Independent Auditor's Report

To the Plan Administrator of
Cyntergy AEC, LLC Profit Sharing 401(k) Plan
Tulsa, Oklahoma

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Cyntergy AEC, LLC Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Cyntergy AEC, LLC Profit Sharing 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cyntergy AEC, LLC Profit Sharing 401(k) Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cyntergy AEC, LLC Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cyntergy AEC, LLC Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Cyntergy AEC, LLC Profit Sharing 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CYNERGY AEC, LLC PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the *Summary Plan Description* for a more complete description of the Plan's provisions, which is available from the Plan administrator.

General - The Plan is a defined contribution plan in which eligible employees of Cynergy AEC, LLC (the "Company") may participate. To participate, the employees must be 18 years of age and may sign up at the first quarterly sign-up. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - The Company has decided, for the year ended December 31, 2021, to make a fully-vested Safe Harbor Matching Contribution to all eligible participants. The Company will match 100% of the salary deferrals up to 3%, plus 50% of salary deferrals in excess of 3% up to 5% of compensation. Additional amounts may be contributed at the discretion of the Board of Directors. Participants can elect to contribute up to 100% of their compensation or \$19,500 for 2021 and 2020, whichever is smaller. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions currently at \$6,500 for the 2021 Plan year. Participants direct the investment of their contributions as well as the Company's contributions into various investment options offered by the Plan.

Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's contribution and plan earnings. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Employees are immediately vested in their voluntary contributions plus their contributions' earnings, along with the Safe Harbor Matching Contribution and earnings. Vesting in any additional Company contributions of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after five years of continuous service. The non-vested balance is forfeited upon termination of service. Forfeitures are used by the Company to reduce matching contributions or paying plan expenses. The Company's contributions are presented net of forfeitures. Forfeitures balance for the years ended December 31, 2021 and 2020 were \$1,362 and \$0, respectively.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. Loans are treated as a directed investment of the participant's account. The loans are secured by the balance in the participant's account and bear interest at rates equal to 2% above the USA Today prime rate.

Coronavirus Aid Relief and Economic Security Act of 2020 - During 2020, the plan implemented various provisions of the *Coronavirus Aid, Relief, and Economic Security Act* available to eligible participants through December 31, 2020 including eliminating required minimum distributions in 2020, increasing the limit on in service withdrawals to \$100,000, eliminating the 10% federal penalty for early withdrawals, allowing indirect rollovers into another IRA or employer plan within three years from the date the distribution was taken, allowing distributions not rolled into an IRA or employer plan within three years from the date of the distribution to be included in gross taxable income, ratably, over three tax years, allowing participants to suspend loan repayments for up to 12 months, and increasing the participant loan limit to the lesser of \$100,000 or 100% of the participants invested account balance through September 23, 2020. The plan will be formally amended prior to December 31, 2022.

CYNERGY AEC, LLC PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN - continued

Plan Termination - Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The Plan's financial statements are prepared under the accrual method of accounting. Employee contributions are recognized in the period the contributions are withheld. The employer's matching contributions are recognized in the same period that the related employee contributions are withheld.

Investment Valuation and Income Recognition - Investments are stated at fair value. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the Plan year. For securities for which no sale was reported on that day, the administrative committee has established a fair value based upon current trading information. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Plan Tax Status - The Plan obtained its latest determination letter dated October 1, 2015, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code and, therefore, not subject to tax. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan administrator's record keeper and custodian believe that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan files information returns in the United States.

Risks and Uncertainties - Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the risks associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such change could materially affect participants' account balances and amounts reported in the statement of net assets available for plan benefits.

Payment of Benefits - Upon termination of service, a participant with a vested account valued at less than \$1,000 shall receive a lump sum distribution. For accounts with vested balances exceeding \$1,000 but less than \$5,000 the participant balance will be rolled into an IRA. In addition, if the value of the participant's vested balance exceeds \$5,000 may elect to receive the distribution in the form of a lump-sum, rollover or remain in the plan. Benefit payments to participants are recorded upon distribution.

CYNTERGY AEC, LLC PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Expenses – The Plan’s expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net asset available for benefits. In addition, certain investments related expenses are included in net appreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Pooled Separate Accounts - The value of each separate account is determined at the close of each business day based on market value. The value of the account is expressed in “units”. The “unit value” is the dollar value of the entire account divided by the total number of units in the accounts.

A contribution to the account increases the number of units. Withdrawals from the account decrease the number of units. The increase or decrease in the number of units is determined by dividing the amount of the contribution or withdrawal by the unit value for the day the transaction is made. The value of the participant’s account on any date is determined by multiplying the number of units held by the unit value at the close of the business day. Since these assets in the accounts are credited to or charged against the account without regard to other income, gains or losses of the issuer.

The fair value of the participation units owned by the Plan in the various trust funds is based on redemption values determined by the custodian. Generally, these values are based on the latest available quoted market prices of the underlying investment of the various funds.

3. INFORMATION CERTIFIED BY JOHN HANCOCK LIFE INSURANCE COMPANY

The Company has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Ruled and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by John Hancock Life Insurance Company, the recordkeeper and a party-in-interest as defined by ERISA, as of and for the year ending December 31, 2021, except for comparing such information certified by the recordkeeper to information included in the Plan’s financial statements and supplemental schedule. This information consists of the following:

	2021	2020
Pooled separated accounts, at fair value:	\$ 10,305,548	\$ 8,903,785
Notes receivable from participant loans	\$ 207,468	\$ 197,937
Net appreciation in the fair value of investments	\$ 1,194,162	
Interest Income on notes receivable from participants	\$ 11,694	

The Plan’s independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

CYNTERGY AEC, LLC PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

4. RELATED PARTY TRANSACTIONS

John Hancock is the recordkeeper and custodian for the Plan and, therefore, these transactions qualify as party in interest transactions.

Notes receivable from participants and the Company's payment of a portion of the Plan's expenses are considered party-in-interest transactions and are exempt from the prohibited transaction rules.

Certain administrative fees relating to the maintenance of employee eligibility records are paid by the Company.

5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts: Valued at the NAV of units of the separate account. The NAV, as provided by the custodians, is used as a practical expedient to estimating fair value. The NAV is based on the fair value of the underlying investments held by the account less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the separate account, the investment advisor reserves the right to temporarily delay withdrawal from the account in order to ensure that securities liquidations will be carried out in an orderly business manner. There were no unfunded commitments on these accounts as of December 31, 2021 and 2020

CYNTERGY AEC, LLC PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

6. FAIR VALUE MEASUREMENTS - continued

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

Fair Value Measurements as of:				
	Fair Value	(Level 1)	(Level 2)	(Level 3)
<u>December 31, 2021</u>				
Pooled separate accounts	\$ 10,305,548	-		
Total	\$ 10,305,548	\$ -	\$ -	\$ -
Fair Value Measurements as of:				
	Fair Value	(Level 1)	(Level 2)	(Level 3)
<u>December 31, 2020</u>				
Pooled separate accounts	\$ 8,903,785	-		
Total	\$ 8,903,785	\$ -	\$ -	\$ -

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

7. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table summarized investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restriction for these investments; the redemption notice period is only applicable to the Plan.
