INDEPENDENT AUDITOR'S REPORT

The Plan Administrator and Administrative Committee
NCB Management Services, Inc. 401(k) Plan
Trevose, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of NCB Management Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of NCB Management Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NCB Management Services, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NCB Management Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NCB Management Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NCB Management Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i-Schedule of Assets Held at End of Year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

The Plan Administrator and Administrative Committee
NCB Management Services, Inc. 401(k) Plan
Trevose, Pennsylvania

We were engaged to audit the accompanying statement of net assets available for benefits of NCB Management Services, Inc. 401(k) Plan (the "Plan"), as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

NCB Management Services, Inc. 401(k) Plan

Notes to the Financial Statements

December 31, 2021 and 2020

1. Description of the Plan:

The following description of the NCB Management Services, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of NCB Management Services, Inc. (the “Company” or “NCB”) who have completed six months of service, as defined in the Plan document, and who are age twenty-one (21) or older. An eligible employee may elect to become a participant on the first day of the month following the completion of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Administrative Committee is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Administrative Committee.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2019 (the “SECURE Act”) that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act are effective on January 1, 2020 and may require significant changes to plan administration and recordkeeping.

The coronavirus disease 2019 (“COVID-19”) outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) that included numerous employee benefit plan provisions to assist plan sponsors and participants. Plan management did not adopt any of the CARES Act provisions.

Contributions

Each year, participants may contribute up to 90% of annual eligible compensation, as defined by the Plan. Participants may elect to contribute a portion of their current pay to a salary deferral account on a pre-tax basis. The Plan also permits Roth elective deferral contributions, which are made on an after-tax basis. Participants who have attained age 50 before the end of the Plan year are also eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a common/collective trust as investment options for participants.

NCB Management Services, Inc. 401(k) Plan

Notes to the Financial Statements

December 31, 2021 and 2020

1. **Description of the Plan (Continued):**

NCB entered into a Stock Purchase Agreement in 2021, and effective August 31, 2021, a buyer obtained a controlling interest in NCB. In conjunction with this acquisition, NCB's Employee Stock Ownership Plan ("ESOP") was terminated, and the majority of account balances were distributed (final distributions are expected to be completed in 2022). Rollover contributions of \$4,501,637 into NCB's 401(k) Plan represent distributions from NCB's ESOP.

Each pay period, the Company makes a matching contribution equal to a percentage of salary deferrals. Participants are eligible to receive matching contributions after they completed six months of service. For the year ended December 31, 2021, the Company contributed 25% of the first 6% of each participant's deferral amount.

The Company may also make discretionary profit sharing contributions. There were no such contributions in 2021.

Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's elective contributions and Company contributions as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their account balance a minimum of \$1,000. Participants can borrow up to 50% of their vested account balance up to a maximum of \$50,000. No more than two loans outstanding are permitted at any time. Loans must be fully repaid through payroll deductions within 5 years. The loans are secured by the balance in the participant's account and bear interest based on rates available for similar loans from commercial lending institutions. The interest rate range for outstanding loans is 4.25% to 6.50%.

Payment of Benefits

On termination of service due to retirement, termination, disability or death, participants may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Notes to the Financial Statements

December 31, 2021 and 2020

1. Description of the Plan (Continued):

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$9,150 and \$5,605, respectively. Forfeitures may be used to pay Plan administrative expenses or to reduce Company matching contributions.

However, per the Plan document, such forfeitures are to be used by the subsequent plan year in which they are created. Any forfeitures that are outstanding after a subsequent plan year end are to be reallocated to Plan participants. For the year ended December 31, 2021, forfeitures of \$963 were used to pay Plan administrative expenses and \$4,738 were used to offset employer matching contributions.

Vesting

Participants are vested immediately in their contributions (including rollover contributions) plus earnings thereon. Matching and profit sharing contributions, including earnings, become vested as follows:

Years of Service	Vesting Percentage
Less than 2	0%
At least 2 but less than 3	20%
At least 3 but less than 4	40%
At least 4 but less than 5	60%
At least 5 but less than 6	80%
6 or more	100%

Participants must work at least 1,000 hours during each Plan year to earn a year of vesting service. Regardless of years of service, a participant becomes 100% vested at normal retirement age. A participant also becomes fully vested if he is an employee on the date of his death or on the date he becomes disabled.

2. Summary of Significant Accounting Policies:

Basis of Accounting

The financial statements are prepared under the accrual method of accounting.

NCB Management Services, Inc. 401(k) Plan

Notes to the Financial Statements

December 31, 2021 and 2020

2. **Summary of Significant Accounting Policies** (Continued):

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes receivable from participants are recorded as distributions based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Included in administrative expenses are recordkeeping and advisory fees as well as fees for certain participant transactions (i.e., loan fees, withdrawal and distribution fees). Investment related expenses are included in net appreciation of fair value of investments.

Notes to the Financial Statements

December 31, 2021 and 2020

3. Information Prepared and Certified by the Trustee (Unaudited):

The following information included in the accompanying financial statements was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Principal Trust Company (the trustee of the Plan):

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Mutual funds	\$12,061,390	\$8,068,123
Common/collective trust	2,666,503	721,133
Notes receivable from participants	254,932	181,622
Net appreciation in fair value of investments	1,311,980	
Dividends	162,306	
Interest income on notes receivable from participants	10,575	

4. Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NCB Management Services, Inc. 401(k) Plan

Notes to the Financial Statements

December 31, 2021 and 2020

4. Fair Value Measurements (Continued):

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

<i>Mutual funds:</i>	Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
----------------------	--

<i>Common/collective trust (stable value fund):</i>	Valued at the NAV of the units of the collective trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV is not a publicly quoted price in an active market but is available to current investors via the plan recordkeeper's designated web portal or when plan participants access their account values. The NAV is the basis for current transactions and common/collective trusts can be redeemed at NAV as of the measurement date. As such, common/collective trusts are considered to have a readily determinable fair value.
---	---

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NCB Management Services, Inc. 401(k) Plan

Notes to the Financial Statements

December 31, 2021 and 2020

4. Fair Value Measurements (Continued):

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31:

Assets at Fair Value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$12,061,390	\$ -	\$ -	\$12,061,390
Common/collective trust	<u>2,666,503</u>	<u>-</u>	<u>-</u>	<u>2,666,503</u>
Investments at fair value	<u>\$14,727,893</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 14,727,893</u>

Assets at Fair Value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$8,068,123	\$ -	\$ -	\$ 8,068,123
Common/collective trust	<u>721,133</u>	<u>-</u>	<u>-</u>	<u>721,133</u>
Investments at fair value	<u>\$8,789,256</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,789,256</u>

5. Related Party Transactions and Party-in-Interest Transactions:

Principal Trust Company is the trustee and custodian for the Plan, and Principal Life Insurance Company is the administrator for the Plan. Certain Plan investments are shares of mutual funds managed by an affiliate of Principal Life Insurance Company. Therefore, these transactions qualify as party-in-interest transactions. Principal Trust Company and Principal Life Insurance Company are both members of the Principal Financial Group.

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment as they are paid through revenue sharing, rather than a direct payment.

Fees paid by the Plan for administrative services amounted to \$13,700 for the year ended December 31, 2021.

NCB Management Services, Inc. 401(k) Plan

Notes to the Financial Statements

December 31, 2021 and 2020

6. **Excess Contributions Payable:**

Liabilities of \$-0- and \$8,449 (including earnings) were recorded at December 31, 2021 and 2020, respectively, for amounts payable by the Plan to participants for contributions made in excess of amounts allowed by the IRS. A 10% excise tax is imposed for such amounts distributed after March 15th of the following plan year. The Plan is currently computing the 2021 excess contributions. Refunds (and related earnings) are expected to be processed and paid to applicable participants by the end of October, 2022. As such amounts were not timely distributed, Form 5330 *Return of Excise Taxes Related to Employee Benefit Plans* will be filed, and excise taxes will be paid by the Company.

7. **Ability to Terminate the Plan:**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. **Tax Status:**

The IRS issued a favorable opinion letter dated June 30, 2020 for plans using the third-party administrator's prototype adoption agreement. The IRS stated that the prototype plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Administrative Committee believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been made in the financial statements.

Accounting standards require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NCB Management Services, Inc. 401(k) Plan

Notes to the Financial Statements

December 31, 2021 and 2020

9. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Subsequent Events:

The Plan has evaluated subsequent events through October 6, 2022, which is the date the financial statements were available to be issued.
