Independent Auditor's Report

To the Plan Administrator
Los Angeles Tourism & Convention Board 401(k) Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Los Angeles Tourism & Convention Board 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021, and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter –Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, and the Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Los Angeles Tourism & Convention Board 401(k) Plan

Notes to Financial Statements

1. Plan Description

The following description of the Los Angeles Tourism & Convention Board 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document, as amended, for a more complete description of the Plan’s provisions.

General

The Plan is a tax qualified defined contribution plan covering substantially all employees of the Los Angeles Tourism & Convention Board (the “Plan Sponsor” or the “Company”), and Los Angeles Sports & Entertainment Commission, who are age 21 years or older, with entrance dates on the first day of the month following six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (“Principal”) is the Trustee and provides recordkeeping functions to the Plan. Certain members of executive management are the Plan Administrators and are responsible for oversight of the Plan. The Plan is intended to be a qualified defined contribution plan that satisfies the requirements of section 401(k) of the Internal Revenue Code (the “Code”).

Contributions

Each year, participants may contribute up to 100% of pretax annual eligible compensation, as defined by the Plan, subject to certain annual Internal Revenue Code (“IRC”) limitations. The Plan also allows for Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (rollovers) from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan provides for a safe harbor matching contribution (“Safe Harbor Matching Contribution”) in which the Company, in order to satisfy the “safe harbor” requirements of the Code, contributes a matching contribution based upon each participant’s contributions. The Safe Harbor Matching Contribution is equal to 100% of the participant’s contributions up to 6% of the participant’s compensation. The Company contributed \$333,215 to the Plan during the year ended December 31, 2021.

In addition to the Safe Harbor Matching Contribution, the Plan provides additional discretionary employer matching contributions to participants, none of which were made during the 2021 plan year. The amount of the contribution, if any, is determined by the Company.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, Safe Harbor Matching Contributions, employer discretionary matching contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan, as applicable. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Los Angeles Tourism & Convention Board

401(k) Plan

Notes to Financial Statements

Vesting

Participants are vested immediately in their contributions, the Safe Harbor Matching Contributions and the earnings thereon. Vesting of employer contributions other than Safe Harbor Matching Contributions, is based upon the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
More than 6	100%

Notes Receivable from Participants

Participants are permitted to borrow from their fund accounts a maximum amount, equal to the lesser of 50% of the participant's vested account balance or \$50,000, reduced by any outstanding loan balance during the previous twelve-month period. Participant loans are to be repaid within 5 years, unless the loan is for a principal residence, in which case, the repayment period must be a reasonable period, as determined on the date the loan is made. Participants may have only two outstanding loans at any one time. Participant loans bear interest at rates which are commensurate with local prevailing rates as determined by the Plan Sponsor at the time of the loan. Principal and interest are paid ratably through payroll deductions. An outstanding loan will become due and payable in full 60 days after a participant has a severance from employment and ceases to be a party-in-interest as defined in ERISA or after complete termination of the Plan. The Plan may suspend loan payments for a period not exceeding one year during which an approved unpaid leave of absence occurs other than a military leave of absence. The loan administrator shall provide the participant a written explanation of the effect of the suspension of payments upon his loan.

Payment of Benefits

On termination of service due to death, permanent disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in equal installments over a period of time. For termination of service for other reasons, if the vested account balance exceeds \$5,000, consent is required to distribute the account. A participant may elect to have the vested account balance distributed as soon as administratively feasible or may elect to postpone the distribution until retirement.

If the vested account balance is less than \$5,000, the Plan will distribute the vested account balance without consent. If the amount of the distribution exceeds \$1,000 but is less than \$5,000, including any rollover contributions, and no affirmative election is made, the distribution will be directly rolled over to an individual retirement account ("IRA"). Participants with an account value of \$1,000 or less who do not elect a distribution will receive a lump-sum distribution of the participant's vested account balance as soon as practicable following termination.

Los Angeles Tourism & Convention Board 401(k) Plan

Notes to Financial Statements

The Plan also allows for in service withdrawals, provided certain criteria are met, as defined in the Plan document.

Forfeitures

Participants who terminate their employment prior to the completion of the minimum number of applicable years forfeit their unvested employer contributions. Forfeitures may be used to pay administrative expenses under the Plan or to reduce future employer contributions payable under the Plan. As of December 31, 2021 and 2020, forfeitures were de minimis.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. There is no guarantee that the Company will continue to pay Plan expenses. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account. The Plan's participants absorb certain transaction specific and administration expenses as permitted by the Plan. Total fees paid by the Plan for the year ended December 31, 2021 were \$26,449.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could materially differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options. Such investment options are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Los Angeles Tourism & Convention Board

401(k) Plan

Notes to Financial Statements

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investment bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Any accrued but unpaid interest is de minimis. No allowance for credit losses had been recorded as of December 31, 2021, or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

3. Fair Value Measurement

Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission.

Los Angeles Tourism & Convention Board 401(k) Plan

Notes to Financial Statements

These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts: Valued at the NAV of units of a collective trust fund. The NAV, as provided by the trustee of the CIT, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

	Investments at Fair Value as of December 31, 2021			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 3,262,832	\$ -	\$ -	\$ 3,262,832
Collective Investment Trusts	11,196,362	-	-	11,196,362
Total investments at fair value	\$ 14,459,194	\$ -	\$ -	\$ 14,459,194

	Investments at Fair Value as of December 31, 2020			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 2,900,700	\$ -	\$ -	\$ 2,900,700
Collective Investment Trusts	9,980,100	-	-	9,980,100
Total investments at fair value	\$ 12,880,800	\$ -	\$ -	\$ 12,880,800

4. Certified Investment Information

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.

Los Angeles Tourism & Convention Board

401(k) Plan

Notes to Financial Statements

- Investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

5. Tax Status

The Plan adopted the Principal Financial Group 401k Volume Submitter Profit Sharing Plan with CODA, a prototype plan. The prototype plan received a favorable opinion letter from the Internal Revenue Service ("IRS") dated August 8, 2014, which stated that the prototype plan is in compliance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan and related trust continue to be tax-exempt. Therefore, no provision for federal or state income taxes has been included in the accompanying financial statements. See Note 9.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

6. Related Party and Party-In-Interest Transactions

Certain Plan investments are managed by the Trustee of the Plan or affiliates of the Trustee and therefore, these transactions qualify as exempt party-in-interest transactions, as defined by ERISA. There were certain transaction fees paid by the Plan to the Trustee for the year ended December 31, 2021. Additionally, notes receivable from participants are considered exempt party-in-interest transactions.

7. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its employer contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, affected participants will become 100% vested in their employer contributions.

Los Angeles Tourism & Convention Board 401(k) Plan

Notes to Financial Statements

8. Delinquent Participant Contributions

During the Plan year ended December 31, 2020, participant contributions and loan repayments totaling \$350 were not remitted to the Plan within the period prescribed by DOL regulations. These transactions constitute prohibited transactions as defined by ERISA. These contributions and loan repayments and related lost earnings of \$6 were remitted to the Plan during 2021.

During the Plan year ended December 31, 2021, participant contributions totaling \$8,144 were not remitted to the Plan within the period prescribed by DOL regulations. These transactions constitute prohibited transactions as defined by ERISA. Of these participant contributions, \$350 was remitted in 2021 and lost earnings of \$7 was remitted in 2021. The remaining \$7,794 contribution were remitted in 2021 and lost earnings of \$13 was remitted in 2022.

9. Subsequent Events

Management has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued and has determined that there were no material events requiring recognition or disclosure.

Effective May 18, 2022, the Plan was amended and restated to, among other things, incorporate prior Plan amendments and reflect statutory changes to the IRC. The Plan adopted the Principal Financial Group Pre-Approved Document for Savings Plans, issued by Principal Life Insurance Company, which received a favorable opinion letter from the IRS dated June 30, 2020.
