INDEPENDENT AUDITORS' REPORT

To the Plan Trustees
Evolucion Innovations, Inc. Retirement Trust
Seattle, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Evolucion Innovations, Inc. Retirement Trust ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the 2021 financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 financial statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated, September 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2021

Note 1 - Description of Plan

The following description of the Evolucion Innovations, Inc. Retirement Trust ("the Plan") provides only general information. Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Evolucion Innovations, Inc. ("the Company"). Employees are eligible to participate in the Plan once they have reached 21 years of age and completed six months of service. The Plan excludes nonresident aliens, leased employees, and employees covered by a collective bargaining agreement.

The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

In general, participants can make deferrals (pre-tax or Roth) up to 100% of eligible annual compensation, subject to the applicable limits of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans ("participant rollovers"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company may, at its discretion, elect to make a qualified matching contribution to the Plan. In April 2020, the Company implemented several measures to mitigate COVID-19 impacts on the Company and one of the measures was to suspend the qualified matching contribution. In April 2021, the Company reinstated the qualified matching contribution. The Company's qualified matching contribution was limited to 33% of participant contributions up to 6% of eligible compensation.

The Company may also elect to make nonelective contributions. No nonelective contributions were made by the Company for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct their proportionate share (vested and non-vested) of Plan assets to a variety of investment funds.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company matching portion of their accounts, plus actual earnings thereon, is based on years of credited service. A participant ratably vests 100% over four years of credited service. A participant is fully vested upon reaching normal retirement age, death, or permanent disability.

Evolucion Innovations, Inc. Retirement Trust

Notes to Financial Statements

December 31, 2021

Forfeited Accounts

Forfeited nonvested accounts may be used to reduce administrative expenses or used to reduce future Company contributions. Forfeited nonvested accounts as of December 31, 2021 and 2020 totaled \$854 and \$2,430, respectively. Forfeitures for 2021 amounted to \$1,276 and forfeitures used to reduce Plan expenses totaled \$2,886 for the year ended December 31, 2021.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Principal and interest is paid ratably through payroll deductions. Note terms are up to five years, except for notes to fund the purchase of a principal residence, for which the note may be repaid over a reasonable period that may exceed five years. The notes are secured by the balance in the participant's account and bear interest at 1% over the Prime Rate published in the Wall Street Journal. At December 31, 2021, the interest rate on the outstanding note was 5.50%.

Benefit Payments

Upon termination of employment, death, disability, or retirement (age 59½), the participant will receive the value of the vested interest in his or her account in the form of a lump-sum distribution or in installment payments, depending on the account balance. The Plan allows for in-service distributions if a participant reaches age 59½ subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent.

Plan Changes

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the valuation of the participant's individual account will become fully vested and non-forfeitable.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported

Evolucion Innovations, Inc. Retirement Trust

Notes to Financial Statements

December 31, 2021

amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. Excess contributions payable to participants of \$29,443 and \$6,992, at December 31, 2021 and 2020, respectively, were due to excess contributions, which have been refunded to participants.

Contributions

Contributions from participants are recorded in the period in which they are withheld from the participant's compensation. Matching contributions from the Company are recorded in the period in which the related participant contributions are recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan provides that certain expenses of the Plan may be paid by the Plan or the Company. Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Investment Valuation and Income Recognition

Investments are reported at fair value (see Note 3). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation (depreciation) of investments includes the realized and unrealized gains and losses on investments bought and sold during the year as well as held during the year.

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2022, the date the audited financial statements were available to be issued.

Note 3 - Fair Value Measurements

Fair value is defined as an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement determined based on assumptions that market participants would use in pricing an asset or liability.

Evolucion Innovations, Inc. Retirement Trust

Notes to Financial Statements

December 31, 2021

There are three levels that prioritize the inputs used in measuring fair value as follows:

- Level 1: Observable market inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: Observable market inputs, other than quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

An asset's or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodology used for the Plan's assets measured at fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund: The stable value fund is valued at net asset value. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be issued if it were determined to be probable that the fund would sell the investment for an amount different from the reported net asset value.

Group Annuity Contract: The group annuity contract is valued at net asset value. The net asset value is used as a practical expedient to estimate fair value. The practical expedient would not be used if it were determined to be probable that the group annuity contract would sell for an amount different from the reported net asset value.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Fair Value Measurement at December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 4,828,261	\$ -	\$ -	\$ 4,828,261

The amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4 - Information Certified by the Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Life & Annuity Insurance Company, a qualified institution, has certified as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the supplementary Schedule of Assets (Held at End of Year) as of December 31, 2021.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 5 - Tax Status

The Plan administrators believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Effective January 1, 2018, the Plan was amended and restated to comply with recent regulatory requirements. The Plan adopted a prototype plan developed by Great-West Trust Company.

In accordance with guidance on accounting for uncertainty in income taxes, the plan administrator evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - Reconciliation of Financial Statements to Form 5500

The following information reconciles differences between amounts reported on Form 5500 and amounts reported on the accompanying financial statements. Form 5500 is prepared on the cash basis and, therefore, does not reflect payables for corrective distributions.

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 4,818,715	\$ 4,021,349
Excess contributions payable	<u>29,443</u>	<u>6,992</u>
Net assets available for benefit per Form 5500	<u>\$ 4,848,158</u>	<u>\$ 4,028,341</u>

The following is a reconciliation of distributions per the financial statements to the Form 5500 for the year ended December 31, 2021:

Total distributions as reported per the financial statements	\$ 1,091,613
Excess contributions payable at beginning of year	6,992
Excess contributions payable at end of year	<u>(29,443)</u>
Total distributions per Form 5500	<u>\$ 1,069,162</u>
