**To the Trustee and Participants of the
Northstar Travel Media, LLC 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Northstar Travel Media, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Northstar Travel Media, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Northstar Travel Media, LLC 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Northstar Travel Media, LLC 401(k) Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Northstar Travel Media, LLC 401(k) Plan 's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Northstar Travel Media, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Northstar Travel Media, LLC 401(k) Plan

Notes to Financial Statements Years Ended December 31, 2021 and 2020

1. Description of the Plan

The Northstar Travel Media, LLC 401(k) Plan (the “Plan”) is administrated by Northstar Travel Media, LLC (the “Company” or “Sponsor”). The following brief description of the Plan is provided for general information purposes only. More complete information is provided in the Summary Plan Description and Plan Document, which are available from the Company.

General

The Plan is a voluntary, participant-directed, defined contribution savings plan which became effective November 1, 2001 and was amended and restated as of October 1, 2017, and covers all eligible employees of the Company and its affiliates (PhoCusWright, Inc., Ryan Solutions LLC, Sterling Valley Systems, Inc. DBA Inntopia, and TravAlliancemedial, LLC) and who have completed three months of service and are age twenty-one or older, with the exception of union employees and non-resident aliens. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan year corresponds to the calendar year.

Contributions

Each Plan year, participants may elect to make voluntary contributions up to 100% of eligible compensation to their tax deferred account or Roth after-tax account subject to certain statutory limitations. Elective deferrals can be changed by a participant at any time, with the change taking effect in the next administratively feasible payroll period. The participant may elect to rollover contributions which were received from another qualified plan. Participants 50 or older may make an additional pre-tax and/or Roth after-tax contribution subject to Internal Revenue Service limitations. Participants are automatically enrolled to defer 3% of pay and will increase 1% annually up to 8%, unless they choose to opt out of the Plan or make a change to the contribution amount. The Company may make discretionary matching contributions as part of the Plan. There were no discretionary matching contributions during 2021.

The Company may also make a discretionary profit-sharing contribution to all eligible participants who are enrolled in the Plan on the last day of the Plan year. Profit-sharing contributions, if made, are allocated based upon the proportion that the participants’ compensation bears to the aggregate compensation of all such participants in the Plan for the year. The Company did not make a discretionary profit-sharing contribution in 2021.

Participant Accounts

Participants are immediately vested in their elective contributions plus actual earnings thereon. Each participant’s account is credited with the participant’s contribution and the Company’s matching contribution, discretionary matching, and profit-sharing contributions, if any, as well as Plan investment income or losses and administrative expenses. Portfolio fees normally charged by the investment funds are applied against the participant’s account and reported as a reduction of investment income.

Vesting

A participant’s vesting in the Company’s employer matching contributions and discretionary profit-sharing contributions plus earnings thereon, are based on years of service. A participant becomes 100% vested after one year of credited service for the Company’s employer matching contributions and 100% vested after three years for the discretionary profit-sharing contributions.

Benefit Payments

A participant who terminates employment is generally entitled to their vested account balance. Upon termination of employment due to a participant’s death, disability, early retirement, or attainment of age 65 (“normal retirement age”), the participant’s account is considered fully vested and is eligible for distribution in either a lump-sum payment, partial payments, or through installment payments for a certain dollar amount.

Northstar Travel Media, LLC 401(k) Plan

In-Service Withdrawals

Participants attaining the age of 59-1/2 or who reach early retirement age (defined as 55 years of age with three years of vested service) may request a withdrawal of all or part of the vested portion of their accounts. Also, in the event a participant suffers financial hardship, as defined in the Plan, the participant may withdraw all or part of his/her salary deferrals account.

Forfeitures

Forfeiture accounts may be used to offset Plan expenses or are used to reduce employer contributions, added to employer contributions, or reallocated, as elected by the Company. As of December 31, 2021 and 2020, the forfeiture balance had approximately \$1,700 and \$2,500 available, respectively. During the year ended December 31, 2021, participants forfeited approximately \$0 and approximately \$800 of forfeitures were utilized to pay administrative expenses and approximately \$300 were used to reduce the employer matching contributions. During the year ended December 31, 2021, approximately \$300 was added to the forfeiture account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of their vested account balances or \$50,000 (reduced by the highest value of any outstanding loan balance in the preceding 12 months). The interest rate is set at the prime rate plus 1%. The maximum number of loans available to a participant at any given time is two. Loan terms are for up to five years, except for loans for the purchase of a primary residence, which are not to exceed thirty years or the term of the mortgage. Loans are repaid through payroll deductions and are secured by the vested balances in the participants' accounts.

As of December 31, 2021, notes receivable from participants accrue interest at rates ranging from 4.25% to 6.5% per annum with maturities ranging from January 2022 to November 2026. As of December 31, 2020, notes receivable from participants accrue interest at rates ranging from 4.25% to 6.5% per annum with maturities ranging from January 2022 to November 2026.

Investment Options

Investments with Charles Schwab Trust Bank, the trustee of the Plan, may be made in the fund vehicles offered by the Plan and participants may elect to have their contributions invested in any of these funds. A separate account is maintained for each participant and interest and dividends earned by each fund are reinvested in that fund. Participants may change their investment options daily.

COVID-19

On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" was signed in to law. The CARES Act includes several relief provisions available to the Plan and its participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- The Plan has added a withdrawal option to the eligible participants, avoiding the 10% penalty if less than age 59 1/2. Participants were required to self-certify that they or their dependents had been diagnosed with COVID-19, or that they had experienced adverse financial consequences directly related to COVID-19.
- Notes receivable from participants had been temporarily increased for 180 days to \$100,000 from \$50,000 and could be equal to 100% of the participant's vested account balance
- Required minimum distributions were waived

In accordance with the CARES Act, the Plan was amended to retroactively adopt these provisions on June 19, 2022.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Northstar Travel Media, LLC 401(k) Plan

Investment Valuation and Income Recognition

The Plan's investments in mutual funds and the money market fund are stated at fair value. Investment in the common collective trust fund is measured at net asset value per share, a practical expedient to fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held at year end.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

3. Information Certified by the Trustees

Under the Department of Labor's Rules and Regulations 29 CFR 2520.103-8, investment and other information prepared and certified by a bank, trust or insurance company, which is regulated, supervised and subject to periodic examination by a state or federal agency, need not be audited. The following is a summary of the unaudited information regarding the Plan as of December 31, 2021 and 2020 and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule of assets (held at end of year) that was prepared by or derived from information prepared by Charles Schwab Trust Bank and Charles Schwab Bank (collectively "Schwab"), the trustees of the plan, as of December 31, 2021 and 2020, and for the year ended December 31, 2021, and furnished to the plan administrator. The plan administrator has obtained a certification from Charles Schwab Trust Bank as of December 31, 2021, and for the year then ended that the information provided to the plan administrator is complete and accurate. The plan administrator has obtained a certification from Charles Schwab Bank as of December 31, 2020, that the information provided to the plan administrator is complete and accurate.

4. Fair Value Measurements

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
 - If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020:

Mutual Funds/Money Market Funds

Valued at the daily closing price as reported by the fund, which represents the net asset value of the shares held by the Plan at year-end. The funds held by the Plan are deemed to be actively traded (Level 1 inputs).

Common Collective Trust Fund

Composed primarily of fully-benefit responsive investment contracts and is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate the fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchase and sales) may occur daily. There are no participant redemption restrictions for these investments and the redemption notice period of 12 months is applicable only at the Plan level.

Northstar Travel Media, LLC 401(k) Plan

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021				
	(Level 1)	(Level 2)	(Level 3)	Total
Mutual funds	\$ 43,811,854	\$ -	\$ -	\$ 43,811,854
Money market fund	76,043	-	-	76,043
Total investments in the fair value hierarchy	43,887,897	-	-	43,887,897
Common collective trust fund (a)	-	-	-	879,322
Total investments at fair value	\$ 43,887,897	\$ -	\$ -	\$ 44,767,219

Investments at Fair Value as of December 31, 2020				
	(Level 1)	(Level 2)	(Level 3)	Total
Mutual funds	\$ 39,292,018	\$ -	\$ -	\$ 39,292,018
Money market fund	77,259	-	-	77,259
Total investments in the fair value hierarchy	39,369,277	-	-	39,369,277
Common collective trust fund (a)	-	-	-	1,173,920
Total investments at fair value	\$ 39,369,277	\$ -	\$ -	\$ 40,543,197

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. Tax Status

The Plan is based on a prototype plan designed by Schwab Retirement Plan Services Inc., which obtained an opinion letter from the Internal Revenue Service dated June 19, 2014, in which the Internal Revenue Service stated that the prototype plan document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). The Plan has since been amended; however, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on technical merits, not to be sustained upon examination by the Internal Revenue Service.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded, as of December 31, 2021 and 2020, that there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although the Company has not expressed any intent to terminate the Plan, it may do so at any time subject to the provisions of ERISA. Upon termination of the Plan, participants will become 100% vested and entitled to their full account balance, including all Company contributions and earnings thereon, as of the termination date.

Northstar Travel Media, LLC 401(k) Plan

7. Related Party Transactions and Party in Interest Transactions

Certain Plan investments are managed by the Plan's trustees and, therefore, transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. Other fees and expenses, such as investment fees and certain plan administrative expenses, maybe deducted directly from investment returns in accordance with the applicable investment option selected by the participants.

8. Risks and Uncertainties

The assets of the Plan are invested in financial instruments that are liquid, readily tradable, and subject to fluctuations in fair value. General market and economic conditions have a significant impact on the Plan's investment performance. Investments are subject to risk conditions of the individual fund objectives, equity market fluctuations, interest rates, economic conditions and world affairs. It is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits

9. Subsequent Events

The Company has evaluated subsequent events through September 28, 2022, the date the Plan's financial statements were available for issuance.
