## **Independent Auditors' Report**

To the Plan Administrator  
Sanden 401(k) Plan  
Louisville, Kentucky

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of Sanden 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Sanden 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Sanden 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sanden 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sanden 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sanden 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### **2021 Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## **SANDEN 401(k) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **Note 1. Description of Plan**

The following description of the Sanden 401(k) Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

##### **General:**

The Plan is a defined contribution plan covering substantially all employees of Sanden, Inc. d/b/a Great Clips (Employer). An employee may join the Plan on January 1 or July 1 following the date of twelve months of continuous employment and attainment of age twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

##### **Contributions:**

Each year, participants may contribute up to 100% of their pre-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Employer makes an annual safe harbor matching contribution for all participants equal to 100% of the first 4% of compensation deferred. The Employer may also make an annual discretionary profit-sharing contribution. The Employer made no discretionary profit-sharing contributions for 2021 or 2020. Contributions are subject to certain IRS limitations.

##### **Participant accounts:**

Each participant's account is credited with the participant's contributions and Employer safe harbor and discretionary matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of investment expenses that are paid by the Plan. Allocations are based on account balances or specific participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## NOTES TO FINANCIAL STATEMENTS

### Vesting:

Participants are vested immediately in their contributions and employer safe harbor contributions, plus actual earnings thereon. Vesting in the Employer's discretionary contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service according to the following schedule:

| <u>Years of Service</u> | <u>% Vested</u> |
|-------------------------|-----------------|
| 0-1                     | 0               |
| 2                       | 20              |
| 3                       | 40              |
| 4                       | 60              |
| 5                       | 80              |
| 6 or more               | 100             |

### Payment of benefits:

On termination of service due to death, disability, retirement, termination of employment, or attaining normal retirement age, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. The Plan also allows for in-service withdrawals at age 59½. The Plan specifically restricts the timing and method of benefit payments based upon the participant's age, length of service, account value, and reason for termination.

### Forfeited accounts:

At December 31, 2020, forfeited non-vested accounts from discretionary employer contributions totaled \$104. There were no forfeited non-vested accounts at December 31, 2021. This account will be used to reduce future employer contributions or Plan expenses. Forfeitures of \$104 were utilized in 2021 to reduce Plan expenses. No forfeitures were utilized in 2020.

### Note 2. Summary of Significant Accounting Policies

This summary of significant accounting policies of Sanden 401(k) Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management, who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

## **NOTES TO FINANCIAL STATEMENTS**

### **Basis of accounting:**

The financial statements of the Plan are prepared on the accrual basis of accounting.

### **Use of estimates:**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

### **Investment valuation and income recognition:**

Investments are reported at fair value (except for fully-benefit responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### **Payment of benefits:**

Benefits are recorded when paid.

### **Administrative expenses:**

All administrative expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of participant accounts are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

### **Subsequent events:**

The Plan has evaluated subsequent events through October 11, 2021, the date the financial statements were available to be issued.

## NOTES TO FINANCIAL STATEMENTS

### **Note 3. Certified Investments**

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company and Massachusetts Mutual Life Insurance Company, the insurance companies of the Plan for the years ended December 31, 2021 and 2020, respectively.

### **Note 4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

## NOTES TO FINANCIAL STATEMENTS

All assets have been valued using a market approach. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

Pooled separate accounts – valued at the net asset value of units held by the Plan at year end. The net asset value is used as a practical expedient to estimate fair value.

The following table sets forth the Plan's assets measured at net asset value as of December 31, 2021 and 2020. No assets met the criteria to be leveled.

|                                          | <u>2021</u>        | <u>2020</u>        |
|------------------------------------------|--------------------|--------------------|
| Investments measured at net asset value: |                    |                    |
| Pooled separate accounts                 | <u>\$1,163,438</u> | <u>\$1,429,846</u> |

### **Investments Measured Using Net Asset Value per Share Practical Expedient:**

The pooled separate accounts have no unfunded commitments and can be redeemed daily, with no redemption notice period, without specific terms or conditions at the underlying investments' net asset value (NAV). The NAV is updated daily.

A description of the investment strategies for all pooled separate accounts whose value is derived using NAV are as follows:

Large cap – seeks long-term growth of capital by investing majority of assets in common stocks of companies with large market capitalizations,

Mid cap – seeks long-term growth of capital by investing majority of assets in common stocks of companies with medium market capitalizations,

Small cap – seeks long-term growth of capital by investing majority of assets in common stocks of companies with small market capitalizations,

Fixed income – seeks total return by investing majority of assets in a diversified portfolio of fixed income investments,

International – seeks long-term growth of capital by investing majority of assets in a diversified portfolio of equity securities issued by companies domiciled outside the United States,

Growth – seeks long-term growth of capital by investing majority of assets in common stocks of companies that are diversified,

Target – seeks long-term growth of capital by investing majority of assets in underlying funds that invest primarily in equity securities.

## NOTES TO FINANCIAL STATEMENTS

### **Note 5.      Guaranteed Investment Contract with Insurance Company**

The Plan entered into a fully benefit-responsive guaranteed investment contract with Great-West Life & Annuity Insurance Company (Great-West) totaling \$148,901 and Massachusetts Mutual Life Insurance Company (Mass Mutual) totaling \$131,126, at December 31, 2021 and 2020, respectively. Great-West and Mass Mutual maintain the contributions in a general account for years ended December 31, 2021 and 2020, respectively. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West for 2021 and Mass Mutual for 2020, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a monthly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, spinoffs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment may apply. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The issuer may terminate the contract with 30 days advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least \$25,000, plan disqualification, and failure to adopt the plan in a reasonable period of time. Upon termination, a market value adjustment may apply.

### **Note 6.      Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their discretionary employer contributions.

## NOTES TO FINANCIAL STATEMENTS

### **Note 7. Related Party and Party-in-Interest Transactions**

Certain plan investments are units of pooled separate accounts and a guaranteed investment contract managed by Great-West Life & Annuity Insurance Company and Massachusetts Mutual Life Insurance Company at December 31, 2021 and 2020, respectively. Great-West Life & Annuity Insurance Company and Massachusetts Mutual Life Insurance Company are the insurance companies of the Plan for the years ended December 31, 2021 and 2020, respectively, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative services were \$1,007 and \$650, for the years ended December 31, 2021 and 2020, respectively. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing rather than a direct payment. The Plan sponsor pays directly any other fees related to the Plan's operations.

Certain administrative functions are performed by officers or employees of the Employer. No officer or employee receives compensation from the Plan.

### **Note 8. Income Tax Status**

The Plan is a prototype plan offered by Retirement Management Services. The prototype plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **Note 9. Prohibited Transactions**

During the year ended December 31, 2018, the Employer did not remit to the Plan certain employee contributions totaling \$20,832 within the period prescribed by the Department of Labor regulations. The Employer made contributions during 2021 to the affected participants' accounts in order to compensate the participants for potential lost income due to the delays.

## **NOTES TO FINANCIAL STATEMENTS**

### **Note 10. Risks and Uncertainties**

The Plan invests in various securities held by Great-West Life & Annuity Insurance Company and Massachusetts Mutual Life Insurance Company at December 31, 2021 and 2020, respectively. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### **Note 11. Reconciliation of Financial Statements to Form 5500**

The Plan holds investments in pooled separate accounts, which are not direct filing entities. As such, per Form 5500 instructions, the Plan's interest in the underlying assets of the pooled separate accounts must be allocated and reported in the appropriate categories on Schedule H. Therefore, these investments are reflected as mutual funds on Form 5500, but as pooled separate accounts for financial statement purposes.

### **Note 12. Contingency**

As a result of the spread of the COVID-19 pandemic, economic uncertainties exist which may have an effect on the Plan's investments. The Plan's individual investments will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, cannot be determined. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.
