To the Shareholders of Hames Corporation
Hames Corporation Employees Profit Sharing Plan

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of the Hames Corporation Employees Profit Sharing Plan (the Plan), as of and for the year ended December 31, 2021, and have issued our report thereon dated October 10, 2022. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated April 29, 2022, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Hames Corporation Employees Profit Sharing Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

Significant Risks Identified

Our audit standards require we communicate significant risks identified in the planning phase and that we design our audit to provide reasonable assurance that the financial statements are free of material misstatement whether caused by error or fraud. The significant risks identified are consistent with the risks we discussed with you during planning.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2021. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are management's estimates of the fair value of net assets, which are based on the certified statements received from Newport Trust Company.

Financial Statement Disclosures

Certain financial statements disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Plan's financial statements relate to fair value measurements. We evaluated whether the form and content of the financial statement disclosures related to the

investment information prepared and certified by the certifying custodian is in accordance with GAAP and in compliance with DOL rules and regulations.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate, and communicate to the appropriate level of management:

- All known and likely misstatements identified during the audit, other than those that we believe are trivial.
- All material, corrected misstatements that were brought to the attention of management as a result of our audit procedures.
- The effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole.

No such misstatements were identified.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain representations from management, which are included in the attached letter.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Information Included in Annual Reports

Pursuant to professional standards, our responsibility as auditors for other information in documents containing Hames Corporation Employees Profit Sharing Plan's audited financial statements does not extend beyond the financial information identified in the audit report, and

we are not required to perform any procedures to corroborate such other information. However, in accordance with such standards, we have read the final draft IRS Form 5500 and considered whether such information, and the manner of its presentation, was materially inconsistent with its presentation in the financial statements.

Other Matters

The ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Internal Controls and Other Matters

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Hames Corporation Employees Profit Sharing Plan as of and for the year ended December 31, 2021 in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements

will not be prevented, or detected and corrected on a timely basis. A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follows:

- *Reasonably possible.* The chance of the future event or events occurring is more than remote but less than likely.
- *Probable.* The future event or events are likely to occur.

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in the Plan's internal control to be a significant deficiency:

Finding 2021-001: Significant Deficiency – Employer Contribution Errors

During our audit, we noted errors in the employer matching contributions calculation due to a deficiency in the design of controls over the calculation of the employer matching contributions. One ineligible employee erroneously received a match contribution, and three eligible employees were not included in the employer matching contribution calculation. Management corrected the contribution amounts with the Plan recordkeeper upon discovery of the error.

We recommend the Plan Sponsor develop and implement procedures to review the employer contribution calculations to ensure employer matching contributions are properly allocated in accordance with the Plan document and reconciled to the accounting system and payroll data.

The identified significant deficiency is not considered to be a material weakness.

This report is intended solely for the information and use of the shareholders of Hames Corporation and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

Elgee Rehfeld

This representation letter is provided in connection with your audits of the financial statements of Hames Corporation Employees Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

We have elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of October 10, 2022, the following representations made to you during your audit:

Financial Statements

- We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated April 29, 2022, for the preparation and fair presentation of the financial statements (and disclosures) in accordance with U.S. GAAP.
- We acknowledge our responsibility for administering the plan and determining the plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedule that are free from material misstatement, whether due to fraud or error.
- We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. The methods and significant assumptions used to estimate fair values are properly disclosed in Note 4. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
- Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
- Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.
- All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
- The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
- We have no intentions to terminate the plan.
- Guarantees, whether written or oral, under which the plan is contingently liable to a bank or another lending institution have been properly recorded or disclosed in the financial statements. We have properly reported and disclosed amendments to the plan instrument, if any.
- With respect to financial statement preparation, we have performed the following:
 - Made all management decisions and performed all management functions;
 - Assigned a competent individual to oversee the services;
 - Evaluated the adequacy of the services performed;

- Evaluated and accepted responsibility for the result of the service performed; and
 - Established and maintained internal controls, including monitoring ongoing activities.
- We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- We believe the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Information Provided

- We have provided you with:
 - Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, plan instruments, trust agreements, insurance contracts, as applicable, or investments contracts, as applicable, and amendments to such documents entered into during the year;
 - The most current plan instrument for the audit period. Including all amendments;
 - A draft of the Form 5500 that is substantially complete;
 - Additional information that you have requested from us for the purpose of the audit;
 - Unrestricted access to persons within the plan from whom you determined it necessary to obtain audit evidence;
 - A written acknowledgement of all the documents that we expect to issue that will be included in the annual report and the planned timing and method of issuance of that annual report;
 - All minutes of the meetings of the retirement plans committee or summaries of actions of recent meetings for which minutes have not yet been prepared.
- All transactions have been recorded in the accounting records and are reflected in the financial statements.
- Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
- The plan or trust has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.
- We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- We have no knowledge of any fraud or suspected fraud that affects the plan and involves:
 - Management;
 - Employees who have significant roles in internal control; or
 - Others when the fraud could have a material effect on the financial statements.
- We have no knowledge of any allegations of fraud, or suspected fraud, affecting the plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

- We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
- We are not aware of any pending or threatened litigation, claims, and assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation, claims, or assessments.
- There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, events reportable to the Pension Benefit Guaranty Corporation, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.
- We have disclosed to you the identity of all the plan's related parties and parties in interest and the nature of all the related party and party in interest relationships and transactions of which we are aware.
- We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the plan.
- The plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- All required filings with the appropriate agencies have been made.
- The plan (and the trust established under the plan) is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified plan (and trust). The plan sponsor has operated the plan and trust or insurance contract in a manner that did not jeopardize this tax status.
- The plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the plan.
- The plan has complied with the fidelity bonding requirements of ERISA.
- There are no:
 - Nonexempt party in interest transactions (as defined in ERISA Section 3[l] and regulations under that section) that were not disclosed in the supplemental schedule or financial statements.
 - Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedule.
 - Reportable transactions (as defined in ERISA Section 103[b][3][H] and regulations under that section) that were not disclosed in the supplemental schedule.
- Employer contributions receivable recorded in the financial statements represents valid claims against employers for employer contributions due for the period on or before the statement of net assets available for benefits date and have been appropriately reduced to their estimated net realizable value.
- We have not engaged you to prepare or review the Plan's Form 5500 filing with the Internal Revenue Service and the DOL; however, the audited financial statements of the Plan are required to be filed with the Form 5500. We acknowledge that professional standards require you to read the Plan's Form 5500 prior to its filing; that the purpose of this procedure is for you to consider whether such information, or the manner of its presentation, is materially inconsistent with the information, or the manner of its presentation, appearing in the financial statements; and that these procedures are not sufficient nor are they intended for you to ensure that the Form 5500 is completely and accurately prepared.

INDEPENDENT AUDITOR'S REPORT

To the Shareholders of Hames Corporation
Hames Corporation Employees Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Hames Corporation Employees Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Hames Corporation Employees Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hames Corporation Employees Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of

expressing an opinion on the effectiveness of Hames Corporation Employees Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hames Corporation Employees Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Hames Corporation Employees Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 20, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Hames Corporation Employees Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information regarding the Plan's provisions.

General

The Plan was initially effective in February 1973 and was restated effective January 1, 2021. The Plan is a defined contribution plan for employees of Hames Corporation (the Corporation) who have at least six months of consecutive service and attained age 20. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to the legal limit of pretax annual compensation as defined in the Internal Revenue Code. Participants may also make rollover contributions representing distributions from other qualified plans. The Corporation may make discretionary matching contributions equal to a uniform percentage to be determined each year by the Corporation and has the option to make yearly profit-sharing contributions. The Corporation will match an eligible employee's contribution up to 3% of the employee's eligible compensation. The profit-sharing contribution amount is discretionary and is determined by the Corporation. The Corporation's profit-sharing contributions to the Plan are allocated to all eligible participants based on the participant's earnings. An employee will become eligible for employer matching and profit-sharing contributions after completion of 6 months of service and have attained the age of 20. Participants direct the investment of their contributions into various investment options offered by the Plan including money market, mutual funds, collective trust accounts and a personal brokerage account.

Personal brokerage account funds are invested in a self-directed brokerage account. All investments are directed by the participant.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (1) the Corporation's contribution and (2) Plan earnings. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their participant account a maximum of the lesser of 50% of their vested account balance or \$50,000. Loans are secured by the balance in the participant's account and bear a reasonable interest rate. Loans must be repaid within a five-year period, except for loans used to acquire or construct a dwelling which is, or will be used as, the participant's principal residence.

Payment of Benefits

Distributions from the Plan are made when a participant retires, dies (in which case, payment shall be made to his or her beneficiary, or if none, his or her legal representatives), becomes disabled, or otherwise terminates employment with the Corporation. Hardship withdrawals are permitted under certain circumstances. Participants should consult the Plan agreement for detailed information concerning distribution options.

HAMES CORPORATION
EMPLOYEES PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Vesting

Participants are vested immediately in their deferral contributions plus actual earnings thereon. A participant's interest in the Corporation discretionary contribution and Corporation matching account fully vests when the participant (a) attains normal retirement age, as defined in the Plan document, (b) completes six years of service, (c) dies or (d) becomes totally and permanently disabled. Upon termination of a participant's employment for any other reason, the participant's interest in the employer discretionary contribution and employer matching contribution account is vested in accordance with the following schedule:

<u>Completed years of service</u>	<u>Vested percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Plan Termination

Although it has not expressed intent to do so, the Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all Plan benefits previously earned by the participants and any unused discretionary employer contributions would be non-forfeitable.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Investment Income

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Annuity contracts are reported at contract value which approximates fair value. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gain and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are valued at their unpaid principal balance plus accrued interest. No allowance for doubtful accounts has been recorded as all notes receivable from participants are deemed collectible. If a loan becomes delinquent it is treated as a deemed distribution to the participant.

HAMES CORPORATION
EMPLOYEES PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to certain administration items, including notes receivable from participants, are charged directly to the participant's account, and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Forfeited Accounts

Forfeitures of terminated participant non-vested account balances remain in the Plan investment accounts and are available to reduce future contributions from Hames Corporation. At December 31, 2021 and 2020, forfeited, non-vested accounts totaled \$4,889 and \$1,110, respectively. During 2021, a total of \$2,000 of forfeitures was used to offset 2020 employer match contributions.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Date of Subsequent Review

Management has evaluated subsequent events through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued.

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Newport Trust Company (the certifying custodian of the Plan).

NOTE 4 – FAIR VALUE MEASUREMENT

FASB ASC 820, Fair Value Measurements and Disclosure, defines fair value as the exchange price that would be received on the measurement date to sell an asset or the price paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. FASB ASC 820 also establishes a three-level fair value hierarchy that describes the inputs that are used to measure assets and liabilities. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

HAMES CORPORATION
EMPLOYEES PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money Market: Valued at accumulated cash contributions plus accrued interest.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust: The Fisher Investment Collective Trust Funds are collective trust funds that are valued at the NAV of the units of the collective trust funds held by the Plan at year-end times the respective unit values. The NAVs, as provided by the custodian, are used as practical expedient to estimate fair value. The NAVs of the collective trust funds are based upon significant observable inputs, although they are not based upon quoted market prices in an active market. The collective trust funds' investment objectives are to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital. To achieve their investment objectives, the collective trust fund invests in assets (typically contracts issued by insurance companies and banks, synthetic investment contracts, and short-term investments) and enters into "wrapper" contracts issued by third parties and invests in cash equivalents represented by shares in a money market fund.

Self-Directed Brokerage Account: The fair value of the common stocks within the self-directed brokerage account is valued at the closing price reported on the active market on which the individual securities are traded. The fair value of the insured deposit account within the self-directed brokerage account is considered the same as cash.

HAMES CORPORATION
EMPLOYEES PROFIT SHARING PLAN

NOTE 5 – TAX STATUS

The IRS has determined and informed the Plan Sponsor by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – TRANSACTIONS WITH RELATED PARTIES OR PARTIES-IN-INTEREST

Newport Trust Company is the custodian as defined by the Plan. Newport Trust Company is also the recordkeeper, and Fisher Investments is the investment advisor. Transactions with these companies qualify as party-in-interest transactions. Fees paid by the Plan to parties-in-interest amounted to \$34,547 for the year ended December 31, 2021.

NOTE 8 – CONCENTRATION OF INVESTMENTS, RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits. There are two investments that individually represent more than 10% of the investments held as of December 31, 2021. See Schedule H, Line 4i - Schedule of Assets (Held at End of Year) for the complete listing of investments held as of year-end.
