Independent Auditor's Report

To the Administrative Committee of
Netsertive, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Netsertive, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Netsertive, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Netsertive, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Independent Auditor's Report--Continued

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Netsertive, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Netsertive, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Netsertive, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report--Continued

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Administrative Committee of
Netsertive, Inc. 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Netsertive, Inc. 401(k) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note I, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements

Netserive, Inc. 401(k) Plan

Years Ended December 31, 2021 and 2020

NOTE A--PLAN DESCRIPTION

The following brief description of the Netserive, Inc. 401(k) Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan, established January 1, 2013, covering substantially all employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan was amended January 1, 2015 to require employer matching contributions in accordance with Plan provisions. The Plan was also amended to include vesting requirements for employer contributions.

Eligibility: The Plan was amended January 1, 2016 to require three months of service and upon attaining age 21 in order to participate in the Plan. Prior to January 1, 2016, employees were eligible to participate in the Plan on their date of hire and upon attaining age 21.

Contributions: Each year, participants may contribute up to 90% of annual compensation, as defined in the Plan. The participants may also make contributions to a Roth account and after tax contributions. Certain participants may also catch-up contributions in accordance with IRS guidelines. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company approved a regular matching contribution equal to 50% of the first 8% of eligible employee deferrals. The Company made matching contributions of \$135,753 in 2021.

The Company may also make discretionary employer contributions and qualified nonelective contributions. Discretionary employer and nonelective contributions are allocated based on the eligible compensation of participants for the Plan year. The Company made no discretionary employer or qualified nonelective contributions in 2021.

Participant Accounts: Each participant's account is credited with the participant's and Company contributions and allocation of earnings. The participant's account is charged with benefit payments, transaction fees related to notes receivable from participants and distributions, and an allocation of losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Funding Policy: The employer is generally required to pay its contribution to the Plan for each Plan year within the time prescribed by law, including extensions of time for the filing of the employer's federal income tax return for the fiscal year. However, employee elective contributions accumulated through payroll deductions shall be paid to the custodian as of the earliest date on which contributions can reasonably be segregated from the employer's general assets, but in any event, within the time prescribed by law. Furthermore, any additional employer contributions which are allocable to participants' accounts for a Plan year shall be paid to the Plan no later than the twelve-month period immediately following the close of such Plan year.

Payment of Benefits: A participant is entitled to distributions under the Plan (a) when such participant attains their 59 1/2 birthday (the normal retirement date) or the later of the participant attaining their fifty-fifth birthday or five years of vesting service (early retirement date); (b) in the event of the death of the participant before retirement or other termination of employment; (c) in the event of the participant's total or permanent disability; (d) in the event that a participant's employment is terminated for any reason other than those stated in (a) through (c) above; or (e) in the event of a financial hardship as defined by the Plan.

Notes to Financial Statements--Continued

Netserive, Inc. 401(k) Plan

NOTE A--PLAN DESCRIPTION--Continued

Participants entitled to distributions may elect a lump-sum distribution or annual installments.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts is based on years of service as follows:

<u>Years of Credited Service</u>	<u>Vested %</u>
Less than 1 year	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Forfeitures: The nonvested portion of a terminated participants account balance derived from employer contributions is forfeited on the earlier of the last day of the vesting computation period in which the participant first incurs a Forfeiture Break in service or distribution of the vested portion of the participants account. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$5,526 and \$168, respectively. In 2021, employer contributions were reduced by \$41,373 for forfeited nonvested accounts.

Notes Receivable from Participants: A participant may make a written application to the plan administrator for one or more loans from the Plan; however, a participant may only have one loan outstanding at any time. The maximum loan allowed to a participant is the lesser of 50% of the participant's vested account or \$50,000. The minimum loan is \$1,000. Participant loans are secured by the participant's account. Loan principal and interest are generally repaid through payroll deductions, with payments due not less than quarterly. Loans may be prepaid and become due upon termination of the participant's employment. Loans must be repaid within five years of the date of the loan. However, if the loan is used for purchase of a principal residence, the loan can be repaid over a period of not more than ten years. Interest is assessed at a fixed rate based on the rates available for similar loans from commercial lending institutions at the inception of the loan and is credited to the participant's account.

CARES Act: On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (the "CARES Act") was signed into law. Qualified individuals under the CARES Act are those diagnosed with COVID-19 or have a spouse or dependent who have been diagnosed, or who experience "adverse financial consequences" as a result of a quarantine, furlough, lay-off, reduction in work hours, business closure, the lack of child care, or other factors due to the COVID-19 pandemic.

Section 2202(a) of the Cares Act allows for qualified individuals to take up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years, in accordance with the CARES Act. The ability to request coronavirus related distributions under the CARES Act is permitted through December 31, 2020. The distributions without tax withholding made during 2020 may be returned to the Plan within three years, or if not returned, will be subject to ordinary taxation. Qualified individuals could also request a delay of note receivable repayments for repayments that occurred through December 31, 2020. If a delay was granted, the participant's note was reamortized and included any interest accrued during the period of delay. In addition, pursuant to the CARES Act, qualified individuals who were currently receiving required minimum distributions had their 2020 payment automatically waived and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to waive a required minimum distribution and delay in note repayments and take a coronavirus-related distribution under the CARES Act ceased as of December 31, 2020.

Netsertive, Inc. 401(k) Plan

NOTE A--PLAN DESCRIPTION--Continued

Hardship Withdrawals: Withdrawals due to financial hardship are permitted with the approval of the Administrative Committee for the following reasons: medical expenses, purchase of primary residence, post-secondary tuition payment, eviction from or foreclosure on principal residence, funeral expenses, or as otherwise provided by the Plan. Hardship withdrawals are limited to employee elective deferrals and earnings thereon.

Rollover Contributions: The Plan provides for rollover contributions from other qualified retirement plans.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment Options: The investments of the Plan are held by Fidelity Management Trust Company ("Fidelity"), trustee of the Plan. Fidelity executes investment transactions within the guidelines adopted for each fund. At December 31, 2021, participants could direct the investment of their account balances in the following mutual funds: Galliard Retirement Income Fund, T. Rowe Price Blue Chip Growth Advisor Fund, Fidelity 500 Index Fund, JP Morgan US Equity Fund, Vanguard Equity Income Fund, American Century Mid-Cap Value Fund, Fidelity Extended Market Index Fund, MassMutual Select Mid-Cap Growth Fund, JP Morgan US Small Company Fund, American Funds EuroPacific Growth Fund, Fidelity Global US Index Fund, Vanguard Target Retirement Inc Fund, Vanguard Target Retirement 2025 Fund, Vanguard Target Retirement 2030 Fund, Vanguard Target Retirement 2035 Fund, Vanguard Target Retirement 2040 Fund, Vanguard Target Retirement 2045 Fund, Vanguard Target Retirement 2050 Fund, Vanguard Target Retirement 2055 Fund, Vanguard Target Retirement 2060 Fund, Fidelity US Bond Index Fund, Pimco Total Return Fund, and Pioneer Strategic Income Fund.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Contributions: Employer and employee contributions are accrued in the Plan year to which they relate.

Payment of Benefits: Benefit payments are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Notes to Financial Statements--Continued

Netsertive, Inc. 401(k) Plan

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Reclassifications: Certain amounts in 2020 were reclassified to conform with 2021 presentation.

Date of Management's Review of Subsequent Events: The Plan has evaluated events through October 11, 2022, the date which the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 "*Fair Value Measurements*" are as described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

<i>Mutual funds:</i>	Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
----------------------	--

Notes to Financial Statements--Continued

Netsertive, Inc. 401(k) Plan

NOTE C--FAIR VALUE MEASUREMENTS--Continued

Collective trust fund: Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>Assets at Fair Value as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 8,454,255	\$ 0	\$ 0	\$ 8,454,255
Total assets in fair value hierarchy	\$ 8,454,255	\$ 0	\$ 0	
Investments measured at NAV practical expedient				6,316
Total				\$ 8,460,571

<u>Assets at Fair Value as of December 31, 2020</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 7,649,890	\$ 0	\$ 0	\$ 7,649,890
Total assets in fair value hierarchy	\$ 7,649,890	\$ 0	\$ 0	
Investments measured at NAV practical expedient				168
Total				\$ 7,650,058

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the actual date of the event of change in circumstances that caused the transfer. There were no significant transfers between levels of the fair value hierarchy during the years ended December 31, 2021 and 2020.

NOTE D--INVESTMENT IN COMMON/COLLECTIVE TRUST

The Plan holds investments in a collective trust specifically the Galliard Retirement Income Fund. The Galliard Retirement Income Fund invests in investment contracts with a financial institution. The investment contract seeks safety of principal and consistency of returns while attempting to maintain minimal volatility, but cannot guarantee that they will be able to do so. The Fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There are no unfunded commitments and the redemption frequency is daily. There are certain withdrawal restrictions at the Plan Sponsor level.

Notes to Financial Statements--Continued

Netserive, Inc. 401(k) Plan

NOTE E--RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company the trustee and contract administrator of the Plan, therefore, related transactions qualify as exempt party-in-interest transactions. Fees paid to Fidelity Management Trust Company by the Plan were \$36,032 for the year ended December 31, 2021.

NOTE F--TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the plan sponsor by a letter dated June 2020 that the Plan and related trust, are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the Determination Letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE G--PLAN TERMINATION

While the Company has not expressed an intent to terminate the Plan, it is free to do so at any time subject to the provisions of ERISA. The Company also reserves the right to amend the Plan as conditions may require. However, neither through amendment, nor by termination, may any part of the Plan assets ever be returned to the Company. All assets of the Plan must be used for the exclusive benefit of participants.

NOTE H--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I--INFORMATION PREPARED AND CERTIFIED BY PLAN'S TRUSTEE

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator has elected that information certified by the trustee has not been subjected to any auditing procedures except for comparing such information to the related information contained in the accompanying financial statements and supplemental schedule. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate at December 31:

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Mutual Funds	\$ 8,454,255	\$ 7,649,890
Common/Collective Trust	6,316	168
Notes receivable from participants	0	0
Investment income	1,266,659	

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Netsertive, Inc. 401(k) Plan

NOTE J--PARTIAL TERMINATION

During 2020, the Plan sponsor reviewed its workforce reductions and determined that a partial termination had occurred in the plan year. As a result, all participants affected were fully vested.

NOTE K--ADMINISTRATIVE ERRORS

The Plan sponsor discovered that certain employees had been incorrectly fully vested during a review of employees affected by the Plan's partial termination. The Plan sponsor is currently working with its trustee to determine the impact on the Plan and to restore any affected participant balances to their correct amount.

Independent Auditor's Report

To the Administrative Committee of
Netsertive, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Netsertive, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Netsertive, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Netsertive, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Independent Auditor's Report--Continued

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Netsertive, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Netsertive, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Netsertive, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report--Continued

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Administrative Committee of
Netsertive, Inc. 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Netsertive, Inc. 401(k) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note I, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements

Netsertive, Inc. 401(k) Plan

Years Ended December 31, 2021 and 2020

NOTE A--PLAN DESCRIPTION

The following brief description of the Netsertive, Inc. 401(k) Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan, established January 1, 2013, covering substantially all employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan was amended January 1, 2015 to require employer matching contributions in accordance with Plan provisions. The Plan was also amended to include vesting requirements for employer contributions.

Eligibility: The Plan was amended January 1, 2016 to require three months of service and upon attaining age 21 in order to participate in the Plan. Prior to January 1, 2016, employees were eligible to participate in the Plan on their date of hire and upon attaining age 21.

Contributions: Each year, participants may contribute up to 90% of annual compensation, as defined in the Plan. The participants may also make contributions to a Roth account and after tax contributions. Certain participants may also catch-up contributions in accordance with IRS guidelines. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company approved a regular matching contribution equal to 50% of the first 8% of eligible employee deferrals. The Company made matching contributions of \$135,753 in 2021.

The Company may also make discretionary employer contributions and qualified nonelective contributions. Discretionary employer and nonelective contributions are allocated based on the eligible compensation of participants for the Plan year. The Company made no discretionary employer or qualified nonelective contributions in 2021.

Participant Accounts: Each participant's account is credited with the participant's and Company contributions and allocation of earnings. The participant's account is charged with benefit payments, transaction fees related to notes receivable from participants and distributions, and an allocation of losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Funding Policy: The employer is generally required to pay its contribution to the Plan for each Plan year within the time prescribed by law, including extensions of time for the filing of the employer's federal income tax return for the fiscal year. However, employee elective contributions accumulated through payroll deductions shall be paid to the custodian as of the earliest date on which contributions can reasonably be segregated from the employer's general assets, but in any event, within the time prescribed by law. Furthermore, any additional employer contributions which are allocable to participants' accounts for a Plan year shall be paid to the Plan no later than the twelve-month period immediately following the close of such Plan year.

Payment of Benefits: A participant is entitled to distributions under the Plan (a) when such participant attains their 59 1/2 birthday (the normal retirement date) or the later of the participant attaining their fifty-fifth birthday or five years of vesting service (early retirement date); (b) in the event of the death of the participant before retirement or other termination of employment; (c) in the event of the participant's total or permanent disability; (d) in the event that a participant's employment is terminated for any reason other than those stated in (a) through (c) above; or (e) in the event of a financial hardship as defined by the Plan.

Notes to Financial Statements--Continued

Netserive, Inc. 401(k) Plan

NOTE A--PLAN DESCRIPTION--Continued

Participants entitled to distributions may elect a lump-sum distribution or annual installments.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts is based on years of service as follows:

<u>Years of Credited Service</u>	<u>Vested %</u>
Less than 1 year	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Forfeitures: The nonvested portion of a terminated participants account balance derived from employer contributions is forfeited on the earlier of the last day of the vesting computation period in which the participant first incurs a Forfeiture Break in service or distribution of the vested portion of the participants account. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$5,526 and \$168, respectively. In 2021, employer contributions were reduced by \$41,373 for forfeited nonvested accounts.

Notes Receivable from Participants: A participant may make a written application to the plan administrator for one or more loans from the Plan; however, a participant may only have one loan outstanding at any time. The maximum loan allowed to a participant is the lesser of 50% of the participant's vested account or \$50,000. The minimum loan is \$1,000. Participant loans are secured by the participant's account. Loan principal and interest are generally repaid through payroll deductions, with payments due not less than quarterly. Loans may be prepaid and become due upon termination of the participant's employment. Loans must be repaid within five years of the date of the loan. However, if the loan is used for purchase of a principal residence, the loan can be repaid over a period of not more than ten years. Interest is assessed at a fixed rate based on the rates available for similar loans from commercial lending institutions at the inception of the loan and is credited to the participant's account.

CARES Act: On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (the "CARES Act") was signed into law. Qualified individuals under the CARES Act are those diagnosed with COVID-19 or have a spouse or dependent who have been diagnosed, or who experience "adverse financial consequences" as a result of a quarantine, furlough, lay-off, reduction in work hours, business closure, the lack of child care, or other factors due to the COVID-19 pandemic.

Section 2202(a) of the Cares Act allows for qualified individuals to take up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years, in accordance with the CARES Act. The ability to request coronavirus related distributions under the CARES Act is permitted through December 31, 2020. The distributions without tax withholding made during 2020 may be returned to the Plan within three years, or if not returned, will be subject to ordinary taxation. Qualified individuals could also request a delay of note receivable repayments for repayments that occurred through December 31, 2020. If a delay was granted, the participant's note was reamortized and included any interest accrued during the period of delay. In addition, pursuant to the CARES Act, qualified individuals who were currently receiving required minimum distributions had their 2020 payment automatically waived and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to waive a required minimum distribution and delay in note repayments and take a coronavirus-related distribution under the CARES Act ceased as of December 31, 2020.

Netsertive, Inc. 401(k) Plan

NOTE A--PLAN DESCRIPTION--Continued

Hardship Withdrawals: Withdrawals due to financial hardship are permitted with the approval of the Administrative Committee for the following reasons: medical expenses, purchase of primary residence, post-secondary tuition payment, eviction from or foreclosure on principal residence, funeral expenses, or as otherwise provided by the Plan. Hardship withdrawals are limited to employee elective deferrals and earnings thereon.

Rollover Contributions: The Plan provides for rollover contributions from other qualified retirement plans.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment Options: The investments of the Plan are held by Fidelity Management Trust Company ("Fidelity"), trustee of the Plan. Fidelity executes investment transactions within the guidelines adopted for each fund. At December 31, 2021, participants could direct the investment of their account balances in the following mutual funds: Galliard Retirement Income Fund, T. Rowe Price Blue Chip Growth Advisor Fund, Fidelity 500 Index Fund, JP Morgan US Equity Fund, Vanguard Equity Income Fund, American Century Mid-Cap Value Fund, Fidelity Extended Market Index Fund, MassMutual Select Mid-Cap Growth Fund, JP Morgan US Small Company Fund, American Funds EuroPacific Growth Fund, Fidelity Global US Index Fund, Vanguard Target Retirement Inc Fund, Vanguard Target Retirement 2025 Fund, Vanguard Target Retirement 2030 Fund, Vanguard Target Retirement 2035 Fund, Vanguard Target Retirement 2040 Fund, Vanguard Target Retirement 2045 Fund, Vanguard Target Retirement 2050 Fund, Vanguard Target Retirement 2055 Fund, Vanguard Target Retirement 2060 Fund, Fidelity US Bond Index Fund, Pimco Total Return Fund, and Pioneer Strategic Income Fund.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Contributions: Employer and employee contributions are accrued in the Plan year to which they relate.

Payment of Benefits: Benefit payments are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Notes to Financial Statements--Continued

Netsertive, Inc. 401(k) Plan

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Reclassifications: Certain amounts in 2020 were reclassified to conform with 2021 presentation.

Date of Management's Review of Subsequent Events: The Plan has evaluated events through October 11, 2022, the date which the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 "*Fair Value Measurements*" are as described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

<i>Mutual funds:</i>	Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
----------------------	--

Notes to Financial Statements--Continued

Netsertive, Inc. 401(k) Plan

NOTE C--FAIR VALUE MEASUREMENTS--Continued

Collective trust fund: Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>Assets at Fair Value as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 8,454,255	\$ 0	\$ 0	\$ 8,454,255
Total assets in fair value hierarchy	\$ 8,454,255	\$ 0	\$ 0	
Investments measured at NAV practical expedient				6,316
Total				\$ 8,460,571

<u>Assets at Fair Value as of December 31, 2020</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 7,649,890	\$ 0	\$ 0	\$ 7,649,890
Total assets in fair value hierarchy	\$ 7,649,890	\$ 0	\$ 0	
Investments measured at NAV practical expedient				168
Total				\$ 7,650,058

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the actual date of the event of change in circumstances that caused the transfer. There were no significant transfers between levels of the fair value hierarchy during the years ended December 31, 2021 and 2020.

NOTE D--INVESTMENT IN COMMON/COLLECTIVE TRUST

The Plan holds investments in a collective trust specifically the Galliard Retirement Income Fund. The Galliard Retirement Income Fund invests in investment contracts with a financial institution. The investment contract seeks safety of principal and consistency of returns while attempting to maintain minimal volatility, but cannot guarantee that they will be able to do so. The Fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There are no unfunded commitments and the redemption frequency is daily. There are certain withdrawal restrictions at the Plan Sponsor level.

NOTE E--RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company the trustee and contract administrator of the Plan, therefore, related transactions qualify as exempt party-in-interest transactions. Fees paid to Fidelity Management Trust Company by the Plan were \$36,032 for the year ended December 31, 2021.

NOTE F--TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the plan sponsor by a letter dated June 2020 that the Plan and related trust, are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the Determination Letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE G--PLAN TERMINATION

While the Company has not expressed an intent to terminate the Plan, it is free to do so at any time subject to the provisions of ERISA. The Company also reserves the right to amend the Plan as conditions may require. However, neither through amendment, nor by termination, may any part of the Plan assets ever be returned to the Company. All assets of the Plan must be used for the exclusive benefit of participants.

NOTE H--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I--INFORMATION PREPARED AND CERTIFIED BY PLAN'S TRUSTEE

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator has elected that information certified by the trustee has not been subjected to any auditing procedures except for comparing such information to the related information contained in the accompanying financial statements and supplemental schedule. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate at December 31:

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Mutual Funds	\$ 8,454,255	\$ 7,649,890
Common/Collective Trust	6,316	168
Notes receivable from participants	0	0
Investment income	1,266,659	

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE J--PARTIAL TERMINATION

During 2020, the Plan sponsor reviewed its workforce reductions and determined that a partial termination had occurred in the plan year. As a result, all participants affected were fully vested.

NOTE K--ADMINISTRATIVE ERRORS

The Plan sponsor discovered that certain employees had been incorrectly fully vested during a review of employees affected by the Plan's partial termination. The Plan sponsor is currently working with its trustee to determine the impact on the Plan and to restore any affected participant balances to their correct amount.
