Note 4: FAIR VALUE MEASUREMENTS (UNAUDITED)

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
 - observable; or
 - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Note 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value fund: Investment in the Putnam Stable Value fund is valued based on NAV per unit as a practical expedient as reported by the fund manager, multiplied by the number of units held as of the measurement date. The NAV per unit is contract value, which is the value of all unitholder transactions, as reported by the fund manager.

The preceding methods described may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level, within the fair value hierarchy, the Plan's investments at fair value, as of December 31, 2021:

Description	Quoted Prices in Active Markets for Identical Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total

Note 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

The following table sets forth, by level, within the fair value hierarchy, the Plan's investments at fair value, as of December 31, 2020:

Description	Quoted Prices in Active Markets for Identical Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
<i>December 31, 2020</i>				
Mutual funds	\$ 34,878,064	\$ -	\$ -	\$ 34,878,064
	<u>\$ 34,878,064</u>	<u>\$ -</u>	<u>\$ -</u>	<u>34,878,064</u>
Stable value fund ^(A)				4,067,450
Total assets at fair value				<u>\$ 38,945,514</u>

^(A) The stable value fund, which is a collective investment trust fund, is measured at fair value using the net asset value per share (or its equivalent) practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits. Participant transactions (purchases and sales) may occur daily.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes information related to the stable value fund measured at fair value based on NAV per share as a practical expedient as of December 31, 2021 and 2020, respectively. The stable value fund is maintained by investment companies and hold investments in accordance with a stated set of fund objectives.

Year-End	Fair Value	Unfunded	Redemption Frequency (if currently eligible)	Redemption Notice Period
<i>December 31, 2021</i>	\$ 4,128,704	\$ -	Daily	None
<i>December 31, 2020</i>	\$ 4,067,450	\$ -	Daily	None

Note 5: TAX STATUS

The IRS has determined and informed the Company by a letter dated May 25, 2017, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt at December 31, 2021 and 2020.

Note 5: TAX STATUS (Continued)

Tax positions are recognized only if it is “more likely than not” that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions not meeting the “more likely than not” test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal. Principal is the Trustee and record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. Revenue sharing arrangements between the investment providers and the trustee provide for rebates of certain administrative fees, which are returned to the participant accounts. These amounts are recorded as other income, included in investment income. Participants also pay asset fees to certain investment providers, recorded in administrative expenses. The Plan also makes direct payments for administrative services not covered by revenue sharing, allocated pro-rata to participant accounts. The Company pays directly any other amounts related to the Plan’s operations. In addition, the Company provides certain services to the Plan at no charge.

Note 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 8: PLAN COMPLIANCE

It came to the attention of the Plan Sponsor that certain remittances of participant deferrals made during the years ended December 31, 2021, 2020, 2019, 2018, and 2017, were deemed late, as defined by the DOL rules and regulations. The late remittance amounts are disclosed on Schedule H, Line 4a – Schedule of Delinquent Participant Contributions. The Plan Sponsor remitted a total of \$2,371 in lost earnings to the Plan on November 16, 2020 as part of the Voluntary Fiduciary Correction program covering the years ending December 31, 2017 to 2020. Lost earnings for the year ended December 31, 2021 will be remitted in 2022.
