## Independent Auditor's Report

To the Plan Administrator of  
Fremont Contract Carriers, Inc. 401(k) Profit Sharing Plan  
Fremont, Nebraska:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Fremont Contract Carriers, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2021 (Schedule 1), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Auditor's Report on the 2020 Financial Statements***

The 2020 financial statements of the Plan were audited by Seim Johnson, LLP, who joined Eide Bailly LLP on July 25, 2022. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 3, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## Fremont Contract Carriers, Inc. 401(k) Profit Sharing Plan

### Notes to Financial Statements December 31, 2021 and 2020

---

#### (1) Description of Plan

The following description of the Fremont Contract Carriers, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### A. General

The Plan is a defined contribution profit-sharing plan sponsored by Fremont Contract Carriers, Inc. (the Company), a wholly owned subsidiary of HMN, Inc. The Plan's assets are maintained under an agreement between First National Bank Omaha (trustee) and the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's Board of Directors is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

##### B. Eligibility

All employees of the Company who are age 18 or older and have completed one month of service are eligible to participate in the Plan.

Employees are eligible for Company matching contributions and Company discretionary profit sharing contributions if they are age 18 or older, actively employed at the Plan year end, and have completed at least 1,000 hours of service during the Plan year. However, the requirements to be actively employed at year end and complete 1,000 hours of service during the Plan year are waived, if the employee terminates due to death, disability or reaching normal retirement age. The Plan was amended April 1, 2021 to remove the age requirement for Company discretionary profit sharing contributions.

##### C. Contributions

Participants may elect to contribute compensation, as defined by the Plan, on a pre-tax or after-tax basis, up to the maximum percentage allowable, not to exceed Internal Revenue Service (IRS) limits. Participants age 50 and older by the end of the calendar year may contribute catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan includes an auto-enrollment provision whereby all newly eligible participants are automatically enrolled in the Plan at a deferral rate of 4% of eligible compensation unless the participant makes a contrary election.

The Company may make an annual matching contribution equal to a discretionary percentage, to be determined by the Company, of the participants' elective deferrals. For 2021, the matching contribution was equal to 25% of the first 4% of elective deferrals, 50% of the next 2% of elective deferrals and 100% of the next 1% of elective deferrals for a maximum match of 3%. The Company made matching contributions during 2021 totaling \$378,772.

In addition, the Company can elect to make a discretionary profit sharing contribution to be allocated among participants eligible to share in the contribution. For 2021, the Company made a profit sharing contribution of \$24,929.

The Company may also make a qualified non-elective contribution equal to a uniform percentage of the participants' compensation. The Company did not make a qualified non-elective contribution for 2021.

Participants direct the investment of all contributions into various investment options offered by the Plan.

#### D. *Participant Accounts*

Each participant's account is credited with the participant's contributions (including rollovers) and Company matching contributions, as well as allocations of the Company's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

#### E. *Notes Receivable from Participants*

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to \$50,000 or 50% of their vested account balance, whichever is less. The notes are secured by the balance in the participant's account and bear interest equal to the national prime rate of interest. Note terms range from one to five years, or longer for the purchase of a primary residence. Principal and interest are paid ratably through regular payroll deductions. Interest rates range from 3.25% to 5.50% and the notes mature between February 2022 and November 2035.

#### F. *Vesting*

Participants are fully vested in their contributions (including rollovers) and are vested in the Company's contributions to the Plan according to the following schedule:

| <b>Years of<br/>Service</b> | <b>Vested<br/>Percentage</b> |
|-----------------------------|------------------------------|
| Less than 2                 | 0%                           |
| 2                           | 20                           |
| 3                           | 40                           |
| 4                           | 60                           |
| 5                           | 80                           |
| 6                           | 100                          |

Separate provisions apply in the event of death or disability of the participant or reaching normal retirement age.

#### G. *Payment of Benefits*

Upon termination of service, a participant will receive an amount equal to the vested portion of the participant's account. If a participant is terminated due to death, all amounts credited to such participant's account shall become fully vested and the participant's beneficiary will receive the entire death benefit. If a participant's vested balance is \$1,000 or less the benefit will be distributed in a single lump sum payment. If a participant's vested account balance is between \$1,000 and \$5,000 the Plan can automatically roll the account into a qualified individual retirement account. If the vested benefit exceeds \$5,000, the participant may elect to receive the distribution in the form of (a) a single lump-sum payment, (b) installments over a period of not more than the assumed life expectancy of the participant/beneficiaries, or (c) in partial withdrawals of at least \$100. Under certain circumstances, hardship and in-service distributions are also allowed by the Plan.

#### H. *Forfeited Accounts*

Participants leaving employment with the Company before becoming fully vested forfeit their nonvested interest in the Company's contributions. These forfeitures will be used to reduce the Company's current or future contributions under the Plan. At December 31, 2021 and 2020, forfeited accounts totaled \$10,826 and \$10,220, respectively. For the year ended December 31, 2021, Company contributions were reduced by \$10,209 from forfeited accounts.

## (2) **Summary of Significant Accounting Policies**

#### A. *Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

## Fremont Contract Carriers, Inc. 401(k) Profit Sharing Plan

### Notes to Financial Statements December 31, 2021 and 2020

---

#### *B. Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### *C. Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Company's Board of Directors determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### *D. Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make note repayments and the Plan Administrator deems the note receivable to be in default, the participant note balance is reduced and a benefit payment is recorded.

#### *E. Payment of Benefits*

Benefit payments to participants are recorded when paid.

#### *F. Administrative Expenses*

Administrative fees and expenses of the Plan may be paid out of the Plan assets unless paid by the Company. Expenses paid directly by the Company are excluded from these financial statements. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

#### *G. Subsequent Events*

The Plan has evaluated subsequent events through October 10, 2022, the date the financial statements were available to be issued.

### **(3) Information Certified by Ascensus Trust Company (Custodian) and Ascensus (Agent of the Trustee)**

The following investment information as of December 31, 2021 and 2020, and for the year ended December 31, 2021 included throughout the Plan's financial statements and supplemental schedule, was prepared by or derived from information provided by the custodian and agent of the trustee and furnished to the Plan administrator.

The Plan's administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Ascensus Trust Company as of December 31, 2021 and for the year then ended and Ascensus, agent of the trustee, as of December 31, 2020, except for comparing such information certified by the custodian and agent of the trustee to information included in the Plan's financial statements and supplemental schedule.

## Fremont Contract Carriers, Inc. 401(k) Profit Sharing Plan

### Notes to Financial Statements December 31, 2021 and 2020

---

The custodian also certified to the completeness and accuracy of \$1,993,063 of net appreciation in the investments (including realized gains and losses on investments bought and sold, as well as unrealized gains and losses on investments held during the year) and \$349,959 of interest and dividends related to the aforementioned investments and \$12,898 of interest on notes receivable from participants for the year ended December 31, 2021.

#### (4) Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standard Codification (ASC) 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020:

*Mutual funds:* Valued at fair value as determined by quoted market prices in active markets, which represent the net asset value of shares held by the Plan at year end.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

| December 31, 2021 |               |         |         |            |
|-------------------|---------------|---------|---------|------------|
|                   | Level 1       | Level 2 | Level 3 | Total      |

## **Fremont Contract Carriers, Inc. 401(k) Profit Sharing Plan**

### **Notes to Financial Statements December 31, 2021 and 2020**

---

#### **(5) Party-in-Interest Transactions**

Fees paid by the Plan for investment management services provided by Ascensus amounted to \$61,094 for the year ended December 31, 2021. Ascensus Trust Company is the recordkeeper and custodian of the Plan and, therefore, these transactions qualify as party-in-interest.

#### **(6) Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

#### **(7) Tax Status**

The Plan has adopted a non-standardized form of a prototype plan sponsored by Ascensus. The prototype plan has received an opinion letter from the IRS dated June 30, 2020 as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **(8) Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
