 Grand Central, Inc. 401(k) Retirement Plan
 Detroit Lakes, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Grand Central, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to benefits provided under the plan or assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Grand Central, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Grand Central, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Grand Central, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Grand Central, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary information, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters (Continued)

2021 Supplemental Schedule Required by ERISA (Continued)

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to benefits provided under the plan or assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Grand Central, Inc. 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

NOTE 1 – DESCRIPTION OF PLAN

The following description of Grand Central, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General and Eligibility

The Plan is a defined contribution plan, under section 401(k) of the Internal Revenue Code (IRC), covering all employees of Grand Central, Inc. and its affiliates (the "Company"), who have completed one year of service (1,000 hours) and have attained the age of 21. Plan entry dates are January 1, and July 1. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may, after meeting eligibility requirements, contribute a percentage of their pretax annual compensation, as defined in the Plan. Contributions are subject to certain limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may, at its discretion, elect to make discretionary matching contributions to the Plan. After meeting eligibility requirements, there is no continuing hour or service requirements. The Company matched 25% of the participants' contributions up to a maximum employee contribution of 10% in 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of the Company's matching contributions, and Plan earnings or losses. Allocations are based on participant earnings or losses, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their voluntary and rollover contributions. Participants begin to vest ratably in any employer contributions after two years of service and are fully vested at the end of six years of service.

Forfeited Accounts

Forfeited nonvested accounts totaled \$0 at both December 31, 2021 and 2020. Forfeitures may be used to offset Plan expenses, used to reduce future employer contributions or allocated to remaining participants. Plan expenses were offset by \$1 and \$11 from forfeited nonvested accounts during 2021 and 2020, respectively. Company matching contributions were offset by \$435 and \$1,132 from forfeited nonvested accounts during 2021 and 2020, respectively. Forfeitures from nonvested accounts totaling \$0 and \$267 were allocated to participants during 2021 and 2020, respectively.

Notes to Financial Statements**

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Coronavirus Aid, Relief, and Economic Security (CARES) Act

On March 27, 2020, the CARES Act was passed by Congress. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants who were adversely impacted by COVID-19. The provisions of CARES Act may be effective and operationalized immediately, prior to amending the Plan Document.

The Plan has implemented the following relief provisions:

- Coronavirus-related distributions: Qualified participants could take a coronavirus-related distribution of up to \$100,000 from their Plan without a 10% early withdrawal penalty. Eligible distributions could be taken up to December 31, 2020. Coronavirus-related distributions may be repaid within three years.
- Required minimum distributions (RMDs): RMDs were waived for 2020.

Notes Receivable from Participants

Participants may not borrow against the value of their accounts.

Payment of Benefits

Upon termination of service, death, disability, hardship, or retirement (early retirement age of 55 and 7 years of vested service or age 65), the participants may receive the value of their vested interest in their account in the form of a lump-sum distribution or installments. If a participant terminates employment and the participant's account balance is not greater than \$1,000, the plan administrator will authorize the benefit payment without participant's consent. If the balance is greater than \$1,000 but less than \$5,000, the benefit payment will be rolled over into a qualified individual retirement account. If the balance is over \$5,000 the participant's eligible vested balance may remain in the Plan. Hardship distributions are available and subject to certain restrictions.

On January 1, 2020, the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 increased the age limit for required minimum distributions from 70½ to 72. Terminated participants may elect to have the Plan hold their accounts for distribution to them at a date not later than April 1 of the calendar year after which they attain age 72 (age 70½ if prior to January 1, 2020). Terminated participants who elect this will continue to share in the income, expenses, gains, and losses of the Plan until their accounts are distributed.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Grand Central, Inc. 401(k) Retirement Plan
Notes to Financial Statements

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reflected at fair value in the accompanying financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator and the Company's board of directors determine the Plan's valuation policies utilizing information provided by the custodian.

The net appreciation in fair value of investments represents the realized and unrealized gains or losses on assets bought and sold as well as held during the year. Interest income is recorded using the accrual basis of accounting. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Funding Policy

Employer discretionary matching contributions are generally remitted to the Plan at the same time as employee deferrals.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 26, 2022, the date which the financial statements were available to be issued.

NOTE 3 – CERTIFICATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held as of December 31, 2021 and 2020, and investment income for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company, the custodian of the Plan.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts: valued at net asset value (NAV) which is based on the market value of its underlying investments (i.e. common stock, mutual funds, short-term securities, real estate). While the majority of the underlying asset values are quoted prices, the NAV of the pooled separate accounts is not publicly quoted and are determined by the insurance company. NAV is a readily determinable fair value and is the basis for current transactions. There are currently no redemption restrictions on these investments. Participant transactions (purchases and sales) may occur daily.

Guaranteed Interest Accounts: contributions are reflected at cost which approximates fair value. The fair value is the amount the plan participants and plan sponsors would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity. Certain withdrawals and transfers may be delayed under contract provisions. A surrender charge may apply to withdrawals from unmaturing guaranteed interest accounts. A surrender charge does not apply to withdrawals due to retirement, termination of employment, disability, or death. The average market yield of the guaranteed interest accounts for 2021 and 2020 was 0.95% and 1.33%, respectively.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair values of assets measured on a recurring basis are as follows:

	Level 1	Level 2	Level 3	Total
December 31, 2021				
Guaranteed interest accounts	\$ -	\$ -	\$ 212,276	\$ 212,276
Pooled separate accounts	-	4,384,423	-	4,384,423
	<u>-</u>	<u>4,384,423</u>	<u>-</u>	<u>4,384,423</u>
Total investments at fair value	<u>\$ -</u>	<u>\$ 4,384,423</u>	<u>\$ 212,276</u>	<u>\$ 4,596,699</u>
December 31, 2020				
Guaranteed interest accounts	\$ -	\$ -	\$ 250,841	\$ 250,841
Pooled separate accounts	-	3,642,384	-	3,642,384
	<u>-</u>	<u>3,642,384</u>	<u>-</u>	<u>3,642,384</u>
Total investments at fair value	<u>\$ -</u>	<u>\$ 3,642,384</u>	<u>\$ 250,841</u>	<u>\$ 3,893,225</u>

Fair value measurements using significant unobservable inputs (level 3):

	Guaranteed Interest Accounts	
	2021	2020
Balance - beginning of year	\$ 250,841	\$ 234,967
Total gains (losses), realized or unrealized	(3,706)	2,855
Interest income	2,208	3,233
Purchases	58,304	57,148
Issuances, settlements	<u>(95,371)</u>	<u>(47,362)</u>
Balance - end of year	<u>\$ 212,276</u>	<u>\$ 250,841</u>
The amount of total gains (losses) for the periods included in changes in net assets attributable to the change in unrealized gains (losses) related to assets still held at the reporting date	<u>\$ (3,706)</u>	<u>\$ 2,855</u>

Gain (losses), realized and unrealized, are reported in investment income on the statements of changes in net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Qualitative Information about Significant Unobservable Inputs Used in Level 3 Fair Value Measurements

Following is a representation of the Plan's Level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments and the significant unobservable inputs and the ranges of values for those inputs

Instrument	Principal valuation technique	Unobservable inputs	Range of significant input values
Guaranteed interest contract	Market value adjustment	Composite guaranteed rate	0.14% - 1.89%

NOTE 5 – CONTRACT WITH INSURANCE COMPANY

All Plan assets are held under the Flexible Investment Annuity Contract with Principal Life Insurance Company. Contributions received are invested in the Plan's guaranteed interest accounts or pooled separate accounts as directed by the participants. These accounts are credited with earnings or losses on the underlying investments and charged for Plan withdrawals and administrative expenses assessed by Principal Life Insurance Company.

NOTE 6 – TAX STATUS

The Company has adopted a prototype plan document and is relying on the prototype sponsor's opinion letter from the IRS dated March 31, 2014. The letter states that the prototype plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since adoption of the prototype plan; however, the plan administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the taxing jurisdictions. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – PARTY IN INTEREST TRANSACTIONS

Plan investments are units of funds managed by the custodian. These transactions qualify as party in interest transactions.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciling items for 2021 and 2020 between the financial statements and Schedule H of Form 5500.

NOTE 11 – UNALLOCATED ASSETS

Asset values are allocated to participant accounts when amounts are received by the Plan. Contributions receivable of \$10,630 were unallocated at December 31, 2020.

NOTE 12 - SUBSEQUENT EVENT

The Plan was restated effective February 17, 2022. There were no significant or material plan provision changes. In addition, the restated Plan is relying on an opinion letter dated June 30, 2020, received from the IRS on the prototype plan.
