Independent Auditors' Report

To the Plan Administrator
Foundation Partners Group, LLC Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of Foundation Partners Group, LLC Retirement Savings Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FOUNDATION PARTNERS GROUP, LLC RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) Plan Description

The following is a brief description of the Foundation Partners Group, LLC Retirement Savings Plan (the “Plan”) and is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

(a) General

The Plan is a defined-contribution plan established on October 1, 2015, that covers eligible employees of Foundation Partners Group, LLC (the “Company” or the “Plan Sponsor”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Full-time employees become eligible to participate in the Plan in the month following their completion of three months of service and attaining the age of 21. Part-time employees, interns, non-common law employees and apprentices are not eligible to participate in the Plan unless they complete 1,000 hours of service and attain the age of 21. Leased employees, union employees and nonresident aliens are not eligible to participate in the Plan.

Effective September 15, 2020, the Plan was amended and restated with the adoption of the Retirement Solutions Specialists (“RSS”) Non-Standardized Defined Contribution Pre-Approved Plan Document. With this amendment and restatement, substantially all assets were transferred from Fidelity Management Trust Company (“FMTC”) to Voya Institutional Trust Company (“VITC”) and VITC became the Plan’s trustee. RSS serves as the Plan’s third-party administrator.

(b) Contributions

Participants may elect to contribute up to 90% of their eligible compensation as defined up to a maximum of \$19,500 for the year ended December 31, 2021. The Plan allows for post-tax Roth 401(k) contributions. The Plan also provides for “catch-up” contributions subject to the Internal Revenue Service limitation, which was \$6,500 for the year ended December 31, 2021. Newly eligible employees are automatically enrolled in the Plan at a pre-tax deferral rate of 1%. This rate increases each year on January 2, until a deferral rate of 6% is reached. This provision applies only to employees hired after April 23, 2018.

The Company may make discretionary employer matching contributions to eligible plan participants based on participants’ elective deferrals. Participants must be employed on the last day of the plan year to receive a discretionary employer matching contribution. For the year ended December 31, 2021, the Company’s discretionary matching contribution was 75% of the first 6% contributed by participants with less than six years of service and 100% of the first 6% contributed by participants with six or more years of service. The Company may also make non-elective contributions to eligible employees who have worked at least 1,000 hours and are employed on the last day of the contribution period. No such contributions were made for the year ended December 31, 2021.

The Plan also accepts rollovers and direct transfers from other tax-qualified plans.

FOUNDATION PARTNERS GROUP, LLC RETIREMENT SAVINGS PLAN

Notes to Financial Statements - Continued

(1) **Plan Description - Continued**

(c) **Participant Accounts**

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and plan earnings. A separate account is maintained for each investment option selected by the participant. Earnings and losses of the Plan are allocated to each participant based upon the ratio of their account to the total of all participants' accounts. All allocations are made on a daily basis.

(d) **Vesting**

Participants are immediately vested in their own salary deferrals and rollover contributions, plus actual earnings thereon. Participants become vested in discretionary employer matching contributions and non-elective employer contributions based on the following table:

Less than two years	0%
Two years but less than three	20%
Three years but less than four	40%
Four years but less than five	60%
Five years but less than six	80%
Six years or more	100%

Participants also become fully vested upon reaching their normal retirement age (age 65) or upon death or disability.

(e) **Notes Receivable from Participants**

Participants may borrow from their account a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years and are collateralized by the respective participant's vested account balance and are evidenced by a note which bears interest based on prevailing market rates. Interest rates on outstanding loans ranged from 4.25% to 6.50% at December 31, 2021. Principal and interest are paid ratably through payroll deductions. All loans shall be repaid within five years, unless the loan qualifies as a home loan.

(f) **Hardship Withdrawals**

The Plan allows participants to withdraw a portion of their vested account balance in the event of immediate and heavy financial need. Any hardship withdrawal is limited to the amount needed to meet the financial need but shall be for no less than \$500 and must qualify with respect to plan provisions.

As a result of the Bipartisan Budget Act of 2019, effective January 1, 2019, the requirement to exhaust loan distributions prior to receiving a hardship distribution was removed from the Plan. Additionally, participants are no longer suspended from making contributions to the Plan or from receiving Company matching contributions as a result of a hardship withdrawal.

(1) **Plan Description - Continued**

(g) **Benefit Payments**

On termination of service due to death, permanent disability, retirement, or in the event of termination of employment with the Company, a participant shall be entitled to benefits equal to the value of the participant's vested interest in his or her account. Plan directed distributions are processed on an annual basis.

The Plan allows withdrawals from vested account balances by participants who have reached age 59 ½. If the vested account balance payable to an individual is less than or equal to the mandatory distribution limit utilized by the Plan, such account will be automatically distributed to the participant or rolled into an IRA on the participant's behalf.

Effective January 1, 2020, the Plan was operationally amended to incorporate the provision of the Setting Every Community Up for Retirement Enhancement ("SECURE") Act which increased the age for required minimum distributions from age 70 ½ to age 72 for individuals who turned 70 ½ during calendar year 2020.

(h) **Forfeitures**

Forfeitures from the Plan are used to reduce future employer contributions or to reduce administrative expenses. There were approximately \$89,000 and \$40,000 of forfeitures available for reduction of future employer contributions at December 31, 2021 and 2020, respectively. Approximately \$53,000 of forfeited non-vested accounts were used to reduce employer contributions for the year ended December 31, 2021.

(2) **Summary of Significant Accounting Policies**

(a) **Basis of Presentation**

The accompanying financial statements of the Plan are presented on the accrual basis of accounting and present the net assets available for benefits and changes in net assets available for benefits in accordance with accounting principles generally accepted in the United States of America.

(b) **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

FOUNDATION PARTNERS GROUP, LLC RETIREMENT SAVINGS PLAN

(2) Summary of Significant Accounting Policies - Continued

(c) Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

(d) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at the net asset value ("NAV") of shares held by the Plan at year end based on quoted market prices.

The Fidelity Managed Income Portfolio Fund ("MIP") is a fund that invests in benefit-responsive investment contracts issued by insurance companies and other financial institutions. The assets of the MIP are invested in fixed income securities and shares of money market funds. The MIP is priced daily by FMTC, with the price being based on the contract value of the underlying investments. There were no unfunded commitments relating to the MIP at December 31, 2020. Participants are able to redeem balances from the MIP fund daily and there is no notice period for redemptions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

(e) Administrative Expenses

Substantially all expenses of the Plan are paid by the Plan and are included in the accompanying statement of changes in net assets available for benefits. Fees related to administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included as an offset to net appreciation in fair value of investments.

(f) Risks and Uncertainties

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(3) **Plan Termination**

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their accounts.

(4) **Tax Status**

Effective September 15, 2020, the Plan adopted a non-standardized defined contribution pre-approved plan document (“PAPD”) which obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the PAPD, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The PAPD has since been amended, however the plan administrator and the Plan’s tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(5) **Information Certified by the Trustee**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, VITC, the trustee, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Total investments, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020, excluding the collective trust as of December 31, 2020;
- Total investment income and related investment activity, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021;
- Assets held for investment purposes as presented in the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021.

The Plan’s independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in these financial statements and supplemental schedule.

(6) Parties-in-Interest

Plan expenses include approximately \$12,700 to RSS for third-party administration services, \$58,800 to an investment advisor for investment advisory services and \$7,000 to the Plan's auditors. These transactions, in addition to participant loan transactions, qualify as party-in-interest transactions, but are exempt from prohibited transaction rules.

(7) Fair Value Measurements

The Plan applies the provisions of Financial Accounting Standards Board Accounting Standards Codification Topic 820, *Fair Value Measurement* ("ASC Topic 820"), in measuring fair value. ASC Topic 820 established a three-tier fair value hierarchy which prioritizes the inputs used in measuring fair value as follows:

Level 1: Observable inputs such as quoted prices in active markets;

Level 2: Inputs, other than quoted prices in active markets, that are observable either directly or indirectly;

Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Registered Investment Companies

Registered investment companies are valued at quoted market prices, which represent the NAV of shares held by the Plan at year-end and are classified as Level 1 investments.

Collective Trust

The collective trust is based on the NAV of units held by the Plan at year-end, as valued by the Plan and FMTC at year-end.

As of December 31, 2021, the Plan's investments measured at fair value on a recurring basis were as follows:

Description	Assets Measured at Fair Value at December 31, 2021	Fair Value Measurements at December 31, 2021		
		Observable Inputs (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered investment companies	\$ 18,651,736	18,651,736	-	-

(7) Fair Value Measurements - Continued

As of December 31, 2020, the Plan's investments measured at fair value on a recurring basis were as follows:

Description	Assets Measured at Fair Value at December 31, 2020	Fair Value Measurements at December 31, 2020		
		Observable Inputs (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered investment companies	\$ 14,399,309	14,399,309	-	-
	14,399,309	14,399,309	-	-
Collective trust at NAV	80,287 (a)			
Total investments	\$ 14,479,596			

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(8) Excess Contributions Payable

Excess contributions payable of \$26,203 as of December 31, 2020 represent payments made to participants in 2021 to refund excess contributions as required to satisfy the relevant nondiscrimination provisions of the Plan.

(9) Subsequent Events

In preparing these financial statements, plan management has evaluated events and transactions for potential recognition or disclosure through October 6, 2022, the date the financial statements were available to be issued.
