Independent Auditor's Report

Plan Administrator and Participants
Sight & Sound Ministries, Inc. Retirement Savings Plan
Lancaster, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed audit of the financial statements of Sight & Sound Ministries, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statement comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of, and for the year then ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Sight & Sound Ministries, Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Sight & Sound Ministries, Inc. Retirement Savings Plan's ability to continue as a going concern for one year from issuance.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the of Sight & Sound Ministries, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies:

The following description of the Sight & Sound Ministries, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

During 2021 and 2020, the 2019 novel (COVID-19) pandemic sparked a global health and economic crisis. The impact resulting from the COVID-19 pandemic on the Plan is uncertain and will depend on future developments. In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law in March 2020. The CARES Act contains several provisions that temporarily impact retirement savings plans.

In March 2021, the Plan entered into a trust and recordkeeping agreement with Ascensus. As a result of the change in service providers, the Plan adopted the Ascensus Defined Contribution Basic Plan Document 01 effective May 1, 2021. The new Plan adoption agreement includes all the provisions of the Bipartisan Budget Act of 2018. There were no other changes to Plan provisions.

General:

The Plan is a defined contribution plan covering all employees of Sight & Sound Ministries, Inc. (the Employer). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Under the Plan, for purposes of elective deferral contributions, an employee must be 18 years of age or older and obtained two months of service to participate.

Eligible employees are automatically enrolled in the Plan at a salary deferral rate of 3% unless the employee makes a contrary election. The automatic deferral percentage will increase by 1% at the beginning of the Plan year, until the amount withheld reaches 10% of compensation.

For purposes of employer matching contributions, an employee must be 18 years of age or older and have completed one year of eligibility service. An employee will become eligible for employer matching contributions on the first day of the month following the completion of the eligibility service period.

Contributions:

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified retirement plans. The Employer makes a contribution equal to 50% of the first 6% of compensation that a participant contributes to the Plan. Additional profit sharing amounts may be contributed at the option of the Employer's board of directors. There was no profit sharing contribution for 2021. Contributions are subject to certain limitations.

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies (continued):

Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of the Employer's contribution and Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of service. A year of vesting service is a period in which a participant has at least 1,000 hours of service:

<u>Years of service</u>	<u>Vesting percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1% and provide periodic repayment over a period of time, not to exceed five years, unless it is for the purchase of a principal residence, in which case it may be repaid over a period of time not to exceed 30 years. Principal and interest are paid ratably through bi-weekly payroll deductions.

Participant loans are stated at the unpaid principal balance, plus unpaid accrued interest. The Plan classifies all participant loans with no payments received for six months as in default. Defaulted loans are deemed distributed and recorded as benefits paid to participants in the statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies (continued):

Payment of benefits:

Upon termination of service, death, disability or retirement, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. Additionally, the Plan allows for in-service withdrawals where a participant may elect to receive an amount equal to his or her deferral amount; and under certain circumstance of financial hardship, the participant is allowed to withdraw funds from the Plan. Account balances that are under \$1,000 may be automatically paid out at the discretion of the Employer.

Forfeitures:

If a participant leaves the Employer before becoming fully vested, the Employer may allocate the non-vested portion of the participant's account balance to reduce Plan expenses or to reduce Employer matching contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$3,199 and \$2, respectively. During the year ended December 31, 2021, \$12,202 was used to reduce Employer matching contributions or pay Plan expenses.

Basis of accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition:

Mutual fund valuations are based on quoted market prices which are available on the active market.

The Plan invests in The Federated Capital Preservation Fund and The Resources Collective Investment Trusts (which includes the Resources Diversified Equity, Fixed Income and Risk Mitigation investments), both common collective trusts, which are composed primarily of fully benefit-responsive investment contracts, that are valued at the net asset value (NAV) of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the investment in the Federated Capital Preservation Fund collective trust, the issuer of the Fund reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no restrictions on redemptions of the Resources Collective Investment Trusts.

SIGHT & SOUND MINISTRIES, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies (continued):

Investment valuation and income recognition:

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits:

Benefit payments to participants are recorded when paid.

Administrative expenses:

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits. The Employer pays those expenses that are not paid by the Plan. The fees paid by the Plan totaled \$109,257 for the year ended December 31, 2021.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2. Certification of Plan assets and transactions:

The Plan's investments are held by Ascensus Trust Company (Ascensus), the trustee of the Plan as of December 31, 2021. Assets were moved to Ascensus on March 1, 2021 from Branch Banking and Trust Company (BB&T), as Ascensus completed an acquisition of the recordkeeping retirement services of BB&T. Investment information disclosed in the accompanying financial statements and schedule of assets held at end of year, specifically investments held at December 31, 2021 and 2020, net appreciation of fair value of investments, interest, dividends and other income for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate for January 1, 2021 through February 28, 2021 by BB&T and for March 1, 2021 through December 31, 2021 by Ascensus.

SIGHT & SOUND MINISTRIES, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

3. Fair value measurements:

The Plan ranks investments required to be reported at fair value in a three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation. Inputs may be observable or unobservable and refer broadly to the assumptions that market participants would use in pricing the asset. Observable inputs reflect the assumptions market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset developed based on the best information available in the circumstances. The three levels of the fair value hierarchy are described below:

Level 1 – Quoted prices in active markets for identical investment.

Level 2 – Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.). The Plan does not hold any Level 2 investments.

Level 3 – Significant unobservable inputs (including the Plan's own assumptions in determining the fair value of investments). The Plan does not hold any Level 3 investments.

See Note 1 for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

SIGHT & SOUND MINISTRIES, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

3. Fair value measurements (continued):

The fair values of assets measured on a recurring basis and required to be reported in the fair value measurement hierarchy at December 31, 2021 and 2020 were as follows:

		Fair value measurements using Level 1
2021	Fair value	
Mutual funds	\$ 8,182,780	<u>\$ 8,182,780</u>
Investments measured at net asset value, common collective trusts	(a) <u>12,174,676</u>	
Total	<u>\$ 20,357,456</u>	
2020		
Mutual funds	\$ 15,983,342	<u>\$ 15,983,342</u>
Investments measured at net asset value, common collective trusts	(a) <u>1,148,205</u>	
Total	<u>\$ 17,131,547</u>	

(a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefit.

Fair value measurements of certain investments that calculate NAV per share as of December 31, 2021 and 2020 were as follows:

Category	2021 Fair value	2020 Fair value	Unfunded commitments	Redemption term	Redemption value
Common collective trust	\$ 12,174,676	\$ 1,148,205	N/A	Immediate	NAV*

* As of the measurement date.

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

4. Plan termination:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA.

In the event the Plan is terminated, all amounts credited to participants' accounts will become 100% vested. The Company will direct that either the benefits be distributed to participants, or the trust created by the Plan be continued and benefits be distributed to participants and beneficiaries as if the Plan had not been terminated.

5. Income tax status:

The Internal Revenue Service (IRS) determined and informed Ascensus in a letter dated June 30, 2020, that the defined contribution prototype plan from which the Plan was adopted is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the determination letter was received; however, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

6. Concentrations:

One investment accounted for approximately 47% of investments at December 31, 2021. One investment accounted for approximately 20% of investments at December 31, 2020.

7. Related party and party-in-interest transactions:

Transactions with BB&T and Ascensus (the trustees) qualify as party-in-interest transactions. Fees paid by the Plan for investment advisory services and administrative expenses are paid out of Plan assets.

8. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Subsequent events:

The Plan has evaluated subsequent events through September 29, 2022, the date which the financial statements were available to be issued.
