INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees,
403(b) Thrift Plan of Comprehensive Behavioral Healthcare, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the 403(b) Thrift Plan of Comprehensive Behavioral Healthcare, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits - modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits - modified cash basis for the year then ended, and the related notes to the financial statements - modified cash basis ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 8 to the financial statements, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. The modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("GAAP") require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, which is a comprehensive basis of accounting other than GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters - 2021 Supplementary Schedule Required by ERISA

The supplementary schedule H, part IV, line 4i - schedule of assets (held at end of year) - modified cash basis is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on this supplementary schedule.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Further, the Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

The Plan has excluded from the 2020 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the 2020 financial statements. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. The modified cash basis of accounting, which is a comprehensive basis of accounting other than GAAP require that these accounts and the related income and distributions be included in the 2020 financial statements.

In our report dated October 13, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees,
403(b) Thrift Plan of Comprehensive Behavioral Healthcare, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the 403(b) Thrift Plan of Comprehensive Behavioral Healthcare, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits - modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits - modified cash basis for the year then ended, and the related notes to the financial statements - modified cash basis ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 8 to the financial statements, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. The modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("GAAP") require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, which is a comprehensive basis of accounting other than GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters - 2021 Supplementary Schedule Required by ERISA

The supplementary schedule H, part IV, line 4i - schedule of assets (held at end of year) - modified cash basis is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on this supplementary schedule.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Further, the Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

The Plan has excluded from the 2020 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the 2020 financial statements. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. The modified cash basis of accounting, which is a comprehensive basis of accounting other than GAAP require that these accounts and the related income and distributions be included in the 2020 financial statements.

In our report dated October 13, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements.

1. DESCRIPTION OF THE PLAN

The following description of the 403(b) Thrift Plan of Comprehensive Behavioral Healthcare, Inc. (the "Plan") is provided for general informational purposes only. Participants should refer to the Plan agreement and document for more complete information.

General

The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code (the "Code"), and effective April 1, 2017, became subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") when the existing Tax Deferred Annuity Plan ("TDA") was amended to allow employer contributions. The Plan was established for the purpose of providing eligible employees of Comprehensive Behavioral Healthcare, Inc. (the "Company") and their beneficiaries funds for retirement.

Eligibility

Employees of the Company are eligible to participate in the Plan immediately following their date of hire. Upon completion of one year of service and 1,000 hours, employees are eligible for employer base contributions.

Participant Accounts

Each participant's account is credited with the applicable portion of the participant's contribution, employer base contributions and the proportionate share of dividends, interest and investment gains. The participant's account is reduced by withdrawals, losses on investments and administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Employee Contributions

Each year, eligible participants may make salary deferral contributions from 1% to 100% of eligible compensation, as defined by the Plan, subject to Internal Revenue Service ("IRS") limitations. Under the Plan, participants may make tax deferred contributions and Roth elective contributions and may contribute amounts representing distributions from other qualified plans. Any participant, age 50 or over, may make an additional "catch-up" contribution as determined by the IRS. In addition, employees may be eligible for a special catch-up contribution if they have completed fifteen years of service with the organization. The Plan has an auto-enrollment provision whereby all eligible participants are automatically enrolled in the Plan at a deferral rate equal to 1% of eligible compensation, unless the participant affirmatively elects not to participate in the Plan or selects a different deferral percentage. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant may suspend contributions or may increase or decrease its level of participation at any time.

Employer Contributions

Each month, the Company will make employer base contributions on behalf of the eligible participants equal to 7% of compensation received while a participant of the Plan. Participants direct the investment of the employer contributions into various investment options offered by the Plan.

Vesting

Participants are immediately vested in their employee and rollover contributions plus actual earnings thereon and, upon attainment of normal retirement age of 65, death or disability, are 100% vested in employer base contributions. Employees become vested in their employer base contributions in accordance with the following schedule:

Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow, from their accounts, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Notes receivable from participants, which are secured by the participants' vested account balances, bear interest at a rate between 2.85% to 4.00% based on rates available for similar notes receivable from participants in the Plan's geographic locale and are repaid through payroll withholding deductions or directly by the participants on a quarterly basis. Notes receivable from participants have various repayment terms limited to 60 months, except in limited circumstances such as for the purchase of a primary residence.

Section 2202 of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), enacted on March 27, 2020, expands permissible loans from certain retirement plans. If a loan is outstanding on or after March 27, 2020, and any repayment on the loan is due from March 27, 2020 to December 31, 2020, that due date may be delayed under the plan for up to one year. Payments after the suspension period will begin on a new schedule. The CARES Act also permits employers to increase the maximum loan amount available to qualified individuals. For plan loans made to a qualified individual from March 27, 2020 to September 22, 2020, the limit may be increased up to the lesser of: (1) \$100,000 (minus outstanding plan loans of the individual), or (2) the individual's vested benefit under the plan. The Plan adopted these provisions of the CARES Act but has yet to formally amend the Plan.

Forfeited Accounts

Forfeited nonvested employer base contributions are available to offset administrative expenses and future employer contributions. Forfeited nonvested accounts to offset future discretionary employer contributions totaled approximately \$6,900 at December 31, 2021. There were no forfeited nonvested accounts to offset future discretionary employer contributions at December 31, 2020. During the Plan year ended December 31, 2021, \$55,412 was used to offset employer contributions.

Pension and Death Benefits

Subject to the vesting rules, employees are entitled to pension benefits beginning at the normal retirement age of 65. However, an employee could elect to retire at age 55 and receive a retirement benefit or delay such payments until April 1 of the calendar year following the year in which the employee attains age 70½. The benefits payable are based on the vested portion of amounts contributed by and for the employee plus earnings on such funds. Employees could elect to receive their benefits under several payment options including life annuity, 10 or 15 year certain and continuous, joint and survivor annuities, full cash refund annuity and lump-sum distribution. The Plan also provides for death benefits, payable to the employee's designated beneficiary should the employee die before retirement.

Participants may also take in-service withdrawals. Hardship withdrawals are permitted from the salary reduction contributions and vested employer contributions account.

December 31, 2021 and 2020

Section 2202 of the CARES Act, enacted on March 27, 2020, provides for special distribution options and rollover rules for retirement plans. A coronavirus-related distribution is a distribution that is made from an eligible retirement plan to a qualified individual from January 1, 2020 to December 30, 2020, up to an aggregate limit of \$100,000 from all plans and individual retirement accounts. The distributions are included as taxable income prorated over a three-year period, beginning in the year of distribution. The 10% additional tax on early distribution does apply to any coronavirus-related distributions. The Plan adopted these provisions of the CARES Act but has yet to formally amend the Plan.

Administrative Fees

Certain administrative fees are charged against participant accounts by the Plan trustee on a monthly basis for services provided. All other significant administrative costs of the Plan are absorbed by the Company. In addition, certain investment related expenses have been reflected as an offset of net investment income and are not readily determinable.

Investment Options

Participants may transfer money from one investment alternative to another or change the allocation of future contributions by contacting the Plan's trustee Mutual of America Life Insurance Company (the "Trustee").

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting, which is another comprehensive basis of accounting as contrasted to financial statements prepared in accordance with accounting principles generally accepted in the United States of America. Under the modified cash basis of accounting, contributions and the related assets (including employer and employee contributions) and interest income are recognized when received rather than when earned. Expenses and related liabilities are recognized when paid rather than when they are incurred.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides participants with various investment options in pooled separate accounts and a general account. All investment securities are exposed to some type of risk, including, but not limited to, exposure to changes in interest rates, market fluctuations, economic conditions and currency devaluation. Due to the level of risk associated with certain investment securities, it is possible that changes in near-term risk factors could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits - modified cash basis and the statement of changes in net assets available for benefits - modified cash basis.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note 3.

Purchases and sales of securities are recorded on the cash basis. Interest and dividends are recorded on the cash basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held throughout the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued and unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Principal and interest are paid ratably through payroll deductions on a biweekly basis or directly by participants on a quarterly basis.

Administrative Fees

The expenses necessary to administer the Plan, including, but not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary or an investment advisor are paid by the Company. All expenses except for account maintenance fees, transaction fees and investment fund management fees have been paid by the Company. Employees are charged service fees for any loan and distribution transactions they request.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's investment assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

December 31, 2021 and 2020

Pooled separate accounts

The investments held by pooled separate accounts consist solely of investments in mutual funds registered with the Securities and Exchange Commission and are carried at the net asset value ("NAV") of the shares held by the Plan at year-end, which is based on the unit prices quoted by the fund, representing the fair value of the underlying investments.

General account

The valuation for the investment contract is based upon the fair value of underlying assets which primarily consists of cash equivalents maintained in a general account by the Trustee. This investment is classified within Level 2 of the valuation hierarchy and is not considered to be fully benefit responsive. The contract is included in the statements of net assets available for benefits - modified cash basis at fair value as reported to the Plan by the Trustee. Amounts placed in the general account are credited with interest at a rate determined by the Trustee, from time to time, and it reserves the right to change the interest rates as applicable to amounts held in the general account at its discretion, but not below the minimum guaranteed interest rate.

The methods described above may have produced a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods were appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could have resulted in a different fair value measurement at the reporting date.

The following tables present by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31:

Investments, at fair value at 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
General account	\$ -	\$ 5,453,011	\$ -	\$ 5,453,011
Pooled separate accounts (a)				<u>17,314,815</u>
Total investments, at fair value				<u>\$ 22,767,826</u>

Investments, at fair value at 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
General account	\$ -	\$ 5,706,993	\$ -	\$ 5,706,993
Pooled separate accounts (a)				<u>14,516,304</u>
Total investments, at fair value				<u>\$ 20,223,297</u>

- (a) In accordance with Subtopic 820-10 of the fair value framework, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits - modified cash basis.

4. TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Code. The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Rev. Proc. 2007-71. The Plan administrator intends to apply for a determination letter on the Plan. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for the Plan participants under Section 403(b). The Plan administrator believes that the Plan is currently designed and operating in accordance with the applicable requirements of Section 403(b) of the Code and, therefore, believes the Plan is qualified and the related accounts are tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Prior to April 1, 2017, the Plan met all the requirements to qualify as exempt from ERISA rules and regulations and therefore was not required to and did not file Form 5500 for years 2016 and prior.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and disclose a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require disclosure of a liability in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

5. CERTIFICATION BY PLAN TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent auditor as permitted by ERISA Section 103(a)(3)(C) with respect to information certified as complete and accurate by the Trustee, except for comparing such information with the information reported in the financial statements. Based on information provided and certified by the Trustee, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2021 and 2020.

6. PLAN TERMINATION

The Company intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend or terminate the Plan at any time by resolution of its Board of Trustees. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and nonforfeitable. All participants shall receive a total distribution of their accounts as described in the Plan.

7. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in pooled separate accounts and a general account that are offered by the Trustee, as defined by the Plan, and therefore, these transactions qualify as party-in-interest. Notes receivable from participants are permitted party-in-interest transactions. For the year ended December 31, 2021, administrative fees charged by the Plan were \$2,310.

8. PRE-2009 INVESTMENT CONTRACTS

The financial statements do not present information regarding certain investments in annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. The Plan administrator has elected to exclude those contracts and accounts and related activity from the Plan's financial statements for the purposes of the annual reporting requirements of ERISA as permitted by DOL Field Assistance Bulletin 2009-02, *Annual Reporting Requirements for 403(b) Plans*. Presentation of this information is required by the modified cash basis of accounting. The effects of this departure from the modified cash basis of accounting on these financial statements are not reasonably determinable.

9. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 5, 2022, which is the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that no subsequent events have occurred which require adjustment to or recognition in the financial statements.
