Plan Administrator
Group Health Plan, Inc. 401(k) Plan
Bloomington, Minnesota

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Group Health Plan, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Group Health Plan, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Group Health Plan, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Group Health Plan, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Group Health Plan, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 and the supplemental schedule of delinquent participant contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Group Health Plan, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 DESCRIPTION OF PLAN

The following description of Group Health Plan, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was originally effective November 1, 1982 and last restated and amended effective December 1, 2021. The Plan is a profit-sharing plan providing for 401(k) contributions pursuant to a qualified cash or deferred arrangement and matching contributions. The Plan covers employees of Group Health Plan, Inc. (the Company); Central Minnesota Group Health, Inc.; RHSC, Inc.; Physicians Neck and Back Clinics, Inc.; Dental Specialties, Inc.; and HealthPartners Associates, Inc. (collectively, the Participating Employers). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan Sponsor and administrator and has appointed Fidelity Management Trust Company (Fidelity) as trustee. The trustee executes investment transactions as directed by the participants. The trustee is also responsible for making distributions to participants. Fidelity performs some, but not all, of the recordkeeping services for the Plan. Fidelity performs these functions at the direction of the Company in accordance with the provisions of the Plan.

Eligibility

All employees scheduled to work at least 1,000 hours are eligible for participation in the Plan as soon as administratively possible after their hire into an eligible position.

An employee who is not regularly scheduled to work at least 1,000 hours of service in a Plan year satisfies the Plan's eligibility requirements for purposes of making a rollover contribution on the day on which he or she first completes an hour of active service pursuant to the Plan document. For the purposes of an employee making 401(k) contributions and having matching contributions made on his or her behalf, such an employee is eligible on the last day of the first eligibility service period during which he or she completes at least 1,000 hours of service.

An employee's eligibility service period is the 12-month period that starts the day on which he or she first completes an hour of active service. If, however, the employee fails to complete at least 1,000 hours of service during this period, the employee's eligibility service period is each Plan year, beginning with the Plan year that includes the first anniversary of the day on which he or she first completes an hour of active service.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions

Contributions are made by participating employees. The Plan is composed of the following active accounts: the pre-tax and Roth salary deferral accounts, the rollover account, the Company matching accounts (comprising the basic matching account and the retiree medical matching account), and the Company fixed contribution account. The Plan allows participants age 50 and older to make catch-up contributions. Participants can contribute from 1% to 50% of annual compensation up to the maximum dollar limits established by the Internal Revenue Service (IRS) to the pre-tax salary or Roth deferral accounts. The Plan has an automatic enrollment feature for new participants whereby they will be automatically enrolled 60 days from hired date or eligibility at 2% of annual compensation unless otherwise directed. Participants may change contributions between accounts daily in any 1% increment.

The minimum Company matching contribution is 100% of the lesser of (a) 5% of participant's eligible earnings for the Plan year or (b) participant's 401(k) contributions for the Plan year for participants hired before January 1, 2008. For those participants who were hired on or after January 1, 2008, the minimum Company matching contribution is 50% of the lesser of (a) 5% of participant's eligible earnings for the Plan year or (b) the participant's 401(k) contributions for the Plan year. Participants hired on or after January 1, 2008 are also eligible for a fixed Company contribution of 5% of eligible earnings for a Plan year. The Participating Employers may, at their discretion, authorize increased or decreased Company contributions to the Plan. To be eligible for the matching contributions and/or the fixed Company contribution for a given Plan year, an active participant must have either been a qualified employee on the last day of the Plan year or terminated employment during the Plan year after attaining age 55 or on account of his or her death or becoming disabled. The matching contributions are allocated such that 80% goes to the basic matching contribution account and 20% goes to the retiree medical matching contribution account.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and Company matching contribution, as well as allocations of plan earnings or losses, and charged with withdrawals. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferral contributions plus actual earnings thereon. For a participant eligible to participate in the Plan as of July 1, 1995, and who was not a member of the Office and Professional Employees International Union Local No. 12, AFL-CIO (OPEIU Local 12) or for a participant first eligible to participate in the Plan after July 1, 1995, amounts credited to the participant's Company matching account fully vest at the earliest of completion of three years of vesting service, three years of continuous service, disability, attaining age 55, or death.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting (Continued)

For participants who were first eligible to participate before July 1, 1995, or were a member of OPEIU Local 12 first eligible to participate in the Plan as of July 1, 1995, amounts credited to a participant's Company matching account fully vest at the earliest of completion of two years of vesting service, three years of continuous service, disability, attaining age 55, or death.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan.

Notes Receivable from Participants

Under provisions of the Plan, a participant may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the aggregate balance of the participant's vested accounts. The loans are secured by the balance in the participant's account. These loans bear interest at the prime rate published on the last business day of the month proceeding the month in which the loan is granted. Payments are due in biweekly or monthly installments of principal and interest over five years. Payments on loans are credited to individual funds in accordance with the participant's current investment allocation.

Benefit Payments

On termination of service or death, a participant, or his or her respective beneficiary, will receive a lump-sum amount equal to the value of the participant's vested interest in their account in the form of a lump sum or installments. As required by regulation, the Plan performs a rollover to an individual retirement account for any participant whose account balance is greater than \$1,000 (but less than \$5,000) and who has not elected another form of payment. If a participant's account balance was never greater than \$1,000, the Plan administrator will authorize the benefit payment without the participants consent. The Plan also permits in-service distributions at age 59½ and hardship distributions, subject to Plan provisions.

Forfeitures

Any portion of a terminated participant's Company matching or Company automatic contribution accounts, which are not vested, is transferred to a forfeiture account after distribution of the participant's vested accounts. If the participant is not reemployed by the Participating Employers before the end of the Plan year, the terminated participant's forfeiture account is forfeited as of the last day of the Plan year in which the participant was terminated. The forfeitures occurring in a Plan year will be allocated as follows: (a) if the participant is reemployed prior to the end of the Plan year, the forfeiture account is returned to the participant's Company matching or Company automatic contribution accounts as of the participant's reemployment date; (b) at the direction of the Group Health Plan Inc. Plan administrators committee, to pay expenses of administering the Plan; and (c) to reduce the Company's contribution for matching or Company automatic contributions.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Forfeitures (Continued)

Forfeited nonvested accounts as of December 31, 2021 and 2020 totaled \$791,559 and \$972,663, respectively. During the years ended December 31, 2021 and 2020, Company contributions were reduced by \$1,092,513 and \$858,450, respectively, from forfeited nonvested accounts. There were forfeitures of \$21,461 and \$-0- used to pay administrative expenses during the years ended December 31, 2021 and 2020, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded at December 31, 2021 or 2020. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Benefit Payments

Benefit payments to participants are recorded upon distribution.

GROUP HEALTH PLAN, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements as provided in the Plan document. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Recordkeeping fees are allocated to participant accounts. Investment related expenses including any revenue sharing credits are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2022, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Fidelity Management Trust Company, the trustee, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants and related interest income reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2021.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Considerable judgment may be required in interpreting market data used to develop the estimates of fair value. The three levels of the fair value hierarchy under GAAP are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

GROUP HEALTH PLAN, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued daily based on unadjusted quoted market prices from national exchanges.

Money Market Fund: Valued daily based on subscription and redemption activity at a stable \$1 net asset value (NAV). Redemptions can occur daily at NAV and there are no restrictions to redemption or unfunded commitments.

Certificates of Deposit and Bonds: Valued daily based on fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer.

Common and Preferred Stocks and Unit Trusts: Valued at the closing price reported on the active market on which the individual securities are traded.

Self-Directed Brokerage Accounts: Consist of mutual funds, money market funds, certificates of deposit, common stock, preferred stock, unit trusts, and bonds that are valued on the basis as described above.

Collective Trust Funds: Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various mutual funds, a money market fund, collective trust funds, and self-directed brokerage accounts, which may include investments in, but not limited to, U.S. government securities, corporate debt instruments, and corporate equity securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur over time and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments. Investment decisions are made, and the resulting risks are borne, exclusively by the Plan participant who made such decisions.

NOTE 6 PLAN TERMINATION

Although the Company has not expressed any intent to do so, it may terminate the Plan at any time, subject to the provisions of the Plan and ERISA. In the event the Plan is terminated, all accounts of the participants shall be fully vested. The Plan shall continue until all assets have been distributed to the participants.

NOTE 7 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter received from the IRS indicating that the plan is qualified under Section 401 of the IRC and is therefore, not subject to tax under present income tax law. The plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GROUP HEALTH PLAN, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 7 PLAN TAX STATUS (CONTINUED)

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

Transactions resulting in Plan assets being transferred to or used by a related party are prohibited under ERISA, as amended, unless a specific exemption applies. Certain Plan investments are managed by Fidelity. Fidelity is the trustee as defined by the Plan and therefore, these transactions qualify as exempt party-in-interest transactions. Fees incurred by the Plan for investment management services are included as a reduction of the return earned on each investment.

NOTE 9 NONEXEMPT TRANSACTIONS

During 2018, 2019, 2020, and 2021 the Company failed to remit employee 401(k) deferral contributions and loan payments for certain payroll periods within the timeframe prescribed by the Department of Labor. This is deemed a prohibited transaction in accordance with ERISA and the IRC. The Company corrected the 2018 and 2019 delinquent contributions in 2020. The Company is in the process of correcting the prohibited transactions from 2020 and 2021.
