INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Faulconer Construction Co., Inc. 401(k) Plan
Charlottesville, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Faulconer Construction Co, Inc.- 401(k) Employee Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Faulconer Construction Co., Inc. 401(K) Plan, an employee Benefit Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Faulconer Construction Co., Inc. 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of Faulconer Construction Co., Inc. 401(K) Plan's internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Faulconer Construction Co., Inc. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated, October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FAULCONER CONSTRUCTION CO., INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - PLAN DESCRIPTION

The following description of the Faulconer Construction Co., Inc. 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all employees of Faulconer Construction Co., Inc. (the "Company") who are age twenty or older, and have completed twelve consecutive months of service with the Company. Effective January 1, 2021, the Plan was restated and changed the conditions of eligibility to employees who are aged twenty or older, and have completed six consecutive months of service with the Company, and changed the effective participation date to immediate upon meeting the conditions of eligibility. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective January 1, 2007, the plan was changed to a safe harbor 401(k) plan. Safe harbor provision ceased on January 1, 2009. See "Contributions" below.

Contributions. Each year, participants may contribute up to the maximum amount allowed in accordance with the IRS, ERISA, and DOL requirements, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Prior to January 1, 2009, the Company made a matching contribution of 100% up to 4% of base compensation that a participant contributes to the Plan. Effective January 1, 2009, the Company ceased making matching contributions, and effective January 1, 2013, reinstated matching contributions at 30 cents per dollar of participant deferral. Additional profit-sharing amounts may be contributed at the option of the Company's Board of Directors. Contributions are subject to certain limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocated shares of (a) the Company's contribution, and (b) net investment earnings and appreciation. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is also immediate.

Investment Options. Plan participants have the ability to direct all contributed and matched funds to the different investment elections available. Participants may change their investment options daily.

Participant Notes Receivable. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to \$50,000 or 50% of their account balance. Effective November 21, 2006, loans will only be granted if there is an immediate and heavy financial need with one of the following criteria: the incurrence of medical expenses (as described in section 213(d) of the IRS Code) of the participant or the participant's spouse or dependents; the first time purchase of a principal residence for the participant; payment of tuition and related educational fees for the next twelve months of post-secondary education for the participant or the participant's spouse, children, or dependents; and to prevent the eviction of a participant from, or a foreclosure on the

mortgage of, the participant's principal residence. Also effective November 21, 2006, the loan cannot be in excess of the amount of the immediate and heavy financial need. Effective January 1, 2021, the Company adopted the provisions set forth in the Cares Act, which allows qualified participants to borrow from their fund accounts a minimum of \$1,000 up to the lesser of: (1) \$100,000, or (2) the participant's vested benefit under the Plan. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. The loans are secured by the balance in the participant's account, and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through weekly payroll deductions.

Payment of Benefits. Upon termination of service due to death, disability, or retirement, a participant will receive an amount equal to the value of the participant's interest in his or her account as soon as administratively possible. For termination of service due to other reasons, a participant may receive the value of the interest in his or her account as a lump-sum distribution.

Operating Expenses. The Company absorbs certain legal, accounting, and data processing expenses incurred by the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value and contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the amount a participant would receive if he or she were to initiate transactions under the terms of an ongoing plan. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd.)

Plan Amendment

Effective January 1, 2021, the Plan was amended and restated, and Reliance Trust Company ("Trustee"), and Automatic Data Processing, Inc. ("Record keeper") were newly appointed. Plan assets transferred to the new Trustee were transferred into funds comparable to those offered by the previous Trustee. The conversion initiated a blackout period beginning January 1, 2021 and continuing through as long as February 15, 2021. During this period, funds could not be applied to the employee-selected funds with the Trustee or withdrawn from the Plan until the Trustee could accurately complete the conversion. During this period, employee contributions continued to be made through payroll deductions, and the contributions were deposited and held in the Plan's income fund until the completion of the blackout period. At the end of the blackout period, such funds were transferred to the investment options requested by each participant.

Accounting Pronouncements

Plan management has elected to limit the scope of the audit in accordance with ERISA Section 103(a)(3)(C), which allows Plan management to instruct the auditor not to perform any auditing procedures with respect to investment information prepared and certified by the Trustee (a qualified certifying institution).

Subsequent Events

Management has evaluated subsequent events through October 6, 2022, the date the financial statements were available to be issued.

NOTE 3 - INVESTMENTS

The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by Reliance Trust Company, the Trustee of the Plan, as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This information has not been audited by the Plan's independent auditors.

The fair value/contract value of investments at December 31, 2021 and 2020, as reported by the Trustee, is summarized as follows:

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE OF ASSETS AND LIABILITIES (cont'd.)

(a) In accordance with FASB Subtopic 820-10, certain investments that are measured at NAV (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Plan Benefits.

The Plan's investments are reported at fair value in the accompanying Statement of Net Assets Available for Plan Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 – inputs are quoted prices in active markets as of the measurement date for identical assets and liabilities that the company has the ability to access. This category includes exchange-traded mutual funds and equity securities.

Level 2 – are inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include quoted market prices for similar assets and liabilities in active markets and inputs other than quoted prices that are observable for the asset or liability, such as interest rates or yield curves that are observable at commonly quoted intervals.

This category includes mortgage-backed securities, asset-backed securities, corporate debt securities, certificates of deposit, commercial paper, U.S. agency and municipal debt securities, U.S. Treasury securities and derivative contracts.

Level 3 – inputs are unobservable inputs for the asset or liability and include situations where there is little, if any, market activity for the asset or liability. The measurements are highly subjective. The fair values of the participant loans are not actively traded and significant other observable inputs are not available.

NOTE 5 - COMMON/COLLECTIVE TRUST

The investment in the Metlife Stable Value Fund J is composed primarily of direct and indirect interests in fully benefit-responsive investment contracts that are valued at the NAV of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require sufficient notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 5 - COMMON/COLLECTIVE TRUST (cont'd.)

The Metlife Stable Value Fund J, that is included in the tables in Note 4, files a U.S. Department of Labor Form 5500, *Annual Return/Report of Employee Benefit Plan* as a direct filing entity. Accordingly, certain disclosure requirements under FASB ASU 2015-12 with respect to investment strategies for investments measured using the NAV practical expedient are not required in this report.

NOTE 6 - RECEIVABLES

Receivables at December 31, 2021 and 2020, consist of contribution receivables, and participant notes receivables. The total contribution receivables for December 31, 2021 and 2020 was \$21,032 and \$15,079, respectively. See Note 7 for participant notes receivable.

NOTE 7 - PARTICIPANT NOTES RECEIVABLE

Participant Notes Receivable totaled \$85,478 and \$5,066 at December 31, 2021 and 2020, respectively.

NOTE 8 - EXCESS CONTRIBUTIONS PAYABLE

The Plan failed to pass the Average Deferral Percentage (ADP) test for December 31, 2021 and 2020 plan years. For the Plan year ended December 31, 2021, the Plan also failed the Actual Contribution Percentage Test (ACP) and the 402(g) Test. For the Plan year ended December 31, 2020, one participant exceeded the limits of the IRC Section 415. Excess contributions payable were \$34,611 and \$26,074 for the years ended December 31, 2021 and 2020, respectively.

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants prior to April 15th following the close of the calendar year during which the excess deferral was made.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENT TO FORM 5500

The following is a reconciliation of net assets available for plan benefits, per the financial statements, at December 31, 2021 and 2020 to Form 5500:

<u>December 31, 2021</u>	
Net assets available for Plan benefits per the financial statements	\$ 16,305,273

NOTE 10 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 11 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 12 - TAX STATUS

The Company's 401(k) Plan is qualified under a Prototype plan sponsored by American Funds Distributors, Inc. The Internal Revenue Service has determined and informed said sponsor by a letter dated October 6, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America Require the Plan Administrator to evaluate the tax position taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 13 - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan assets are invested in funds managed by the Trustee of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

NOTE 14 - SUBSEQUENT EVENTS

Plan Amendment:

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Act of 2019 (the SECURE Act), which laws change the Plan to, among other, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
