INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Infiniti Home Care, Inc.
d/b/a Continental Home Care
Queens, New York

I have audited the accompanying financial statements of the Infiniti Home Care, Inc. d/b/a Continental Home Care 401(K) Retirement Savings Plan for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the Plan's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of the financial statements that are free from material misstatements whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted the audits in accordance with auditing standards generally accepted in the United States of America. Those standards requires that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluation of the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Auditor's Responsibility (Continued)

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis of my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the fiduciary net position as of December 31, 2021, and the changes in fiduciary's net position of the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required as an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. My opinion on the basic financial statements is not affected by this missing information.

401(K) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

(a) Basis of Accounting

The financial statements of the Infiniti Home Care, Inc. d/b/a Continental Home Care 401(K) Retirement Savings Plan (the "Plan") have been prepared in accordance with accounting principles generally accepted in the United States of America.

(b) Method Used to Value Investments and Income Recognition

The Plan's investments are stated at fair value. Investments in securities trade on a national securities exchange are valued at the last reported sales price on the last business day of the year. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses on sales of investments and unrealized appreciation and depreciation in fair value of investments are based upon beginning of the years market values or cost, if acquired during the year. Interest and dividend income is recorded when earned and received on the last day of the quarter.

(c) Contributions

Contributions from Plan members are recorded when received. Employer contributions are also recorded when received. Plan members also may contribute amounts representing rollover distributions from other eligible plans.

(d) Notes Receivable

Notes receivable from Plan members are valued at the outstanding loan balances. Interest income is not accrued or included in this balance. If a Plan member ceases to make loan repayments and the Plan administrator deems the Plan members loan to be in default, the Plan members loan balance is reduced, and a benefit payment is recorded.

(e) Interest Income on Notes Receivable

Interest income is not due until the payment is received and is recorded at that time.

(f) Payment of Benefits

Benefit payments to Plan members are recorded upon distribution.

(g) Expenses of the Plan

Administrative expenses are paid by Plan members through a fixed fee charged to each individual account on a quarterly basis. Administrative expenses consist of consulting fees, audit fees, and attorney fees. Loan fees are netted from the loan proceeds paid to Plan members.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

(h) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of the Plan's net position and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(i) Risk and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rates, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

NOTE 2 - PLAN DESCRIPTION

The following description of the Plan provides only general information. Plan members should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a single-employer defined contribution plan. The Plan was established and may be amended by Infiniti Home Care, Inc.'s Board of Directors and is administered through a third-party provider.

Participation

All full-time active employees of Infiniti Home Care, Inc. are eligible for Plan participation. Employees are eligible to participate in the Plan as of the first payroll period occurring after the date the employee becomes an eligible employee. Participation in the Plan is voluntary. Membership in the Plan consisted of the following as of December 31, 2021.

Active Plan Members	<u>1,843</u>
---------------------	--------------

Payments of Benefits

Upon separation of service, Plan members have the following options: lump sum rollover into a traditional Individual Retirement Plan ("IRA") or a qualified Plan; lump sum distribution; installment payments; or defer distribution until a later date or age 70 ½ if the account is over \$5,000. In an event of the Plan member's death, the balance in the Plan member's account is paid to the Plan member's beneficiaries.

NOTE 2 - PLAN DESCRIPTION (Continued)

Vesting

Employee contributions and Infiniti Home Care, Inc. matching contributions are immediately 100% vested.

Contributions

The maximum contribution for the 401(K) Plan is the total amount of the Plan member's contribution, not to exceed 100% of the Plan member's salary or the annual Internal Revenue Code ("IRC") contribution limit, whichever is less. The IRS contribution limit was \$19,500 for the year ended December 31, 2021. The catch-up contribution for Plan members who were 50 years of age or older was \$6,500 for 2021. The minimum contribution is one percent of compensation. Plan members have the right to increase, decrease or discontinue contributions to the Plan with certain restrictions, provided sufficient notification has been given.

Plan Member Accounts

Individual accounts are maintained for each Plan member. Each Plan member's account is credited with the Plan member's contribution, Infiniti Home Care, Inc.'s matching contribution and allocation of Plan earnings, and charged with withdrawals and allocation of Plan losses. Allocations are based on Plan member earnings or account balances, as defined. The benefit to which a Plan member is entitled is the benefit that can be provided from the Plan member's vested account.

Notes Receivable from Plan Members

Plan members may borrow from their individual contribution accounts subject to the maximum of 50% of the Plan member's vested accrued benefits, not to exceed \$50,000. The minimum loan amount is \$1,000. The maximum number of outstanding loans at one time is two per Plan member. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. Each loan is secured by the Plan member's remaining account balance. Principal and interest payments are made through payroll deductions. As of December 31, 2021, the current interest rate is 4.25%.

Investments

Plan members direct the investment of their contributions into various investment options offered by the Plan. The Plan offers mutual funds, common trust funds, and collective trust funds as investment options for Plan members.

NOTE 2 - PLAN DESCRIPTION (Continued)

Plan Termination

While Infiniti Home Care, Inc. has not expressed any intent to terminate the Plan, it is free to do so at any time, by action of its Board of Directors. Should the Plan be terminated at some future time, the rights of the members to the benefits accrued under the Plan to the date of such termination, to the extent then funded, shall be nonforfeitable.

NOTE 3 - INCOME TAX STATUS

The Plan and related trust were designed in accordance with the applicable regulations of the IRS. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 4 - INVESTMENTS

The Plan has a formal investment policy with specific financial objectives. A broad range of investment options is provided, each with materially different risk and return characteristics, to enable Plan members to construct a portfolio that, in the aggregate, will beat each individual's desired risk and return characteristics and investment goals through separate, diversified investment vehicles. The performance of investment options are reviewed periodically on the basis of certain criteria. Investment options which do not meet or exceed these criteria are subject to removal.

The following table presents investments at fair value as determined by quoted market prices as of December 31, 2021. Investments that represent five percent or more of the Plan's net position are separately identified:

NOTE 4 - INVESTMENTS (Continued)

Custodial Risk

Custodial credit risk is the risk, that, in the event of the failure of a depository financial institution or counterparty to the transaction, the Plan will not be able to recover the value of its investment or collateral security that are in the possession of an outside party. All investment securities are delivered under contractual trust agreements, maintained in the name of the Trust, and not in the title of a third party.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan accounts for fair value in accordance with GAAS statement No. 101, Fair Value Measurement and Application, which defines fair value, establishes methods for measuring fair value by applying one of three observable valuation approaches, market approach, income approach and cost approach, and establishes required disclosures about fair value measurements.

Fair value is the exchange price that would be received to sell an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date.

GAAS 101 establishes a fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in an active market for identical assets or liabilities and the lowest priority to unobservable inputs. Financial assets and liabilities are classified in their entirety based on the lowest level input that is significant to the fair value measurement. The three levels of fair value hierarchy defined in GAAS 101 are as follows:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual Funds	<u>\$1,875,235</u>	<u>\$1,875,235</u>	<u>\$ 0</u>	<u>\$ 0</u>

NOTE 6 - RELATED-PARTY TRANSACTIONS

The target date investment funds are shares of mutual funds managed by Fidelity Investments. Fidelity Investments is the trustee, as defined by the Plan, and therefore, these investments qualify as related-party transactions. Target fund expense ratios equal the weighted average expense ratios of the underlying funds plus a 0.16% administrative fee.
