REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
Didion Milling, Inc. 401(k) Profit Sharing Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of Didion Milling, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or

is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN

The following description of the Didion Milling, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan of Didion Milling, Inc. (the Company) and was established effective September 1, 1982. The Plan covers substantially all employees of the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Two officers of the Company serve as the Trustees of the Plan.

Employees are eligible to participate in the Plan on the first day of the month following the attainment of the eligibility criteria, which is defined as reaching the age of 18 and the completion of two months of service. Eligibility to receive safe harbor company contributions is attained upon reaching the age of 18 and completion of six months of service.

Contributions

Participants can elect to contribute up to 100% of their eligible compensation as defined by the Plan, subject to certain limitations as defined within the Internal Revenue Code (IRC). These elective contributions are specifically allocated to the account of the individual participant. Participants may also make rollover contributions to the Plan. Safe harbor company contributions are made by the Company equal to 100% of the participant's elective contributions that do not exceed 5%.

Participant Accounts

Each participant's account is credited with the participant's elective contributions and an allocation of the Company's safe harbor company contribution and plan investment income. Allocations are based on participant compensation or account balances, as defined in the Plan agreement. The Plan allows participants to invest their account balances between or among separate investment funds established by the custodian within the trust. A participant may change the rate of elective contributions and catch-up contributions on any day. Participants are subject to loan origination and annual loan maintenance fees.

Vesting

Participants are immediately vested in their elective contributions, including rollover amounts, plus actual earnings thereon, as well as the safe harbor company contributions.

Payment of Benefits

Any benefits provided by the Plan are paid from the net assets available for benefits. The benefit to which a plan participant is entitled is the benefit that can be provided by their vested participant's account balance. The method of distribution will be determined by an election made by the Plan participant. The participant can elect a lump-sum distribution or installment payments for a specified term as defined in the Plan agreement. In-service distributions are permitted from the following accounts: elective contributions, including rollover amounts, contributions held in a participant's qualified non-elective contribution account, and safe harbor company contributions. These in-service distributions are limited to accounts that are 100% vested.

As provided under the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), the Plan allowed participants to withdraw the lesser of \$100,000 total or 100% of the participant's vested account balance in 2020.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Notes Receivable from Participants

The Plan allows loans to be taken out by plan participants. These loans are secured by participants' account balances. Each participant is allowed to have a maximum of one outstanding loan at any given time. The maximum loan that can be made to a participant is an amount equal to the lesser of \$50,000 or 50% of the participant's vested account balance. The term for repayment of the loan may not exceed five years, unless the loan qualifies as a primary residence loan. The repayment period for these loans may not exceed 30 years. Principal and interest is paid ratably through payroll deductions. The interest charged to the participant shall be at a rate equal to the federal prime rate in effect on the date the loan is made plus 1.00%. The interest rate on participant loans outstanding at December 31, 2021 and 2020 ranged from 4.25% to 6.00%.

As provided under the CARES Act, the Plan permitted plan participants to take higher loan amounts so that a qualified individual under the CARES Act could borrow up to the lesser of \$100,000 or 100% of their vested account balance in 2020.

In addition, qualified individuals under the CARES Act with an outstanding loan with repayment(s) occurring between March 27, 2020 and December 31, 2020, could delay repayment for one year. Any subsequent repayments will be appropriately adjusted to reflect the delay and any interest accruing cause the balance to be re-amortized.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

The significant accounting policies which have been consistently applied in the preparation of the accompanying financial statements follow:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

Except for the Plan's group annuity contract (see Note D), the Plan's investments are held by the custodian, Transamerica Life Insurance Company (Transamerica), and are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the

Didion Milling, Inc. 401(k) Profit Sharing Plan

December 31, 2021 and 2020

Plan document. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain plan expenses (such as investment-related fees and record-keeping fees) are recorded as an offset to investment income. Certain expenses associated with specific participant activity (such as participant loan fees) are charged directly to the participant's account and are included in administrative expenses. Unless otherwise paid by the Plan, certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The accounting framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

In accordance with the framework, the Company groups plan assets and liabilities measured at fair value into three levels based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts (PSAs) - PSAs investing in mutual funds or domestic equity securities are measured using quoted prices of the underlying mutual funds. PSAs directly investing in fixed maturity

Didion Milling, Inc. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

securities are valued based on the net asset value (NAV) of fund shares, which is calculated based on the valuation of funds' underlying investments at fair value at the end of the year. NAV is used as a practical expedient to estimate fair value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2021				
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV ^(a)				20,275,876
Investments, at fair value				\$ 20,275,876
2020				
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV ^(a)				17,554,114
Investments, at fair value				\$ 17,554,114

^(a) Redemption of PSAs are generally permitted daily and there are no unfunded commitments.

NOTE D - GROUP VARIABLE ANNUITY CONTRACT

The Plan holds a group variable annuity contract, the Transamerica Stable Value Option (TSVO), with Transamerica. Transamerica maintains the contributions to the TSVO in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses. The fund is fully benefit responsive.

The terms of the contract require all plan permitted participant-initiated transactions involving the investment to occur at contract value with no conditions, limits or restrictions. Contract value represents contributions made, plus earnings and transfers in, less participant withdrawals, administrative expenses and transfers out. Participants direct the withdrawal or transfer of all or a portion of their investment at contract value, which approximates fair value based on observation of recent participant investments and withdrawals at contract value; however, if an event should occur, such as a significant decline in the creditworthiness of Transamerica, the TSVO may no longer be considered fully benefit responsive. The Company does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Didion Milling, Inc. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

The following table summarizes the ratings for Transamerica per the report released on March 31, 2022:

	<u>A.M. Best Company</u>	<u>Moody's Investors Service, Inc.</u>	<u>Standard & Poor's Ratings Services</u>
Rating	A	A1	A+

The account is credited with earnings based on the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period. There is no stated minimum or maximum interest rate for the TSVO investment choice.

NOTE E - INCOME TAX STATUS

The Company is a participating employer in the TransAmerica's Volume Submitter Profit Sharing Plan with cash or deferred arrangement (CODA) approved by the Internal Revenue Service (IRS). The volume submitter plan obtained its latest advisory letter on March 31, 2014, in which the IRS stated that the volume submitter, as then designed, was qualified under Section 401(a) of the IRC. The Company has determined that the Plan is eligible and has chosen to rely on the current IRS advisory letter. The Plan has been amended since the date of the advisory letter. The Company believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC in all material respects.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all amounts credited to the participants' accounts shall become 100% vested and all unallocated amounts shall be allocated to the accounts of all participants.

NOTE G - PARTY-IN-INTEREST TRANSACTIONS

All transactions between the Plan, the Trustees, the Company and the participants are considered party-in-interest transactions. The Plan held \$32,436 and \$32,288 in notes receivable from participants as of December 31, 2021 and 2020, respectively.

A majority of the costs of administering the Plan are paid directly by the Company. These costs include administrative costs and audit fees and are insignificant to the total net assets of the Plan.

Certain plan investments are managed by Transamerica or affiliates thereof. Transamerica is the custodian as defined by the Plan and, therefore, any transactions with Transamerica qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

NOTE H - INFORMATION CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian has certified that the following data included in the financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, the fully benefit-responsive investment contract, at contract value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- The schedule of assets (held at end of year) as of December 31, 2021, as shown on schedule H, line 4(i).

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

NOTE J - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
