INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
SEFCU 401(k) Plan
Albany, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of SEFCU 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Workplace Services, LLC as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

An Independently Owned Member, RSM US Alliance

RSM US Alliance member firms are separate and independent businesses and legal entities that are responsible for their own acts and omissions, and each are separate and independent from RSM US LLP. RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or within one year after the date the financial statements are available to be issued when applicable.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment as of and for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

SEFCU 401(k) PLAN

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN

The following description of the SEFCU 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan covering substantially all employees of State Employees Federal Credit Union (“SEFCU”), a Federal Credit Union (“Plan Sponsor” or the “Company”) and its wholly-owned subsidiaries, SEFCU Asset Management Services, LLC and SEFCU Services, Inc. An employee, who is age eighteen or older, is eligible to participate in the elective deferral feature of the Plan on the first day of the month following the date the employee meets the eligibility requirements. One year of service is required to receive Company discretionary matching contributions. An employee is eligible to participate in the discretionary matching feature of the Plan on the first day of the first, fourth, seventh or tenth month of the Plan year following the date the employee meets the eligibility requirements. The Plan is subject to the provisions of ERISA. The Board of Directors is responsible for oversight of the Plan. The Pension Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Board of Directors.

Contributions: Participants may contribute the lesser of 100% of pretax annual compensation (“elective deferral contributions”), or \$19,500 into the Plan for both 2021 and 2020. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions amounting to \$6,500 for both 2021 and 2020. Contributions are subject to certain Internal Revenue Service (IRS) limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan Sponsor, at the discretion of their Board of Directors, may contribute to the Plan a discretionary matching contribution for all eligible participants. The discretionary matching contribution equaled 100% of the first 2% of employee pre-tax contributions (including catch-up contributions) and was \$927,725 and \$832,204 for the Plan years 2021 and 2020, respectively.

Participant Accounts: Each participant’s account is credited with the participant’s elective deferral contributions, the Company’s contributions, Plan earnings and losses, participant loan activity, and expenses. Allocations are based on participant earnings, account balances, or specific account transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

SEFCU 401(k) PLAN

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN--Continued

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion of their accounts plus actual earnings thereon is as follows:

<u>Years of service</u>	<u>Vesting percentage</u>
Less than 2	0%
2	25%
3	50%
4	75%
5	100%

Receivables--Notes From Participants: Participants may borrow from their vested accounts a minimum of \$1,000 with the maximum amount being the lesser of 50% of the vested account balance or \$50,000 reduced by the highest outstanding loan balance at any time in the preceding year. Loan terms are up to five years, unless the loan is for the purpose of acquiring a principal residence then the maximum period shall be ten years. The loans are secured by the balance in the participant's account and bear interest at a rate determined by the Plan Administrator (currently prime plus 1%). Participants are permitted to have only one loan outstanding at a time and may only apply for one loan each calendar year. Principal and interest are paid ratably through payroll deductions.

On March 11, 2020, the World Health Organization declared the outbreak of the novel coronavirus ("COVID-19") as a global pandemic. In response to the pandemic, the Plan implemented the following provisions of the Coronavirus Aid, Relief and Economic Security ("CARES") Act that was signed into law on March 27, 2020 to help those participants impacted by COVID-19:

- Participants with an outstanding loan on or after March 27, 2020 may qualify to defer loan repayments until December 31, 2020 and may extend the term of the loan by one year.

Payment of Benefits: Upon termination of a participant's employment for any reason, including death, disability or retirement, a participant may elect to receive either a lump-sum cash distribution, a direct rollover distribution, or a combination of both equal to the value of the participant's vested interest in his or her account. If a participant's vested account balance is between \$1,000 and \$5,000, and the participant fails to make a distribution election, a lump-sum amount will be rolled over to an individual retirement account without their consent. If a participant's vested account balance is \$1,000 or less, and the participant fails to make a distribution election, a lump-sum amount will be paid to the participant without their consent.

NOTES TO FINANCIAL STATEMENTS--Continued

SEFCU 401(k) PLAN

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN--Continued

Payment of Benefits--Continued: As a result of the CARES Act, the Plan implemented the following provisions:

- Participants are permitted to take a distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.
- Participants and beneficiaries may elect to suspend required minimum distributions for the 2020 Plan year.

Forfeited Accounts: Discretionary matching contributions from forfeited nonvested accounts are retained by the Plan and are used to reduce subsequent employer discretionary matching contributions. At December 31, 2021 and 2020, there were \$26,031 and \$12, respectively, in forfeited nonvested accounts available to the Company. In 2021 and 2020, employer contributions were reduced by \$37,816 and \$52,207, respectively, from forfeited nonvested accounts.

NOTE B--SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Pension Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and trustee. See Note H for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS--Continued

SEFCU 401(k) PLAN

December 31, 2021 and 2020

NOTE B--SIGNIFICANT ACCOUNTING POLICIES--Continued

Receivables--Notes From Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants in accordance with IRS regulations.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. The Company can also elect to pay certain administrative fees from forfeited nonvested accounts. Trustee fees, as applicable, are also included in administrative expenses. Investment related expenses are included in investment income in the statements of changes in net assets available for benefits.

Events Occurring After Report Date: The Plan's management has evaluated events and transactions that occurred between December 31, 2021 and October 11, 2022, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. Other than the event identified in Note G, there were no other events or transactions identified by Plan management.

NOTE C--INFORMATION CERTIFIED AND PROVIDED BY FIDELITY MANAGEMENT TRUST COMPANY (UNAUDITED)

The following is a summary of the Plan's asset information as of and for the years ended December 31, 2021 and 2020, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Fidelity Management Trust Company, the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Mutual funds	\$ 76,877,419	\$ 65,355,324
Interest-bearing cash	<u>6,314,456</u>	<u>5,842,388</u>
	<u>\$ 83,191,875</u>	<u>\$ 71,197,712</u>
Receivables--notes from participants	<u>\$ 1,563,508</u>	<u>\$ 1,536,283</u>

Fidelity Management Trust Company (Fidelity) also certified to the completeness and accuracy of \$3,793,708 and \$7,115,666 of net appreciation in fair value of investments, \$5,378,113 and \$2,889,148 of dividends, and \$79,377 and \$79,919 of interest related to the aforementioned Plan assets for the years ended December 31, 2021 and 2020, respectively.

NOTE D--RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and interest-bearing cash managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions, which are exempt from the prohibited transaction rules. Participants are charged fees for loan and benefit payment processing and recordkeeping services relating to non-Fidelity mutual funds. Fees paid by the Plan to Fidelity for these services amounted to \$8,225 and \$6,850 for the years ended December 31, 2021 and 2020, respectively. These fees are deducted from individual participant accounts. The Company pays directly any other fees related to the Plan's operations.

NOTES TO FINANCIAL STATEMENTS--Continued

SEFCU 401(k) PLAN

December 31, 2021 and 2020

NOTE E--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company discretionary matching contributions.

NOTE F--TAX STATUS

Effective April 29, 2021, the Plan adopted a non-standardized form of a prototype plan sponsored by Fidelity. The prototype plan provider received an advisory letter from the IRS as to the prototype plan's qualified status. The prototype plan advisory letter has been relied upon by the Plan. Prior to April 29, 2021, the Plan adopted a volume submitter plan sponsored by Fidelity. The volume submitter plan provider received an advisory letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan advisory letter was relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE G--RISKS, UNCERTAINTIES AND SUBSEQUENT EVENT

The Plan invests in shares of mutual funds and interest-bearing cash. The investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The ongoing impact of COVID-19 on the Plan's financial statements remains uncertain and will depend on future developments, including the duration of the outbreak, related advisories and restrictions. Plan management is not able at this time to estimate any potential impact on the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS--Continued

SEFCU 401(k) PLAN

December 31, 2021 and 2020

NOTE G--RISKS, UNCERTAINTIES AND SUBSEQUENT EVENT--Continued

On August 1, 2022, SEFCU merged with Capital Communications Federal Credit Union (CAP COM) to become Broadview Federal Credit Union. Plan management is currently evaluating all available options regarding the timing and course of action they may take with respect to the merging of each credit unions' respective retirement plans, plan design, maintenance and administration.

NOTE H--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic 820, "Fair Value Measurements and Disclosures", are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS--Continued

SEFCU 401(k) PLAN

December 31, 2021 and 2020

NOTE H--FAIR VALUE MEASUREMENTS--Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The shares held in mutual funds by the Plan are deemed to be actively traded.

Interest-bearing cash: The fair value of interest-bearing cash approximates carrying value due to the nature of the instrument.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by Level, within the fair value hierarchy, the Plan's investments at fair value.

Investments at Fair Value as of:				
December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 76,877,419	\$ -0-	\$ -0-	\$ 76,877,419
Interest-bearing cash	6,314,456	-0-	-0-	6,314,456
Total investments at fair value	<u>\$ 83,191,875</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 83,191,875</u>

	Level 1	Level 2	Level 3	Total
