AU-C §260 LETTER

To the Plan Trustees and Plan Management
Signal Financial Federal Credit Union 401(k) Plan
3015 University Boulevard, West
Kensington, MD 20895

We have audited the financial statements of **Signal Financial Federal Credit Union 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit) for the year ended December 31, 2021 and we will issue our report thereon dated September 26, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 2, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the **Signal Financial Federal Credit Union 401(k) Plan** are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Significant Audit Findings (Continued)

Qualitative Aspects of Accounting Practices (Continued)

Accounting estimates are an integral part of the financial statements and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

Management's estimates of the fair value of investments held described in Note 3, the returns earned on said investments, and the respective allocation of those earnings to the participants during the year, all of which were based on information as certified by Mass Mutual Life Insurance Company. We did not evaluate the key factors and assumptions used to develop the estimates in determining that they are reasonable in relation to the financial statements taken as a whole, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements was:

The disclosure of the related party and party-in-interest transactions described in Note 6 to the financial statements. The users of the financial statements could question the reasonableness of these transactions.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial and communicate them to the appropriate level of management. You have corrected all such misstatements

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the **Signal Financial Federal Credit Union 401(k) Plan's** auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Trustees and Plan Management of the **Signal Financial Federal Credit Union 401(k) Plan** and is not intended to be and should not be used by anyone other than these specified parties.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.

AU-C §260 LETTER

To the Plan Trustees and Plan Management
Signal Financial Federal Credit Union 401(k) Plan
3015 University Boulevard, West
Kensington, MD 20895

We have audited the financial statements of **Signal Financial Federal Credit Union 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit) for the year ended December 31, 2021 and we will issue our report thereon dated September 26, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 2, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the **Signal Financial Federal Credit Union 401(k) Plan** are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Significant Audit Findings (Continued)

Qualitative Aspects of Accounting Practices (Continued)

Accounting estimates are an integral part of the financial statements and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

Management's estimates of the fair value of investments held described in Note 3, the returns earned on said investments, and the respective allocation of those earnings to the participants during the year, all of which were based on information as certified by Mass Mutual Life Insurance Company. We did not evaluate the key factors and assumptions used to develop the estimates in determining that they are reasonable in relation to the financial statements taken as a whole, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements was:

The disclosure of the related party and party-in-interest transactions described in Note 6 to the financial statements. The users of the financial statements could question the reasonableness of these transactions.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial and communicate them to the appropriate level of management. You have corrected all such misstatements

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the **Signal Financial Federal Credit Union 401(k) Plan's** auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Trustees and Plan Management of the **Signal Financial Federal Credit Union 401(k) Plan** and is not intended to be and should not be used by anyone other than these specified parties.

Plan Trustees and Plan Management Signal Financial Federal Credit Union 401(k) Plan Kensington, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of **Signal Financial Federal Credit Union 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Signal Financial Federal Credit Union 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Signal Financial Federal Credit Union 401(k) Plan
Independent Auditors' Report
Page 2**

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Signal Financial Federal Credit Union 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Signal Financial Federal Credit Union 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Signal Financial Federal Credit Union 401(k) Plan
Independent Auditors' Report
Page 3**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Signal Financial Federal Credit Union 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Signal Financial Federal Credit Union 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such

**Signal Financial Federal Credit Union 401(k) Plan
Independent Auditors' Report
Page 4**

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

SIGNAL FINANCIAL FEDERAL CREDIT UNION 401(k) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of Signal Financial Federal Credit Union (SFFCU) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Signal Financial Federal Credit Union 401(k) Plan was established on June 1, 1983, as a defined contribution savings plan as described in Section 401(k) of the Internal Revenue Code (IRC). The Plan was amended and restated as of January 1, 2017. The amendments and restatement relate to significant material modifications to the Plan's operations. The Plan covers substantially all employees of SFFCU who are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). To discharge fiduciary liability for investment losses, the Plan sponsor qualified the Plan as a 404(c) Plan under ERISA.

Participant Contributions

Eligible participants can elect to contribute a percentage of their annual compensation, as defined by the Plan, up to the maximum allowed under the applicable provision of the Internal Revenue Code (IRC). All eligible participants are able to make tax deferred or Roth contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans and certain IRAs. Participants are immediately eligible to contribute to the Plan and are automatically enrolled with a 5% deferral rate. Automatic deferrals are automatically increased by 1% annually, not to exceed 10%.

Employer Contributions

SFFCU matches 100% of the participant's elected deferred contribution, up to a maximum of 5% of the participant's compensation. SFFCU also makes a safe harbor non-elective contribution of 3% to eligible participant accounts. Eligibility for employer contributions is determined under the elapsed time method. Employees are eligible for employer contributions on the first pay period after 3 continuous months of employment. SFFCU suspended the 5% discretionary employer match as of November 1, 2020. The discretionary employer match was reinstated as of April 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) SFFCU's contribution and, (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

SIGNAL FINANCIAL FEDERAL CREDIT UNION 401(K) PLAN
Notes to Financial Statements (Continued)
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting

Participants are fully vested in their contributions and related earnings. Vesting in employer matching contributions and related earnings is based on years of continuous service. A year of service is defined as 1,000 hours of service during the Plan year. Participants vest in SFFCU's matching contributions as follows:

<u>Service</u>	<u>Vesting Percentage</u>
1 Year	20%
2 Years	40%
3 Years	60%
4 Years	80%
5 Years	100%

Notes Receivable from Participants

The Plan also includes a provision allowing participants to borrow money from their individual accounts at amounts between \$1,000 and the lesser of \$50,000 or 50% of the participant's vested balance. The notes receivable are secured by the balance in the participant's account and bear interest at 4.5%, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid through biweekly payroll deductions. Participant notes are considered delinquent after 90 days, at which time they are reclassified as distributions based on the terms of the Plan agreement.

Payment of Benefits

Upon termination of service, participants whose vested accounts have never exceeded \$5,000 will receive an immediate lump sum distribution, while all others may elect to withdraw balances in lump sum, installments or may let the balances remain in the Plan until the participant has reached age 70½. The Plan also offers hardship withdrawals for those who qualify.

Amounts allocated to participants who have withdrawn from the Plan but have not received a payout of benefits amounted to \$288,266 at December 31, 2021.

Forfeited Accounts

When termination occurs before the employer's contribution is 100% vested, the forfeited amounts may be used to reduce the Plan's employer contributions administrative and professional fees. During the year ended December 31, 2021, forfeited amounts of \$0 were used to reduce the Plan's employer contributions. Forfeited amounts carried into the 2022 Plan year totaled \$36,822.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Forfeited Accounts (Continued)

Upon complete or partial termination of the Plan, or in the event of complete discontinuance of contributions, the rights of all affected participants to benefits accrued through the date of termination or discontinuance shall become non-forfeitable.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments of the Plan are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Operating Expenses

Certain expenses of maintaining the Plan are paid directly by SFFCU, the Plan sponsor.

Federal Income Tax Status

The IRS provided the Plan with a favorable determination letter dated October 10, 2018. Therefore, it is exempt from Federal income taxes under Section 401(k) of the Internal Revenue Code (IRC). Although the Plan has been amended and restated since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Federal tax returns are subject to audit by taxing authorities, generally for three years after filing; hence the Plan's tax returns for the years 2018 and onward remain open to examination.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefit, except for fully benefit-responsive investment contracts, which are reported at contract value. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation in fair value of investments.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Notes to Financial Statements (Continued)

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following are descriptions of the valuation methodologies used for assets measured at fair value at December 31, 2021 and 2020.

Mutual Fund / Registered Investment Companies: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily NAV and to transact at that price. The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: The pooled separate accounts (PSAs) invest mainly in domestic stocks, the majority of which have observable Level 1 inputs. While the underlying asset values are quoted prices, the net asset value ("NAV") of a separate account is not publicly quoted. Accounting Standard Codification (ASC) 820 allows NAV per share to serve as an estimate of fair value as long as certain requirements are met, and it is the Plan Trustee's assessment that these conditions have been met. These PSAs can be redeemed at NAV.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy as of December 31, 2021 and 2020 is as follows:

<u>December 31, 2021</u>	<u>Level 1</u>	<u>Fair Value</u>
Mutual Funds	\$ 6,795,084	\$ 6,795,084
Investments measured at net asset value*	-	3,686,911

Investments measured at net asset value*	-	3,073,946
Total	<u>\$ 5,582,170</u>	<u>\$ 8,656,116</u>

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Fair Value of Investments in Entities that Use Net Asset Value

The following tables summarize investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

The Statements of Net Assets Available for Benefits at December 31, 2021 and 2020, the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021 and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Reliance Trust Company as of December 31, 2021 and 2020, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information includes total investments of \$15,638,880 and \$13,796,397 at December 31, 2021 and 2020, respectively, and net investment income of \$1,512,954 for the year ended December 31, 2021.

NOTE 5 - INVESTMENT IN GUARANTEED INVESTMENT CONTRACTS

The Plan's general asset fund is a guaranteed interest account provided through a group annuity contract with Reliance Trust Company. The general asset fund is supported by investments in public bonds, private placement bonds, and commercial mortgages. Although the guaranteed investment contract promises contract value for a benefit event (termination, death, disability, and retirement).

Because the guaranteed investment contract is considered to be fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment account. Contract value, as reported by Reliance Trust Company, represents contributions made plus credited interest less participant withdrawals and fees. Participants may direct permitted withdrawals and or transfer transactions of all or a portion of their investment at contract value. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on the Barclays Capital Index.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include but may not be limited to the following: (1) temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the plan sponsor's business; (5) removal from the Plan of one or more groups or classifications of participants; (6) partial or complete Plan termination; or (7) Plan disqualification. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments include a guaranteed investment contract and a pooled separate account managed by Massachusetts Mutual Life Insurance Company. Reliance Trust Company is the Plan recordkeeper, therefore, these transactions qualify as party-in-interest transactions. Investments managed and maintained by Massachusetts Mutual totaled \$6,563,019. Fees paid by the Plan for the investment management and contract administration services totaled \$28,816 for the year ended December 31, 2021.

Notes to Financial Statements (Continued)
December 31, 2021 and 2020

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - CONCENTRATION OF INVESTMENTS

The following investments accounted for 10% or more of the Plan's total investments for the years ended December 31, 2021 and 2020.

	<u>December 31, 2021</u>	<u>December 31, 2020</u>
Guaranteed Investment Contract	33%	37%

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, Signal Financial Federal Credit Union, the Plan Sponsor, has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent events were evaluated through September 26, 2022, which is the date the financial statements were available to be issued.

Plan Trustees and Plan Management Signal Financial Federal Credit Union 401(k) Plan Kensington, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of **Signal Financial Federal Credit Union 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Signal Financial Federal Credit Union 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Signal Financial Federal Credit Union 401(k) Plan
Independent Auditors' Report
Page 2**

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Signal Financial Federal Credit Union 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Signal Financial Federal Credit Union 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Signal Financial Federal Credit Union 401(k) Plan
Independent Auditors' Report
Page 3**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Signal Financial Federal Credit Union 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Signal Financial Federal Credit Union 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such

**Signal Financial Federal Credit Union 401(k) Plan
Independent Auditors' Report

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

SIGNAL FINANCIAL FEDERAL CREDIT UNION 401(k) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of Signal Financial Federal Credit Union (SFFCU) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Signal Financial Federal Credit Union 401(k) Plan was established on June 1, 1983, as a defined contribution savings plan as described in Section 401(k) of the Internal Revenue Code (IRC). The Plan was amended and restated as of January 1, 2017. The amendments and restatement relate to significant material modifications to the Plan's operations. The Plan covers substantially all employees of SFFCU who are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). To discharge fiduciary liability for investment losses, the Plan sponsor qualified the Plan as a 404(c) Plan under ERISA.

Participant Contributions

Eligible participants can elect to contribute a percentage of their annual compensation, as defined by the Plan, up to the maximum allowed under the applicable provision of the Internal Revenue Code (IRC). All eligible participants are able to make tax deferred or Roth contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans and certain IRAs. Participants are immediately eligible to contribute to the Plan and are automatically enrolled with a 5% deferral rate. Automatic deferrals are automatically increased by 1% annually, not to exceed 10%.

Employer Contributions

SFFCU matches 100% of the participant's elected deferred contribution, up to a maximum of 5% of the participant's compensation. SFFCU also makes a safe harbor non-elective contribution of 3% to eligible participant accounts. Eligibility for employer contributions is determined under the elapsed time method. Employees are eligible for employer contributions on the first pay period after 3 continuous months of employment. SFFCU suspended the 5% discretionary employer match as of November 1, 2020. The discretionary employer match was reinstated as of April 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) SFFCU's contribution and, (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting

Participants are fully vested in their contributions and related earnings. Vesting in employer matching contributions and related earnings is based on years of continuous service. A year of service is defined as 1,000 hours of service during the Plan year. Participants vest in SFFCU's matching contributions as follows:

<u>Service</u>	<u>Vesting Percentage</u>
1 Year	20%
2 Years	40%
3 Years	60%
4 Years	80%
5 Years	100%

Notes Receivable from Participants

The Plan also includes a provision allowing participants to borrow money from their individual accounts at amounts between \$1,000 and the lesser of \$50,000 or 50% of the participant's vested balance. The notes receivable are secured by the balance in the participant's account and bear interest at 4.5%, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid through biweekly payroll deductions. Participant notes are considered delinquent after 90 days, at which time they are reclassified as distributions based on the terms of the Plan agreement.

Payment of Benefits

Upon termination of service, participants whose vested accounts have never exceeded \$5,000 will receive an immediate lump sum distribution, while all others may elect to withdraw balances in lump sum, installments or may let the balances remain in the Plan until the participant has reached age 70½. The Plan also offers hardship withdrawals for those who qualify.

Amounts allocated to participants who have withdrawn from the Plan but have not received a payout of benefits amounted to \$288,266 at December 31, 2021.

Forfeited Accounts

When termination occurs before the employer's contribution is 100% vested, the forfeited amounts may be used to reduce the Plan's employer contributions administrative and professional fees. During the year ended December 31, 2021, forfeited amounts of \$0 were used to reduce the Plan's employer contributions. Forfeited amounts carried into the 2022 Plan year totaled \$36,822.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Forfeited Accounts (Continued)

Upon complete or partial termination of the Plan, or in the event of complete discontinuance of contributions, the rights of all affected participants to benefits accrued through the date of termination or discontinuance shall become non-forfeitable.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments of the Plan are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Operating Expenses

Certain expenses of maintaining the Plan are paid directly by SFFCU, the Plan sponsor.

Federal Income Tax Status

The IRS provided the Plan with a favorable determination letter dated October 10, 2018. Therefore, it is exempt from Federal income taxes under Section 401(k) of the Internal Revenue Code (IRC). Although the Plan has been amended and restated since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Federal tax returns are subject to audit by taxing authorities, generally for three years after filing; hence the Plan's tax returns for the years 2018 and onward remain open to examination.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefit, except for fully benefit-responsive investment contracts, which are reported at contract value. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation in fair value of investments.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following are descriptions of the valuation methodologies used for assets measured at fair value at December 31, 2021 and 2020.

Mutual Fund / Registered Investment Companies: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily NAV and to transact at that price. The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: The pooled separate accounts (PSAs) invest mainly in domestic stocks, the majority of which have observable Level 1 inputs. While the underlying asset values are quoted prices, the net asset value ("NAV") of a separate account is not publicly quoted. Accounting Standard Codification (ASC) 820 allows NAV per share to serve as an estimate of fair value as long as certain requirements are met, and it is the Plan Trustee's assessment that these conditions have been met. These PSAs can be redeemed at NAV.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy as of December 31, 2021 and 2020 is as follows:

<u>December 31, 2021</u>	<u>Level 1</u>	<u>Fair Value</u>
Mutual Funds	\$ 6,795,084	\$ 6,795,084
Investments measured at net asset value*	-	3,686,911
Total	<u>\$ 6,795,084</u>	<u>\$ 10,481,995</u>

<u>December 31, 2020</u>	<u>Level 1</u>	<u>Fair Value</u>
Mutual Funds	\$ 5,582,170	\$ 5,582,170
Investments measured at net asset value*	-	3,073,946
Total	<u>\$ 5,582,170</u>	<u>\$ 8,656,116</u>

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Fair Value of Investments in Entities that Use Net Asset Value

The following tables summarize investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

NOTE 4 - UNAUDITED INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The Statements of Net Assets Available for Benefits at December 31, 2021 and 2020, the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021 and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Reliance Trust Company as of December 31, 2021 and 2020, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information includes total investments of \$15,638,880 and \$13,796,397 at December 31, 2021 and 2020, respectively, and net investment income of \$1,512,954 for the year ended December 31, 2021.

NOTE 5 - INVESTMENT IN GUARANTEED INVESTMENT CONTRACTS

The Plan's general asset fund is a guaranteed interest account provided through a group annuity contract with Reliance Trust Company. The general asset fund is supported by investments in public bonds, private placement bonds, and commercial mortgages. Although the guaranteed investment contract promises contract value for a benefit event (termination, death, disability, and retirement).

Because the guaranteed investment contract is considered to be fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment account. Contract value, as reported by Reliance Trust Company, represents contributions made plus credited interest less participant withdrawals and fees. Participants may direct permitted withdrawals and or transfer transactions of all or a portion of their investment at contract value. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on the Barclays Capital Index.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include but may not be limited to the following: (1) temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the plan sponsor's business; (5) removal from the Plan of one or more groups or classifications of participants; (6) partial or complete Plan termination; or (7) Plan disqualification. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments include a guaranteed investment contract and a pooled separate account managed by Massachusetts Mutual Life Insurance Company. Reliance Trust Company is the Plan recordkeeper, therefore, these transactions qualify as party-in-interest transactions. Investments managed and maintained by Massachusetts Mutual totaled \$6,563,019. Fees paid by the Plan for the investment management and contract administration services totaled \$28,816 for the year ended December 31, 2021.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - CONCENTRATION OF INVESTMENTS

The following investments accounted for 10% or more of the Plan's total investments for the years ended December 31, 2021 and 2020.

	<u>December 31, 2021</u>	<u>December 31, 2020</u>
Guaranteed Investment Contract	33%	37%

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, Signal Financial Federal Credit Union, the Plan Sponsor, has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent events were evaluated through September 26, 2022, which is the date the financial statements were available to be issued.
