## INDEPENDENT AUDITORS' REPORT

To The Plan Administrator of the  
KMM Retirement Plan  
Lewisville, Texas

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of KMM Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- the information in the accompanying 2021 financial statements, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matters

### 2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. KMM RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of Plan

The following description of the KMM Retirement Plan (the Plan) provides only general information and is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management, which is responsible for their integrity and objectivity. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of KMM Telecommunications, Inc. (the Company). Employees become eligible to participate for purposes of salary deferrals when they have completed three months of service and reach the entry date. Employees become eligible for employer contributions when they have completed six months of service and reach the entry date. The entry date is the first day of the month coinciding with or next month following the date an employee satisfies the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CARES Act, SECURE Act and Miners Act

The Plan has adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that was signed into law on March 27, 2020, which were immediately available, for coronavirus-related distributions, suspended participant loan payments and increased loan limits, and waiver of required minimum distributions that were due during 2020. In addition, the Plan has adopted certain provisions under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) and the Bipartisan American Miners Act of 2018, effective as of January 1, 2020. The Plan intends to formally execute the required Plan amendments for these provisions by the last day of the Plan year beginning on or after January 1, 2025.

The following descriptions of the Plan below have been updated with the provisions of the CARES, SECURE and Miners Acts that impact the Plan.

Contributions

Each eligible employee may elect to make pretax contributions by authorizing his or her compensation to be reduced by any percentage up to 90%, not to exceed the current year's statutory limits. Each year participants may contribute up to the maximum allowed under the Internal Revenue Code (the Code), as defined in the Plan. For participants age 50 or older, an additional catch-up contribution was allowed up to limits established by the IRS for the year ended December 31, 2021. Participants may also make after-tax Roth contributions and roll over amounts representing distributions from other qualified defined benefit or contribution plans. The Company automatically withholds 3% of an employee's compensation for contribution to the Plan if the employee does not complete a salary deferral agreement to either elect a deferral amount or elect not to defer under the Plan.

The employer may make matching contributions equal to a discretionary percentage, to be determined by the Board of Directors, of the participant's elective deferrals. The employer's matching contributions for both 2021 and 2020 were equal to \$0.50 for each \$1.00 of employee 401(K) contributions, up to 4% of the participant's annual compensation. The employer matching and any related forfeitures will vest based on years of continuous service. Each participant may direct the matching contributions into an available investment fund, as defined.

Employer profit-sharing contributions to the Plan are made at the discretion of the Board of Directors. There were no profit-sharing contributions to the Plan in 2021 or 2020.

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan (continued)

Participants' accounts

Each participants' matching and profit-sharing accounts are credited with an allocation of a) the employer's contribution and b) Plan earnings. Allocations are based on participants' earnings or account balances, as defined. Each participant's 401(K) account is credited with the participants' contribution and allocation of the Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

Vesting

Participants are immediately vested in their voluntary contributions to the Plan plus actual earnings thereon. Vesting in the Company's matching and profit-sharing contributions is based upon years of service as defined. Participants do not vest in their respective Company contributions until completing three years of continuous service, at which time they become 100% vested. A covered year of service is a twelve-month period ending December 31 during which a participant worked for the Company at least 1,000 hours. A participant is also fully vested upon reaching normal retirement age, upon death, or upon becoming totally and permanently disabled.

Payment of benefits

On retirement or termination of service, a participant may elect to receive either a lump sum amount equal to the value of his or her account, or annual installments over a fixed reasonable period of time, not exceeding the life expectancy of the participant and his or her spouse. Participants may also withdraw their contributions upon demonstrating hardship for certain events, as described by the Plan, or attaining age 59½.

The CARES Act allowed qualified individuals to take a coronavirus-related hardship distribution of up to \$100,000 from the Plan. Eligible hardship distributions could be taken up to December 31, 2020 and the distributions were not subject to the customary 10% early withdrawal penalty. The tax associated with a coronavirus distribution can be repaid by the participant over a three-year period. The CARES Act also enabled Plan participants to waive required minimum distributions during 2020.

Forfeited accounts

Forfeited non-vested accounts are used to reduce the employer's contributions. At December 31, 2021 and 2020, amounts used to reduce employer contributions totaled \$7,734 and \$10,860, respectively.

Notes receivable from participants

Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance. The minimum amount that can be borrowed is \$1,000. Loan repayment periods are five years or less except for home loans, which can be for as long as 30 years. The loans are collateralized by the balance in the participant's account and bear interest at the prime rate plus 1%. The interest rates on the participant notes receivable ranged from 4.25% to 6.50% during the years ended December 31, 2021 and 2020, respectively. Principal and interest are repaid ratably through payroll deductions.

The CARES Act made loan relief available to qualified plan participants. This relief included a temporary increase in the participant loan limit for qualified individuals to the lesser of 50% of their vested account balance up to \$100,000 (previously \$50,000) on loans issued between March 27, 2020 through September 23, 2020. The CARES Act also provided that any loan payments due between March 27, 2020 and December 31, 2020 could be delayed for up to one year and the five-year repayment period would disregard the 2020 year.

2. Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the modified cash basis of accounting. Therefore, contributions and expenses are recognized only as cash is received or paid, and receivables and payables are not reflected, while investment earnings are accrued as earned. If the financial statements of the Plan were prepared under the accrual basis of accounting, there would be no reported employer profit-sharing contributions (receivables) as of December 31, 2021 and 2020. The reported employee contributions would have been \$705,873 and \$591,972 as of December 31, 2021 and 2020, respectively. The reported employer matching contributions would have been \$190,362 and \$166,406 as of December 31, 2021 and 2020, respectively.

Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year.

Payment of benefits

Benefits are recorded when paid.

Notes receivable from participants

Loans are valued at the unpaid balances plus any unpaid accrued interest. In the event of a default, the participant's account balance is reduced by the amount of the unpaid loan balance.

Tax status

Effective July 1, 2022, the Plan sponsor adopted the non-standardized pre-approved profit sharing plan with a cash or deferral arrangement of ADP, LLC. The Internal Revenue Service (IRS) has determined and informed ADP, LLC by an opinion letter dated October 6, 2020, that the pre-approved plan document is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

Prior to July 1, 2022, the Plan Sponsor had adopted the prototype non-standardized profit sharing plan with a cash or deferred arrangement of ADP, LLC, which received a favorable opinion letter dated July 8, 2014, which states that the Plan is designed in accordance with the applicable sections of the IRC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. Summary of accounting policies (continued)

Uncertain tax positions

As of December 31, 2021, management believes that based on evaluation of the Plan's tax positions that any liability as a result of uncertain tax positions would not be material. Management continually evaluates expiring statutes of limitations, changes in tax law, and new authoritative rulings to assist in evaluating the Plan's tax positions. Accrued interest and penalties associated with uncertain tax positions, if any, would be recognized as a liability. Tax returns are filed in the U.S. federal jurisdiction. U.S. federal tax returns prior to fiscal year 2018 are closed.

3. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits.

Financial instruments that potentially subject the Plan to concentrations of credit risk consist of investments. The Plan maintains its investments with an investment manager. Exposure to credit risk is reduced by placing such investments in high quality financial institutions and by following an investment strategy, which utilizes a wide range of diversified funds.

The Plan has reviewed its operations in light of the COVID-19 pandemic in order to determine the financial impact. Economic uncertainties have arisen which are likely to impact investment income and other plan transactions. Other financial impact could occur though such potential impact is unknown at this time. In addition, the Federal and State responses to the pandemic could change the analysis done by the Plan, and that change could be material.

4. Certification by Trustee

We have been informed by the Plan administrator that Reliance Trust Company held the Plan's investment assets and executed investment transactions for the years ended December 31, 2021 and 2020. The Plan administrator has obtained certifications from the trustee as of and for the years ended December 31, 2021 and 2020, that the information provided to the Plan administrator by the trustee is complete and accurate. The following account balances and transactions as of December 31, 2021 and 2020 were obtained from the statements certified by Reliance Trust Company:

Statements of net assets available for benefits:

5. Fair value measurement of investments

The Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements).

The three levels of the fair value hierarchy are as follows:

Level 1 – Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date;

Level 2 – Inputs other than quoted prices that are observable for the assets or liability either directly or indirectly, including inputs that are not considered to be active;

Level 3 – Inputs that are unobservable.

Inputs are used in applying the various valuation techniques and broadly refer to the assumptions that market participants use to make valuation decisions, including assumptions about risk. Inputs may include price information, volatility statistics, specific and broad criteria data, liquidity statistics, and other factors. An investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. However, the determination of what constitutes "observable" requires significant judgment by the Plan. The Plan considers observable data to be that market data which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, provided by multiple, independent sources that are actively involved in the relevant market. The categorization of an investment within the hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to the Plan's perceived risk of that investment.

NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020

5. Fair value measurement of investments (continued)

Fair value for the Plan's investments was determined as follows:

Level 1 - The fair values of registered investment company shares are determined by obtaining quoted prices on nationally recognized securities exchanges.

Level 2 - The Plan has no Level 2 investments.

Level 3 - The Plan has no level 3 investments.

The Plan's investments consist of the following:

|                                                                   | December 31, 2021  |           |           |                    |

6. Plan termination

During 2015, a partial termination of the Plan occurred when the Plan sponsor lost a substantial customer contract and terminated approximately 35% of the Plan participants. Consequently, the terminated participants became 100% vested in their accounts. Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to entirely terminate the Plan subject to the provisions of ERISA, which would result in the participants becoming 100% vested before receiving a final distribution from their accounts.
