INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Park City Group, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Park City Group, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Park City Group, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Park City Group, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Park City Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Park City Group, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Park City Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, (Schedule H), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed

to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Park City Group, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 2, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Park City Group, Inc. 401K Plan

Notes to Financial Statements

Year Ended December 31, 2021

1. Description of Plan

The following description of the Park City Group, Inc. 401K Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established on May 1, 2005, by Park City Group, Inc. (Plan Sponsor), to provide benefits to eligible employees, as defined in the Plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (the Code), and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees are eligible to participate in the Plan if they have completed 60 days of service and are 18 years of age. Employees may enter the Plan on the first day of the month following the date the employee satisfies the eligibility requirements.

Participant Contributions

The Plan has an automatic enrollment feature for new employees which is set at an initial deferral amount of 3%. Participants may elect to contribute up to 90% of their eligible pre-tax compensation as defined in the Plan. Contributions are subject to certain Internal Revenue Code (IRC) limitations which was \$19,500 for 2021 and \$19,500 for 2020. Participants who are at least age 50 or will attain age 50 before the end of the calendar year are eligible to defer additional amounts ("catch-up contribution") to the Plan. The maximum catch-up contribution that one eligible participant can make was \$6,500 in 2021 and \$6,500 in 2020. The Plan allows participants to designate contributions as Roth 401(k) contributions (after-tax). Participants who have the Plan Sponsor contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Contributions withheld are invested in accordance with the participant's direction.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

Employer Contributions

The Plan Sponsor may elect to make contributions to the Plan in the form of matching or discretionary matching contributions, as defined in the Plan and as approved by the Board of Directors. During 2021 and 2020, the Plan Sponsor did not make any discretionary matching contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's matching contributions, if any, (b) the Company's discretionary contributions, if any, and (c) plan earnings or losses and are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan document.

1. Description of Plan (continued)

Vesting

Participants are immediately vested in their elective deferrals. Participants are fully vested in the employer's matching contributions allocated to their account after four years of credited service, 25% for each year. Participant vesting dates are based upon original hire dates, by the Plan Sponsor.

Participant Loans

The Plan allows participants to borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's vested balance. Such loans bear interest at the available prime rate on the 15th day of the month the loan is initiated plus one percent and must be repaid to the Plan within a five-year period, unless the proceeds are used for the purchase of a principal residence in which case the maximum repayment period may be longer than five years. Outstanding notes receivable at December 31, 2021, carry an interest rate of 4.25%.

Payment of Benefits

Upon retirement, termination, death, or disability, participants or beneficiaries may elect to receive either a lump-sum payment equal to the value of their vested interest or annual installments as defined in the Plan document. Terminated employees with balances less than \$1,000 may be automatically paid out by the Plan upon termination. Any terminated participants with a vested balance between \$1,000 and \$5,000 may still be paid out if their balance is rolled into a qualified individual Retirement Account (IRA). Distributions may also be made at the participant's election prior to termination upon attainment of age 59 ½ or eligible hardship, as defined in the Plan document.

Termination of the Plan

The Plan Sponsor intends to continue the Plan indefinitely for the benefit of its participants; however, it reserves the right to terminate or modify the Plan at any time by resolution of its Board of Directors and subject to the provisions of ERISA. In the event the Plan is terminated, participants would become fully vested in their accounts.

Custodian and Administration of the Plan

The Plan Sponsor has appointed a Retirement Committee (the Committee) to manage the operation and administration of the Plan. The record-keeper and third-party administrator of the Plan is Automatic Data Processing, Inc. ("ADP").

Reliance Trust Company (the "Custodian") holds the assets of the Plan and acts as the custodian. The Custodian holds all assets of the Plan in accordance with the provisions of the service provider contract with the Plan Sponsor. All assets of the Plan are in investment plan accounts of the Custodian.

2. Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting and present the net assets available for plan benefits and the changes in those net assets in accordance with generally accepted accounting principles.

Management Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities during the reporting period. Actual results could differ from those estimates and assumptions.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value pooled investments which include shares of mutual funds valued at the net asset value of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and/or sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are classified as receivables from participants and are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivables are recorded as a distribution based on the terms of the Plan document. As of December 31, 2021 and 2020, the notes receivables from participants had a balance of \$86,368 and \$2,937, respectively. Management estimates that these notes receivable from participants are fully collectible, and therefore, has no reserve for bad debt against them.

Forfeitures

The non-vested portion of a terminated participant's account balance is called a forfeiture and remains in the plan. Forfeitures may be used to reduce the Plan Sponsor's matching contribution or reasonable Plan expenses. As of December 31, 2021, non-vested account balances forfeited into the Plan were \$0.

Payment of Benefits

Benefits are recorded when distributed and accrued for when approved distributions have not been paid at year end. Total distributions for the years ended December 31, 2021 and 2020 was \$1,086,231 and \$959,893, respectively. As of December 31, 2021 and 2020, there were no benefits payable.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. As of December 31, 2021 and 2020, there were no excess contributions.

2. Significant Accounting Policies (continued)

Administration Expenses

The plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits. Some types of expenses may be charged only to some participants based upon their use of a plan feature or receipt of a plan distribution. During 2021, administrative expenses totaled \$25,545.

CARES and SECURE Act

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts have been implemented by the Plan. See note 10 for additional information. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

3. Information Certified by the Custodian (unaudited)

This audit qualifies under the regulations of the Department of Labor as an ERISA Section 103(a)(3)(c) audit for the year ended December 31, 2021. Consequently, reliance was placed upon the certification of the Plan's Custodian concerning the Plan's investment assets, transactions, and income.

At December 31, 2021 and 2020, the Plan's investments were held by the asset Custodian, Reliance Trust Company. The following is a summary of the unaudited information that is included in the accompanying financial statements and supplemental schedule based on information prepared and certified by the Custodian as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

- Investments in Registered Company Shares
- Participant Loans Receivable
- Investment Income
- Investments as reflected in Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) at December 31, 2021.

4. Fair Value Measurements

The fair value measurements standard (FASB ASC 820, *Fair Value Measurements and Disclosures*) establishes a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the standard are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the techniques and inputs used at December 31, 2021 and 2020.

Registered Company Shares: Valued at the daily closing price as reported on the active market as reported by the mutual fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded and are classified as level 1 investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

Park City Group, Inc. 401K Plan

4. Fair Value Measurements (continued)

<u>2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 11,737,402	\$ -	\$ -	\$ 11,737,402
Investments at fair value	\$ 11,737,402	\$ -	\$ -	\$ 11,737,402

Investments at fair value	\$ 10,742,183	\$ -	\$ -	\$ 10,742,183

5. Related-Parties and Parties-In-Interest Transactions

Related parties and parties-in-interest include the Third-party administrator, the Custodian, the Auditor, and the Plan Sponsor. In addition, certain employees of the Plan Sponsor are considered to be parties-in-interest, such as the Plan administrator, owners, executives, directors, or members of the investment committee.

As described in Note 2, the Plan pays for certain expenses related to Plan operations and investment activities to various service providers. These transactions are considered to be party-in-interest transactions. None of the transactions mentioned above were identified as prohibited transactions.

6. Tax Status

The Plan uses a prototype plan document sponsored by Automatic Data Processing, Inc. ("ADP"), which received a favorable determination ruling from the Internal Revenue Service that it is a qualified plan under §401(a) of the Internal Revenue Code and is therefore exempt from federal income taxes. The Plan has been amended since receiving the IRS determination letter; however, the Plan administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the administrator believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the applicable taxing authorities. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. With few exceptions, the Plan is no longer subject to tax examinations by the U.S. federal, state, or local tax authorities for years before 2017.

Park City Group, Inc. 401K Plan
Notes to Financial Statements (continued)
Year Ended December 31, 2021

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. COVID-19 Pandemic

In March 2020, the World Health Organization declared the outbreak of COVID-19 as a pandemic. The pandemic has generated significant uncertainty in the global economy and volatility in financial markets resulting in the closure of many businesses. The COVID-19 pandemic may affect the market price of Plan assets. Due to the ongoing economic uncertainty and volatility caused by COVID-19, the resulting financial impact to the Plan and to the Plan's participants' accounts balances cannot be reasonably estimated.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), which included several relief provisions available to tax qualified retirement plans and their participants. The Plan has notified Plan participants of these Acts and will operate the Plan in compliance with the provisions of the Acts. The provisions include, but are not limited to, the following key points relating to participants with a need caused by COVID:

- Increased maximum participant loans to the lesser of account balance or \$100,000 for loans made between March 28, 2020 and September 22, 2020 (180 days).
- Loan repayments can be delayed up to one year for payments due through December 31, 2020 (loan to be re-amortized).
- Required minimum distributions were suspended.
- 10% penalty tax does not apply to any COVID related distributions to a participant up to \$100,000.

9. Subsequent Events

The Plan evaluated all events and transactions that occurred after December 31, 2021 through October 12, 2021, the date these financial statements were available to be issued. During this period, the Plan did not have any material recognizable subsequent events that would require disclosure.
