INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Plan Participants
The Ross School Defined Contribution Retirement Plan
East Hampton, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Ross School Defined Contribution Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Plan Administrator and Plan Participants
The Ross School Defined Contribution Retirement Plan
East Hampton, New York

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at End of Year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditor's Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020 (the 2020 financial statements). As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the Plan's custodian. Our audit report, dated October 13, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the Plan's custodian were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

THE ROSS SCHOOL

DEFINED CONTRIBUTION RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN:

The following brief description of the Ross School Defined Contribution Retirement Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering substantially all employees of Ross School and Ross Institute (collectively, School or Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Participants may make elective deferral contributions up to the limits prescribed by law upon completion of one year of service, or with proof that he or she was a participant in a qualified deferred compensation plan maintained by an employer immediately prior to employment with the School and that, under such plan, contributions were made by the employer. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The School does not offer a matching contribution based on the employee contribution.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the School's contributions and (b) the Plan earnings. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. All amounts in participant accounts are participant-directed.

PLAN LOANS

Prior to January 1, 2021, plan loans were issued as separate contracts by TIAA and CREF as contemplated under Internal Revenue Code (IRC) section 72(p)(5) and do not represent plan assets. Loans are collateralized using a participant's TIAA Traditional account balance in an amount equal to 110% of the outstanding loan balance. Participants could borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 45% of his or her TIAA Traditional account balance subject to annuity contract and plan provisions. Loan terms range from one to five years in one-year increments (up to 10 years for the purchase of the participant's primary residence).

Principal and interest is paid ratably by the participant to TIAA and CREF and each payment will reduce amounts collateralized by the borrowing participant's TIAA Traditional account balance. The interest rate for outstanding loans ranged from 4.00% to 4.49% as of December 31, 2021 and 2020. Interest is paid directly to TIAA and CREF. Plan loan balances outstanding from participants to TIAA and CREF were \$87,586 and \$176,971 as of December 31, 2021 and 2020, respectively, are not considered assets of the Plan and, therefore, are not reported on the statements of net assets available for benefits.

THE ROSS SCHOOL DEFINED CONTRIBUTION RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN, continued:

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as transfers between the investment fund and notes receivable from participants. These loans are carried at the loan's unpaid principal balance plus accrued interest and are recorded as notes receivable from participants in the statements of net assets available for benefits. Participant loans as of December 31, 2021 and 2020, totaled \$19,179 and \$0, respectively.

VESTING

Participants are immediately vested in employee deferrals and related earnings. Upon completion of 1, 2, and 3 years of service, participants become vested 30%, 60%, and 100%, respectively, in employer contributions and related earnings. Participants who become permanently disabled while participating in this Plan become 100% vested in their entire account balance. A determination of disability will be made by the Plan administrator in a uniform, nondiscriminatory manner on the basis of medical evidence. In the event of death of a participant, the account shall become 100% vested.

FORFEITURES

Forfeited non-vested account balances are transferred to a forfeiture account to reduce future employer contributions. As of December 31, 2021 and 2020, the balance in the forfeiture account was \$71,060 and \$54,835, respectively. No forfeitures were used to reduce employer contributions during 2021 and 2020.

PAYMENT OF BENEFITS

Upon attaining age 59 ½, termination of employment, death, or disability, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in the form of a lump sum, direct rollover, partial payments, installment payments, or annuity contracts. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum amount.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

THE ROSS SCHOOL

DEFINED CONTRIBUTION RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. (See Note 3 for a discussion of fair value measurements.) Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Some fees paid for the administration of the Plan and for the activities of the investment advisor are charged to the participants and deducted from the participants' accounts. These fees are netted with investment income. All other administrative expenses, such as consulting and accounting fees, were paid by the School.

3. FAIR VALUE MEASUREMENTS:

The Plan uses appropriate valuation techniques to determine fair value based on inputs available. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs were not available.

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments at December 31, 2021:				
Variable annuity contracts	\$ 13,365,623	\$ 11,860,837	\$ 1,504,786	\$ -
Fixed annuity contracts	3,446,292	-	-	3,446,292
Pooled separate account units	1,130,652	1,130,652	-	-
	<u>\$ 17,942,567</u>	<u>\$ 12,991,489</u>	<u>\$ 1,504,786</u>	<u>\$ 3,446,292</u>

THE ROSS SCHOOL

3. FAIR VALUE MEASUREMENTS, continued:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments at December 31, 2020:				
Variable annuity contracts	\$ 11,845,358	\$ 10,696,418	\$ 1,148,940	\$ -
Fixed annuity contracts	3,327,351	-	-	3,327,351
Pooled separate account units	988,269	988,269	-	-
	<u>\$ 16,160,978</u>	<u>\$ 11,684,687</u>	<u>\$ 1,148,940</u>	<u>\$ 3,327,351</u>

Variable annuity contracts are valued using market quotations or prices obtained from independent pricing sources. Pooled separate account units are valued using market quotations or prices obtained from independent pricing sources. Fixed annuity contracts are reported at contract value, which represents fair value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals. Crediting rates are a combination of a guaranteed rate and an annually established discretionary rate. Additionally, the discretionary rate applied to contributions received during a reporting period may vary from the discretionary rate applied to account balances at the end of the prior reporting period.

The following table provides further details for the Level 3 fair value measurements:

	Year Ended December 31,	
	2021	2020
Purchases	\$ 284,347	\$ 357,424
Sales	\$ (279,667)	\$ (253,157)

4. INFORMATION CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTION:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. TIAA and CREF, qualified institution, has certified the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and the related investment activity reflected in the statements of changes in net assets available for benefits for the years then ended, and the supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2021.

THE ROSS SCHOOL

DEFINED CONTRIBUTION RETIREMENT PLAN

Notes to the Financial Statements

5. PLAN TERMINATION:

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. TAX STATUS:

The Plan has adopted a volume submitter plan document sponsored by TIAA. The volume submitter plan document has obtained an opinion letter from the Internal Revenue Service (IRS) dated August 7, 2017, which states that the volume submitter document satisfies the applicable provisions of the Internal Revenue Code. The Plan has not received a determination letter from the IRS; however the Plan administrator and the Plan's counsel believe that the Plan is designed in compliance with the applicable requirements of the Internal Revenue Code. Certain operational issues were identified, that if not corrected, could jeopardize the tax exempt status of the Plan. The School will make whatever corrections are necessary and, therefore, believe that the Plan will remain qualified.

7. VOLUNTARY COMPLIANCE PROGRAM:

During 2021, management discovered the Plan was not operating in accordance with its Plan document. The School filed a Voluntary Correction Program (VCP) submission with the IRS to remediate the issue. As of the date of this report, the Plan is awaiting approval from the IRS on the VCP submission.

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization declared the outbreak of the coronavirus (COVID-19) as a pandemic which continues to spread throughout the United States. COVID-19 has caused a severe negative impact on the world economy and has contributed to significant declines and volatility in financial markets. The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government and central bank responses, remains unclear. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the Plan for future periods. Management is carefully monitoring the situation and evaluating its options as circumstances evolve.

9. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through October 12, 2022, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
