INDEPENDENT AUDITOR'S REPORT

Plan Committee
L.A. Hydro-Jet 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements
We have performed an audit of the financial statements of L.A. Hydro-jet 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended December 31, 2021, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements
We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a-Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, and Schule H, Line 4i-Scheudle of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the L.A. Hydro-Jet 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan established by L.A. Hydro-Jet & Rooter Service, Inc. (the "Company" or "Employer") to provide benefits to eligible employees as defined in the Plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code ("IRC") and the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Administration
The Company has appointed a Plan administrator to manage the operations and administration of the Plan. The Company has contracted with Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (the "trustees" or "Great-West") to act as the trustees and recordkeeper to process and maintain records of participant data; and LPL Financial LLC to act as an investment advisor to the Plan.

Eligibility
All employees who are age 21 or over and have completed 249 hours of service within the three-month time period following their date of hire are eligible for participation in the Plan. If the employee does not complete 249 hours of service within the three-month time period of employment, then he or she will have satisfied the service requirement with one year of service. The employee may enter the Plan on the first day of the month following satisfaction of the eligibility requirement.

Participant Accounts
Individual accounts are maintained for each of the Plan's participants to reflect the participants contributions, discretionary Employer contributions, rollovers from qualified plans of the participant's previous employers, and allocations of the Plan's earnings and administrative expenses. The allocation is based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Contributions
Each year, participants may enter into a salary deferral agreement and contribute any amount, not to exceed elective deferral limits imposed by the IRC, and as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Participants are also allowed to make rollover contributions to the Plan from another qualified retirement plan or from an IRA. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Contributions (Continued)
The Plan includes an automatic salary deferral feature. Accordingly, once a participant is eligible, and unless an alternative salary deferral election is made, the Employer will automatically withhold 3% of eligible compensation and contribute that amount to the Plan as a pretax deferral.

Employer Contributions
As defined in the Plan, the Employer may make elective matching contributions at its sole discretion. The Employer did not make a matching contribution for the year ended December 31, 2021.

Investment Options
Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options at any time throughout the year via the Great-West website The Plan currently holds a combination of mutual funds as investment options for the participants.

Vesting
Plan participants are immediately vested in their elective deferrals including actual earnings thereon. In addition, participants vest in discretionary employer contributions based on their years of service as follows:

Years of Service	Cumulative Vesting Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants
Participants may borrow from their account a minimum of $1,000, up to a maximum equal to the lesser of $50,000, or 50% of their vested account balance, reduced by the highest outstanding loan balance in the prior 12-month period. The loans are secured by the balance in the participant's account and bear a rate of interest as determined by the Plan administrator, based on the prevailing interest rates charged by persons in the business of lending money under similar circumstances. Notes receivable from participants at December 31, 2021 and 2020 bear interest ranging from 4.25% to 9.75% and mature through 2026.

Loan terms are specified for each loan. Loans must be repaid within a five-year period unless the loan is used to purchase a principal residence. Principal and interest are paid ratably through weekly payroll deductions.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled $153 and $149, respectively. These accounts may be used to pay Plan expenses, reduce nonelective contributions, or reduce any future matching contributions. No forfeitures were used during 2021.

Plan Expenses

Administrative expenses incidental to the administration of the Plan, including fees of the trustees and custodian and independent public accountants, may be paid by the Employer. Administrative expenses not paid by the Employer are paid by the Plan. Most investment options have fees, which reduce the overall return on assets. The net appreciation of investments is reflected, net of these fees. Expenses that are paid by the Company are excluded from the financial statements.

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with the IRS regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

Payment of Benefits

Active participants may withdraw amounts from their accounts up to their entire vested interest if they attain the age of 62 years or qualify for financial hardship.

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum cash payment equal to the value of the participant's vested interest. The Plan allows for an automatic distribution of participants' account balances that do not exceed $5,000.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value, except for the guaranteed annuity contract, which is reported at contract value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Certain management fees and operating expenses charged to the Plan for investments in registered investment companies are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance, plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits
Benefit payments are recorded when paid.

Risks and Uncertainties
The Plan provides for various investment options in any combination of investment securities offered by the plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits and the Statement of Changes in Net Assets Available for Plan Benefits.

In March 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. The COVID-19 pandemic has also led to extreme volatility in financial markets and has affected and may continue to affect Plan assets. While the potential economic impact brought by, and the duration of, COVID-19 may be difficult to assess or predict, a widespread pandemic could result in significant disruption of global financial markets. The extent to which COVID-19 impacts the financial markets will depend on future developments that are highly uncertain and cannot be predicted.

NOTE 3 – CERTIFIED INFORMATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West, the trustee of the Plan, has certified the completeness and accuracy of:

- Investments reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2021 and 2020;
- Net appreciation in fair value of investments and dividend and interest income, reflected on the accompanying statement of changes in net assets available for plan benefits for the year ended December 31, 2021;
- Assets reflected on the Supplemental Schedule H, Line 4i - Schedule of assets (Held at End of Year) as of December 31, 2021.

NOTE 4 – FAIR VALUE MEASUREMENTS

The fair value measurements standard establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standard are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 – FAIR VALUE MEASUREMENT (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies (mutual funds)
Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 4,171,329	$ -	$ -	$ 4,171,329

	Investments at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 3,628,994	$ -	$ -	$ 3,628,994

NOTE 5 – GROUP ANNUITY CONTRACT WITH GREAT-WEST FUNDS

The Plan has entered into a fully benefit-responsive guaranteed annuity contract with Great-West. Great-West invests the contributions in the Key Guaranteed Portfolio Fund. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed annuity contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed annuity contract. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The interest rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest rate as stated in the contract, and prevailing market conditions. The rates as of December 31, 2021 and 2020 are 0.90% and 1.04% respectively and are reset quarterly.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes, or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Great-West, the trustee of the Plan. Any purchases and sales of these funds are performed on the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Notes receivable from participants and the related interest income are also considered related party transactions.

NOTE 7 – UNCERTAIN TAX POSITIONS

U.S. GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS or the DOL. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in question.

NOTE 8 – PLAN TERMINATION OR MODIFICATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions if any. Net assets available for plan benefits would be distributed to the participants, based on each participant's interest in the Plan.

NOTE 9 – INTERNAL REVENUE SERVICE STATUS

The Plan has adopted a prototype plan which obtained its latest opinion letter from the IRS, dated March 31, 2014, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The prototype plan's opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC. The Plan administrator believes the amendments to the original Plan document will not adversely impact the Plan's compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

NOTE 10 – NONEXEMPT TRANSACTIONS

As reported on the supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a), certain Plan contributions were not remitted to the trust within the time frame specified by the Department of Labor's Regulation 29 (CFR 2510.3-102), thus constituting nonexempt transactions between the Plan and the Employer for the year ended December 31, 2021.

Delinquent participant contribution for the 2021 plan year included $483 of employee contributions. Delinquent participant contributions for the 2020 plan year included $1,014 of employee contributions. Delinquent participant contributions for the 2019 plan year included $2,218 of employee contributions. Delinquent participant contributions for the 2018 plan year included $58 of employee contributions.

The Employer has deposited all of the above contributions with the trustees as of December 31, 2021.

NOTE 10 – NONEXEMPT TRANSACTIONS (Continued)

During the year ended December 31, 2020, the Employer reimbursed the Plan for lost earnings, filed Form 5330, and paid the applicable excise tax related to the delinquent contributions for 2018 through 2020. The excise tax payments were made from the Employer's assets and not from assets of the Plan. The lost earnings related to the 2021 delinquent contributions will be deposited during 2022.

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements at December 31, 2021, and December 31, 2020, to the Form 5500:

	2021	2020
Net assets available for plan benefits per financial statements	$ 4,435,756	$ 3,816,626
Deemed distribution of loans	(51,497)	(51,497)
Participant receivable	(452)	-
Excess contributions payable	9,840	-
Net assets available for plan benefits per Schedule H of the Form 5500	**$ 4,393,647**	**$ 3,765,129**

The following is a reconciliation of the total net increase per the financial statements for the year ended December 31, 2021, to the Form 5500:

Net increase per financial statements	$ 619,130
Participant receivable	(452)
Excess contributions payable	9,840
Net increase per Schedule H of the Form 5500	**$ 628,518**

NOTE 12 – SUBSEQUENT EVENTS

Effective January 1, 2022, the Plan was amended to exclude year-end discretionary bonuses and anniversary bonuses from compensation in the calculation of 401(k) deferrals.

The Plan administrator has evaluated subsequent events through October 4, 2022, which is the date the financial statements were available to be issued and concluded that no additional subsequent events have occurred that would require recognition in the financial statements, or disclosure in the notes to the financial statements.
