INDEPENDENT AUDITORS' REPORT

To the Retirement Plan Committee of
Gray, Gray, & Gray, LLP Employees Savings & Security Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Gray, Gray, & Gray, LLP Employees Savings & Security Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2021 audit of Gray, Gray, & Gray, LLP Employees Savings & Security Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Gray, Gray, & Gray, LLP Employees Savings & Security Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gray, Gray, & Gray, LLP Employees Savings & Security Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gray, Gray, & Gray, LLP Employees Savings & Security Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gray, Gray, & Gray, LLP Employees Savings & Security Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held At End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Gray, Gray, & Gray, LLP Employees Savings & Security Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated August 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GRAY, GRAY & GRAY, LLP EMPLOYEES SAVINGS & SECURITY PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN:

The following description of the Gray, Gray & Gray, LLP Employees Savings & Security Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined-contribution plan established on January 1, 1990 to provide retirement and other related benefits to all employees of Gray, Gray & Gray, LLP (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

For the period January 1, 2018 through August 31, 2019, an employee became eligible to participate for purposes of salary reduction contributions on their hire date. Entry dates for eligible participants occur on the first day of the month following their date of hire. Effective September 1, 2019, the Plan was amended, such that all employees who have satisfied the eligibility requirements will become a Participant in the Plan immediately for all contribution types on the same date.

Contributions and allocations

Each year, participants may contribute up to a maximum of 90% of their pretax annual compensation, as defined in the Plan, and subject to Internal Revenue Code (IRC) limitations. The Plan allows some or all of these contributions to be designated as after-tax Roth Deferral Contributions. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants, with the consent of the Plan Administrator, may deposit amounts received from any other retirement plan which satisfy the tax rules for rollovers.

The Company makes an annual matching contribution to the Plan equal to 25% of the participant's deferral, up to 5% of a participant's compensation. Effective January 1, 2020, the Plan was amended such that the employer matching contributions are made each payroll period (with a true-up feature). The plan documents were amended also to reflect the match formula as 50% of the participant’s elective deferral, with a matching limit on elective deferrals up to 6% of a participant’s compensation. The Company may also make a discretionary profit sharing contribution which is allocated to participants in the same ratio as each participant’s eligible compensation bears to the total of all participants’ eligible compensation. For the years ended December 31, 2021 and 2020, the Company did not make any discretionary profit sharing contributions.

Participant accounts

Each participant’s account is credited with the participant’s contribution, the Company’s contribution, and allocations of Plan earnings (losses). Allocations of earnings (losses) are based on account balances, as defined. Discretionary employer profit sharing contributions are allocated based on employee compensation amounts. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Investment options

Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common/collective trusts as investment options for participants.

1. DESCRIPTION OF PLAN: (CONTINUED)

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balances, whichever is less. Loans are for a period not to exceed five years (except, longer terms are available for loans issued for the purchase of a principal residence). Loans are secured by the balances in the participants' accounts and bear interest at rates based on the prevailing interest rates charged by persons in the business of lending money for loans that would be made under similar circumstances (ranging from 4.25% to 6.50% for the years ended December 31, 2021 and 2020). Principal and interest are paid ratably usually through payroll deductions so long as the participant is employed by the Company. All outstanding loan balances will become due and payable in their entirety upon severance of employment.

Vesting

Participants are immediately vested in their voluntary contributions and rollover contributions, plus the investment earnings arising from these contributions. Discretionary employer matching and discretionary non-elective employer contributions and related earnings are subject to a vesting schedule based on the number of years of continuous service, defined as at least 1,000 hours of service during a Plan year, as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year but less than 2	20%
2 years but less than 3	40%
3 years but less than 4	60%
4 years but less than 5	80%
5 years or more	100%

Payment of benefits

On termination of service due to any reason, a participant may elect to receive a distribution of the vested interest in his or her account in a single lump-sum payment, installments over a period of not more than their assumed life expectancy, or partial withdrawals. If the balance in the participant's account is less than \$5,000, the participant must receive a single lump-sum payment. The Plan allows for a distribution without the participant's consent if a participant's vested account balance is less than \$5,000. The Plan also allows for hardship withdrawals.

Forfeited accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$25,685 and \$3,938, respectively. This account may be used to pay administrative expenses and any remaining amounts can be used to reduce future employer contributions. During 2021 and 2020, \$9,090 and \$15,663 of forfeitures were used to reduce Company matching contributions, respectively.

1. DESCRIPTION OF PLAN: (CONTINUED)

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was signed into law. The CARES Act allows retirement plans to provide participants who are impacted by COVID-19 (as defined in the CARES Act) with greater access to their savings. As permitted by the CARES Act, the Plan opted to implement the following provisions:

- Through December 31, 2020, qualified individuals are permitted to take a distribution in an amount up to \$100,000 from the Plan. Any such distribution is not subject to the 10% early distribution penalty or the mandatory 20% federal income tax withholding rate. Participants who take a qualified distribution have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result.
- Participants are allowed to borrow from their account balance, the lesser of up to \$100,000 or 100% of the participant's vested balance (an increase from \$50,000 previously allowed), and repayment can be delayed.
- Required minimum distributions are waived for retired and retirement-aged individuals until December 31, 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis in conformity with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's sponsor determines the valuation policies utilizing information provided by investment advisors, custodians and the insurance company. See Note 3 for discussion of fair value measurements. All investments are participant directed.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Earnings on investments, with the exception of participant loans, are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances. The portion of interest included in each loan payment made by a participant is recognized as interest income in the participant's individual account.

GRAY, GRAY & GRAY, LLP EMPLOYEES SAVINGS & SECURITY PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)

Administrative expenses

The employer pays certain professional fees related to the Plan. All other expenses incurred in the administration of the Plan are charged to and paid by the Plan. Fees related to administration of notes receivable from participants are charged directly to the participants account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit payments

Benefit payments are recorded when paid.

Uncertain tax positions

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

GRAY, GRAY & GRAY, LLP EMPLOYEES SAVINGS & SECURITY PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

3. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

GRAY, GRAY & GRAY, LLP EMPLOYEES SAVINGS & SECURITY PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

3. FAIR VALUE MEASUREMENTS: (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Fair Value Measurements at December 31, 2021				
	Total Fair Value	Level 1	Level 2	Level 3
Investments, at fair value:				
Mutual funds	\$ 17,814,040	\$ <u>17,814,040</u>	\$ <u>-</u>	\$ <u>-</u>
Investments measured at net asset value (a)				
Common/collective trust (b)	<u>424,104</u>			
Total Plan investments at fair value	\$ <u>18,238,144</u>			
Fair Value Measurements at December 31, 2020				
	Total Fair Value	Level 1	Level 2	Level 3
Investments, at fair value:				
Mutual funds	\$ 15,609,715	\$ <u>15,609,715</u>	\$ <u>-</u>	\$ <u>-</u>
Investments measured at net asset value (a)				
Common/collective trust (b)	<u>1,377,651</u>			
Total Plan investments at fair value	\$ <u>16,987,366</u>			

(a) Investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have been removed from the fair value hierarchy. The fair value amounts presented in the table above are intended to permit reconciliation to the amounts in the statements of net assets available for benefits.

(b) Participant transactions (purchases and sales) may occur daily. Redemptions for common/collective trusts are permitted with no other restrictions or notice periods and there are no unfunded commitments.

GRAY, GRAY & GRAY, LLP EMPLOYEES SAVINGS & SECURITY PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

4. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

5. RELATED PARTY TRANSACTIONS:

The Plan engages in investment transactions with funds managed by the record keeper, Automatic Data Processing, Inc. ("ADP"), a party-in-interest with respect to the Plan. The total fees paid by the Plan to ADP during 2021 and 2020 were \$1,525 and \$1,541, respectively. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the IRC, as amended.

The Plan engages in investment management services managed by a third party, Marsh & McLennan Agency, LLC, a party-in-interest with respect to the Plan. In 2021 and 2020, fees incurred by the Plan for investment management services were paid through participant accounts as an asset-based fee. The total fees paid by the Plan to Marsh & McLennan Agency, LLC during 2021 and 2020 were \$46,438 and \$36,067, respectively.

6. TAX STATUS:

The Internal Revenue Service ("IRS") has determined in its opinion letter dated October 6, 2020, that the non-standardized prototype plan document of Automatic Data Processing, Inc., adopted by the Plan, constitutes a qualified trust under Section 401(a) of the Internal Revenue Code and is exempt from federal income taxes under provisions of Section 501(a). The Plan has been amended subsequent to the opinion letter, however, the Plan Administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. INFORMATION CERTIFIED BY THE TRUSTEE:

The Plan Administrator has elected the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Reliance Trust Company ("Reliance"), the trustee of the Plan, certified to the Plan Administrator the fair value and physical custody of investments and notes receivable from participants included in the statements of net assets available for benefits as of December 31, 2021 and 2020 as well as dividend, interest and net appreciation of investments included in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, and information contained in Note 3, concerning valuation of investments, as well as information included in the supplemental schedule of assets (held at end of year).

GRAY, GRAY & GRAY, LLP EMPLOYEES SAVINGS & SECURITY PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

During 2020, there was an outbreak of the novel coronavirus ("COVID-19") which impacted the financial, global, national and local economy. COVID-19 has affected, and may continue to affect, the economic activity globally, nationally and locally.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:
