INDEPENDENT AUDITOR'S REPORT

To the Trustees

Lanco International, Inc. and Subsidiaries
Employees' 401(k) Retirement Savings Plan
Hazel Crest, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Lanco International, Inc. and Subsidiaries Employees' 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles in accordance with the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Lanco International, Inc. and Subsidiaries Employees' 401(k) Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for the Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any audit procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LANCO INTERNATIONAL, INC. AND SUBSIDIARIES
EMPLOYEES' 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Lanco International, Inc. and Subsidiaries (“Company”) Employees' 401(k) Retirement Savings Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible full-time employees of the Company who have 30 days of service and are age nineteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute up to the amount allowed by the Internal Revenue Service, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company matches 50% of the first 3% of before tax participant contributions up to \$1,000. Additional amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations.

Effective January 1, 2014, the plan adopted an agreement to make a fixed employer contribution on behalf of eligible participants equal to 4% of compensation. All employees hired prior to January 1, 2014, are excluded from the 4% fixed employer contribution except employees of Greenfield Products, L.L.C., Howell Tractor and Equipment, L.L.C, Black Tie Products L.L.C. and Broderson Manufacturing Corporation.

Effective August 1, 2020, all employees including those employees hired prior to January 1, 2014, are eligible for the fixed employer contribution.

Rollover Contributions

The Plan received a large rollover of contributions when the Lanco International, Inc. and Subsidiaries Employees' Pension Plan terminated effective August 16, 2021. The Pension Plan allowed its participants to receive either a lump sum distribution, including a direct rollover to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's employer contribution (if any), (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's employer contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan (Continued)

Forfeitures

If the participant leaves the Company for any reason, other than retirement, disability, or death, the nonvested portion of the Company's contributions and earnings will be forfeited. The nonvested money will be forfeited either a) immediately if the vested money is paid to the participant, or b) after five years if the vested money is left in the participant's account. If the participant is reemployed within five years, the forfeited money will be restored to the account at the end of the Plan year. Forfeitures may be used to pay administrative expenses or reduce employer contributions. Forfeitures were used during the years ending December 31, 2021 and 2020 in the amounts of \$747,453 and \$216,076 to pay administrative expenses and reduce employer contributions, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at the prime lending rate plus 2%. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments or in the form of an annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the modified cash basis of accounting. Contributions from employees and employer and the related assets are recognized when received rather than when earned, and administrative expenses are recognized when paid rather than when the obligation is incurred. The Plan has elected to account for its investment valuation recognition using the same accounting principles and standards as generally accepted accounting principles in the United States of America.

Investment Valuation and Investment Income Recognition

Investments (except for the fully benefit-responsive investment contract, which is reported at contract value) are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net appreciation (depreciation) in fair value of investments includes the plan's gains and losses on investments bought and sold as well as held during the year.

LANCO INTERNATIONAL, INC. AND SUBSIDIARIES
EMPLOYEES' 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2 – Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payments of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Fees related to the administration of notes receivable that are not paid directly by the participant, are deducted from the participant's account. Certain investment related expenses are included in net appreciation of fair value of investments.

Date of Management's Review

Subsequent events were evaluated through October 6, 2022, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The Plan's investments (except for the fully benefit-responsive investment contract) are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial Accounting Standards Board Accounting Standards Codification 820, Fair Value Measurements and Disclosures, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

LANCO INTERNATIONAL, INC. AND SUBSIDIARIES
EMPLOYEES' 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 3 – Fair Value Measurements (Continued)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Units of Pooled Separate Accounts – Primarily valued at the net asset value (NAV) per unit of the pooled separate account. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments comprising of pooled separate accounts. This practical expedient is not used when it is determined to be probable that the fund will sell for an amount different than the reported NAV.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table presents the fair value of investments.

	Fair Value	Fair Value Measurements at Reporting Date Using:
	Fair Value	Level 1

NOTES TO FINANCIAL STATEMENTS

Note 3 – Fair Value Measurements (Continued)

In accordance with Accounting Standard Update 2015-07, Fair Value Measurement (Topic 820): *Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)*, investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the statements of the net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share (or its equivalent) as of December 31, 2021 and 2020:

Investment	2021	2020	Unfunded Commitment	Plan's Redemption Policy	Plan's Redemption Notice Period
Units of pooled separate accounts	<u>\$77,434,230</u>	<u>\$59,870,713</u>	\$ -	Daily	Immediate

Note 4 – Guaranteed Investment Contract with Insurance Company

Plan assets include a fully benefit-responsive guaranteed investment contract with Massachusetts Mutual Life Insurance Company (MassMutual). MassMutual maintains the contributions in a general account of the insurance company. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield were approximately 2.66% and 2.94% for the years ended December 31, 2021 and 2020, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 3% of the participant's contract value. Such interest rates are reviewed on an annual basis for resetting.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

Note 5 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan's termination, participants will become 100% vested in their employer contributions.

Note 6 – Information Prepared and Certified by Trustee

The following is a summary of the Plan's asset and income information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by Great-West Life and Annuity Insurance Company and Great-West Trust Company, LLC (the custodians) and furnished to the plan administrator. The plan administrator has obtained certifications from the custodians that the information provided to the plan administrator by the custodians related to the following assets and income is complete and accurate:

	<u>2021</u>	<u>2020</u>
Investments, at fair value		
Mutual funds	\$ 8,910,267	\$ 3,784,760
Investments, at contract value		
Units of pooled separate accounts	77,434,230	59,870,713
Guaranteed interest account	27,042,358	24,319,866
Notes receivable from participants	1,452,978	1,583,592

The custodians also certified the completeness and accuracy of \$11,709,860 of net appreciation in fair value of investments, \$89,185 of interest income on notes receivable from participants, and \$277,669 of interest and dividends related to the aforementioned assets for the year ended December 31, 2021.

On December 31, 2020, Empower Retirement (Empower) acquired the retirement business of MassMutual. Following an initial transition period Empower will become the sole administrator of this business. Through this transaction, business written by MassMutual is reinsured by Great-West Life & Annuity Insurance Company (GWLA) and in New York by Great-West Life & Annuity Insurance Company of New York, affiliates of Empower. Consequently, certain information included in MassMutual's certification was provided by GWLA on MassMutual's behalf and pursuant to a Power of Attorney granted to GWLA by MassMutual.

Note 7 – Party-In-Interest Transactions

Certain plan investments are managed by Great-West Life and Annuity Insurance Company and Great-West Trust Company, LLC. Great-West Life and Annuity Insurance Company and Great-West Trust Company, LLC are the custodians of the Plan. These transactions qualify as party-in-interest transactions but are exempt from the prohibited transaction rules of ERISA.

The Plan issues loans to participants, which are secured by the vested balance in the participant's accounts and certain administrative expenses related to the Plan were paid by the Company. These transactions qualify as party-in-interest transactions. Employees of the Company provide administrative services to the Plan for which no fees are charged.

Note 8 – Income Tax Status

The Plan has adopted a standardized form of a Volume Submitter ("Volume Submitter") Profit Sharing Plan with CODA sponsored by the trustee and adopted by the Company. The Volume Submitter Plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Volume Submitter plan, as then designated, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not requested its own determination letter. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Note 8 – Income Tax Status (Continued)

The plan administrator evaluated tax positions taken by the Plan and determined no tax liability was necessary for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits (modified cash basis) and individual participant account balances.

On January 30, 2020, the World Health Organization (WHO) declared the novel coronavirus outbreak (COVID-19) a public health emergency. In March 2020, the WHO classified the outbreak as a pandemic based on the rapid increase in exposure globally. The full impact of the outbreak continues to evolve as of the date of this report. Due to the dynamic nature of these unprecedented circumstances and possible business disruption, Plan management will continue to monitor the situation closely.
