# Best & Flanagan, LLP 401(k) Profit-Sharing Plan

Financial Statements and Supplemental Schedule

Year Ended December 31, 2021

## **Independent Auditor's Report**

To the Plan Administrator  
Best & Flanagan LLP 401(k) Profit-Sharing Plan  
Minneapolis, Minnesota

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of Best & Flanagan LLP 401(k) Profit-Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Best & Flanagan LLP 401(k) Profit-Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Best & Flanagan LLP 401(k) Profit-Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Best & Flanagan LLP 401(k) Profit-Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Best & Flanagan LLP 401(k) Profit-Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Best & Flanagan LLP 401(k) Profit-Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### **In our opinion**

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Auditor's Report on the 2020 Financial Statements***

The 2020 financial statements of Best & Flanagan LLP 401(k) Profit-Sharing Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplementary schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

# **Best & Flanagan LLP 401(k) Profit-Sharing Plan**

## **Notes to the financial statements**

---

### **Note 1: Description of Plan**

The following description of the Best & Flanagan LLP 401(k) Profit-Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan, covering all eligible employees of Best & Flanagan LLP (the "Employer" or "Firm") who have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan engages ABA Retirement Funds (ABA) to assist with plan design, administration, investment advice and participant service, ERISA regulatory testing and compliance and Form 5500 reporting. ABA's service providers are the Mercer Trust Company (the "Trustee"), Voya Institutional Plan Services, LLC, the record keeper and TD Ameritrade, the broker of the self-managed investments.

#### **Eligibility**

Employees are eligible to participate in salary deferral contributions and safe harbor matching contributions starting on January 1 or July 1 after completion of one year of service in which 1,000 hours were worked.

Employees are eligible to participate in a discretionary profit sharing contribution starting on January 1 or July 1 after completion of one year of service in which 1,000 hours were worked and must be employed at the end of the year.

#### **Contributions**

Each year, participants may contribute up to maximum amount allowable not to exceed the limits of the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may elect to make a Roth 401(k) deferral. These deferrals are subject to federal income taxes in the year of deferral.

The Plan has a safe harbor matching contribution equal to 100% of each eligible participant's employee contributions, up to 4% of compensation. Safe harbor matching contributions were \$400,896 for the year ended December 31, 2021.

The Employer can make a discretionary profit sharing contribution to the Plan, as determined by the Executive Committee. The discretionary profit sharing contribution is allocated to participant's accounts according to a formula based on compensation. During the year ended December 31, 2021, the Employer made a profit sharing contribution of \$314,892.

## Notes to the financial statements

---

### Note 1: Description of Plan (Continued)

#### Contributions (Continued)

The Plan includes an automatic salary deferral feature in which 3% of the participant's compensation will be automatically withheld and contributed to the Plan once the participant meets the eligibility requirements, unless a participant elects a different percentage or no percentage.

#### Participant Accounts

Each participant's account is credited with the participant's salary reduction contributions and rollover contributions, and employer's safe harbor matching, as well as allocations of the employer's discretionary profit sharing contribution and Plan's earnings (losses) (net of administrative expenses). Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately 100% vested in their contributions and the Employer's safe harbor matching contributions upon enrollment in the Plan, plus actual earnings (losses) thereon. Employer discretionary profit sharing contributions vest according to the following schedule:

| <i>Years of Service</i> | <i>Vesting %</i> |
|-------------------------|------------------|
| 1 Year                  | - %              |
| 2 Years                 | 20 %             |
| 3 Years                 | 40 %             |
| 4 Years                 | 60 %             |
| 5 Years                 | 80 %             |
| 6 Years                 | 100 %            |

Participants become fully vested upon death, disability or normal retirement date.

#### Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from participants must be fully repaid through payroll deductions within 5 years. If a loan is entered into for the purchase of a primary residence, it may be paid back over a period of 30 years. Notes receivable from participants are immediately due upon the participant's termination. If not paid or rolled into a new plan, the balance is treated as a distribution to the participant in the year the note defaults. The notes receivable from participants are secured by the vested balance in the participant's account and bear a fixed interest rate which is a commercially reasonable rate determined by the Trustee at the time of the loan. As of December 31, 2021, the notes receivable from participants have interest rates ranging from 4.25% to 6.50%. Loans are also subject to the deduction of certain origination and processing charges. A participant will be granted two loans in any single plan year and can only have five loans outstanding at any given time.

### **Note 1: Description of Plan (Continued)**

#### **Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant (or beneficiary) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, annual installments over a fixed period, or a direct rollover to another eligible retirement plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, hardship distributions out of the participant's voluntary contributions account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 1/2.

Effective January 1, 2019, the new IRS hardship distribution regulations were implemented to allow participants to have access to earnings on the deferral portion of their account, to include federal disasters as a hardship category, to eliminate the suspension period subsequent to receiving a hardship distribution, and to eliminate the requirement to initially exhaust plan loans. Written amendments to the Plan to reflect these operational changes have been adopted in accordance with applicable law and IRS guidance.

#### **Forfeitures**

If a participant terminates employment before becoming fully vested in their account balance, the forfeited portion of the account balance is used to reduce future Firm contributions to the Plan. As of December 31, 2021 and 2020 there were forfeited nonvested accounts totaling \$4,194 and \$39, respectively. Forfeitures were not used during the year ended December 31, 2021.

### **Note 2: Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("GAAP").

#### **Use of Estimates**

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

#### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

## **Notes to the financial statements**

---

### **Note 2: Summary of Significant Accounting Policies (Continued)**

#### **Investment Valuation and Income Recognition (Continued)**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Administrative Expenses**

Plan expenses may be paid by the Employer or charged to the Plan and deducted from the participant's accounts. Expenses that are paid by the Employer are excluded from these financial statements. During the year ended December 31, 2021, \$17,419 of administrative expenses were paid by the Plan.

### **Note 3: Information Prepared and Certified by the Trustee**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mercer Trust Company, the Trustee of the Plan.

### **Note 4: Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

# Best & Flanagan LLP 401(k) Profit-Sharing Plan

## Notes to the financial statements

---

### Note 4: Fair Value Measurements (Continued)

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

#### *Self-directed brokerage accounts:*

*Common stocks:* Valued at the closing price reported on the active market on which the individual securities are traded.

*Mutual funds and money market funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Bonds:* Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

*Common/collective trust funds:* Valued at NAV provided by the administrator of the fund using NAV as a practical expedient to estimate fair value. This practical expedient would not be used if it were determined to be probable that the fund would sell the underlying investments for an amount different than the reported NAV. These funds are stable funds and their NAVs are based on the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily, and there are no restrictions as to the redemption of these funds or unfunded commitments. The redemption notice period is applicable only to the Plan.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

## **Notes to the financial statements**

---

### **Note 5: Plan Termination**

Although it has not expressed any intent to do so, the Plan has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Employer contributions.

### **Note 6: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **Note 7: Related-Party Transactions and Party-In-Interest Transactions**

Certain Plan investments are managed by the Mercer Trust Company, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan for investment management services are netted against plan earnings. Participants paid \$17,419 in administrative expenses in 2021.

Notes receivable from participants qualify as party-in interest transactions, which are exempt from the prohibited transaction rules of ERISA.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

### **Note 8: Tax Status**

The Employer adopted a nonstandard prototype document with an IRS notification letter which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

### **Note 9: Subsequent Events**

The Plan has evaluated subsequent events through September 28, 2022, which is the date the financial statements were available to be issued.
