Report of Independent Auditors

To the Participants and Plan Administrator of
Hospice & Palliative CareCenter 403(b) Retirement Plan
Winston-Salem, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Hospice & Palliative CareCenter 403(b) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2008. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on this supplemental schedule.

To the Participants and Plan Administrator of
Hospice & Palliative CareCenter 403(b) Retirement Plan
Report of Independent Auditors, continued

Other Matters, continued

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Further, the Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2008. Accordingly, they were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

In their report dated October 8, 2021, they indicated that because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements.

HOSPICE & PALLIATIVE CARECENTER 403(B) RETIREMENT PLAN

Notes to the Financial Statements

1. Description of the Plan

The following description of the Hospice & Palliative CareCenter 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan sponsored by Hospice & Palliative CareCenter d/b/a Trellis Supportive Care (the Employer and Plan Administrator). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees are eligible to participate in the Plan on their hire date. At that time, participants can begin deferring compensation into the Plan. Participants become eligible for the employer matching contributions upon completion of one year of service.

Contributions

Participants may contribute to the Plan by deferring their compensation on a pre-tax basis in whole percentage increments from 1% to 100% or a certain dollar amount per pay period. Participants are also permitted to contribute Roth after-tax deferrals to the Plan. Participants who are over the age of 50 are eligible to make catch-up contributions. Participants may also make direct transfers or direct rollovers into the Plan. The Employer may, at its discretion, make a matching contribution each Plan year on behalf of eligible participants equal to a discretionary percentage of the participant's elective deferrals (50 cents on every dollar up to 10% of the participant's compensation contributed to the Plan for the year ended December 31, 2021). Contributions are subjected to certain Internal Revenue Code (IRC) limitations.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and the Employer's contributions, an allocation of Plan earnings or losses, and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and rollover contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after three years of credited service. A participant's vesting percentage will be 100 percent once retirement age is reached or the date the participant dies or becomes totally disabled. Before that date, employees are 0 percent vested.

1. Description of the Plan, continued

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options at any time.

Participant Loans

Participants may be eligible to take a loan against their funds invested in certain accounts. Participants may borrow a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested balance, reduced by the highest outstanding loan balance in the preceding 12 months. Loan terms range from one to five years unless the loan is for the purchase of a participant's primary residence in which case the term is up to 15 years. The loans are secured by the vested balance in the participant's account and bear interest at a rate of 4.25 percent to 6.50 percent. Principal and interest are paid ratably through payroll deductions. There are \$40,385 and \$74,605 of notes receivable from participants that are in default that have an account balance in the Plan as of December 31, 2021 and 2020, respectively. All of the balance in default is included in the allowance for doubtful accounts, which is net against notes receivable from participants.

Payment of Benefits

On termination of service, a participant may receive one or more payments within one year, installment payments over a period selected by the participant or purchase an annuity contract providing payments over the participant's lifetime equal to the vested value of his or her account. On termination of service, a participant whose vested account balance is not greater than \$5,000 will receive his or her benefits as a single lump sum payment. In-service withdrawals are also permitted for certain financial hardships, disability or when a participant attains age 59 1/2.

Forfeited Accounts

All forfeitures are used to reduce future employer contributions or pay Plan expenses. As of December 31, 2021 and 2020, forfeited accounts totaled \$7,330 and \$0, respectively. During the year ended December 31, 2021, no forfeitures were used to reduce employer contributions.

Risks and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment and Administrative Expenses

Investment related expenses are included in net appreciation of fair value of investments. Certain expenses of maintaining the Plan are paid by the Plan as provided by the Plan adoption agreement. All other administrative expenses are paid by the Plan Sponsor.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Finance Committee determines the Plan's valuation policies utilizing information provided by the trustee. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants and measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Subsequent Events

The Plan Administrator has evaluated subsequent events for accounting and disclosure requirements through October 11, 2022, the date that the financial statements were available to be issued.

3. Information Certified and Provided by Trustees

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information certified by the trustees of the Plan, Branch Banking and Trust Company (BB&T) as of December 31, 2020 and for the period from January 1, 2021 to February 28, 2021 and Ascensus, LLC (Ascensus) as of December 31, 2021 and for the period from March 1, 2021 to December 31, 2021, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from BB&T and Ascensus that such information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to asset information in this note and which appears throughout the financial statements and the ERISA-required supplemental schedule.

3. Information Certified and Provided by Trustees, continued

The following table presents the fair value of assets in the Plan that were certified by Ascensus (2021) and BB&T (2020).

	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 16,927,105	\$ 15,357,999
Money market funds	<u>435,891</u>	<u>321,373</u>
Total investments	<u>\$ 17,362,996</u>	<u>\$ 15,679,372</u>
Notes receivable from participants	\$ 37,409	\$ 131,981

Ascensus also certified to the completeness and accuracy of \$1,116,659 of net realized and unrealized appreciation in the fair value of investments and \$817,945 of interest and dividends related to the investments and \$1,483 of interest on notes receivable from participants for the period from March 1, 2021 to December 31, 2021.

BB&T also certified to the completeness and accuracy of \$341,304 of net realized and unrealized appreciation in the fair value of investments and \$5,448 of interest and dividends related to the investments for the period from January 1, 2021 to February 28, 2021.

4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at cost which approximates fair value.

There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

HOSPICE & PALLIATIVE CARECENTER 403(B) RETIREMENT PLAN

Notes to the Financial Statements, continued

4. Fair Value Measurements, continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Level 1	Level 2	Level 3	Total
<u>2021</u>				
Mutual funds	\$ 16,927,105	\$ -	\$ -	\$ 16,927,105
Money market funds	<u>435,891</u>	<u>-</u>	<u>-</u>	<u>435,891</u>
Total investments at fair value	<u>\$ 17,362,996</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 17,362,996</u>
<u>2020</u>				
Mutual funds	\$ 15,357,999	\$ -	\$ -	\$ 15,357,999
Money market funds	<u>321,373</u>	<u>-</u>	<u>-</u>	<u>321,373</u>
Total investments at fair value	<u>\$ 15,679,372</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 15,679,372</u>

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

5. Exempt Party-in-Interest Transactions

BB&T was trustee of the Plan for the period from January 1, 2021 to February 28, 2021 and Ascensus is trustee of the Plan for the period from March 1, 2021 to December 31, 2021, and therefore, these transactions qualify as party-in-interest. Fees paid by the Plan to the BB&T and Ascensus totaled \$9,577 and \$28,326, respectively, for the year ended December 31, 2021.

Additionally, indirect fees are paid to Ascensus based on investment account values. These fees range from 0.34% to 0.46% of the investment account value. The fees reduce net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

6. Tax Status

Prior to March 1, 2021, the Plan volume submitter plan sponsored by BB&T. BB&T received an advisory letter from the Internal Revenue Service (IRS), dated July 24, 2017, which states that the volume submitter plan satisfies the applicable provisions of the IRC. Effective March 1, 2021, the Plan uses a volume submitter plan sponsored by Ascensus. Ascensus received an advisory letter from the IRS, dated January 1, 2018, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

7. Plan Termination

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.
