## Independent Auditor's Report

The Plan Administrator  
The John Gore Organization, Inc.  
401K and Profit Sharing Plan  
New York, New York

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of The John Gore Organization, Inc. 401k and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020 and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Description of the Plan

The following description of The John Gore Organization, Inc. 401K and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

#### *General*

The Plan is a qualified retirement plan sponsored by The John Gore Organization, Inc. (the Company, Employer, or Plan Sponsor) to enable eligible employees to save for retirement. The Plan was effective January 1, 2008. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Employees become eligible to participate in the Plan upon date of hire and attainment of age 21. Upon becoming eligible, participants are automatically enrolled to contribute 3% of pre-tax annual eligible compensation but may choose to either not participate or change their elective deferral percentage. An employee will enter the Plan on the first day of the month after meeting the service and age requirements.

The following employees are not eligible to participate in the Plan:

- Employees covered by a collective-bargaining agreement, unless the agreement requires the employees to be included under the Plan.
- Leased, part-time, or seasonal employees (employees whose regularly scheduled service is less than 1,000 hours of service per computation period).
- Nonresident aliens who do not receive any earned income from the Company, which constitutes United States source income.

Reliance Trust Company is the Trustee of the Plan; Automatic Data Processing, Inc. (ADP) is the recordkeeper for the Plan.

#### *CARES ACT*

In March 27, 2020, the U.S. Government signed into law the "Coronavirus Aid, Relief and Economic Security Act (CARES Act)". The CARES Act, among other things, included several relief provisions available to tax-qualified retirement plans and their participants. Plan Management has evaluated the relief provisions available to the plan participants under the CARES Act and has implemented the following provisions

- Special coronavirus distributions up to \$100,000 for withdrawals before December 31, 2020.
- Increase the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance through September 22, 2020
- Extend the period for loan repayments, up to one year loan payments due from March 27, 2020 through December 31, 2020.

### ***Participant Contributions***

Participants may elect to defer up to 90% of eligible compensation into the Plan. The total participant contribution in any year is subject to certain limitations of the Internal Revenue Code (IRC). The limit for both 2021 and 2020 was \$19,500. Contributions may be made to the Plan on a pre-tax and/or after-tax Roth 401(k) basis. Participants may increase, decrease, suspend, or resume their deferral contributions on the first day of each month. In addition, participants who will have attained age 50 or older by the end of the calendar year may make additional catch-up contributions of \$6,500 for both 2021 and 2020.

### ***Employer Contributions***

The Company may make discretionary matching contributions equal to a percentage of the participants' contributions, to be determined annually by the Company. Employees are eligible for the discretionary matching contributions upon completion of six months of service. For the Period January 1, 2020 to April 30, 2020 the discretionary matching contribution was \$204,063. For the period May 1, 2020 to December 31, 2021 the Company has made no discretionary matching contribution. The Company may also make a discretionary nonelective contribution. The Company made nonelective discretionary contributions of \$14,417 and \$10,971, included in the employer contributions on the statements of changes in net assets available for benefits, for the years ended December 31, 2021 and 2020, respectively.

Participants can roll over part or all of an eligible rollover distribution they have received from an eligible retirement plan into this Plan as a rollover contribution.

### ***Participant Accounts***

Each participant's account is credited with the participant's contribution, employer contributions, an allocation of Plan earnings or losses, and charges for benefits paid. Participant accounts may also be charged with an allocation of certain administrative expenses. Allocations are based on the participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are immediately vested in their contributions, rollovers, and the actual earnings or losses thereon. Vesting in the employer contribution portion of their accounts is based upon the elapsed time method. Employees are on a three-year vesting schedule (one year - 20%, two years - 50%, and three years - 100%).

As a result of a reduction in the Company's workforce due to the effects of the new strain of coronavirus (the COVID-19 outbreak), Plan management has determined that a partial termination of the Plan occurred during 2020. All affected Plan participants were fully vested in their accounts upon this determination.

### ***Forfeited Accounts***

If a participant leaves the Company before becoming fully vested, non-vested employer contributions, if any, and investment earnings thereon are forfeited. These forfeitures are used to either reduce future employer contributions or pay reasonable administrative expenses of the Plan.

# The John Gore Organization, Inc. 401K and Profit Sharing Plan

## Notes to Financial Statements

---

As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$10,799 and \$31,258, respectively. In 2021 and 2020, employer contributions were reduced by \$2,786 and \$20,323 from forfeited non-vested accounts, respectively.

### ***Notes Receivable from Participants***

Prior to the CARES Act discussed above, participants may borrow from their investment account a minimum of \$1,000 up to a maximum equal to the lesser of  $\frac{1}{2}$  of the participant's vested account balance or \$50,000 reduced by the highest outstanding loan balance in the participant's account during the prior 12-month period. The loans are adequately secured by the vested account balance. The loans are made for terms not to exceed five years unless the loan is used to acquire a principal residence, in which case the loan may not exceed ten years. For the years ended December 31, 2021 and 2020, notes bear interest at a rate of 4.25% to 6.50%. Principal and interest are repaid ratably through after-tax payroll deductions. A participant may have only one loan outstanding at any given time.

### ***Payment of Benefits***

The Plan allows the following types of benefit payments: withdrawals after normal retirement age, hardship withdrawals, withdrawals after age 59½, withdrawals after age 70½, and withdrawals of rollover contributions.

Participants, or in certain cases their designated beneficiary or beneficiaries, may request a distribution of their vested account balances based on any of the following events: death, disability, retirement, minimum required distributions, or termination of employment. Participants' vested account balances will be paid as a non-rollover distribution, a direct-rollover distribution, or a combination non-rollover distribution and direct-rollover distribution. If the value of the participant's account is less than \$1,000, the payment will be made in cash in a single lump sum.

### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Transaction-based fees are associated with optional services offered under the Plan and are charged directly to the participant's account based on use of a particular Plan feature, such as a Plan loan. Investment-related expenses are included in net appreciation in fair value of investments. Direct compensation paid by the Plan as administrative expenses totaled \$24,384 and \$27,282 for the years ended December 31, 2021 and 2020, respectively, which consisted of third-party administrative fees.

## **2. Summary of Accounting Policies**

### ***Basis of Accounting***

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

## Notes to Financial Statements

### *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Company deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. During 2021 and 2020, the Plan had \$48,344 and \$54,779, respectively, in loan defaults, which are included in benefits paid to participants and beneficiaries in the statements of changes in net assets available for benefits.

### *Payment of Benefits*

Benefits are recorded when paid. As of December 31, 2021 and 2020, there were no amounts allocated to participants who have elected to withdraw from the Plan but have not been paid.

## **3. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## Notes to Financial Statements

### 4. Certified Investments

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Interest and dividends, net appreciation in fair value of investments, and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

### 5. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies, and similar techniques that use significant unobservable inputs.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

# The John Gore Organization, Inc. 401K and Profit Sharing Plan

## Notes to Financial Statements

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2021 and 2020.

*Mutual Funds* - These assets are valued at the daily closing price, as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Money Market Funds* - The Plans holdings in money market funds and U.S. government obligations are valued based on quoted market prices in active markets for identical assets that are readily and regularly available. The money market funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

### ***December 31, 2021***

| <b>Total Investments, at fair value</b> | <b>\$ 29,586,712</b> | <b>\$ -</b> | <b>\$ -</b> | <b>\$ 29,586,712</b> |

The Plan had no assets that were measured at fair value on a non-recurring basis during the years ended December 31, 2021 and 2020.

## **6. Plan Termination**

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time. In the event the Plan should terminate, each participant affected by such termination shall have a vested interest in their account of 100%. The Company will facilitate the distribution of account balances in single lump-sum payments to each participant until all assets have been distributed in accordance with the Plan documents.

## **Notes to Financial Statements**

### **7. Party-in-Interest Transactions**

Notes receivable from participants and revenue sharing related to the Expense Budget Account (EBA) also qualify as party-in-interest transactions. Such transactions are permitted under the Plan and are exempt from the prohibition of party-in-interest transactions.

### **8. Tax Status**

Effective June 1, 2019, the Plan adopted the ADP, LLC Prototype Non-Standardized Profit-Sharing Plan with a Cash or Deferred Arrangement. The Internal Revenue Service (IRS) has determined and informed ADP, LLC by a letter dated October 6, 2020, that the Plan is designed in accordance with the applicable sections of the IRC. Accordingly, the Plan is permitted to rely on the opinion letter. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires the Company to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **9. Subsequent Events**

Subsequent events were evaluated by the Plan's management through October 10, 2022, the date the financial statements were available to be issued. There were no subsequent events requiring adjustment to the financial statements or disclosures.
