Independent Auditors' Report

Plan administrator and participants of
The 401(k) Plan and Trust of
Physicians Endoscopy, LLC
Jamison, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The 401(k) Plan and Trust of Physicians Endoscopy, LLC, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The 401(k) Plan and Trust of Physicians Endoscopy, LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The 401(k) Plan and Trust of Physicians Endoscopy, LLC's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The 401(k) Plan and Trust of Physicians Endoscopy, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The 401(k) Plan and Trust of Physicians Endoscopy, LLC's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i - Schedule of Assets (held at end of year) and Schedule H Line 4a- schedule of delinquent participant contributions as of or for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional

procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The 401(k) Plan and Trust of Physicians Endoscopy, LLC. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 Description of plan

The following description of The 401(k) Plan and Trust of Physicians Endoscopy, LLC (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan covering substantially all employees of Physicians Endoscopy, LLC, and all other members of the controlled group or affiliated service group of entities that includes Physicians Endoscopy, LLC (together the "Companies"). Each employee who is not in an excluded classification of employees will become a participant in the Plan on the Plan entry date, as defined, coincident with or immediately following the later of the date on which the employee completes one year of service with at least 1,000 hours of service and attains age twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Trustees of the Plan are responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance. Effective August 19, 2020, Physicians Endoscopy, LLC extended eligibility and entry under the Plan to eligible employees of SecureMD Professional California, P.C. and Long Island Digestive Endoscopy Center, LLC (dba Advanced Surgery Center of Long Island), which adopted the Plan for each of its eligible employees as Participating Employers. Effective December 28, 2020, Physicians Endoscopy, LLC extended eligibility and entry under the Plan to eligible employees of UH North Ridgeville Endoscopy Center, LLC, which adopted the Plan for each of its eligible employees as Participating Employers. Effective January 1, 2021, Physicians Endoscopy, L.L.C will extend eligibility and entry under the plan to eligible anesthesiologists and certified registered nurse anesthetists employed by The Endoscopy Center of West Central Ohio, LLC Effective January 1, 2021, Physicians Endoscopy, LLC extended eligibility and entry under the Plan to eligible employees of Digestive Disease and Endoscopy Center, LLC, which adopted the Plan for each of its eligible employees as Participating Employers. Effective January 1, 2021, Physicians Endoscopy, LLC extended eligibility and entry under the Plan to eligible employees of Fredericksburg Endoscopy Center, LLC, which adopted the Plan for each of its eligible employees as Participating Employers. Effective October 1, 2021, Physicians Endoscopy, LLC extended eligibility and entry under the Plan to eligible employees of Emerson Endoscopy and Digestive Health Center, LLC, which adopted the Plan for each of its eligible employees as Participating Employers.

Contributions

Participants in the Plan may elect to defer a portion of their pretax earnings, as defined in the Plan, not to exceed a statutory maximum. Participants who have attained age 50 before the end of the Plan year are eligible for catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the

investment of their contributions into various investment options offered by the Plan. Effective as of July 1, 2017, the Plan includes an auto-enrollment provision for all participants that first become eligible to participate in the Plan on or after July 1, 2017 unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 5 percent of eligible compensation and their contributions invested in a qualified default investment alternative based on the participant's age related to the Plan's normal retirement age until changed by the participant. The Companies' discretionary matching contribution is 100 percent of the first 3 percent and 50 percent of the next 2 percent of compensation that a participant contributed to the Plan for 2021 and 2020. Under the profit sharing portion of the Plan, the Companies may, but are not required to, make a contribution to the Plan to be shared by all eligible participants. During the years ended December 31, 2021 and 2020 the Company made a \$472,363 and \$407,694, respectively, profit sharing contribution to the Plan. The Companies may also make a qualified nonelective contribution ("QNEC") to the Plan. There were no QNEC contributions made to the Plan for 2021 or 2020. Contributions are subject to certain IRS limitations.

Participant accounts

Each participant's account balance is maintained separately and is credited with the participant's contribution, including rollovers, company matching contributions, and allocations of the Companies' profit sharing and QNEC contributions, if any, and Plan earnings, and charged with an allocation of plan losses and certain administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are 100% vested in their salary reduction, employer matching, QNEC, and rollover contributions, and Plan earnings thereon.

Vesting for the Companies' profit sharing contributions and earnings thereon is according to the following schedule:

<u>Completed years of credited service</u>	<u>Vested percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%

Notes receivable from participants

Participant loans are permitted pursuant to the Loan Policy, as defined; provided, however, that such Loan Policy shall only apply to loans that are merged and/or transferred into the Plan as a result of the merger of another qualified retirement plan into the Plan (i.e., legacy loans), which shall be the only Plan loans permitted. The loans are secured by the balance in the participant's account. The loan interest rate on the loan is the rate from the loan transferred into the plan. Principal and interest is paid ratably through payroll deductions. Notwithstanding the foregoing, no new loans may be initiated from Plan participants and/or beneficiaries at any time.

Payment of benefits

On termination of service, death, disability or retirement, participants or their beneficiaries are eligible to receive a distribution of their vested account balances. In-service distributions due to hardships and attainment of age 59 1/2, as defined, are also permitted. Distributions under the Plan are made in one lump-sum payment or installments.

Forfeited accounts

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account represents a forfeiture. Forfeitures are used first to reduce employer profit sharing contributions for the plan year in which the forfeiture occurs, then as an offset to any profit sharing contributions for the plan year that follows the plan year in which the forfeiture occurs. In general, forfeitures will be allocated to eligible employees employed at the same location where the forfeitures arose, or within the same "controlled group" or "affiliated service group" as identified under IRS Regulations. The Plan may also use forfeitures to pay for Plan related administrative expenses, or to satisfy certain cash-out buy-back rights and USERRA re-employment rights, as defined, under the Plan. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$85,481 and \$25,492, respectively. Also, in 2021 and 2020, profit sharing contributions were reduced by \$33,570 and \$29,543, respectively, from forfeited nonvested accounts.

NOTE 2 Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an

OF PHYSICIANS ENDOSCOPY, LLC**

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Trustees of the Plan determine the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expense and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Companies and are excluded from these financial statements. Certain custodial fees are included in administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

CARES Act

The Plan has implemented certain requirements of the Coronavirus Aid Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among other changes, allow certain eligible individuals to receive coronavirus-related relief for loan repayment or to receive a coronavirus-related hardship distribution, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

Subsequent events

The Plan has evaluated subsequent events through September 26, 2022, which is the date these financial statements were available to be issued.

Effective April 1, 2022, Physician's Endoscopy, LLC will extend eligibility and entry under the plan to eligible employees of Penn Medicine Princeton Health, LLC. Also, effective May 15, 2022, Physician's Endoscopy, LLC will extend eligibility and entry under the plan to eligible employees of Philadelphia Gastroenterology Consultants, LTD.

NOTE 3 Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies – December 31, 2021 and 2020: The Plan's investments in registered companies are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts – December 31, 2021 and 2020: Pooled separate accounts ("PSA") invest in a single mutual fund. The fair value of the mutual fund is a publicly quoted pricing input

**THE 401(k) PLAN AND TRUST
OF PHYSICIANS ENDOSCOPY, LLC**

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

used in determining the net asset value ("NAV") of the pooled separate account, which is not publicly quoted but is available to current investors via the custodian. The NAV is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date. Therefore, this investment has a "Readily Determinable Fair Value". The fair value of the underlying mutual fund is based on third-party pricing vendors and utilize observable market information. PSAs typically can be redeemed on a daily basis. Since these investments are valued similar to mutual funds, they are treated as Level 1 assets.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan investment assets at fair value, as of December 31, 2021 and 2020. As required by FASB ASC 820, assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Investment Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 4 **Transfer of assets**

In 2019, the Plan was amended to include the accounts of all participants of a new Participating Employer, Digestive Health Specialists Endoscopy Center - Arizona, LLC. The transfer is recorded in the statements of changes in net assets available for benefits as a transfer to this Plan in the amount of \$17,130 in 2020.

NOTE 5 **Related-party transactions and party in interest transactions**

Certain Plan investments are managed by the Principal Life Insurance Company and Principal Trust Company, the custodian for the Plan and, therefore these transactions qualify as party in interest transactions.

The custodian provide certain administrative services to the Plan pursuant to Service Agreements between the Companies and the custodian. The custodian receive revenue from mutual fund and other service providers for services the custodian provide to the funds. This revenue is used to offset certain amounts that would be owed to the custodian from the Plan for its administrative services to the Plan had the arrangements with mutual fund and other services providers not been in place.

These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE 6 **Plan termination**

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.

NOTE 7 **Tax status**

On March 31, 2014, the IRS stated that the prototype adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401(a). The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator and the Plan's counsel believe that the Plan is designed and has been and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan

has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 Certification

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company and Principal Trust Company (the custodian of the Plan).

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Principal Life Insurance Company and Principal Trust Company.

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Registered investment companies	\$ 36,860,772	\$ 31,645,570
Pooled separate accounts	11,447,565	10,240,518
Notes receivable from participants	9,972	34,269
Net appreciation in fair value of investments	4,527,407	3,947,654
Interest income on notes receivable from participants	816	2,188
Dividends	508,979	539,218

NOTE 9 Risks and uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Management continues to evaluate the impact of the COVID-19 pandemic and has concluded that while it is reasonably possible that the virus could have a negative effect on the Companies' financial position and results of its operations and Plan investments, the specific impact is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.
