INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
of Plantation Management Company 401(k) Plan
Denham Springs, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of **PLANTATION MANAGEMENT COMPANY 401(K) PLAN** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from the qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- the certified investment information in the 2021 financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Generally Accepted Accounting Principles (GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with Generally Accepted Auditing Standards (GAAS) will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements**.**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedules Required by ERISA

The 2021 supplemental schedules of Schedule of Assets Held for Investment and Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated September 30, 2021, indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PLANTATION MANAGEMENT COMPANY 401(K) PLAN

Denham Springs, Louisiana

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Plantation Management Company 401k Plan (the Plan) provides only general information. The Plan is provided to Plantation Management Company, LLC and its affiliates (Company). Participants should refer to the plan document and adoption agreement for a more complete description of the Plan's provisions.

General

The Plan, adopted effective 1997, amended, and restated on October 4, 2021. In 2021 the Plan elected to no longer continue having American United Life Insurance Company (AUL) be their plan custodian, and instead chose to have American Funds be the new plan custodian effective October 1, 2021. The amendment also opted to decrease the employer match rate from 15% to 10%. [Is a defined contribution plan covering all full and part-time employees of the Company who have at least three months of service and are age twenty-one years or older.] The Plan has been amended to comply with regulatory changes and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, employees may elect to contribute a portion of their eligible compensation, as defined in the Plan, subject to maximum amounts and percentages as prescribed in the Internal Revenue Code (the Code). Employees may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employees that have made contributions to the Plan are considered participants of the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan, which are described in Note 5.

The Company can contribute an amount considered a matching contribution and has the option to contribute additional amounts as discretionary contributions. The Company matched 10% of participant contributions in 2021.

Contributions received from participants for 2021 are net of excess contributions of $7,864. When applicable, these amounts are refunded after the end of the respective years to certain active participants to satisfy the nondiscrimination provisions of the Plan and the Code and are reported in the Plan’s statement of net assets available for benefits as excess contributions payable.

Participant accounts

Each participant's account is credited with the participant's elective deferral and rollover contributions, the Company’s matching discretionary contribution, and earnings thereon. Each participant has a fully vested, nonforfeitable right to all amounts credited to the portion of their account related to their elective and rollover contributions and the portion of their account related to the Company’s matching contributions is vested according to a graduated vesting schedule over a six-year period. The benefit to which a participant is entitled is the vested portion of a participant's account.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions as well as earnings thereon. Vesting in the Company's discretionary matching contribution portion of their account plus earnings thereon is based on years of continuous service, as follows:

Years of Service	Vesting Percentage
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes receivable from participants

Participant loans are not permitted under the terms of the Plan.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. In-service withdrawals are permitted for participants who have attained 59½ years of age and are 100 percent vested or prove hardship under specific circumstances.

Forfeitures

Forfeitures are used first to pay administrative expenses of the Plan and any remaining amounts may be used to reduce the employer contribution. During 2021, forfeited non-vested accounts were used to reduce the Company's matching contributions by $2,372. There was a balance remaining in the forfeited non-vested account of $15,613 at December 31, 2021.

Hardship withdrawals

Participants may withdraw all or a portion of their account related to their elective contributions, rollover contributions, and their vested portion of the employer matching in the event of hardship as defined in the Plan agreement.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual method in accordance with accounting principles generally accepted in the United States (U.S. GAAP). All assets of the Plan are held by AUL America (January 1, 2021 to October 1, 2021) and American Funds (October 1, 2021 to December 31, 2021); and are participant driven.

As described in Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 962, *Plan Accounting – Defined Contribution Pension Plan*, investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Plan investments that are not fully benefit responsive are reported at fair value in the Statements of Net Assets Available for Benefits in accordance with FASB ASC 820, *Fair Value Measurements*, which establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the sources of pricing information (inputs) to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Inputs from unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable and significant to the fair value measurement.

(continued)

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition (continued)

The Plan provided for investments in a fixed interest investment option, the AUL Fixed Fund (Fixed Fund). The Fixed Fund is presented at contract value in accordance with FASB ASC 962 and, therefore, is not included in the fair value hierarchy as of December 31, 2020. The Plan did not have investments in the AUL Fixed Fund as of December 31, 2021.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis; dividends are recorded on the ex-dividend date.

Net appreciation (depreciation) in the fair value of investments

The Statement of Changes in Net Assets Available for Benefits present the net earnings in the fair value of the Plan's investments, which consists of realized gains and losses, and the unrealized appreciation and depreciation on those investments.

Payment of benefits

Benefits are recorded when paid.

Subsequent events

In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 6, 2022, which was the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

As permitted by 29 CFR 2520.103-8 of Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator has elected that information certified by American Funds not be subjected to any auditing procedures expect for comparing such information to the information contained in the accompanying financial statements and supplemental schedule. AUL served as trustee as of December 31, 2020, and from January 1, 2021 to October 1, 2021 and American Funds served as trustee from October 1, 2021 to December 31, 2021.

(continued)

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS (CONTINUED)

Accordingly, AUL and American Funds have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31 2021 and 2020, and for the year ended December 31, 2021:

	2021	2020
Mutual funds	$12,627,731	$ 9,177,108
Money market funds	15,612	283,557
Investment contract, at contract value	-	860,052
Net appreciation in fair value of investments	1,016,379	
Interest Income	612,633	

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2020, the Plan had an investment contract with AUL who maintained the contributions in pooled accounts of the insurance company's general accounts. The account is credited with earnings on the underlying investments and charged for Plan withdrawals, and administrative expenses. The Plan transferred its investments out of AUL during 2021 and has no investment contracts with any insurance companies as of December 31, 2021.

As described in Note 2, because the AUL Fixed Fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. Contract value, as reported in the Plan by AUL, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or other risk contingencies. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Company or other events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 5 - FAIR VALUE MEASUREMENT

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual and Money market funds – Valued at the daily closing price as reported by the fund. Mutual and Money market funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

As of December 31, 2021 and 2020, the fair value hierarchy of the Plan's assets were as follows:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 12,627,730	$ -	$ -	$ 12,627,730
Money market fund	15,613	-	-	15,613
	$ 12,643,343	$ -	$ -	$ 12,643,343

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ -	$ 9,177,108	$ -	$ 9,177,108
Money market fund	-	283,557	-	283,557
	$ -	$ 9,460,665	$ -	9,460,665
Investment contract, at contract value *				860,052
				$ 10,320,717

There was no change in fair value of the Plan's level 3 investments for 2021.

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100 percent vested in all amounts credited to their accounts.

NOTE 7 - RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

The Company pays the majority of the administrative expenses, including plan audit costs, incurred by the Plan.

Plan investments are shares of mutual and collective investment money market funds managed by AUL and American Funds. AUL and American Funds are trustees as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 - TAX STATUS

The Plan document is a "prototype" plan and trust sponsored by American Funds and the Company is relying on an Internal Revenue Service (IRS) determination letter, dated June 30, 2021, to American Funds stating the form of the Plan is acceptable under Internal Revenue Code Section 401(k). The Company believes that the Plan is designed and operated in compliance with applicable Code sections and, therefore, maintains its tax-exempt status.

The Plan follows FASB ASC 740-10, *Accounting for Uncertainty in Income Taxes*. Management has determined that there was no impact on the financial statements as a result of ASC 740-10. The Plan's open audit periods are 2018 through 2021.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO IRS FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the 2021 IRS Form 5500:

	2021
Net assets available for benefits per the financial statements	$ 12,751,806
Employer contribution receivable	(116,327)
Participant contribution receivable	(50)
Excess contribution payable	7,864
Benefit payable to participant	50
Net assets available for benefits per the IRS Form 5500	$ 12,643,393

(continued)

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO IRS FORM 5500 (CONTINUED)

The following is a reconciliation of the participants' contributions and distributions per the financial statements to the IRS Form 5500, as well as the increase in net assets:

	2021
Participant contributions per the financial statements	$ 1,159,859

Participant contribution receivable	(50)
Excess contribution payable	7,864
Benefit payable to participant	50
Net increase in net assets available for benefits per the IRS Form 5500	$ 2,202,438

NOTE 11 - PROHIBITED TRANSACTIONS

As described in the schedule of delinquent participant contributions (included in the supplemental information), the Employer did not remit certain contributions to the Plan in a timely manner, as defined by ERISA. The Employer has intention to correct such instances and will reimburse affected participants for any lost income associated with the delay in contributions. These contributions are considered non-exempt party-in-interest transactions, which may result in an imposition of a 15% excise tax on the amount of the transactions. The tax status of the Plan is not affected by these non-exempt transactions and the Employer intends to pay all fines that may be imposed.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
