Bradford White Corporation 401(k) Plan for Union Employees
Ambler, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Bradford White Corporation 401(k) Plan for Union Employees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Bradford White Corporation 401(k) Plan for Union Employees and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bradford White Corporation 401(k) Plan for Union Employees' ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bradford White Corporation 401(k) Plan for Union Employees' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bradford White Corporation 401(k) Plan for Union Employees' ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Bradford White Corporation 401(k) Plan for Union Employees. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

401(k) PLAN FOR UNION EMPLOYEES

Notes to Financial Statements
December 31, 2021 and 2020

(1) Description of Plan

The following description of the Bradford White Corporation 401(k) Plan for Union Employees (the Plan) provides only general information. Participants should refer to the plan agreement, including plan amendments, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established April 1, 2000 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan covers certain employees of Bradford White Corporation (BWC), BWC Transport LLC (BWCT), and Niles Steel Tank (NST) (collectively the Company). Employees eligible for participation in the Plan are BWC employees who are members of United Automobile, Aerospace and Agricultural Implement Workers of American (UAW) Local #1002, BWCT employees who are members of International Brotherhood of Teamsters Local #7, and NST employees who are members of the United Steelworkers of America Local #13729 (collectively Covered Employees). Covered Employees will become participants in the Plan after completing 45 days of service. Employees hired on a temporary basis are eligible to participate in the Plan after completing one year of service. The plan trustees are responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

The assets of the Plan are held in a trust administered by an independent trustee, PNC Bank, N.A. (PNC).

Contributions

The Plan is funded by contributions from its participants and the Company. Each year, participants may contribute up to 15 percent of pretax annual compensation, as defined in the Plan, not to exceed \$19,500 for 2021. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit and defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. For NST participants, NST will make matching contributions of 50 percent of elective deferrals up to 4 percent of participants' compensation. Additionally, for all NST eligible employees, NST may contribute a discretionary amount regardless of whether a participant makes a deferral. Starting with the contract ratification on September 1, 2020, all BWC participants are eligible to receive a 50 percent match of elective deferrals, with BWC's contribution not to exceed 4 percent of compensation. Prior to that date, BWC's contribution did not exceed 2 percent of compensation.

BRADFORD WHITE CORPORATION
401(k) PLAN FOR UNION EMPLOYEES

Notes to Financial Statements
December 31, 2021 and 2020

(1) Description of Plan, Continued

Contributions, Continued

The Plan includes an auto-enrollment provision whereby all newly eligible Covered Employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4 percent of eligible compensation until changed by the participant.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's contribution, and plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in discretionary and matching contributions to participants' accounts, if any, is based on years of service. A participant is 20 percent vested after two years of service, 40 percent vested after three years of service, 60 percent vested after four years of service, 80 percent vested after five years of service, and 100 percent vested after six years of service. However, regardless of a participant's years of service, if an active participant becomes permanently disabled or dies prior to attaining normal retirement age, or upon termination of the Plan, then the participant's account becomes 100 percent vested.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participants' accounts and bear interest rates that range from 4.25 to 6.50 percent, which are commensurate with market rates on similar loans as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of employment, a participant may elect to receive a distribution of his or her account balance in either a lump-sum amount or annuity, or a combination of both. All distributions are subject to the applicable provisions of the plan agreement.

Notes to Financial Statements
December 31, 2021 and 2020

(1) Description of Plan, Continued

Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$25,937 and \$79,974, respectively. These accounts will be used to reduce future plan expenses and employer contributions. During, 2021, forfeitures of \$492 and \$140,355 were used to offset administrative expenses and employer contributions, respectively.

(2) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan trustees determine the Plan's valuation policies utilizing information provided by the investment adviser and PNC. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recognized on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

401(k) PLAN FOR UNION EMPLOYEES

Notes to Financial Statements
December 31, 2021 and 2020

(2) Summary of Significant Accounting Policies, Continued

Payment of Benefits

Benefit payments are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments. Other plan expenses are allocated to each participant's account based upon a weighted average of their account balances.

Subsequent Events

The Plan has evaluated subsequent events through October 5, 2022, the date the financial statements were available to be issued.

(3) Financial Information Certified by the Trustee

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by PNC, the trustee of the Plan, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedules. PNC has certified the following as complete and accurate:

- The investments at fair value at December 31, 2021 and 2020.
- Notes receivable from participants at December 31, 2021 and 2020.
- Net appreciation in fair value of investments for the year ended December 31, 2021.
- Interest and dividend income for the year ended December 31, 2021.
- Interest income on notes receivable from participants for the year ended December 31, 2021.
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year).

(4) Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

(4) Fair Value Measurements, Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies and money market fund: Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open end investments that are registered with the Securities and Exchange Commission. Registered investment companies are required to publish their daily net asset value (NAV) and to transact at that price. Registered investment companies held by the Plan are deemed to be actively traded.

Common trust fund: Valued at NAV of units held. The NAV is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31,		
	2021	2020
Registered investment companies		
Level 1	\$ 29,612,892	\$ 24,366,237
Level 2	-	-
Level 3	-	-
Investment measured at NAV as a practical expedient	919,977	581,669
Total investments, at fair value	<u>\$ 30,532,869</u>	<u>\$ 24,947,906</u>

Certain investments that are measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statements of net assets available for benefits.

(4) Fair Value Measurements, Continued

	Fair Value December 31, 2021	Fair Value December 31, 2020	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Trust Fund	\$ 919,977	\$ 581,669	None	Daily	12 months

There were no significant transfers among investment levels during the years ended December 31, 2021 and 2020.

(5) Related Party Transactions and Party-In-Interest Transactions

The Plan invests in registered investment companies, a common trust fund and a money market fund managed by PNC. PNC is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for PNC professional services amounted to \$86,198 for the year ended December 31, 2021.

(6) Plan Termination

Although they have not expressed any intent to do so, the Company has the right to discontinue their contributions at any time as well as the right to terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, participants would become 100 percent vested in their account balances.

(7) Income Taxes

The Plan is based on PNC's Non Standardized Prototype Plan.

The Internal Revenue Service (IRS) has determined and informed PNC by a letter, dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving that determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(9) Prohibited Transaction

During 2021, the Company failed to remit a certain employee contribution to the Plan's custodian within the period prescribed by DOL regulations. The Company has corrected the affected participant's account in 2022 to compensate for the potential lost income due to the delays. As of December 31, 2021, the Plan had \$119 of uncorrected contributions for the 2021 plan year.

(10) Transfers to Affiliated Plan

During 2021, transfers of net assets from the Plan to the Bradford White Corporation 401(k) Profit Sharing Plan amounted to \$209,636.
