INDEPENDENT AUDITORS' REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Exponent, Inc. 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

60 South Market Street, Suite 500 San Jose, California 95113 t 408.279.5566 www.frankrimerman.com

- the information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by the institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule included in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

Report on the Financial Statement

We were engaged to audit the accompanying financial statement of the Exponent, Inc. 401(k) Savings Plan (the Plan), which comprises the statement of net assets available for benefits as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company (Fidelity), the Plan's trustee, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan administrator that Fidelity holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from Fidelity as of December 31, 2020, that the information provided to the Plan administrator by Fidelity is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations.

The form and content of the information included in the financial statement, other than that derived from the information certified by Fidelity, have been audited by us in accordance with GAAS in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of the Plan

Exponent, Inc. (the Company) established the Exponent, Inc. 401(k) Savings Plan (the Plan), effective March 1, 1988, to provide participants with a means to fund their retirement on a tax-deferred basis. The following description of the Plan, as amended and restated effective January 1, 2019, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan under Sections 401(a) and 401(k) and related provisions of the Internal Revenue Code (the Code) and applicable state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan sponsor and Plan administrator. An administrative committee, consisting of Company employees, helps administer the Plan and is responsible for selecting investment options offered under the Plan and monitoring investment performance. Fidelity Management Trust Company (Fidelity) serves as the Plan's trustee and record keeper.

Eligible Participants:

Company employees that have reached age 21 are immediately eligible to participate in and make contributions to the Plan. Participants are eligible to receive Company contributions in any year they work at least 1,000 hours.

Contributions:

Participants are permitted to make voluntary pre-tax salary deferral and after-tax contributions up to 60% of eligible compensation, as defined by the Plan. Participants that have reached the age of 50 are eligible to make an additional catch-up contribution under the Code. In addition, participants may also contribute amounts representing distributions from other tax-qualified plans (rollovers), subject to Code regulations.

The Company is required to make an annual contribution to the Plan equal to 7% of each eligible participant's compensation, as defined. At December 31, 2021, the Company accrued \$8,193,666 of mandatory contributions to the Plan (\$8,332,221 at December 31, 2020). The Company may also make discretionary matching and other contributions to the Plan, as determined by the Board of Directors.

Contributions are subject to certain limitations under the Code.

1. Description of the Plan (continued)

Participant Accounts:

Participant accounts are credited with participant pre-tax salary deferral and after-tax contributions, Company contributions, rollovers and an allocation of the Plan's net earnings or losses. Allocations are based on participant earnings or account balances, in accordance with Plan provisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. A participant may authorize transfers among investment options at any time.

Vesting:

Participants are immediately vested in their contributions, plus actual earnings (less any losses) thereon. Company contributions, plus earnings (less any losses) thereon, become 20% vested after each year of service and are fully vested after five years of service, or upon normal retirement, disability or death.

Forfeitures:

A terminated participant's non-vested account balance is forfeited upon the earlier of the payment of vested benefits or the last day of the Plan year in which the participant incurs five consecutive one-year breaks in service. Forfeitures can first be used to restore previously forfeited accounts, then to reduce Company contributions, then to pay Plan administrative expenses. Forfeitures of \$810,648 were used to reduce the Company's 2021 contribution, which was funded to the Plan in July 2022. Forfeitures of \$754,227 were used to reduce the Company's 2020 contribution funded in 2021. The Plan had \$754,596 of forfeitures available for future use at December 31, 2021 (\$608,932 at December 31, 2020).

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan agreement.

1. Description of the Plan (continued)

Notes Receivable from Participants: (continued)

Participants may borrow up to one-half of their vested account balance, not to exceed \$50,000, for a period not to exceed five years, except for notes used to purchase a primary residence for which a term of up to ten years may be granted. Participant notes are evidenced by a written note, secured by the vested balance in the participant's account and bear a reasonable rate of interest, as determined by the Plan administrator. Interest rates on notes outstanding as of December 31, 2021 range from 4.25% to 8.50%. Repayment of principal and interest is generally made through payroll deductions.

In April 2020, the Plan implemented Coronavirus Aid, Relief, and Economic Security Act (CARES Act) provisions for participant note relief to 1) allow delay of repayments on existing notes through December 31, 2021 and 2) offer increased loan limits up to the lesser of \$100,000, or the participant account balance, for COVID-19 related loans.

Payment of Benefits:

Unless the participant elects otherwise, the payment of benefits under the Plan will begin no later than the 60th day after the close of the Plan year in which one of the following occurs: (a) retirement on or after a participant's 60th birthday, (b) death, (c) disability or (d) termination of employment. Benefits may be paid in a lump sum cash payment or in the form of substantially equal installment payments for a period up to or equal to the life expectancy of the participant, his or her beneficiary or the combined life expectancy of the participant and beneficiary. Vested account balances of \$5,000 or less may be distributed in a lump sum cash payment without the consent of a participant. Benefits are recorded when paid.

Plan Expenses:

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance and, thus, are not separately disclosed in the accompanying financial statements. Plan expenses include audit and advisory fees as well as certain transaction and maintenance fees. All other administrative expenses related to the Plan are paid by the Company and not reflected in these financial statements.

1. Description of the Plan (continued)

Plan Expenses: (continued)

The Company participates in a revenue credit program offered by Fidelity. Under this program, participants who have account balances in the investment options generating a revenue credit receive a rebate directly to their account on a quarterly basis. If a participant takes a distribution before the quarterly rebate is paid, the applicable rebate is deposited into a plan-level suspense account that can be used to reimburse administrative expenses paid to Fidelity or other third-party service providers.

In 2021, the Plan received a revenue credit of \$156,107. Eligible participants received a total of \$112,230 from the revenue credit. Additionally, \$57,467 of the revenue credit was used to pay audit and management fees charged to the Plan. The balance in the revenue credit account as of December 31, 2021 was \$249,294 (\$262,856 as of December 31, 2020).

Risks and Uncertainties:

Participants may invest their account balances in a variety of investment options offered by the Plan. Investments are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment options offered by the Plan, it is at least reasonably possible that changes in risk in the near term could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

The outbreak of the novel coronavirus continues to materially and adversely impact global commercial activity and contribute to volatility in financial markets. The outbreak is having, and will likely continue to have, a material adverse impact on economic and market conditions for the foreseeable future. This presents uncertainty and risk with respect to the Plan, its future performance, and its future financial results.

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of a Plan termination, participants would become fully vested in their accounts and distributions will be made to participants as described in the Plan agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's financial statements are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair Value Measurement:

Investments consist of mutual funds and a money market fund. These funds are reported at fair value, which is the net asset value (NAV) of shares held by the Plan at year end, as quoted in active markets. It is not probable that the funds will be sold at amounts that differ materially from the NAV of shares held.

The Plan uses a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability as of the measurement date. The three-level hierarchy prioritizes within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs or methodology used for valuing financial instruments are not necessarily an indication of the risk associated with those instruments.

The three-level hierarchy for fair value measurement is defined as follows:

Level I: Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level II: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level III: Inputs to the valuation methodology, which are significant to the fair value measurement, are unobservable.

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurement: (continued)

A financial instrument's categorization within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

All investments are classified as Level I within the fair value hierarchy.

Income Recognition:

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought, sold or held during the year.

3. Information Prepared and Certified by Fidelity

Fidelity, as the Plan's trustee, has certified the fair value of the following assets held at December 31, 2021 and 2020, and the net income for the year ended December 31, 2021 that were used in the preparation of the accompanying financial statements and supplemental schedule.

	December 31,	
	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$ 542,344,345	\$ 471,084,464
Notes receivable from participants	<u>769,898</u>	<u>1,167,999</u>
Total certified assets	<u>\$ 543,114,243</u>	<u>\$ 472,252,463</u>
Certified net income for the year ended December 31, 2021	<u>\$ 76,725,255</u>	

4. Party-In-Interest Transactions

Certain Plan investments include investment options managed by Fidelity. As Fidelity is the Plan trustee, purchases and sales of these investments by the Plan qualify as party-in-interest transactions. Note receivable transactions with participants also qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Exponent, Inc. 401(k) Savings Plan

Notes to Financial Statements

5. Income Tax Status

The Plan received a determination letter from the Internal Revenue Service (IRS) dated July 10, 2017 stating the Plan was in compliance with applicable requirements of the Code. The Plan and Plan sponsor believe that the Plan is designed and being operated in compliance with the applicable requirements of the Code and related state statutes, and the trust, which forms a part of the Plan, is exempt from federal and state income taxes.

GAAP requires Plan management to evaluate income tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the income tax positions taken by the Plan, and has concluded as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

6. Subsequent Events

Subsequent events have been evaluated through October 11, 2022, which is the date the financial statements were approved by the Plan and available to be issued.
