INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants
Jaeger Lumber & Supply Company, Inc. 401(k) Profit Sharing Plan
Union, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Jaeger Lumber & Supply Co., Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, is presented in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA, the Plan Administrator instructed us not to perform and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN:

Jaeger Lumber & Supply Company, Inc. 401(k) Profit Sharing Plan ("Plan") is administered by Jaeger Lumber & Supply Company, Inc. ("Company," "Plan Sponsor" or "Plan Administrator"). The following brief description of the Plan is provided for general information purposes only. More complete information is provided in the Summary Plan Description and Plan Document, which are available from the Company.

General:

The Plan is a voluntary, participant-directed, defined-contribution savings plan, which became effective December 31, 1969. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility:

Employees, excluding union employees, leased employees and certain nonresident aliens, are eligible to participate in the Plan after completing one year of service (defined as 1,000 hours of service). The Plan does not have a minimum age requirement. Employees can enter the Plan on the first day of the month following the satisfaction of the eligibility requirements. The Plan has an automatic enrollment and automatic deferral election feature. Under the automatic enrollment option, an employee who meets the eligibility requirements will be automatically enrolled as a participant with an election to contribute 2% of their compensation to the Plan unless they elect to opt out.

Contributions:

Each Plan year, participants may elect to make voluntary pretax contributions and Roth 401(k) contributions to the Plan up to 100% of their eligible compensation, as defined in the Plan, up to annual Internal Revenue Service ("IRS") dollar limits. Participants age 50 or older may make an additional pretax contribution, also subject to annual IRS limitations. Participants may also contribute rollover amounts representing distributions from other qualified pension plans. The Company matches 50% of the first 5% of the employees' pretax contributions. In the 2021 and 2020 Plan years, the Company made \$182,287 and \$159,174 respectively, of matching contributions.

The Company may also make a discretionary profit-sharing contribution, determined annually, to all participants eligible to share in the contribution for the Plan year. In the 2021 and 2020 Plan years, the Company made \$152,519 and \$157,823, respectively, of discretionary, profit-sharing contributions. These contributions are included in employer contributions on the accompanying statements of changes in net assets available for benefits. Profit-sharing contributions are allocated to participants under a tiered formula, as defined in the Plan Document. Employees must be employed on the last day of the Plan year in order to receive discretionary profit-sharing contributions.

NOTE 1 - DESCRIPTION OF PLAN: (Continued)

Investment Options:

Upon enrollment in the Plan, participants may direct their employee and Company contributions by percentages into any of the investment options available. A separate account is maintained for each participant, and interest and dividends earned by each fund are reinvested in that fund. Participants may change their investment options at any time.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocation of: (a) the Company's match and discretionary, profit-sharing contribution; (b) Plan earnings, gains or losses; and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan Document.

The Plan permits participants to self-direct the investments of their accounts in a variety of investment options. All participants have elected to self-direct their accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately 100% vested in their elective contributions plus actual earnings thereon. Vesting in the Company's match, discretionary, profit-sharing contributions and earnings thereon is based on years of service. A participant with less than two years of credited service is 0% vested in employer contributions. Vesting increases 20% per year from year two through year six. A participant with six years of service is 100% vested. Participants become fully vested upon attainment of age 65, or upon death or disability of the participant.

Payment of Benefits:

On termination of service due to death, disability, retirement, or termination of service for other reasons, a participant will receive a lump-sum distribution equal to the value of the participant's vested interest in their account, unless the vested account includes retirement benefits transferred from another plan requiring a qualified joint-and-survivor annuity. Participants have the option to leave amounts in the Plan up to the mandatory distribution date, which is defined as April 1st following the calendar year of attaining the age 72. If the participants are still employed by the age of 72, the mandatory distribution date generally is April 1 following the termination date of employment. If the participants are 5% owners, the mandatory distribution date generally is April 1 following the calendar year of attaining the age 72, regardless of whether they are employed. If the vested balance is \$5,000 or less, any amount exceeding \$1,000 will be distributed to an IRA or annuity for the participant's benefit. If the participant's vested balance is \$1,000 or less, the participant will receive a lump-sum distribution without consent.

NOTE 1 - DESCRIPTION OF PLAN: (Continued)

Notes Receivable from Participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of 50% of their vested account balances or \$50,000, reduced by the highest loan balance in the participant's account in the preceding 12 months. Each loan is secured by 50% of the vested balance in the participant's account. Only two loans per participant can be outstanding at a time. The interest rate on participants' loans ranges from 4.25% to 8.25%. The interest rate on loans to participants is the prime interest rate plus 1% at the date of the loan. The interest rate will remain fixed throughout the duration of the loan.

Participants pay a one-time loan application fee upon receipt of the loan, as well as a monthly administration fee for the life of the loan. Loans have a maximum term of not more than five years, unless the loan is used to acquire the borrower's principal residence, in which case the term may exceed 5 years up to 30 years. Principal and interest payments may be made through payroll deductions, and there is no penalty for early repayment of loan balances. Notes receivable from participants amounted to \$209,498 and \$202,127 at December 31, 2021 and 2020, respectively.

In-service Withdrawals:

Participants attaining the age of 59 ½ may request a withdrawal of all or part of the vested portion of their accounts. Also, in the event a participant suffers financial hardship, as defined in the Plan, a participant may withdraw all or part of the vested portion of their account. Hardship withdrawals are subject to approval by the Plan Administrator and also subject to income tax withholding and penalties.

Retirement:

The Plan's normal retirement age is 65. There is no early retirement provision under the Plan.

Forfeiture and Holding Account:

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures are allocated first to reduce administrative fees and then, if any amount remaining, reallocated among the accounts of the remaining participants as an additional employer-match or profit-sharing contribution. At December 31, 2021 and 2020, \$74,054 and \$44,998, respectively, was available in the forfeiture and holding account.

For the year ended December 31, 2021, \$21,695 of forfeitures were used to offset Plan expenses and \$0 were reallocated to participant accounts. For the year ended December 31, 2020, \$21,245 of forfeitures were used to offset Plan expenses and \$0 of forfeitures were reallocated to participant accounts.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment advisers and Capital Bank and Trust Company, the Custodian of the Plan. See Note 4 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Return of Excess Contributions:

In order to be in compliance with the nondiscrimination rules of ERISA, the Plan returned excess contributions to certain highly compensated employees in February of the subsequent year. Total excess contributions returned to participants amounted to \$0 and \$1,070 for the years ended December 31, 2021 and 2020, respectively.

Benefit Payments:

Benefit payments are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Administrative Expenses and Participant Transaction Fees:

The Plan's expenses are paid either by the Plan or the Plan Sponsor, as provided by the Plan Document. Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, investment fees, and certain Plan administration fees not covered by the Plan Sponsor are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Mutual Fund Fees:

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. Allowable fees under Section 12b-1 of the Investment Company Act of 1940 are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity and thus not separately identifiable as an expense.

Subsequent Events:

The Company has evaluated its subsequent events and transactions occurring after December 31, 2021 through October 11, 2022, the date that the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIAN:

Certain information related to investments and notes receivable from participants, disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including non-interest-bearing cash, investments, and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest, dividends, and other income, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to, or derived from, information certified as complete and accurate by Capital Bank and Trust Company, the Custodian of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS:

Fair value measurements establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

JAEGER LUMBER & SUPPLY COMPANY, INC.
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS: (Continued)

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. (Level 1 inputs)

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - FAIR VALUE MEASUREMENTS: (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 20,762,335	\$ -	\$ -	\$ 20,762,335
Total Investments at Fair Value	\$ 20,762,335	\$ -	\$ -	\$ 20,762,335

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 17,372,325	\$ -	\$ -	\$ 17,372,325
Total Investments at Fair Value	\$ 17,372,325	\$ -	\$ -	\$ 17,372,325

NOTE 5 - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, participants would become 100% vested in their employer contributions and earnings thereon.

NOTE 6 - INCOME TAX STATUS:

The Plan Sponsor adopted a nonstandardized prototype plan, which received an Internal Revenue Service opinion letter dated March 31, 2014. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is currently designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 6 - INCOME TAX STATUS: (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any periods in progress.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500: (Continued)

Deemed distributions represent participant loans pending foreclosure. Per IRS regulations, all participant loans pending foreclosure related to active participants are required to be reported as Plan assets until a distributable event occurs. Accordingly, a difference occurs between net assets available for benefits per the financial statements to Form 5500 as Department of Labor regulations require loans pending foreclosure be reported as deemed distributions on Form 5500.

NOTE 8 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are shares of mutual funds held by Capital Bank and Trust Company, the Custodian. Additionally, administrative expenses are paid to American Funds, the recordkeeper. Transactions with these parties qualify as party-in-interest transactions.

Notes receivable from Plan participants qualify as party-in-interest transactions.

NOTE 9 - RISKS AND UNCERTAINTIES:

The assets of the Plan are invested in financial instruments that are liquid, readily tradable, and subject to fluctuations in fair value. General market and economic conditions have a significant impact on the Plan's investment performance. Interest rates do not necessarily move in the same direction or in the same magnitude as the prices of goods and services as measured by the Consumer Price Index. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent to December 31, 2021, the Plan investments depreciated in value by approximately 22% through October 11, 2022, the date the financial statements were available to be issued.

NOTE 10 - CONCENTRATIONS:

For the years ended December 31, 2021 and 2020, the Plan held three investments that represented 38% and 33%, respectively, of net assets available for benefits.
