INDEPENDENT AUDITORS' REPORT

TO THE INVESTMENT COMMITTEE OF KAISERAIR, INC. SAVINGS AND PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of KaiserAir, Inc. Savings and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Member of Kreston International — a global network of independent accounting firms

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule – Modified Cash Basis Required by ERISA

The supplemental Schedule H – Line 4i: Schedule of Assets (Held at End of Year) – Modified Cash Basis as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule (modified cash basis), other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule (modified cash basis) related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated September 22, 2021 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of KaiserAir, Inc. Savings and Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution profit sharing plan covering all eligible employees of KaiserAir, Inc. and its subsidiary, Santa Rosa Jet Center, LLC, collectively the “Company”. Employees are eligible to participate in the Plan as of the enrollment date coinciding with or next following the date on which the employee has both attained age 18 and completed one month of eligible service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (the “IRC”). The Investment Committee is responsible for oversight of the Plan which includes, among other matters, determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

The Plan provides for a plan administrator who is responsible for keeping accurate and complete records of the Plan’s operations, informing participants of changes or amendments to the Plan, ensuring the Plan conforms to the law and government regulations, and providing participants with any reports and documents required by law. The Plan has contracted with Massachusetts Mutual Life Insurance Company (the “Recordkeeper” or “MassMutual”) to provide administrative services to the Plan. Reliance Trust Company is the trustee of the Plan. On December 31, 2020, Empower Retirement LLC (“Empower”) acquired the retirement business of MassMutual. Following an initial transition period, Empower will become the sole administrator of their business.

In April 2020, the Plan implemented the distribution provisions of the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act that was signed into law on March 27, 2020. The distribution provisions allowed the Plan’s qualified participants to take a coronavirus-related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. In addition, the CARES Act allowed any participant subject to a 2020 required minimum distribution to waive such distribution. Written amendments to the plan document to reflect these operational changes will be adopted in accordance with applicable law and Internal Revenue Service (“IRS”) guidance.

Participant Contributions – Each year, participants may voluntarily contribute up to 100% of their annual compensation, as defined by the Plan, on a tax-deferred and/or after-tax basis, up to a maximum amount allowed by the IRC. The maximum allowed deferral amount was \$19,500 for the year ended December 31, 2021. Participants who have attained age 50 before the end of the Plan year are also eligible to make additional catch-up contributions of \$6,500 in 2021.

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Contributions (Continued) – Participants may also make rollover contributions from other qualified defined benefit or defined contribution plans.

The Plan provides for an Automatic Contribution Arrangement whereby all newly eligible employees will be automatically enrolled at a contribution rate of 2% of eligible compensation. In addition, the automatic deferral amount is subject to an automatic increase of 1% of eligible compensation each Plan Year up to a maximum of 10%. All automatically enrolled employees may subsequently elect to stop or change the automatic contribution percentage and the automatic deferral increase.

Employer Contributions – The Company makes a Safe Harbor Matching Contribution on behalf of each of its eligible employees who have made tax-deferred and/or after-tax contributions for the year. The amount of the Safe Harbor Matching Contribution is equal to 100% of the first 4% of the eligible employee's compensation that is contributed to the Plan. In addition, the Company may, at its discretion, make additional contributions, including profit sharing contributions, to the Plan in an amount determined by the Company. In addition, the Plan allows all employees who meet the eligibility requirement to receive discretionary profit sharing contributions, if any, regardless of whether they make any voluntary contributions. There was no discretionary profit sharing contribution during the year ended December 31, 2021.

Participant Accounts – The Plan maintains an account for each participant, which is credited with the participant's and employer matching contributions, as well as allocations of Plan investment earnings or losses and additional employer contributions, and charged for an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that may be provided from the participant's vested account.

Vesting – Participants are immediately vested in their voluntary contributions and Safe Harbor Matching Contributions. A participant's vested interest in additional Company contributions shall be determined in accordance with the following schedule:

<u>Years of Vesting Service</u>	<u>Vesting Interest</u>
Less than 1	0%
1, but less than 2	20%
2, but less than 3	40%
3, but less than 4	60%

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting (Continued) – Participants are fully vested upon retirement, death, disability, or plan termination.

Benefit Payments – Upon termination of service, death, disability or retirement, a participant may elect to receive a lump-sum distribution, installments over a period of not more than the assumed life expectancy of the participant or beneficiary, an annuity purchased with the participant's vested account balance, or a rollover distribution. A participant may also elect to receive a pre-retirement distribution if the participant is 100% vested in the amount being distributed and has reached 59½ years of age or incurs a financial hardship as defined by the Plan documents. Benefit payments to the participant generally must begin no later than April 1st following the later of the end of the year after the participant attains age 72. In addition, pursuant to the CARES Act, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distribution and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. As discussed above, the Plan also permitted qualified participants to request a coronavirus-related distribution up to \$100,000, with optional repayment terms of up to three years, in accordance with the CARES Act.

Terminated participant accounts with balances less than \$5,000 but more than \$1,000 will be automatically distributed to the participant in the form of either a lump-sum payment or rolled over to an IRA per the participant's election. Terminated participant accounts with balances less than \$1,000 will be automatically distributed to the participant in the form of a lump-sum payment.

Investment Options – Upon enrollment in the Plan, a participant may direct his or her contributions in percentage increments into a series of mutual funds and a guaranteed interest account offered by the Plan. Participants may change their investment options at any time.

Forfeited Accounts – Any portion of a terminated employee's account that is not vested is forfeited, subject to the possibility of reinstatement. Forfeitures may be used to pay any Plan administrative expenses or reduce future employer contributions to the Plan. As of December 31, 2021 and 2020, forfeited non-vested accounts amounted to \$14,097 and \$10,075, respectively. During the years ended December 31, 2021, forfeitures of \$552 were used to pay Plan administrative expense. No forfeitures were used to reduce the Company's contributions to the Plan during the year ended December 31, 2021.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan’s policy is to prepare its financial statements on the modified cash basis of accounting; accordingly, contributions and investment income are recorded as received and expenses are recognized when paid.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value, except for the investment in the Guaranteed Interest Account, which is reported at contract value (see Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan’s valuation policies utilizing information provided by the investment advisor and the trustee. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded when cash is received and disbursed. Interest income is recorded on the cash basis. Dividends are recorded when received. Net appreciation or depreciation in fair value of investments includes the Plan’s gains and losses on investments purchased and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to certain administrative services are charged directly to participants’ accounts and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

Accounting standards for fair value measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under these accounting standards are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

KAISERAIR, INC.
SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS

December 31, 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments in two individual investment options made up 25% of total investments as of both December 31, 2021 and 2020. Additionally, for the years ended December 31, 2021 and 2020, the aggregate of the target date funds was 56% and 47% of total investments, respectively.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

		2021			
		Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy:					
Mutual Funds		<u>\$ 28,985,206</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 28,985,206</u>
		2020			
		Level 1	Level 2	Level 3	Total

NOTE 4 – CERTIFIED INVESTMENT INFORMATION

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company and Empower have certified to the completeness and accuracy of all investments reported at fair value and contract value reflected on the Statements of Net Assets Available for Benefits – Modified Cash Basis and Note 3 as of December 31, 2021 and 2020, the supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) – Modified Cash Basis as of December 31, 2021 and the related investment activity reflected in the Statement of Changes in Net Assets Available for Benefits – Modified Cash Basis for the year ended December 31, 2021.

NOTE 4 – CERTIFIED INVESTMENT INFORMATION (Continued)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – GUARANTEED INTEREST ACCOUNT

The Plan maintains a fully benefit-responsive investment contract, the Guaranteed Interest Account, with MassMutual/Empower. MassMutual/Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The Plan is credited with an annual interest rate of no less than 1.00%, which is reset every six months. There are no reserves against contract value for credit risk of the contract issuer or otherwise. There are no unfunded commitments as of December 31, 2021 and 2020.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MassMutual/Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value. Contract value was \$2,317,199 and \$4,445,772 as of December 31, 2021 and 2020, respectively.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value with MassMutual/Empower. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (4) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would limit the ability of the Plan to transact at contract value with the participants.

KAISERAIR, INC.
SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS

December 31, 2021

NOTE 5 – GUARANTEED INTEREST ACCOUNT (Continued)

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the contract without the consent of the issuer. Upon termination, a market-value adjustment may apply.

NOTE 6 – TAX STATUS

The Plan adopted the Massachusetts Mutual Life Insurance Company Volume Submitter Profit Sharing/401(k) Plan, which received a favorable opinion letter from the IRS on March 31, 2014, stating that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan has not requested a separate determination letter from the IRS; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon an examination by the tax authorities. The Plan is subject to routine audits by applicable taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination among the funds sponsored by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in investment values in the near term would materially affect the participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits - Modified Cash Basis.

NOTE 9 – PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds and a guaranteed interest account managed by MassMutual/Empower. The investment transactions are executed by MassMutual/Empower, the recordkeeper as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions, which are exempt from the ERISA prohibited transaction rules.

MassMutual/Empower provides certain administrative services to the Plan pursuant to a service agreement. MassMutual/Empower receives revenue from certain mutual fund service providers for services MassMutual/Empower provides to the funds. This revenue is used to offset certain amounts owed to MassMutual/Empower for its administrative services to the Plan and are included in net appreciation/depreciation in fair value of investments.

NOTE 10 – SUBSEQUENT EVENTS

Effective May 1, 2022, the Plan sponsor removed Reliance Trust Company as trustee of the plan and appointed Great-West Trust Company, LLC ("Great-West") as its successor.

Effective May 1, 2022, the Plan was amended and restated to Great-West's defined contribution pre-approved plan. Great-West received an opinion letter dated June 30, 2020, in which the IRS stated that the form of the pre-approved plan is acceptable for use by employers for the benefit of their employees under IRC Section 401. There are no significant changes to the Plan's provisions as a result of this change.

The Plan's management has evaluated subsequent events through October 12, 2022, which is the date the financial statements were available to be issued.
