Independent Auditors' Report

To the Trustees of the
Donald B. Rice Tire, Co., Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Donald B. Rice Tire, Co., Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Donald B. Rice Tire, Co., Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Ascensus, Inc., as agent for Ascensus Trust Company, as of December 31, 2021 and for the period from March 1, 2021 to December 31, 2021, and Branch Banking and Trust Company as of December 31, 2020 and for the period from January 1, 2021 to February 28, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Donald B. Rice Tire, Co., Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Donald B. Rice Tire, Co., Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of

internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Donald B. Rice Tire, Co., Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Donald B. Rice Tire, Co., Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified

investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

(1) Description of plan

The following description of the Donald B. Rice Tire Co., Inc. (the Sponsor) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General: The Plan became effective January 1, 1989. It is a defined contribution plan covering all employees of the Sponsor who are eligible to participate based on the eligibility requirements listed below.

The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Eligibility: Employees of the Sponsor age 21 or older are eligible to participate in the Plan after completing 1 year of service.

Contributions: Each year, participants may contribute up to 100% of annual compensation, as defined by the Plan or the maximum allowed by law, on a pre-tax or after tax basis. For the year ended December 31, 2021, a participant may elect to defer a maximum of \$19,500. Additionally, participants who have attained age 50 by the end of the Plan year may make additional catch-up contributions, in excess of standard limits. Such additional contributions were limited to \$6,500 for the year ended December 31, 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of all amounts allocated to their separate accounts into various investment options offered by the Plan.

The Sponsor may make discretionary matching contribution equal to 50% of the first 3% of a participant's contributed amount not to exceed 1.5% of the participant's compensation. For the year ended December 31, 2021, the Company made discretionary matching contributions to the plan of \$201,206.

In addition, the Sponsor may also contribute a discretionary profit sharing contribution. Discretionary profit sharing contributions are allocated based on a ratio of each participant's compensation to the total compensation of all eligible participants for a specific plan year. For the year ended December 31, 2021, the Sponsor did not make a profit sharing contribution.

Contributions are subject to certain limitations.

Notes to Financial Statements

(1) Description of plan (continued)

Participant accounts: Each participant's account is credited with the participant's contributions, the Sponsor's matching contributions and an allocation of (a) the Sponsor's discretionary profit sharing contribution, if any, and (b) Plan earnings/losses, and may be charged with an allocation of administrative expenses for certain transactions. Allocations are based on participant earnings, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their elective and rollover contributions contributions, plus actual earnings thereon. Vesting in all other contributions is based on years of continuous service. A participant is 100% vested after 4 years of credited service as follows:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
After 2 years	50%
After 3 years	75%
After 4 years	100%

Participants become automatically fully vested when they reach normal retirement age while employed, meet the age and service requirement(s) for early retirement, or terminate employment due to total disability or death.

Notes receivable from participants: Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions. Interest rates on outstanding loans range from 4.25% to 6.50% as of December 31, 2021.

Payment of benefits: On termination of service, a participant will receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account if the balance is equal to or less than \$5,000. The participant may have all or any portion of the distribution paid in a direct rollover to an IRA or another employer plan. Participants who fail to direct the administrator of their election will have their account balance automatically transferred to an IRA account. If the amount exceeds \$5,000, a participant

(1) Description of plan (continued)

Payment of benefits (continued): may elect to leave their funds in the Plan, or to receive installment payments based on their life expectancy. Hardship distributions are permitted if certain requirements are met. In-service withdrawals are also permitted for participants who have reached age 59½. Cash distributions are generally subject to federal and state income tax withholdings.

Forfeited accounts: Non-vested employer contributions from withdrawing participants can be used to pay plan expenses or to reduce any nonelective or matching contributions. During 2021, \$2,869 in forfeitures were used to pay plan expenses. As of December 31, 2021 and 2020, forfeited accounts totaled \$85 and \$220, respectively.

Coronavirus Aid, Relief, and Economic Security (CARES) Act: During 2020, the Plan signed a letter of intent to amend the Plan for the optional relief items permitted by the CARES Act. Participants who self-certify that they have been impacted by COVID-19 may:

- Withdraw up to \$100,000 from their vested account balance before December 31, 2020. Some relief of taxes and penalties provided to participants,
- Borrow from their accounts up to the lesser of \$100,000 or 100% of their vested account balance during the period March 27, 2020 through September 23, 2020.
- Delay loan repayments due from March 27, 2020 through December 31, 2020 for one year.

Required minimum distributions (RMDs) for the 2020 calendar year were waived.

(2) Summary of significant accounting policies

Basis of accounting: The accompanying financial statements of the Plan are presented on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 6 for discussion of fair value measurements.

Notes to Financial Statements

(2) Summary of significant accounting policies (continued)

Investment valuation and income recognition (continued): Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. No accrued interest or dividends existed as of December 31, 2021 and 2020. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Participant contributions and employer matching contributions are recognized on the pay date to which they relate. Employer discretionary profit sharing contributions are recognized in the year designated by the Sponsor.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

The Plan has not identified any delinquent loans at December 31, 2021 and 2020.

Funding policy: Contributions are funded as accrued.

Administrative expenses: Investment expenses, loan fees associated with notes receivable from participants and other administrative and recordkeeping fees may be paid for by the Plan. Administrative expenses of the Plan can also be paid by the Sponsor, as provided in the Plan document. Certain accounting and administrative functions of the Plan are performed by employees of the Sponsor at no cost to the Plan. Administrative expenses paid by the Plan totaled \$69,009 for the year ended December 31, 2021. Investment related expenses are included in net appreciation in fair value of investments.

Payment of benefits: Benefit payments to participants are recorded when paid.

(3) Information prepared and certified by the Plan's Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Branch Banking and Trust Company (BB&T), the trustee, for the period December 31, 2020 to February 28, 2021 and Ascensus, Inc., as agent for Ascensus Trust Company, the trustee for the period March 1, 2021 to December 31, 2021 has certified as to the completeness and accuracy of all investments reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020, the Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

(3) Information prepared and certified by the Plan's Trustee (continued)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

	As of December 31:	
	<u>2021</u>	<u>2020</u>
Investments in registered investment companies (mutual funds)	\$ 5,364,892	\$ 9,066,366
Investment in common collective trusts	6,861,049	1,107,011
Notes receivable from participants	<u>118,071</u>	<u>-</u>
Total	<u>\$ 12,344,012</u>	<u>\$ 10,173,377</u>

For the year ended December 31, 2021

Income from appreciation in fair value of investments	\$ 1,394,260
Income from interest and dividends	\$ 70,131

(4) Risks and uncertainties

The Plan provides for various investment options, which may include any combination of stocks, bonds, fixed income securities, mutual funds, common trust funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant's account balances and amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

(5) Party-in-interest transactions

Certain Plan investments are managed and recordkeeping services performed by BB&T and Ascensus, the trustees of the Plan. Due to this relationship, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for these services amounted to \$42,946 for the year ended December 31, 2021. The Plan also paid advisory fees to NextCapital Group, Inc., which qualify as party-in-interest transactions, totaling \$26,063 for the year ended December 31, 2021.

(6) Fair value measurements

FASB Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB Accounting Standards Codification 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered investment companies (mutual funds): Valued at the net asset value of shares held by the plan at year end. The mutual funds held by the Plan are mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Donald B. Rice Tire Co., Inc. 401(k) Plan
Notes to Financial Statements

(6) Fair value measurements (continued)

Collective Investment Trusts: The fair value is based on the net asset value (NAV) of participation units. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investments for an amount different than the NAV. Participant transactions (purchases and sales) may occur daily. The fund provides for daily redemptions by the Plan with no advance notice requirements and has redemption prices that are determined by the fund's net asset value per unit. If the Plan initiates a full redemption, the issuer reserves the right to require twelve months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments at December 31, 2021 and 2020.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021:

	NAV-Based		
	<u>Level 1</u>	<u>Assets</u>	<u>Total</u>
Mutual Funds	\$ 5,364,892	\$ -	\$ 5,364,892
Total investments in the fair value hierarchy	\$ 5,364,892	\$ -	\$ 5,364,892
Investments measured at NAV (a)	-	6,861,049	6,861,049
Total Investments at Fair Value	<u>\$ 5,364,892</u>	<u>\$ 6,861,049</u>	<u>\$ 12,225,941</u>

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2020:

	NAV-Based		
	<u>Level 1</u>	<u>Assets</u>	<u>Total</u>
Mutual Funds	\$ 9,066,366	\$ -	\$ 9,066,366
Total investments in the fair value hierarchy	\$ 9,066,366	-	\$ 9,066,366
Investments measured at NAV (a)	-	\$ 1,107,011	\$ 1,107,011

Donald B. Rice Tire Co., Inc. 401(k) Plan
Notes to Financial Statements

(6) Fair value measurements (continued)

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient are not classified in the fair value hierarchy. The fair value amounts presented in this table for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value presented in the Statements of Net Assets Available for Benefits.

(7) Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

(8) Tax status

Effective March 01, 2021, the plan adopted a non-standardized form of a prototype plan sponsored by a third party administrator. The prototype plan received its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designated, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

Generally accepted accounting principles (GAAP) requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has an uncertain tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan administrator has evaluated the Plan's tax positions and has concluded that there are no uncertain positions taken or expected to be taken that would require adjustments to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by federal, state, or local authorities for years before 2018.

(9) Subsequent events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 6, 2022 the date the financial statements were available to be issued. There were no subsequent events that required recording or disclosure in these financial statements.
