INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of
Tigerpoly Manufacturing, Inc. Associates' Retirement Plan
Grove City, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Tigerpoly Manufacturing, Inc. Associates' Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audit"). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"); and
- the investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the investment information in the supplemental schedule agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated September 23, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

TIGERPOLY MANUFACTURING, INC. **ASSOCIATES' RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS **AS OF DECEMBER 31, 2021 AND 2020** **AND FOR THE YEAR ENDED DECEMBER 31, 2021**

1. DESCRIPTION OF PLAN

The following description of the Tigerpoly Manufacturing, Inc. (the "Company") Associates' Retirement Plan (the "Plan") provides general information only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all full-time employees of the Company who are age 18 or older and have 90 days of service with the Company. Employees not eligible for the Plan include the following: employees in a unit covered by a collective bargaining agreement where the agreement does not provide for participation in the Plan, nonresident aliens, employees of an affiliate, leased employees and temporary employees transferred from Tigers Polymer Corporation, the Company's parent company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Employees who become eligible to participate in the Plan will be enrolled in the Plan automatically with a contribution of 2% of compensation which increases by 1% per year up to 4%, unless the eligible participant elects otherwise.

Contributions – Participants may make contributions up to limitations established by the Internal Revenue Code (the "IRC"). The Company matches 50% of the amount contributed by each participant up to 2% of the participant's eligible compensation. Eligible compensation excludes bonuses, group life insurance, cellphone stipend, and vacation payouts. In addition, the Company may contribute profit sharing discretionary amount to the Plan. There were no employer contributions for profit sharing in 2021.

Participants Accounts – Each participant account is credited with the participant's contributions and company matching contributions, as well as allocations of plan earnings. Allocations of earnings are determined by using a weighted-average method computed on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately fully vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account is based on the number of years of service according to the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Coronavirus Aid, Relief, and Economic Security ("CARES") Act – On March 27, 2020, the CARES Act was signed into law. The CARES Act allows retirement plans to provide participants who are impacted by the coronavirus with greater access to their savings in the form of notes receivable and distributions. As permitted by the CARES Act, the Plan opted in to adopt the CARES Act. See Payment of Benefits for more detail for the provisions of the CARES Act.

1. DESCRIPTION OF PLAN (CONTINUED)

Participant Loans – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably, not less frequently than quarterly, through payroll deductions, with a term generally not to exceed five years.

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant or his or her beneficiary may receive a lump-sum amount or monthly, quarterly, semi-annual cash installments equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. As permitted by the CARES Act, the Plan allows eligible plan participants, for qualifying reasons associated with the COVID-19 pandemic, to request penalty-free distributions of up to \$100,000 before December 31, 2020 and permits a waiver on required minimum distributions in 2020.

Forfeited Accounts – Forfeited balances of terminated participants' nonvested accounts are used to reduce future employer contributions. No forfeitures were used to reduce employer matching contribution during the year ended December 31, 2021. Forfeitures available at December 31, 2021 and 2020 were \$54,076 and \$31,128, respectively.

Administrative Expenses – The Company pays administrative expenses and investment costs of the Plan and fees and retainers of PNC Financial Services Group, Inc. (the "Trustee"), the Plan's trustee, the Plan's auditors, legal counsel, consultants and other specialists at its discretion. Should the Company elect not to pay such expenses, the Trustee will pay these expenses from the Plan assets.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

As described in authoritative guidance, investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Also see Note 6.

Investment Valuation and Income Recognition – The Plan's interest in registered investment companies is stated at fair value based on quoted market prices as of the last business day of the year. The Plan's investment in stable value fund is stated at net asset value ("NAV") as a practical expedient, as determined by the issuer of the account based on the fair value of the underlying investments. Dividends are recognized on the ex-dividend date, and interest is recognized on the accrual basis. Purchases and sales of securities are reflected on a trade date basis.

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Participant Loans – Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Accrued Expenses – Accrued expenses are expenses incurred but have not been paid as of December 31, 2021 and 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits – Benefits paid to participants are recorded when paid. There was no balance allocated to accounts of individuals who had elected to withdraw from the Plan, but had not been paid as of December 31, 2021 and 2020.

Use of Estimates – The preparation of the Plan’s financial statements in conformity with U.S. GAAP requires the plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements, the changes in net assets available for benefits during the reporting period and, when applicable, the disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties – The Plan provides for various investment options in any combination of stocks, bonds, fixed income securities, mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Subsequent Events – The Plan has evaluated subsequent events from the date of the statement of net assets available for benefits through October 7, 2022, the date the financial statements were available to be issued.

3. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

4. TAX STATUS

The Internal Revenue Service (the “IRS”) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain positions that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

5. INFORMATION CERTIFIED BY THE TRUSTEE

The following is a summary of the unaudited information included in the Plan's financial statements and supplemental schedules that were prepared by the Trustee for 2021 and 2020 and furnished to the plan administrator. The plan administrator has obtained certifications from the Trustee that such information is complete and accurate.

	2021	2020
Investments at fair value	\$ 10,593,694	\$ 9,113,831
Participant loans	323,573	313,488
Dividend and other investment income	1,002,500	
Net appreciation in fair value of investments	181,943	

6. INVESTMENT CONTRACTS

The T. Rowe Price Stable Fund ("TRPSVF") is a collective trust fund administered by PNC Bank, and fully benefit responsive. TRPSVF is stated at contract value as reported to the Plan by the Trustee.

The repayment of principal and interest credited to the participants in the Plan is a final obligation of PNC Bank. However, if an event should ever occur such that realization of full contract value for a particular investment contract is no longer probable, TRPSVF will no longer be considered fully benefit-responsive. The occurrence of an event that limits the Plan's ability to transact at contract value with the participants is not probable.

Interest rates are reset quarterly. As TRPSVF has no stated maturity, the fair value is the amount payable on demand at the reporting date. Therefore, the contract value is also the fair value. The Plan's investment in TRPSVF is stated at NAV as a practical expedient, as determined by the issuer of the account based on the fair value of the underlying investments.

In TRPSVF, all deposits are credited with the same interest rate. The average interest rate in 2021 was 1.74%.

7. FAIR VALUE MEASUREMENTS

The following provides a description of the three levels of inputs that are used to measure fair value under the accounting guidance, the types of plan investments that fall under each category, and the valuation methodologies used to measure these investments at fair value.

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical assets that the Plan has the ability to access at the measurement date.

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are observable for valuing the asset or liability, either directly or indirectly. Observable inputs include quoted market prices in active markets for similar assets, quoted prices in markets that are not active for identical or similar assets and other market observable inputs such as interest rate, credit spread and foreign currency exchange rates observable in the marketplace or derived from market transactions. Level 2 assets primarily include fixed maturity securities (including public and private bonds), equity securities, over-the-counter derivatives and other investments. These fair values are generally obtained from third party pricing services or determined through the use of valuation models or methodologies, including matrix pricing, using substantially all observable inputs. Prices are valued through an investment analyst review process including direct interaction with external sources, recent trade activity or through the use of internal models.

7. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement. Unobservable inputs are those that reflect the Plan’s own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances.

Level 3 assets include certain fixed maturity securities, private equity securities, and complex derivatives.

TRPSVF – TRPSVF has been estimated using NAV at the fair value of the fund each business day by dividing total assets less liabilities by the number of outstanding units.

Interest in Registered Investment Companies – The interest in registered investment companies are stated at fair value as reported to the Plan by PNC, based on the quoted market prices of the underlying mutual funds. The interest in registered investment companies that are measured using quoted prices in active markets for identical assets are considered as Level 1.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value, on a recurring basis, as of December 31, 2021 and 2020:

Investment Category	As of December 31, 2021			
	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs	Total Fair Value
Investments in registered investment companies	\$ 8,935,010	\$ -	\$ -	\$ 8,935,010

Investment Category	As of December 31, 2020			
	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs	Total Fair Value
Investments in registered investment companies	\$ 7,709,770	\$ -	\$ -	\$ 7,709,770

TRPSVF is measured at NAV per share and has not been classified in the fair value hierarchy. This valuation method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. A participant or plan sponsor is prohibited to sell participation interests in TRPSVF, either through redemption or exchange, from acquiring participation interests in TRPSVF for 100 days. The following tables show the relevant information regarding TRPSVF as of December 31, 2021 and 2020.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
TRPSVF	\$1,658,684	None	Daily	12 months

December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
TRPSVF	\$1,404,061	None	Daily	12 months

8. TRANSACTIONS WITH PARTIES-IN-INTEREST

All assets held by the Plan in 2021 were property of the Trustee, who provided investment in registered investment companies and managed guaranteed interest accounts. PNC was the trustee and service provider as defined by the Plan during 2021 and, therefore, these transactions qualify as party-in-interest transactions.

9. RECONCILIATION TO SCHEDULE H OF FORM 5500

As required by U.S. GAAP, the statements of net assets available for benefits recognizes receivables as of December 31, 2021. However, the Form 5500 does not recognize certain receivables and payables as of December 31, 2021 and 2020.

The following is a reconciliation of the Plan's net assets per the financial statements to the Plan's net assets per the Form 5500 as of December 31, 2021 and 2020:

2021:

Net assets available for benefits, per financial statements	\$ 10,949,538
Less: Contributions receivable	(46,343)
Add: Accrued expenses	14,072
Net assets available for benefits, per Form 5500	<u>\$ 10,917,267</u>

2020:

Net assets available for benefits, per financial statements	\$ 9,471,659
Less: Contributions receivable	(56,525)
Add: Accrued expenses	12,185
Net assets available for benefits, per Form 5500	<u>\$ 9,427,319</u>

The following is a reconciliation of the Plan's total contributions per the financial statements to the Plan's total contributions per the Form 5500 for the year ended December 31, 2021:

Total contributions, per financial statements	\$ 1,171,180
Add: Contributions receivable (2020)	56,525
Less: Contributions receivable (2021)	(46,343)
Total contributions, per Form 5500	<u>\$ 1,181,362</u>

The following is a reconciliation of the Plan's total administrative expenses per the financial statements to the Plan's total administrative expenses per the Form 5500 for the year ended December 31, 2021:

Administrative fees, per financial statements	\$ 58,106
Add: Accrued expenses (2020)	12,185
Less: Accrued expenses (2021)	(14,072)
Administrative fees, per Form 5500	<u>\$ 56,219</u>
