INDEPENDENT AUDITOR'S REPORT

Hartfield Academy, Inc., Plan Administrator
for Hartfield Academy, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Hartfield Academy 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (an ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Hartfield Academy 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion - continued:

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hartfield Academy 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hartfield Academy 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the

Auditor's Responsibilities for the Audit of the Financial Statements – continued:

override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hartfield Academy 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hartfield Academy 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for

Supplemental Schedule Required by ERISA - continued:

Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HARTFIELD ACADEMY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Hartfield Academy, Inc. 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2009, and was most recently amended and restated January 1, 2016 to comply with the provisions of the Pension Protection Act. The Plan is a defined contribution plan covering all employees of Hartfield Academy, Inc. (Company) who are at least twenty-one years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's trustee, together with the Plan Sponsor's Board of Trustees, are responsible for oversight of the Plan and determine the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute between 1% and 100% of their compensation, as defined by the Plan document. Participants may designate all or a portion of their deferrals as pre-tax or Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also allows for discretionary matching and non-elective profit-sharing contributions. The Company matched 50% of the first 4% of eligible compensation for the years ended December 31, 2021 and 2020. To receive the non-elective profit-sharing contribution, a participant must be employed on the last day of the Plan year or have worked 500 hours or more during the Plan year. For the years ended December 31, 2021 and 2020, the Company did not make a non-elective profit-sharing contribution. Contributions are subject to certain Internal Revenue Service limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's non-elective profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

HARTFIELD ACADEMY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED:

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company discretionary matching contributions and non-elective profit sharing contribution portions of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits

Upon termination of service, due to death, disability or retirement, a participant may elect to receive a lump sum distribution of his or her vested account balance.

Forfeited Accounts

Forfeitures of non-vested participant accounts are used to reduce Company contributions. For the years ended December 31, 2021 and 2020, participants forfeited \$3,856 and \$-0-, respectively. Forfeitures used to reduce Company contributions for 2021 and 2020 are \$3,856 and \$-0-, respectively.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's custodian determines the Plan's valuation policies utilizing information provided by investment advisors and custodians. See Note 3 for discussion of fair value measurements.

HARTFIELD ACADEMY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES - CONTINUED:

Investment Valuation and Income Recognition - continued:

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

Authoritative guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

HARTFIELD ACADEMY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED:

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Pooled separate accounts: Pooled separate accounts are stated at their net asset values (NAV) as reported by the investment manager of the fund based on the fair value of the underlying assets and liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of NAV or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with authoritative guidance, investments measured at NAV are not categorized in the fair value hierarchy. As of December 31, 2021 and 2020, all of the Plan's investments are held in pooled separate accounts under a group annuity contract with John Hancock Life Insurance Company (U.S.A.) which is measured at fair value using the NAV per share (or its equivalent) practical expedient. This contract is not considered fully-benefit responsive.

The following table summarizes the Plan's investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 1,339,543	n/a	Daily	12 months

<u>December 31, 2020</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 881,718	n/a	Daily	12 months

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of levels as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3. Gains and losses (realized and unrealized) included in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation (depreciation) in fair value of investments.

**NOTE 4 - INFORMATION CERTIFIED BY JOHN HANCOCK LIFE INSURANCE
COMPANY (U.S.A.)**

The following information included in the 2021 and 2020 financial statements was certified by John Hancock Life Insurance Company (U.S.A.) as of and for the years ended December 31, 2021 and 2020:

Total investment gain	\$ <u><u>113,679</u></u>	<u><u>118,814</u></u>

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

HARTFIELD ACADEMY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE 6 - TAX STATUS

The Plan is subject to ERISA and certain provisions of the Internal Revenue Code (IRC). The Plan is intended to qualify under Section 401(a) of the IRC. The Plan Sponsor has adopted a prototype standardized 401(k) profit sharing plan sponsored by HUB International Gulf South. The Internal Revenue Service has issued a favorable opinion letter ruling that the prototype plan was designed in accordance with applicable IRC requirements as of the date of its letter. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by John Hancock Life Insurance Company (U.S.A.) (John Hancock). John Hancock is the custodian as defined by the Plan, and therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Plan also paid administration fees to John Hancock totaling \$13,609 and \$9,613 for the plan years ended December 31, 2021 and 2020, respectively. In addition, the Plan paid administrative fees to recordkeepers and consultants that qualify as party in interest transactions totaling \$5,773 and \$3,583 for the Plan years ended December 31, 2021 and 2020, respectively. These fees are included in administrative expenses on the statements of changes in net assets available for benefits.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

HARTFIELD ACADEMY, INC. 401(K) PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 8 - RISKS AND UNCERTAINTIES - CONTINUED:

On March 11, 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a global pandemic which continues to spread throughout the world and has adversely impacted global commercial activity and contributed to volatility in financial markets. This volatility could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. The rapid development and fluidity of this situation precludes any prediction as to the ultimate impact of the Coronavirus outbreak. Nevertheless, the outbreak presents uncertainty and risk with respect to the Plan, its investment performance, and overall financial results.

NOTE 9 - SUBSEQUENT EVENTS

The Plan had no subsequent events of a material nature requiring adjustment to or disclosure in the financial statements through July 27, 2022, the date the financial statements were approved by the Plan's management and thereby available to be issued.
