INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Lewis Food Town, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Lewis Food Town, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

INDEPENDENT AUDITOR'S REPORT, continued

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT, continued

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

LEWIS FOOD TOWN, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of Lewis Food Town, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Lewis Food Town, Inc. ("Food Town" or "Employer") who have attained the age of 19 and completed one year of service, as defined in the Plan document. The Plan has been amended from time to time. Effective January 1, 2016, the Plan was amended and restated to incorporate previous amendments and to comply with the latest tax laws and regulations among other things. All investments are participant-directed among the Plan's various investment options. The Plan is subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE ACT") was enacted and became effective beginning January 1, 2020. The SECURE Act provisions include, among other things, an increase in the age limit for required minimum distributions from 70 ½ years of age to 72 years of age.

On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security Act" (the "CARES Act") was signed into law. The CARES Act, among other things, included several relief provisions available to tax-qualified retirement plans and their participants. The Plan's management evaluated the relief provisions available to the plan participants and implemented the following provisions effective only for the year ended December 31, 2020:

- Emergency coronavirus distributions up to \$100,000;
- Increased the maximum loan amount to the lesser of \$100,000 or 100% of the vested balance for loans taken out between March 27, 2020 and September 22, 2020;
- Loan repayment suspension and extension of loan terms up to one year; and
- Suspension of Required Minimum Distribution for 2020.

Effective January 1, 2020, the Plan enacted certain provisions of the Bipartisan Budget Act of 2018 which, among other things, removes the deferral suspension provision for hardship distributions

Administration

Food Town acts as the Plan administrator and is responsible for the overall direction of the Plan. Matrix Trust Company (the "Trustee") serve as the Plan's Trustee. Retirement Horizons Incorporated serves as recordkeeper.

Contributions

Each year participants may contribute, through payroll deductions each pay period, up to 100% of their pre-tax annual compensation not to exceed the limitation set forth in Section 402(g) (\$19,500 in 2021 and 2020) of the Internal Revenue Code ("IRC"). Additionally, the Plan allows participants to make catch-up contributions, pre-tax contributions that exceed the annual elective deferral limit, during any calendar year ending on or after the participant's 50th birthday. Participants' total catch-up contributions are limited to a maximum of \$6,500 per year in 2021 and 2020. Participants may also rollover amounts representing distributions from other qualified plans.

The Plan allows for non-safe harbor employer matching contributions in an amount equal to 1% of each participant's eligible compensation. During the years ended December 31, 2021 and 2020, employer matching contributions totaled \$131,957 and \$142,576, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and Employer matching contributions, as well as Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

LEWIS FOOD TOWN, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan (continued)

Vesting

Participants are immediately vested in their voluntary contributions and non-safe harbor matching contributions made by the Employer and actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years, or longer if for the purchase of a principal residence. The loans are secured by the vested balance in the participant's account. The notes bear interest at rates ranging from 3.25% to 5.50% per year for each of the years ended December 31, 2021 and 2020. Principal and interest payments are made by means of payroll withholdings according to the terms of the individual promissory notes.

Benefit Payments

Upon retirement, termination of employment, death or disability, a participant (his or her beneficiary in the event of death) may elect to receive either a single lump-sum amount equal to the value of the participant's vested interest in his or her account or as a direct rollover. The Plan also allows for in-service distributions upon the attainment of age 59 ½.

Administrative Expenses

The Plan is responsible for payment of fees. Transaction charges (for loan and benefit payment transactions) are paid by the Plan by reducing the balances of those participants initiating the transactions. Fees incurred by the Plan for the investment management services or recordkeeping are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options. These investment options are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies ("mutual funds") are valued at quoted market prices, which represent the net asset value ("NAV") of shares held by the Plan at year end. The Plan's interest in the collective trust is valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year-end. Net appreciation in fair value of investments includes realized gains and losses on investments sold during the year, as well as unrealized appreciation of investments held at the end of the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual bases. Dividends are recorded on the ex-dividend date.

LEWIS FOOD TOWN, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable is accrued as earned. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document, as such no allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. Excess contributions in the Plan as of December 2020 were distributed to the applicable participants prior to March 15, 2021.

Benefit Payments

Benefits are recorded when paid.

3. Fair Value Measurements

The Financial Account Standards Board ("FASB") Accounting Standards Codification Topic 820 ("ASC 820"), *Fair Value Measurements and Disclosures*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

An asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to its fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In determining fair value, the Plan uses two different approaches (the market approach and the cost approach) depending on the nature of the assets and liabilities. The market approach uses prices and other relevant data based on market transactions involving identical or comparable assets and liabilities. The cost approach is the amount that would be currently required to replace an asset and indicates the cost to the Plan to acquire a substitute asset.

LEWIS FOOD TOWN, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

3. Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. The funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are defined to be actively traded. (Market Approach)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value on a recurring basis as of December 31, 2021 and 2020:

	Assets at Fair Value at December 31, 2021

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

NOTES TO FINANCIAL STATEMENTS

4. Information Certified by the Trustee (Unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investments, interest and dividends and interest from notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Trustee of the Plan.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. Tax Status

The Plan adopted by the Employer is a volume submitter ("VS") plan that is designed to comply with provisions of the IRC Economic Growth and Tax Reconciliation Act of 2001 ("EGTRRA"). Such VS plans are pre-approved by the IRS by reference to the Cumulative List of Changes in Plan Qualification Requirements (the "Cumulative List") provided under EGTRRA. Because the Plan is a VS plan, the Employer is not authorized to amend the Plan except to comply with changes in the Cumulative List. The VS Plan received a favorable determination letter from the IRS on March 31, 2014. Management of the Employer and the Plan administrator believe the Plan complies with and is currently being operated in accordance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate the tax position taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL and IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although they have expressed no intent to do so, the Employer has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon any such termination, distribution of assets must be made as soon as administratively feasible to Plan participants and other payees. In the event of a Plan termination, all participants become fully vested in their account balances.

7. Parties-in-Interest Transactions

The Plan has notes receivable from participants. These transactions qualify as party-in-interest transactions as defined by ERISA. However, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2020:

	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 16,945,979
