## INDEPENDENT AUDITOR'S REPORT

To the Pension Committee  
Phillips Lytle LLP Retirement Plan  
Buffalo, New York

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Phillips Lytle LLP Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## PHILLIPS LYTLE LLP RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

---

#### Note 1. Description of Plan

The following brief description of Phillips Lytle LLP Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### General:

The Plan is a defined contribution plan sponsored by Phillips Lytle LLP (the Partnership). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Pension Committee is responsible for oversight of the Plan and monitors investment performance. Further, the Pension Committee is assisted in its oversight of the appropriateness of the Plan's investment offerings by Prudential Retirement Insurance and Annuity Company (Prudential Insurance).

Beginning in April 2020, the Plan enacted several provisions from the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), specifically, allowing coronavirus-related distributions, expansion of loan benefits, and loan deferments throughout the remainder of 2020. The CARES Act distribution provision allowed participants to withdraw up to \$100,000 due to adverse financial consequences from COVID-19 through December 31, 2020. The CARES Act loan provision expanded loans to be the lesser of \$100,000 or 100% of the participants vested balances through September 23, 2020. Loan deferments allowed impacted participants to defer their 401(k) loan repayments through the remainder of 2020, with loans being re-amortized, and loan repayments restarting in 2021. Finally, the processing of minimum required distributions was suspended for 2020, except upon participant request.

##### Eligibility:

Partners and all employees (other than associate attorneys) who have attained age 21 are eligible to participate in the Plan.

##### Contributions:

Participants may make contributions in the form of a salary reduction, subject to the maximum limits imposed by law. Participants who are fifty years and older are eligible to make catch-up contributions. The Plan also includes a Roth feature whereby participants are able to pay taxes on qualifying contributions when made. The Plan includes an auto-enrollment provision whereby all participants are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan annually. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balance fund until changed by the participant. The Plan also provides for an auto escalation feature whereby the participant's deferral rate automatically increases by 1% on each November 1<sup>st</sup> until a participant's deferral rate reaches 10%. Participants are eligible to also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

#### Note 1. Description of Plan (Continued)

##### Contributions (continued):

For those participants that have met the one year of service eligibility requirement as defined in the Plan document, the Partnership matches  $\frac{1}{2}$  of the contributions made by employees up to 4% of the participant's compensation plus  $\frac{1}{4}$  of the employee contributions in excess of 4% and up to 6% of the employee's compensation, but not more than 2.5% of the participant's compensation.

The Partnership may decide to make discretionary contributions to the Plan for those participants who have completed at least two years of service as defined in the Plan document. For the years ended December 31, 2021 and 2020, the Partnership made discretionary contributions equal to 7% for employees and 14% for partners of the participant's eligible compensation.

Contributions are subject to limits imposed by the Internal Revenue Code (the Code).

##### Participant accounts:

Each participant's account is credited with the participant's contributions, Partnership contributions, and an allocation of investment earnings and directly charged for fees related to the processing of benefits and notes receivable from participants and charged with an allocation of other administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants have the option of allocating their contributions among certain investment fund options managed by Prudential Insurance, or into a self-directed brokerage account. Through this self-directed brokerage account, the participant has the ability to purchase any publicly traded security including mutual funds, common stocks, corporate bonds and governmental securities.

The Plan allows participants to invest in Prudential IncomeFlex Select funds (Flex Funds). The Flex Funds allow participants, upon retirement, to receive a fixed monthly benefit for the participant's lifetime and protects participants from certain investment losses prior to retirement. Participants can lock in their fixed monthly benefit at age 55 or older. The fixed monthly benefit is based on the participant's investment balance in the Flex Funds and his or her age at election to fix the benefit. In addition to the investment management fee, the Flex Funds charge an additional fee for this fixed benefit provision that can't exceed 1.5% of net asset value (NAV) of the Flex Funds per year.

##### Vesting:

Participants are immediately fully vested in all participant and Partnership contributions plus actual earnings thereon.

### NOTES TO FINANCIAL STATEMENTS

#### Note 1. Description of Plan (Continued)

##### Payment of benefits:

Benefits are payable upon obtaining age 59½, death, disability or retirement. A participant may elect to receive either a lump-sum amount or an annuity based on the value of his or her account.

##### Notes receivable from participants:

Participants may borrow from their account a minimum of \$1,000 up to a maximum loan equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may not have more than two loans outstanding at any given time and can take out one loan during a twelve-month period. Notes receivable from participants must be repaid within a five-year period. The participant's notes are secured by the participant's vested account balance and bear interest at the prime rate plus 1%. Principal and interest is paid ratably through semi-monthly payroll deductions.

##### Administrative expenses:

Certain expenses of maintaining the Plan are paid directly by the Partnership and are excluded from these financial statements. Administrative expenses related to brokerage fees, audit fees, loan origination and administration, recordkeeping along with expenses related to the processing of benefits are paid by the Plan. Investment related expenses are included in net appreciation of fair value of investments.

#### Note 2. Summary of Significant Accounting Policies

##### Basis of accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

##### Investment valuation and income recognition:

Investments are reported at fair value (except for fully benefit-responsive contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

## PHILLIPS LYTTLE LLP RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

---

#### Note 2. Summary of Significant Accounting Policies (Continued)

##### Investment valuation and income recognition (continued):

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

##### Evergreen group annuity contract:

The Plan's investment in the evergreen group annuity contract with Prudential Insurance, named the Prudential Guaranteed Income Fund, is a traditional fully benefit-responsive investment contract and is, therefore, reported at contract value. Prudential Insurance maintains the contributions in the general account fund. Prudential Insurance is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Contract value reflects contributions, credits for interest, charges for participant withdrawals and administrative expenses.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Prudential Insurance determines the crediting interest rate semi-annually by considering many factors, including economic and market conditions, the general interest rate environment and the expected and actual return on the portfolio within the general account. The crediting interest rate may not be less than 1.5%.

Generally, there are no events that limit the ability of the Plan to transact at contract value with the issuer.

##### Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

##### Payment of benefits:

Benefits are recorded when paid.

##### Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

#### Note 4. Fair Value Measurements

Accounting principles generally accepted in the United States of America establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority level to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

## NOTES TO FINANCIAL STATEMENTS

### Note 4. Fair Value Measurements (Continued)

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The mutual funds held by the Plan are deemed to be actively traded.

*Pooled separate accounts:* Valued at the NAV of units of the pooled separate accounts. The NAV is determined by dividing the net assets, at fair value, of the fund by the number of units outstanding on the day of valuation. Pooled separate accounts are comprised primarily of shares of registered investment companies held through sub-accounts of a separate account of an insurance company. The Plan has concluded that the NAV, as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the insurance company, is used as a practical expedient to estimate fair value.

The investments are redeemable daily at the adjusted NAV under agreements with the insurance company. However, it is possible that the redemption rights may be restricted or eliminated in the future. Were the Plan to initiate a full redemption of the underlying investments, the investment advisor reserves the right to temporarily delay withdrawal from the pooled separate accounts to ensure that securities liquidations will be carried out in an orderly business manner.

*Participant directed brokerage accounts:* Primarily consist of mutual funds, U.S. government securities and interest-bearing cash. U.S. government securities are valued using pricing models maximizing the use of observable inputs for similar securities.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

(a) In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The pooled separate accounts have a daily redemption frequency and there is no required redemption notice period and no unfunded commitments as of December 31, 2021 and 2020. Prudential Insurance may delay any redemption for up to 30 days in the event of negative cash flow and if it is determined that the liquidation of certain investments of the pooled separate accounts would adversely impact remaining investors in the pooled separate accounts.

#### Note 5. Party-In-Interest Transactions

A party-in-interest is defined under the Department of Labor's regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, certain participants, and others. The Plan allows participants to take loans from their accounts in the Plan. Certain notes receivable from participants and income thereon qualify as party-in-interest transactions.

Certain Plan investments are managed by Prudential Bank and Prudential Insurance. Prudential Bank is the trustee and recordkeeper and Prudential Insurance is the custodian and, therefore, transactions with these investments qualify as party-in-interest transactions. Fees paid by the Plan to Prudential Insurance or its affiliate for administrative services and loan origination fees amounted to \$43,272 and \$64,548 for the years ended December 31, 2021 and 2020, respectively.

#### Note 6. Tax Status

The Internal Revenue Service (IRS) has determined and informed the Partnership by a letter dated June 13, 2017 that the Plan is qualified and the related trust is tax-exempt under the appropriate sections of the Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

### NOTES TO FINANCIAL STATEMENTS

---

#### **Note 6. Tax Status (Continued)**

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

#### **Note 7. Plan Termination**

Although it has not expressed any intent to do so, the Partnership has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, the assets of the Plan would be distributed according to the Plan document.

#### **Note 8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
