INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Oldham Goodwin Payroll 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Oldham Goodwin Payroll 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of October 27, 2021, and the related statement of changes in net assets available for benefits for the period then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the period ended October 27, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Lyn Kuciemba, CPA | James Larkin, CPA | AJ Taylor, CPA | R. Logan Kendrick, CPA, ABV

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Oldham Goodwin Payroll 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Oldham Goodwin Payroll 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Oldham Goodwin Payroll 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Oldham Goodwin Payroll 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Oldham Goodwin Payroll 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

OLDHAM GOODWIN PAYROLL 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 27, 2021 AND DECEMBER 31, 2020

Note A – Description of Plan

The following description of the Oldham Goodwin Payroll 401(k) Plan (the Plan) provides only general information of the Plan prior to its transfer of Plan assets as described below. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Effective April 1, 2018, Oldham Goodwin Payroll (the Company) adopted a defined contribution plan covering all employees who have one year of service and are at least age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Management of the Company oversees governance of the Plan, including the appropriateness of the Plan's investment offerings and monitoring investment performance.

On September 16, 2021, the Plan sponsor approved the transfer of this Plan into the TrueCourse 401(k) Pooled Employee Plan (the PEP) effective October 28, 2021. As a result, all investments were transferred from the Plan on October 27, 2021 into the PEP on October 28, 2021.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, pooled separate accounts, and an insurance investment contract as investment options for participants. Effective December 1, 2020, the Company implemented a discretionary match for employee contributions. There were no employer contributions to the Plan during the period ended October 27, 2021.

Vesting

Participants are immediately vested in their contributions to the Plan and allocated earnings thereon. Vesting in the Company contributions portion of their account plus earnings thereon is based on continuous years of service. A participant vests 20% per year beginning after one year of credited service, which requires 1,000 hours or one year of service for hourly and salaried employees, respectively, and is fully vested after five years of service.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution, if any, and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

See independent auditor's report.

OLDHAM GOODWIN PAYROLL 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 27, 2021 AND DECEMBER 31, 2020

Note A – Description of Plan (continued)

Distributions to Participants

Upon retirement, death, disability or termination of employment, a participant (or the participant's beneficiary, if applicable) will receive a lump sum distribution equaling their vested account balance. Participants may receive a hardship distribution from their vested account balances subject to certain limitations, as defined in the Plan.

Participant Loans

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions.

Note B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

See independent auditor's report.

OLDHAM GOODWIN PAYROLL 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 27, 2021 AND DECEMBER 31, 2020

Note B – Summary of Significant Accounting Policies (continued)

Participant Loans

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of October 27, 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Note C – Information Prepared and Certified by Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at October 27, 2021 and December 31, 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period ended October 27, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company (the Trustee).

Note D – Fair Value Measurements

FASB ASC 820-10, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted market prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The Plan's investments are valued using Level 1 inputs. These are as follows:

- Mutual funds – based on a quoted market price available on an active market.

See independent auditor's report.

OLDHAM GOODWIN PAYROLL 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 27, 2021 AND DECEMBER 31, 2020

Note D – Fair Value Measurements (continued)

- Pooled separate accounts (PSA) – are invested mainly in domestic stocks. The majority of the underlying securities have observable level 1 quoted pricing inputs. The net asset value ("NAV") of the PSAs is not publicly quoted but is available to current investors via the Principal website or when plan participants access their account values. The NAV is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date. Therefore, it is reasonable to conclude PSAs have a "Readily Determinable Fair Value", implying they are valued similarly to mutual funds and are most accurately classified as Level 1 investments.
- Collective investment trusts (CIT) – are invested in collective trust funds as well as a variety of separate accounts and mutual funds. The fair value of the CITs and the separate accounts are not publicly quoted pricing inputs. The fair value of mutual funds are publicly quoted pricing inputs. The fair value of all these investments are used in determining the NAV of the CITs, which are not publicly quoted but are available to current investors via the Principal website or when plan participants access their account values. NAV is the basis for current transactions, and CITs can be redeemed at NAV as of the measurement date. Therefore, it is reasonable to conclude CITs have a "Readily Determinable Fair Value", implying they are valued similarly to mutual funds and are most accurately classified as Level 1 investments.

The following table sets forth, by level within the hierarchy, the Plan's investments at fair value:

	October 27, 2021		December 31, 2020	
	Level 1	Total	Level 1	Total
Mutual funds	\$ -	\$ -	\$ 183,837	\$ 183,837
Pooled separate accounts	-	-	41,583	41,583
Collective investment trusts	-	-	352,836	352,836
Total assets at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 578,256</u>	<u>\$ 578,256</u>

Note E – Tax Status

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe the Plan is qualified and the related trust is tax-exempt. US GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

See independent auditor's report.

NOTES TO FINANCIAL STATEMENTS
OCTOBER 27, 2021 AND DECEMBER 31, 2020

Note F – Excess Contributions

Certain individuals contributed in excess of IRS Limits during 2021. For the period ended October 27, 2021, \$23,114 of excess contributions are due to be refunded to the respective individuals.

Note G – Party-in-Interest Transactions and Administrative Expenses

The Plan pays fees to Principal Life Insurance Company as the recordkeeper. The fees of \$8,317 are included in administrative expenses in the accompanying statement of changes in net assets available for benefits. In addition, the Company pays for certain administrative expenses, including fees to Thompson, Derrig & Craig, PC as the Plan auditor, on behalf of the Plan. Such expenses are not included in the financial statements.

Note H – Subsequent Events

As discussed at Note A, the Plan sponsor approved the transfer of the Plan's assets into the TrueCourse 401(k) Pooled Employee Plan on October 28, 2021. As part of the transfer, the Plan experienced a black out period beginning October 18, 2021 and ending on November 19, 2021.

Management of the Plan has evaluated subsequent events through September 22, 2022, which is the date the financial statements were available to be issued.

Re: 2021 Form 5500
Oldham Goodwin Payroll 401(k) Plan
TID 20-4243147

Dear Sir or Madam,

We have been made aware that since the above-referenced employee benefit plan merged with a multi-employer plan on 10/27/21, the due date of the 2021 Form 5500 was actually 5/31/22 and 8/15/22 (extended) rather than usual due dates of 7/31/22 and 10/15/22 (extended). The purpose of this letter is to explain why it is being filed late and to request that the late filing be accepted without penalty.

We rely on our 5500 preparer, Principal Life Insurance Company, to keep us informed of all filing requirements related to the plan, and we received no notification concerning any change in due dates. We relied on the notice we received from the IRS that our extension request had been approved with a due date of 10/17/22 (see attached).

We also could not meet the audit requirement by the actual extended due date of 8/15/22 because Principal closed the portal that our auditors must use to obtain audit documentation until late August 2022.

Thank you for consideration of our request.

Sincerely,

Ed Young
